General Risk

Investment in NCDs involve a degree of risk and investors should not invest any funds in NCDs unless they can afford to take the risk attached to such investments. Investors are advised to take an informed decision and to read the risk factors carefully before investing in this offering. For taking an investment decision, investors must rely on their examination of the issue including the risks involved in it. Specific attention of investors is invited to statement of risk factors contained under section "Risk Factors" on page 18. These risks are not, and are not intended to be, a complete list of all risks and considerations relevant to the NCDs or Investor's decision to purchase such securities.

FORWARD LOOKING STATEMENTS

This Prospectus contains certain statements that are not statements of historical fact and are in the nature of "forward-looking statements". These forward-looking statements generally can be identified by words or phrases such as "aim", "anticipate", "believe", "continue", "expect", "estimate", "intend", "objective", "plan", "potential", "project", "will", "will continue", "will pursue", "will likely result", "will seek to", "seek" or other words or phrases of similar import. All statements regarding our expected financial condition and results of operations and business plans and prospects are forward-looking statements. These forward-looking statements include statements as to our business strategy, revenue and profitability and other matters discussed in this Prospectus that are not historical facts.

All forward-looking statements are subject to risks, uncertainties and assumptions about us that could cause actual results, performance or achievements to differ materially from those contemplated by the relevant statement.

Actual results may differ materially from those suggested by the forward looking statements due to risks or uncertainties associated with our expectations with respect to, but not limited to, regulatory changes pertaining to our businesses and our ability to respond to them, our ability to successfully implement our strategies, our growth and expansion, technological changes, our exposure to market risks, general economic and political conditions in India and which have an impact on our business activities or investments, the monetary and fiscal policies of India, inflation, deflation, unanticipated turbulence in interest rates, equity prices or other rates or prices, the performance of the financial markets in India and globally, changes in domestic laws, regulations and taxes and changes in competition in our industry.

Important factors that could cause actual results to differ materially from our expectations including, without limitation, the following:

1. We are subject to certain restrictive covenants in our loan documents and other debts, which may restrict our operations and ability to grow and may adversely affect our business.

2. Our ability to access capital also depends on our credit ratings. Any downgrade in our credit ratings would increase borrowing costs and constrain our access to capital and lending markets and, thus, would negatively affect our net interest margin and our business.

3. Our Company, our Promoters and Directors are subject to certain legal proceedings and any adverse decision in such proceedings may have a material adverse effect on our business, financial condition and results of operations.

4. Supporting documents in connection with the biographies of the directors included in the section "*Our Management*" of this Prospectus are unavailable.

5. A part of our branch network is concentrated in Kerala, Maharashtra and Odisha, and we derive majority of our revenue from these states. Any breakdown of services in these areas could have a material and adverse effect on our results of operations and financial conditions.

6. Our business is capital intensive and any disruption or restrictions in raising financial resources could have a material adverse effect on our liquidity and financial condition.

7. Our financial performance is primarily dependent on interest rate risk. If we are unable to manage interest rate risk in the future it could have an adverse effect on our net interest margin, thereby adversely affecting business and financial condition of our Company.

8. We depend on the recognition of the Muthoot brand, and failure to use, maintain and enhance awareness of the brand would adversely affect our ability to retain and expand our base of customers.

9. Our Company has a high debt-equity ratio and any further increase in borrowings may have a material adverse effect on our business, financial condition and results of operations.

10. We have had negative cash flows in the past. Any negative cash flows in the future could adversely affect our results of operations and financial condition

Other factors discussed in this Prospectus, including under the chapter titled "*Risk Factors*" beginning on page 18.

For further discussion of factors that could cause our actual results to differ from our expectations, please refer to the chapter titled "*Risk Factors*" and chapters titled "*Industry Overview*" and "*Our Business*" beginning on pages 18, 68 and 93, respectively.

By their nature, certain market risk disclosures are only estimates and could be materially different from what actually occurs in the future. As a result, actual future gains or losses could materially differ from those that have been estimated. Forward looking statements speak only as on the date of this Prospectus. The forward-looking statements contained in this Prospectus are based on the beliefs of management, as well as the assumptions made by and information currently available to management. Although we believe that the expectations reflected in such forward-looking statements are reasonable at this time, we cannot assure investors that such expectations will prove to be correct or will hold good at all times. Given these uncertainties, investors are cautioned not to place undue reliance on such forward-looking statements. If any of these risks and uncertainties materialise, or if any of our underlying assumptions prove to be incorrect, our actual results of operations or financial condition could differ materially from that described herein as anticipated, believed, estimated or expected. All subsequent forward-looking statements attributable to us are expressly qualified in their entirety by reference to these cautionary statements.

Neither the Lead Manager, our Company, its Directors and its officers, nor any of their respective affiliates or associates have any obligation to update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. In accordance with the SEBI NCS Regulations, our Company, the Lead Manager will ensure that investors in India are informed of material developments between the date of filing the Prospectus with the Stock Exchange and the date of the Allotment.

SECTION II - RISK FACTORS

An investment in NCDs involves a certain degree of risk. You should carefully consider all the information contained in this Prospectus, including the risks and uncertainties described below, and the information provided in the sections titled "Our Business" on page 93 and "Financial Statements" on page 132 before making an investment decision. The following are the risks envisaged by the management of the Company relating to the Company, the NCDs and the market in general. Potential investors should carefully consider all the risk factors stated in this Prospectus in relation to the NCDs for evaluating the Company and its business and the NCDs before making any investment decision relating to the NCDs. The Company believes that the factors described below represents the principal risks inherent in investing in the NCDs but does not represent that the statements below regarding the risks of holding the NCDs are exhaustive. The ordering of the risk factors is intended to facilitate ease of reading and reference and does not in any manner indicate the importance of one risk factor over another. Potential investors should also read the detailed information set out elsewhere in this Prospectus and reach their own views prior to making any investment decision. The market prices of the NCDs could decline due to such risks and you may lose all or part of your investment including interest thereon.

