COMPREHENSIVE FAQs ON SEBI (PIT) REGULATIONS 2015

Trading Related

1. Question

Whether creation of pledge, invocation of pledge and revocation of pledge can be deemed as trading?

Answer

Trading as defined under Regulation 2 (1) (I) means and includes subscribing, buying, selling, dealing, or agreeing to subscribe, buy, sell, deal in any securities, and "trade" shall be construed accordingly. The term trading is widely defined to include dealing in securities and intended to curb the activities based on unpublished price sensitive information (UPSI) which are strictly not buying, selling or subscribing, such as pledging etc. Hence, trading would include creation/invocation/revocation of pledge.

2. Question

Whether trading only in equity shares is in violation of PIT Regulation while in possession of UPSI or it also includes trading in other form of securities?

Answer

Trading in securities while in possession of UPSI is prohibited as per the regulations. For the applicability of SEBI (PIT) Regulations, securities shall have the same meaning assigned to it under the Securities Contracts (Regulation) Act, 1956, which inter-alia covers shares, scrips, stocks, bonds, debentures, derivative, etc. except units of mutual funds.

3. Question

Whether trading on the basis of UPSI is prohibited even for persons not falling under the definition of 'Designated Persons' under the PIT Regulations?

Answer

Regulation 2(1) (g) of SEBI (PIT) Regulations, 2015 defines 'insider' as any person who is:

- i) a connected person; or
- ii) in possession of or having access to unpublished price sensitive information.

Therefore, even if a person is not classified as a designated person, having access to UPSI would make such a person an 'insider'. As per Regulation 4(1) of SEBI (PIT) Regulations, 2015, an insider is prohibited to trade while in possession of UPSI.

4. Question

Are PIT Regulations applicable on transmission of shares?

Answer

Yes, PIT Regulations are applicable on transmission of shares. However, they are exempted from provisions of trading window closure, pre-clearance and contra trade, but the norms relating to disclosure requirements shall be applicable on transmission of Shares.

Structured Digital Database

5. ¹Question:

Whether the requirement to maintain structured digital database under Regulation 3(5) is applicable on intermediaries and fiduciaries?

Answer

The requirement to maintain structured digital database under Regulation 3(5), containing the names of such persons or entities with whom UPSI is shared, is applicable to listed companies, and intermediaries and fiduciaries who handle UPSI of a listed company in the course of business operations.

6. ²Question:

What information should a listed company maintain in its structured digital database under Regulation 3(5), in case the designated person is a fiduciary or intermediary?

Answer:

³[The listed company should maintain structured digital database internally, which shall contain information including the following:

¹ FAQ issued on November 04, 2019

² Guidance Note on SEBI (Prohibition of Insider Trading) Regulations, 2015 dated 24 August, 2015 Inserted on 5th July, 2019

³ Substituted pursuant to amendment in SEBI PIT Regulations, 2015 dated July 17, 2020. (Erstwhile FAQ dated November 04, 2019 read as follows- *The listed company should maintain the names of the fiduciary or intermediary with whom they have shared information along with the Permanent Account Number (PAN) or other unique identifier authorized by law, in case PAN is not available. The fiduciary / intermediary, shall at their end, be required to maintain details as required under the Schedule C in respect of persons having access to UPSI. For example: If the listed company has appointed a law firm or Merchant Banker in respect of fund raising activity, it should obtain the name of the entity, so appointed, along with the PAN or other identifier, in case PAN is not available. The law firm or the Merchant Banker would in turn maintain its list of persons along with PAN or other unique identifier (in case PAN is not available), in accordance with Regulation 9A(2)(d) and as required under Schedule C, with whom they have shared the unpublished price sensitive information.*)

(ii). Details of persons with whom such UPSI is shared (along with their PANs/other unique identifier) and details of persons who have shared the information.

Similarly, another structured digital database should be maintained internally by fiduciary or intermediary, capturing information as mentioned above at point (i) and (ii), in accordance with Regulation 9A (2)(d) and as required under Schedule C.

For example: The listed company (X) has appointed a Law firm or Merchant Banker (Y) in respect of fund raising activity and (A) from listed company has shared the said UPSI with (B) of Law firm or Merchant Banker. The structured digital database of (X) should capture the nature of UPSI shared, details of (A), (Y) and (B), along with their PAN or other unique identifier (in case PAN is not available).

The Law firm or the Merchant Banker (Y) shall in turn maintain another structured digital database internally capturing the nature of UPSI received/shared, details of (X), (A) and (B) along with their PAN or other unique identifier (in case PAN is not available), in accordance with Regulation 9A(2)(d) and as required under Schedule C.]

7. Question

If the structured digital database is maintained on Amazon, Google or cloud server hosted outside India, will it be considered as outsourced or internal?

Answer

Databases/servers provided by third party vendors whether within India or outside India will be considered as outsourced.

8. Question

Regulation 3(5) requires structured digital database shall not be outsourced and shall be maintained internally with adequate internal controls and checks. Whether a listed company can use software provided by third party vendors, wherein the server is of the vendor but requisite entries are made by the employees of the company only.

Answer

The third party vendors are providing the services/software on login basis, where the server is maintained by the vendor. Therefore, the vendor may have access to such records which would be contrary to the regulations with respect to maintenance of structured digital database.

9. Question

Does list of UPSI as prepared by the company in-house needs to be disseminated to public at large?

