Launch of free online “SEBI-Investor Certification Examination”

The Securities and Exchange Board of India (SEBI) has launched a free, voluntary online "SEBI - Investor Certification Examination."

Developed in collaboration with the National Institute of Securities Markets (NISM), this voluntary certification aims to help investors test their knowledge of markets and investing. It is designed to assist individuals in their journey towards gaining comprehensive knowledge about investing in the Indian securities markets.

During the launch, Shri Ananth Narayan G, Whole Time Member of SEBI highlighted that SEBI's new Investor Certification Examination is a significant step towards enhancing digital financial education in the securities market. This online exam will help enhance investors' understanding of the investment process and the associated risks in the securities market and thus promote an efficient approach to investment aligned with the risk appetite of the investor.

Details about the certification are available on the SEBI Investor Website (<https://investor.sebi.gov.in/>) and the NISM website (<https://www.nism.ac.in/sebi-investor-certification-examination/>).