If any one of the following stated risks actually occurs, the Company's business, financial conditions and results of operations could suffer and, therefore, the value of the Company's NCDs could decline and/or the Company's ability to meet its obligations in respect of the NCDs could be affected. More than one risk factor may have simultaneous affect with regard to the NCDs such that the effect of a particular risk factor may not be predictable. In addition, more than one risk factor may have a compounding effect which may not be predictable. No prediction can be made as to the effect that any combination of risk factors may have on the value of the NCDs and/or the Company's ability to meet its obligations in respect of the NCDs. These risks and uncertainties are not the only issues that the Company faces. These risk factors are determined on the basis of their materiality. Additional risks and uncertainties not presently known to the Company or that the Company currently believes to be immaterial may also have a material adverse effect on its financial condition or business. Unless specified or quantified in the relevant risk factors, the Company is not in a position to quantify the financial or other implications of any risk mentioned herein below.

This Prospectus also contains forward-looking statements that involve risks and uncertainties. Our results could differ materially from those anticipated in these forward-looking statements as a result of certain factors, including events described below and elsewhere in this Prospectus. Unless otherwise stated, the financial information used in this section is derived from and should be read in conjunction with the Audited Financial Statements.

Internal Risk Factors

1. ***We are subject to certain restrictive covenants in our loan documents and other debts, which may restrict our operations and ability to grow and may adversely affect our business.***

   We have entered into agreements for availing financial facilities from various lenders. Certain covenants in these agreements require us to obtain approval / permission from our lenders in certain conditions. These conditions include, amongst others, implementation of any scheme of expansion / diversification / renovation / capital expenditure, formulation of any scheme of amalgamation or reconstruction, undertaking of guarantee obligation, any change in our capital structure. In the event of default or the breach of certain covenants, our lenders have the option to make the entire outstanding amount payable immediately. There can be no assurance that we will be able to comply with these financial or other covenants or that we will be able to obtain consents necessary to take the actions that we believe are required to operate and grow our business.

   For further details in this regard, including approvals obtained from our lenders for this Issue, please refer chapter "*Financial Indebtedness*" on page 134.

2. ***Our ability to access capital also depends on our credit ratings. Any downgrade in our credit ratings would increase borrowing costs and constrain our access to capital and lending markets and, thus, would negatively affect our net interest margin and our business.***

   The cost and availability of capital is also dependent on our long-term and short-term credit ratings. Ratings reflect a rating agency's opinion of our financial strength, operating performance, strategic position, and ability to meet our obligations. Any downgrade of our credit ratings would increase borrowing costs and constrain our access to debt and bank lending markets and, thus, would adversely affect our net interest

margins and business. In addition, downgrading of our credit ratings could increase the possibility of additional terms and conditions being added to any new or replacement financing arrangements. The NCDs proposed to be issued under this Issue have been rated "CRISIL BBB+/Stable", by Crisil Ratings Limited ("**Crisil Ratings**") for an amount up to ₹15,000 lakhs dated April 24, 2026. For details regarding ratings received by our Company, please refer to "*Our Business*" on page 93.

3. ***Our Company, our Promoters and Directors are subject to certain legal proceedings and any adverse decision in such proceedings may have a material adverse effect on our business, financial condition and results of operations.***

Our Company, our Promoters and Directors are subject to certain legal proceedings including civil suits, consumer litigations, tax litigations, trademark infringement suits etc. We incur substantial cost in defending these proceedings before a court of law. Moreover, we are unable to assure you that our Company, our Promoter and Directors shall be successful in any or all of these actions. In the event we or our Promoter and Directors suffer any adverse order, it may have an adverse impact on our reputation, business and results of operations. Further, our Company is involved in certain criminal proceeding with third parties in relation to our business operations. Any adverse decision in such proceedings may have a material adverse effect on our business.
Our Company, our Promoter, our Directors and our Group Companies are party to legal proceedings. These legal proceedings are pending at different levels of adjudication before various courts, tribunals and statutory, regulatory and other judicial authorities in India, and, if determined against us, could adversely affect our business, results of operations and financial condition. We cannot assure you that an adverse order by any statutory or governmental authority will not have a negative impact on our profit and financial condition.

Should any new developments arise, such as any change in applicable Indian law or any rulings against us by appellate courts or tribunals, we may need to make provisions in our financial statements that could increase expenses and current liabilities, which could adversely affect our results of operations.

A summary of the outstanding proceedings involving our Company, Directors, Promoter and Group Companies in accordance with requirements under the SEBI NCS Regulations, as disclosed in this Prospectus, to the extent quantifiable, have been set out below:

Accordingly, disclosures under 'Directors' include only additional cases, if any.*

For further details of the legal proceedings that we are subject to, please refer to the chapter titled "*Outstanding Litigations*" beginning on page 231.

4. Supporting documents in connection with the biographies of the directors included in the section "Our Management" of this Prospectus are unavailable.

Certain documents supporting the information included in this Prospectus with respect to previous work experience of the directors, disclosed in the sections titled "*Our Management*" on page 115 may not be available. Accordingly, reliance has been placed on declarations and undertakings furnished by such director to us and the Lead Manager to disclose details of their previous work experience in this Prospectus. We and the Lead Manager have been unable to independently verify these details prior to inclusion in this Prospectus. Further, there can be no assurances that our Director will be able to trace the relevant documents pertaining to their previous work experience in future, or at all.

5. A part of our branch network is concentrated in Kerala, Maharashtra and Odisha, and we derive majority of our revenue from these states. Any breakdown of services in these areas could have a material and adverse effect on our results of operations and financial conditions.

We derive majority of our revenue from our 189 branches situated in Kerala, Maharashtra and Odisha out of 320 of our total branches as on December 31, 2025. Further, approximately 59.18% of our loan portfolio as on December 31, 2025 is concentrated in these 3 states i.e. Kerala, Maharashtra and Odisha. As a result, we are exposed to risks including any change in policies relating to these states, any localised social unrest, any natural disaster and any event or development which could make business in such states less economically beneficial. Any such risk, if materialises, could have a material adverse effect on the business, financial position and results of operations of our Company. For further details of our branch network within India, please refer to the chapter titled "*Our Business - Branch Network*" on 68.