Answer

No, there is no requirement to disseminate the list of UPSI on the website of the company.

10. Question

Are companies required to maintain this structured digital database even when the information is shared only within the company?

Answer

Yes, irrespective of the fact that information is shared within or outside the Company, requisite records shall be updated in structured digital database as and when the information gets transmitted.

11. Question

Nominee directors sharing information to their bank or financial institution for legitimate purpose, will it be covered as communication of UPSI?

Answer

If the directors fall under the list of designated persons or as an insider, then sharing of UPSI by them for legitimate purpose with the Bank/FIs, would be considered as communication of UPSI. Accordingly, the same would be recorded in the SDD of the company.

12. Question

For how long the Company needs to maintain the data in its structured digital database?

Answer

As per Regulation 3(6) of SEBI (PIT) Regulations, the structured digital database shall be preserved for a period of not less than eight years after completion of the relevant transactions and in the event of receipt of any information from SEBI regarding any investigation or enforcement proceedings, the relevant information in the structured digital database shall be preserved till the completion of such proceeding.

Pledge

13. ⁴Question

(a) Whether SEBI's intent is to prohibit creation of pledge, revocation of pledge⁵ or invocation of pledge for enforcement of security while in possession of UPSI?

(b) Whether creation of pledge, revocation of pledge⁵ or invocation of pledge is allowed when trading window is closed?

Answer

Yes. However, the pledgor or pledgee may demonstrate that the creation/revocation⁵ of pledge or invocation of pledge was bona fide and prove their innocence under proviso to sub-regulation (1) of regulation 4 of the Regulations.

14. ⁶Question

What should be the value of the pledge / revoke transaction for the purpose of disclosure? Is it the market value on date of the pledge / revoke transaction or is it the value at which the transaction has been carried out between the pledgor and pledgee? For instance, if the pledgor has availed a loan of Rs 10 Lacs against which he has pledged shares worth Rs 15 Lacs, would the transaction value be Rs 10 Lacs or Rs 15 Lacs.

Answer

For the purpose of calculation of threshold for disclosures relating to pledge under Chapter III of the Regulations, the market value on the date of pledge/revoke transaction should be considered. In the above illustration, the value of transaction would be considered as fifteen lakh rupees.

15. Question

If the lender sells the shares pledged by the designated person (shares acquired under ESOP by availing loan) to recover the loan then how to represent this transaction in Form C (i.e. invoke/revoke)?

Answer

When the lender sells the shares pledged by designated person, the transaction can be represented as invocation in Form C.

Trading Plan

16. Question

At the time of trading as per the trading plan, if the designated person is in possession of an UPSI which was not existing at the time of formulation/submission of trading plan, would these trades be in violation of SEBI (PIT) Regulations?

Answer

If an insider/designated person trades on the basis of earlier UPSI, which is still not generally available, then it will be in violation of SEBI (PIT) Regulations. However, if at the time of formulation of trading plan, there was no UPSI or later on a new UPSI was generated, then the trading can be carried out as per the trading plan, even if the new UPSI has not been made generally available.

Disclosures including System Driven Disclosures

17. Question

Whether companies are required to provide the details of immediate relatives also along with the details of designated persons in terms of SEBI Circular SEBI/HO/ISD/ISD/CIR/P/2020/168 dated September 09, 2020 (“System Driven Disclosures”).

Answer

As per SEBI Circular dated September 09, 2020, SEBI has mandated system driven disclosure for members of promoter group and designated persons only in addition to promoters and directors of the company under Regulation 7(2) of SEBI (PIT) Regulations, 2015. Only details of designated persons are required to be given this time.

18. Question

In case a designated person is a foreign national/individual who do not possess PAN or a demat account number, whether system driven disclosures are required to be submitted?

Answer

If a designated person does not have PAN or a demat account number, then such a person cannot trade in the Indian securities market. Hence, system driven disclosures will not trigger for such a person.

19. Question

In case of trades exceeding Rs. 10 Lacs in a quarter, any subsequent trades need to be disclosed in Form C or should the next disclosure be only when the next Rs. 10 Lacs limit is breached?

Answer

The explanation to Regulation 7(2)(b) states that the disclosure of the incremental transactions after any disclosure under this sub-regulation shall be made when the transactions effected after the prior disclosure cross the threshold specified in clause (a) of sub-regulation (2). Hence, the next disclosure will be due when the next Rs. 10 lacs limit is breached.

20. Question

What must be the value that the designated person should mention while reporting trades to the Company? Should it be the market rate or should it be by subtracting Brokerage, Commission etc. i.e.net of taxes and all transaction charges?

Answer

For the purpose of reporting trades, market rate should be considered.

21. Question

Regulation 7 (2) (a) requires disclosure with respect to number of such securities acquired or disposed of within two trading days of such transaction if the traded value exceeds Rs. 10 Lakhs. Whether such disclosures are required in case of allotment of shares by way of bonus/rights/mergers?

Regulation 6(2) of SEBI (PIT) Regulations specifies that disclosures to be made by any person under this Chapter (Disclosures of Trading by Insiders) shall include those relating to trading by such person's immediate relatives, and by any other person for whom such person takes trading decisions. 25. ⁸Question:

Whether requirement of pre-clearance is applicable for exercise of employee stock options?

Answer:

27. Question