6. Our business is capital intensive and any disruption or restrictions in raising financial resources could have a material adverse effect on our liquidity and financial condition.

Our liquidity and ongoing profitability are largely dependent upon our timely access to and the costs associated in raising resources. Our funding requirements historically have been met from a combination of borrowings such as working capital limits and term loans from banks and issuance of secured redeemable non-convertible debentures on private placement basis and subordinated debts. Thus, our business depends and will continue to depend on our ability to access diversified low-cost funding sources.

Our ability to raise funds on acceptable terms and at competitive rates continue to depend on various factors including our credit ratings, the regulatory environment and policy initiatives in India, developments in the international markets affecting the Indian economy, investors' and/or lenders' perception of demand for debt and equity securities of NBFCs, and our current and future results of operations and financial condition.

The global and Indian capital and lending markets are, by nature, highly volatile and access to liquidity can, at times, be significantly reduced. Moreover, since 2018, default in debt repayments by a large NBFC in India led to heightened investor focus around the health of the broader NBFC sector as well as their sources of liquidity. This has led to some tightening in liquidity available to certain NBFCs and, as a result, it has become more difficult for certain NBFCs to renew loans and raise capital in recent times. If any event of similar nature and magnitude occurs again in the future, it may result in increased borrowing costs and difficulty in accessing debt in a cost-effective manner. Moreover, we are a NBFC-ND-ML, and do not have access to public deposits.

A significant portion of our debt matures each year. Out of the total amount of our outstanding non-convertible debentures (excluding interest thereon but including non-convertible debentures that are matured but not redeemed), issued by our Company as of April 01, 2026, non-convertible debentures amounting to ₹ 15,443.76 lakhs will mature during the next 12 months. In order to retire these instruments, we either will need to refinance this debt, which could be difficult in the event of volatility in the credit markets or raise equity capital or generate sufficient cash to retire the debt.

Changes in economic and financial conditions or continuing lack of liquidity in the market could make it difficult for us to access funds at competitive rates. As a NBFC, we also face certain restrictions on our ability to raise money from international markets, which may further constrain our ability to raise funds at attractive rates. Any disruption in our primary funding sources at competitive costs would have a material adverse effect on our liquidity and financial condition.

7. ***Our financial performance is primarily dependent on interest rate risk. If we are unable to manage interest rate risk in the future it could have an adverse effect on our net interest margin, thereby adversely affecting business and financial condition of our Company.***

Our results of operations are substantially dependent upon the level of our Net Interest Margins. Income from loans is the largest component of our total income, and constituted 98.34%, 96.94%, 96.46 % and 98.24% for the Financial Years ended March 31, 2023, March 31, 2024, March 31, 2025 and nine months period ended December 31, 2025, respectively. Interest rates are sensitive to many factors beyond our control, including the RBI's monetary policies, domestic and international economic and political conditions and other factors.

Over the last several years, the Government of India has substantially deregulated the financial sector. As a result, interest rates are now primarily determined by the market, which has increased the interest rate risk exposure of all banks and financial intermediaries in India, including us.

Our policy is to attempt to balance the proportion of our interest earning assets, which bear fixed interest rates, with interest bearing liabilities. A significant portion of our liabilities, such as our NCDs carry fixed rates of interest. Moreover, we do not hedge our exposure to interest rate changes. We cannot assure you that we can adequately manage our interest rate risk in the future or can effectively balance the proportion of our fixed rate loan assets and liabilities. Further, changes in interest rates could affect the interest rates charged on interest earning assets and the interest rates paid on interest bearing liabilities in different ways. Thus, our results of operations could be affected by changes in interest rates and the timing of any re-pricing of our liabilities compared with the re-pricing of our assets.

In a rising interest rate environment, if the yield on our interest earning assets does not increase at the same time or to the same extent as our cost of funds, or, in a declining interest rate environment, if our cost of funds does not decline at the same time or to the same extent as the yield on our interest earning assets, our net interest income and net interest margin would be adversely affected. There can be no assurance that we will be able to adequately manage our interest rate risk. If we are unable to address the interest rate risk, it could have an adverse effect on our net interest margin, thereby adversely affecting our business and financial condition.

8. ***We depend on the recognition of the Muthoot® brand, and failure to use, maintain and enhance awareness of the brand would adversely affect our ability to retain and expand our base of customers.***

Our business is dependent on the continued usage of the Muthoot® brand and trademark. The mark Muthoot® has been registered as a trademark by Mathew Mathaininan, Chairman and Whole-Time Director, and a Promoter of our Company. Further, an application was filed by Thomas Muthoot, Thomas John Muthoot and Thomas George Muthoot before the Intellectual Property Appellate Board, Chennai on July 3, 2012 for the removal, expungement, rectification, cancellation and variation of the trademark with registration number 1267883 in class 36 in the name of M Matthew. Subsequently, the

application was transferred to the Intellectual Property Division of the High Court of Judicature at Madras and is currently pending. Any damage to the brand or our reputation may substantially impair our ability to maintain or grow our business or have a material adverse effect on our overall business, financial condition, results of operations and cash flows.

In addition, any unauthorized or inappropriate use of our brand, trademarks and other related intellectual property rights by others in their corporate names or product brands or otherwise may harm our brand image, competitive advantages and business and dilute or harm our reputation and brand recognition Moreover, we may also be harmed by the actions of or negative press relating to entities which have similar names. We have in the past instituted proceedings against third parties for infringing upon our licensed trademarks and trade names. Further, if a dispute arises with respect to any of our intellectual property rights or proprietary information, we will be required to produce evidence to defend or enforce our claims, and we may become party to litigation, which may strain our resources and divert the attention of our management.

9. Our Company has a high debt-equity ratio and any further increase in borrowings may have a material adverse effect on our business, financial condition and results of operations.

Our Company has raised funds through a combination of borrowings such as working capital limits and term loans from banks, issuance of secured redeemable non-convertible debentures on a private placement basis, secured redeemable non-convertible debentures by way of public issue, and subordinated debt. We are subject to the RBI's guidelines on financial regulation of NBFCs, including capital adequacy, leverage and other prudential norms, which are applied on a layer-wise basis.

As an NBFC–Middle Layer, we are required to comply with the prudential and capital adequacy requirements (including leverage-related requirements) applicable to NBFC-ML entities from time to time. Our debt-equity ratio was 4.81 times as on December 31, 2025. While our use of borrowings has supported business growth and profitability initiatives, it also results in higher finance costs, exposure to refinancing and liquidity risks, and sensitivity to changes in interest rates and funding conditions. Any inability to service or refinance our borrowings on favourable terms, or any tightening of regulatory norms applicable to us, may require us to raise additional equity, reduce growth, or curtail certain lending activities, which could materially and adversely affect our business, financial condition and results of operations. We will continue to monitor and evaluate our capital structure to maintain an appropriate balance between debt and equity financing.

10. We have had negative cash flows in the past. Any negative cash flows in the future could adversely affect our results of operations and financial condition.

We have had negative cash flows for operating activities in the past on account of high growth in loans and advances i.e., disbursals as compared with collections for the year and may have negative cash flows in the future. If we experience any cash outflow in the future, this could adversely affect our business prospects, financial condition and results of operations. For further information, see the section titled '*Financial Statements*' on page 132.

11. There has been a delay in crediting the Equity Shares allotted pursuant to the bonus issue to the demat accounts of the eligible shareholders, and the share capital data disclosed in this Prospectus includes the effect of such bonus issue.

Our Company allotted 10,92,56,241 Equity Shares of face value of ₹10 each as bonus shares on February 25, 2026, in the ratio of 3:1, i.e., three Equity Shares for every one Equity Share held by the eligible shareholders. The share capital and shareholding related disclosures in this Prospectus, including the disclosures as of March 31, 2026, under the section titled "*Capital Structure*", reflect the effect of such bonus issue. However, as on the date of this Prospectus, credit of such bonus Equity Shares to the demat accounts of the eligible shareholders is pending due to certain depository-related payment / procedural matters.

Our Company is taking necessary steps and shall endeavour to complete the credit of such bonus Equity Shares to the demat accounts of the eligible shareholders at the earliest. However, there can be no assurance that such credit will be completed within any specific timeline. Until such bonus Equity Shares are credited to the respective demat accounts of the eligible shareholders, such shareholders may not be able to deal with, transfer or otherwise exercise certain rights in relation to such bonus Equity Shares in dematerialised form.

There can be no assurance that no investor grievances, regulatory observations, penalties or other consequences will arise on account of such delay. Any such delay, observation, grievance or regulatory action may adversely affect our reputation and may result in additional compliance costs or other consequences for our Company. For further details, see "*Capital Structure*" on page 46.

12. We are subject to periodic RBI inspections and supervisory reviews, and adverse observations, directions or regulatory action could increase compliance costs and adversely affect our operations and reputation.

We are subject to periodic inspections and supervisory reviews by the Reserve Bank of India ("**RBI**"), including under the RBI's powers to cause an inspection of non-banking institutions for, among other things, verifying the correctness or completeness of statements or information furnished to the RBI. Such inspections and supervisory reviews typically involve an examination of our books, records, systems, processes and overall compliance with applicable regulatory requirements, and may result in observations, directions and/or requirements to implement remedial measures within prescribed timelines.

Our Company received final supervisory letter issued by RBI's supervisory examination division for the compliance period from December 01, 2025 to January 15, 2026 and it made certain observations regarding governance and oversight framework, compliance culture, and certain internal control and operational/process matters (including customer-facing processes and related monitoring/reporting mechanisms). We have responded to the RBI and have undertaken steps to strengthen our policies, procedures, systems and controls to address such observations. However, there can be no assurance that future inspections or supervisory reviews will not result in further observations, findings or directions, or that the RBI will not require additional or enhanced remedial measures. Any adverse observations or findings, or any perceived non-compliance, could lead to regulatory action (including enhanced supervisory monitoring, warnings, restrictions, directives and/or penalties), increased compliance costs, diversion of management time and resources, and may adversely affect our operations and reputation. Further, any regulatory action or adverse supervisory outcome could impact stakeholder confidence and our relationships with lenders, investors and customers, which may materially and adversely affect our business, results of operations, financial condition and prospects.

13. Volatility in the market price of gold may adversely affect our financial condition, cash flows and results of operations.

We extend loans secured mostly by household gold jewellery. A sustained decrease in the market price of gold could cause a corresponding decrease in new Gold Loan in our loan portfolio and, as a result, our interest income. In addition, customers may not repay their loans and the gold jewellery securing the loans may have decreased significantly in value, resulting in losses which we may not be able to support. The impact on our financial position and results of operations of a hypothetical decrease in gold values cannot be reasonably estimated because the market and competitive response to changes in gold values is not pre-determinable.

14. We face increasing competition in our business which may result in declining interest margins. If we are unable to compete successfully, our market share may also decline.

Our principal business is providing Gold Loan to customers in India secured by gold jewellery. Historically, the Gold Loan industry in India has been largely unorganised and dominated by local jewellery pawn shops and money lenders, with little involvement from public sector or private sector banks. Gold Loan financing was availed predominantly by lower income group customers with limited or no access to other forms of credit, however, such income group has gained increased access to capital through organised and unorganised money lenders, which has increased our exposure to competition. The demand for Gold Loan has also increased due to relatively lower and affordable interest rates, increased need for urgent borrowing or bridge financing requirements, the need for liquidity for assets held in gold and increased awareness and acceptance of Gold Loan financing.

All of these factors have resulted in increased competition from other lenders in the Gold Loan industry, including commercial banks and other NBFCs, who also have access to funding from customers' savings and current deposits. We are reliant on higher cost loans and debentures for our funding requirements, which may reduce our margins compared to competitors. Our ability to compete effectively will depend, to some extent, on our ability to raise low cost funding in the future. If we are unable to compete effectively with other participants in the Gold Loan industry, our business, financial condition and results of operations may be adversely affected. Furthermore, as a result of increased competition in the Gold Loan industry, Gold Loan are becoming increasingly standardised. Variable interest rates, variable payment terms and waiver of processing fees are also becoming increasingly common.

15. We may not be able to realise the full value of our pledged gold, which exposes us to potential loss.

We may not be able to realise the full value of our pledged gold, due to, among other things, defects in the quality of gold or sharp downward movement in the price in the future of gold which could result in fall in collateral value. In the event of any decrease in the price of gold, customers may not repay their loans and the value of collateral gold jewellery securing the loans may have decreased significantly, resulting in losses which we may not be able to support. Although, we have in place an internal policy on determining the quality of gold prior to disbursement of the Gold Loan. However, we cannot assure you that the methods followed by us are fool proof and the impurity levels in the gold can be accurately assessed.

Further, increase in price of gold allows us to lend more on gold jewellery. We may not be able recover dues on the loan entirely while auctioning the gold jewellery obtained as collateral on account of subsequent fall in gold price.

In the case of a default, we may auction the pledged gold in accordance with our auction policy. We cannot assure you that we will be able to auction such pledged gold jewellery at prices sufficient to cover the amounts under default. Moreover, there may be delays associated with the auction process or other processes undertaken by us to recover the amount due to us. Any such failure to recover the expected value of pledged gold could expose us to a potential loss and which could adversely affect our financial condition and results of operations.

We may also be affected by failure of employees to comply with internal procedures and inaccurate appraisal. Failure by our employees to properly appraise the value of the collateral provides us with no recourse against the borrower and the loan sanction may eventually result in a bad debt on our books of accounts. In the event we are unable to check the risks arising out of such lapses, our business and results of operations may be adversely affected.

16. We may not be able to successfully sustain our growth strategy. Inability to effectively manage our growth and related issues could materially and adversely affect our business and impact our future financial performance.

Our income from operations increased from ₹ 9,430.98 lakhs in the Financial Year ended March 31, 2023 to ₹ 16,407.03 lakhs in the Financial Year ended March 31, 2025, thereby achieving compounded annual growth rate ("**CAGR**") of 31.90 %. Furthermore, the loan book increased from ₹ 50,738.79 lakhs for the Financial Year ended March 31, 2023 to ₹ 85,169.41 lakhs in the Financial Year ended March 31, 2025 at a CAGR of 29.56 %.

Our income from operations for the nine months period ended December 31, 2025, amounted to ₹ 17,095.19 lakhs and the loan book as on December 31, 2025, was at ₹ 1,17,784.68 lakhs.

Our growth strategy includes growing our loan book, expanding network of branches and expanding the range of products and services. We cannot assure you that we will be able to execute our growth strategy successfully or continue to achieve or grow at the levels of revenue earned in recent years, or that we will be able to expand further our loan book. Furthermore, there may not be sufficient demand for our services or they may not generate sufficient revenues relative to the costs associated with offering such services. Even if we were able to introduce new services successfully, there can be no assurance that we will be able to achieve our intended return on such investments.

Further, principal component of our strategy is to continue to grow by expanding the size and geographical scope of our businesses. This growth strategy will place significant demands on our management, financial

and other resources. It will require us to continuously develop and improve our operational, financial and internal controls. It also includes undertaking permission from various authorities, including RBI and various regulatory compliances. Continuous expansion increases the challenges involved in financial management, recruitment, training and retaining high quality human resources, preserving our culture, values and entrepreneurial environment, and developing and improving our internal administrative infrastructure.

17. If we are not able to control the level of non-performing assets in our portfolio, the overall quality of our loan portfolio may deteriorate and our results of operations may be adversely affected.

We may not be successful in our efforts to improve collections and/or enforce the security interest on the gold collateral on existing as well as future non-performing assets. Moreover, as our loan portfolio increases, we may experience greater defaults in principal and/or interest repayments. Thus, if we are not able to control our level of non-performing assets, the overall quality of our loan portfolio may deteriorate and our results of operations may be adversely affected. Our gross NPAs for the financial years ended March 31, 2023, March 31, 2024, March 31, 2025 and nine months period ended December 31, 2025, were ₹139.16 lakhs, ₹346.14 lakhs, ₹ 1,363.48 lakhs and ₹ 1,543.46 lakhs respectively.

The RBI SBR Master Directions prescribe the provisioning required in respect of our outstanding loan portfolio. Should the overall credit quality of our loan portfolio deteriorate, the current level of our provisions may not be adequate to cover further increases in the amount of our non-performing assets. Furthermore, although we believe that our total provision will be adequate to cover all known losses in our asset portfolio, our current provisions may not be adequate. Moreover, there also can be no assurance that there will be no further deterioration in our provisioning coverage as a percentage of gross non-performing assets or otherwise, or that the percentage of non-performing assets that we will be able to recover will be similar to our past experience of recoveries of non-performing assets. In the event of any further increase in our non-performing asset portfolio, there could be an even greater, adverse impact on our results of operations.

18. Our ability to lend against the collateral of gold jewellery has been restricted on account of guidelines issued by RBI, which may have a negative impact on our business and results of operation.

RBI vide the RBI SBR Master Directions has stipulated all NBFCs to maintain a loan to value (LTV) ratio not exceeding 75% for loans granted against the collateral of gold jewellery and further prohibits lending against bullion/primary gold. This notification will limit our ability to provide loan on the collateral of gold jewellery and thereby putting us at a disadvantage vis-à-vis unregulated money lenders offering similar products. Further, RBI SBR Master Directions mandate that NBFCs primarily engaged in lending against gold jewellery (where such loans constitute 50% or more of their financial assets) shall maintain a minimum Tier 1 capital of 12% of their aggregate risk weighted assets. Such restrictions imposed by RBI may erode our margins, impact our growth and business prospects.

The RBI SBR Master Directions further tightened the norms for lending against the security of gold ornaments by pegging the maximum lendable value (LTV) to 30 day moving average closing price of 22 carat gold quoted by India Bullion and Jewellers Association Limited (formerly known as Bombay Bullion Association Limited). Any such future restrictions by RBI could have a negative impact on our business and results of operation.

19. We are regulated by the RBI as an NBFC–Middle Layer, and changes in RBI regulations or their interpretation/enforcement could adversely affect our business and financial performance.

Our Company has been classified as NBFC-Middle Layer from August 2025 and therefore we are subject to the RBI's guidelines on financial regulation of NBFCs, including capital adequacy, exposure and other prudential norms. The RBI also regulates the credit flow by banks to NBFCs and provides guidelines to commercial banks with respect to their investment and credit exposure norms for lending to the NBFCs. The RBI's regulations of NBFCs could change which may restrict the availment of credit facilities from such banks in the future and which may require us to restructure our activities, incur additional cost or could otherwise adversely affect our business and our financial performance. Through the RBI SBR Master Directions, RBI has amended the regulatory framework governing NBFCs to address concerns pertaining to risks, regulatory gaps and arbitrage arising from differential regulations and aims to harmonise and simplify regulations to facilitate a smoother compliance culture among NBFCs. Even though the RBI has not provided for any restriction on interest rates that can be charged by non-deposit taking NBFCs, there can be no assurance that the RBI and/or the Government will not implement further regulations or policies, including

legal interpretations of existing regulations, relating to or affecting interest rates, taxation, inflation or exchange controls, or otherwise take action, that may have an adverse impact on non-deposit taking NBFCs.

Compliance with many of the regulations applicable to our operations in India, including any restrictions on investments and other activities currently being carried out by us, involves a number of risks, particularly in markets where applicable regulations may be subject to varying interpretations. If the interpretation of the regulators and authorities varies from our interpretation, we may be subject to penalties and our business could be adversely affected. We are also subject to changes in laws, regulations and accounting principles and practices. There can be no assurance that the laws governing the financial services sector will not change in the future or that such changes or the interpretation or enforcement of existing and future laws and rules by governmental and regulatory authorities will not adversely affect our business and future financial performance.

20. We may be subject to regulations in respect of provisioning for non-performing assets. If such provisions are not sufficient to provide adequate cover for loan losses that may occur, this could have an adverse effect on our financial condition, liquidity and results of operations.

RBI guidelines prescribe the provisioning required in respect of our outstanding loan portfolio. These provisioning requirements may require us to reserve lower amounts than the provisioning requirements applicable to financial institutions and banks in other countries. The provisioning requirements may also require the exercise of subjective judgments of management. The RBI vide RBI SBR Master Directions provides for the regulatory framework governing NBFCs pertaining to provision for standard assets. The requirement is to make a provision for standard asset at 0.4% of the outstanding.

There are multiple factors that affect the level of NPAs in our Company. Prominent among them are fall in value of gold, increase in the LTV ratio for gold loan etc.

The level of our provisions may not be adequate to cover further increases in the amount of our nonperforming assets or a decrease in the value of the underlying gold collateral. If such provisions are not sufficient to provide adequate cover for loan losses that may occur, or if we are required to increase our provisions, this could have an adverse effect on our financial condition, liquidity and results of operations and may require us to raise additional capital.

21. Our ability to borrow from banks may be restricted by RBI prudential norms applicable to banks' exposure to NBFCs, which may increase our borrowing costs and adversely affect our business, financial condition, results of operations and growth prospects

Under Chapter XIV of the Reserve Bank of India (Commercial Banks – Credit Facilities) Directions, 2025 bearing reference RBI/DOR/2025-26/154, DOR.CRE.REC.73/07-01-001/2025-26, dated November 28, 2025, bank finance to NBFCs is subject to specified regulatory restrictions and the prudential ceilings for exposure to NBFCs prescribed under the Reserve Bank of India (Commercial Banks – Concentration Risk Management) Directions, 2025. The said Directions also provide that investments by banks in securities / instruments issued by NBFCs are governed by the Reserve Bank of India (Commercial Banks – Classification, Valuation and Operation of Investment Portfolio) Directions, 2025, while the risk weights / capital charge applicable to bank credit to NBFCs are governed by the Reserve Bank of India (Commercial Banks – Prudential Norms on Capital Adequacy) Directions, 2025.

In this context, RBI has also prescribed, through its extant instructions on bank finance to NBFCs predominantly engaged in lending against the collateral of gold jewellery, that a bank's regulatory exposure ceiling to a single such NBFC, where loans against collateral of gold jewellery comprise 50% or more of its total financial assets, should not exceed 7.5% of the bank's capital funds. Such exposure may, however, increase by 5%, i.e. up to 12.5% of the bank's capital funds, where the additional exposure is on account of funds on-lent by the NBFC to the infrastructure sector. RBI has further required banks to maintain an internal sub-limit on their aggregate exposure to all such NBFCs, within the internal limit fixed by the relevant bank for its aggregate exposure to all NBFCs taken together.

Accordingly, the extent to which banks may lend to, invest in, or otherwise assume exposure to NBFCs engaged substantially in gold loan business, such as ours, may be constrained by applicable RBI prudential exposure norms as well as the relevant banks' internal credit and exposure policies. Any such restriction on

our ability to raise bank borrowings may reduce the availability of funding to us, increase our cost of borrowing and adversely affect our business, financial condition, results of operations and growth prospects.

22. ***As the NCDs of our Company are listed on BSE, our Company is subject to certain obligations and reporting requirements under the SEBI Listing Regulations. Any non-compliance or delay in complying with such obligations and reporting requirements may render our Company and/or its promoters liable to prosecution and/or penalties.***

Our Company is subject to the obligations and reporting requirements under the SEBI Listing Regulations. In the past, our Company did not comply with certain provisions relating to the submission of documents and intimations, as required under the SEBI Listing Regulations. For instance, our Company filed the unaudited financial results for the period ended June 30, 2025, after the timeline prescribed under Regulations 52 and 54 of the SEBI Listing Regulations had expired, for which BSE imposed a penalty of ₹43,660/-, and the penalty was remitted by our Company on September 19, 2025. Further, our Company filed the unaudited financial results for the period ended September 30, 2025, after the prescribed timeline under Regulation 52 of the SEBI Listing Regulations had expired. As on the date of this Prospectus, our Company has not received any communication from BSE regarding the delayed submission of the financial results for the period ended September 30, 2025. Although our Company has not received any further communication from the Stock Exchange or any authority in this regard, there is a possibility that penalties may be levied against our Company for certain instances of non-compliance and delays in complying with such obligations and reporting requirements.

Further, on November 28, 2025, BSE imposed a penalty of ₹ 34,220/- for violation of Regulation 13(3) of the SEBI Listing Regulations. On December 01, 2025, our Company requested BSE to adjust this penalty against an earlier payment of ₹43,200/- mistakenly made to BSE on November 11, 2025. As on the date of this Prospectus, our Company has not received any response from BSE regarding the adjustment request.

In addition, pursuant to a BSE communication dated February 27, 2026, BSE informed that our Company was liable to pay a fine for delayed compliance with Regulation 60(2) of the SEBI Listing Regulations for the month ended January 2026, being delay in submission of the notice of record date and imposed a fine computed at ₹10,000 per ISIN in respect of 22 ISINs, resulting in an aggregate fine of ₹259,600, inclusive of GST at the rate of 18%. Our Company has remitted the penalty of ₹2,59,600 to BSE on April 24, 2026. Further, pursuant to a BSE reminder notice dated March 30, 2026 in relation to the quarter ended December 2025, BSE noted that our Company was still non-compliant or had not paid the fines levied under Regulation 50(1) of the SEBI Listing Regulations (delay in furnishing intimation about Board Meeting) aggregating to ₹5,900, inclusive of GST. Our Company has remitted the penalty of ₹5,900 to BSE on April 24, 2026.

Although our Company has not received any further communication from BSE or any other authority in certain of the above matters, there can be no assurance that no further penalties, restrictions, observations, regulatory actions or other consequences will arise in relation to such delays or other instances of non-compliance. Any such action or restriction may adversely affect our Company's reputation, limit our ability to undertake future issuances of debt securities or obtain listings thereof, increase compliance costs, and adversely affect our business, financial condition and results of operations.

23. ***Our Gold Loan are due within 12 months of disbursement, and a failure to disburse new loans may result in a reduction of our loan portfolio and a corresponding decrease in our interest income.***

The Gold Loan we offer are due within a period of up to 12 months of disbursement. The relatively short-term nature of our loans means that we are not assured of long-term interest income streams compared to businesses that offer loans with longer terms. In addition, our existing customers may not obtain new loans from us upon maturity of their existing loans, particularly if competition increases. The short-term nature of our loan products and the potential instability of our interest income could materially and adversely affect our results of operations and financial position.

24. ***Inaccurate appraisal of gold by our personnel may adversely affect our gold loan business and financial condition.***

The accurate appraisal of pledged gold is a significant factor in the successful operation of our business and such appraisal requires a skilled and reliable workforce. Inaccurate appraisal of gold by our workforce may result in gold being overvalued and pledged for a loan that is higher in value than the gold's actual value,

which could adversely affect our reputation and business. Further, we are subject to the risk that our gold appraisers may engage in fraud regarding their estimation of the value of pledged gold. Any such inaccuracies or fraud in relation to our appraisal of gold may adversely affect our reputation, business and financial condition.

25. We are subject to regulations in relation to minimum capital adequacy requirements and our inability to maintain our capital adequacy ratio could adversely affect our business.

The RBI SBR Master Directions currently require NBFCs to comply with a capital to risk (weighted) assets ratio ("**CRAR**"), consisting of Tier I and Tier II capital. Under these requirements, Tier I and Tier II capital should not be less than 15% of the sum of the NBFC's risk-weighted assets on-balance sheet and of risk adjusted value of off-balance sheet items, as applicable. In addition, our Tier I capital, at any point in time, shall not be less than 10%. For details, see "*Key Regulations and Policies*" on page 268.

As of December 31, 2025, our CRAR was 20.69%, with Tier I capital comprising 16.35% and Tier II capital comprising of 4.34%. As we continue to grow our loan portfolio and asset base, we will be required to raise additional Tier I and Tier II capital in order to remain in compliance with the applicable CRARs. Further, the RBI may increase its minimum CRAR threshold, which may require us to raise additional capital. We cannot assure you that we will be able to raise adequate capital in the future on terms favourable to us, or at all, which may adversely affect the growth of our business. Further, the RBI may also in the future require compliance with other prudential norms and standards, which may require us to alter our business and accounting practices or take other actions that could adversely affect our business and operating results.

26. Our branches are vulnerable to theft and burglary. While we are insured against the risk of burglary arising from our business, such insurance may not be sufficient to fully cover the losses we suffer and this may result in adverse effect on our financial condition and results of operations.

Storage of pledged gold jewellery as part of our business entails the risk of theft/burglary and resulting loss to our reputation and business. The short tenure of the loans advanced by us and our practice of processing loan repayments within short timelines require us to store pledged gold on our premises at all points in time. With regard to cases of theft/burglaries, we may not be able to recover the entire amount of the loss suffered and may receive only a partial payment of the insurance claim. While we are insured against the risk of burglary arising from our business, such insurance may not be sufficient to fully cover the losses we suffer. Further, the actual recovery of the insured amount from the insurer requires the undertaking of certain procedures, and any delay in recovery could adversely affect our reputation and results of operation.

27. The insurance coverage taken by us may not be adequate to protect against certain business risks. This may adversely affect our financial condition and result of operations.

Operating and managing a Gold Loan business involves many risks that may adversely affect our operations and the availability of insurance is therefore important to our operations. We believe that our insurance coverage is adequate to cover us. However, to the extent that any uninsured risks materialise or if it fails to effectively cover any risks, we could be exposed to substantial costs and losses that would adversely affect our financial condition. In addition, we cannot be certain that the coverage will be available in sufficient amounts to cover one or more large claims or that our insurers will not disclaim coverage as to any particular claim or claims. Occurrence of any such situation could adversely affect our financial condition and results of operations.

28. Our entire customer base comprises individual borrowers, who generally are more likely to be affected by declining economic conditions than larger corporate borrowers.

A majority of our customer base belongs to the low to medium income group. Furthermore, unlike many developed economies, a nationwide credit bureau has only recently become operational in India, so there is less financial information available about individuals, particularly our focus customer segment of the low to medium income group. It is therefore difficult to carry out precise credit risk analyses on our customers. While we follow certain procedures to evaluate the credit profile of our customers before we sanction a loan, we generally rely on the quality of the pledged gold rather than on a stringent analysis of the credit profile of our customers. Although we believe that our risk management controls are sufficient, we cannot be certain that they will continue to be sufficient or that additional risk management policies for individual borrowers will not be required. Failure to maintain sufficient credit assessment policies, particularly for individual

borrowers, could adversely affect our loan portfolio, which could in turn have an adverse effect on our financial condition, cash flows and results of operations.

29. ***We strive to attract, retain, and motivate key employees, Key Managerial Personnel/Senior Management, as they play a critical role in driving our business operations and success. Any failure to hire key executives or employees, or the loss of any member could adversely affect our business, results of operations, and overall performance.***

While we strive to attract, train, motivate, and retain highly skilled employees, including branch managers and gold assessment technical personnel, any inability on our part to hire additional personnel or retain existing qualified employees may impair our ability to expand our business and could result in a decline in revenue. Hiring and retaining skilled managers and sales representatives is critical to our future, particularly given the intense competition for experienced employees in the gold loan industry. Additionally, we may face challenges in hiring and retaining sufficient skilled and experienced personnel to replace those who leave, or in re-deploying and retaining employees to adapt to technological advancements, evolving standards, and changing customer preferences.

Our business success is also significantly reliant on our core management team, which oversees the operations, strategy, and growth of our businesses. Our Key Managerial Personnel and Senior Management have been integral to our development and the implementation of our strategy. If one or more members of our management team were unable or unwilling to continue in their present roles, it could be challenging to find suitable replacements, which may adversely affect our business, operations, and results.

30. ***We are subject to the risk of fraud by our employees and customers. Our lending operations involve significant amounts of cash collection which may be susceptible to loss or misappropriation or fraud by our employees. Specifically, employees operating in remote areas may be susceptible to criminal elements which may adversely affect our business, operations and ability to recruit and retain employees***

We are exposed to the risk of fraud and other misconduct by employees and customers. While we carefully recruit all of our employees and screen all our employees who are responsible for disbursement of Gold Loan and custody of gold, there could be instances of fraud with respect to Gold Loan and cash related misappropriation by our employees. We are required to report cases of internal fraud to the RBI, which may take appropriate action. We cannot guarantee you that such acts of fraud will not be committed in the future, and any such occurrence of fraud would adversely affect our reputation, business and results of operations.

Our lending and collection operations involve handling of significant amounts of cash, including collections of instalment repayments in cash which is the norm in the finance industry. Large amounts of cash collection expose us to the risk of loss, fraud, misappropriation or unauthorised transactions by our employees responsible for dealing with such cash collections. While we obtain insurance, coverage including fidelity coverage and coverage for cash in safes and in transit and undertake various measures to detect and prevent any unauthorised transactions, fraud or misappropriation by our employees, these measures may not be sufficient to prevent or deter such activities in all cases, which may adversely affect our business operations and financial condition. In addition, we may be subject to regulatory or other proceedings in connection with any such unauthorised transaction, fraud or misappropriation by our agents or employees, which could adversely affect our goodwill, business prospects and future financial performance.

Further, our employees operating in remote areas may be particularly susceptible to criminal elements as they are involved in cash collection and transportation due to lack of local banking facilities. In the event of any such adverse incident our ability to continue our operations in such areas will be adversely affected and our employee recruitment and retention efforts may be affected, thereby affecting our expansion plans. In addition, if we determine that certain areas of India pose a significantly higher risk of crime or political strife and instability, our ability to operate in such areas will be adversely affected.

31. ***We are subject to the risk of unknowingly receiving stolen goods as collateral from customers which may result in loss of collateral for the loan disbursed***

We have a policy in place to satisfy ownership of the gold jewellery and have taken adequate steps to ensure that the KYC guidelines stipulated by RBI are followed and due diligence of the customer is undertaken prior to the disbursement of loans. However, in the event that we unknowingly receive stolen goods as collateral from a customer, the goods can be seized by authorities. Once seized by the authorities, gold items will be

stored in court storage facilities without a surety arrangement. No recourse is generally available to our Company in the event of such seizure, except the recovery of the loss from the customer. Any seizure of the gold ornaments by the authorities shall result in us losing the collateral for the loan disbursed and could adversely affect our business and results of operations.

32. System failures or inadequacy and security breaches in computer systems may adversely affect our operations and result in financial loss, disruption of our businesses, regulatory intervention or damage to our reputation.

Our business is increasingly dependent on our ability to process, on a daily basis, a large number of transactions. Through our information technology systems, we manage our operations, market to our target customers, and monitor and control risks. We are dependent upon the IT software for effective monitoring & management, and any failure in our IT systems or loss of connectivity or any loss of data arising from such failure can impact our business and results of operations.

Our ability to operate and remain competitive will depend in part on our ability to maintain and upgrade our information technology systems on a timely and cost-effective basis. The information available to and received by our management through our existing systems may not be timely and sufficient to manage risks or to plan for and respond to changes in market conditions and other developments in our operations. We may experience difficulties in upgrading, developing and expanding our systems quickly enough to accommodate our growing customer base and business operations.

Our operations also rely on the secure processing, storage and transmission of confidential and other information in our computer systems and networks. Our computer systems, software and networks may be vulnerable to unauthorised access, computer viruses or other malicious code and other events that could compromise data integrity and security.

Any failure to effectively maintain or improve or upgrade our management information systems in a timely manner could materially and adversely affect our competitiveness, financial position and results of operations. Moreover, if any of these systems do not operate properly or are disabled or if there are other shortcomings or failures in our internal processes or systems, it could affect our operations or result in financial loss, disruption of our businesses, regulatory intervention or damage to our reputation. In addition, our ability to conduct business may be adversely impacted by a disruption in the infrastructure that supports our businesses and the localities in which we are located.

33. We have entered into, and will continue to enter into, related party transactions.

We have entered into certain transactions with related parties and are likely to continue to do so in the future. Although all such related-party transactions are at arm's length, as required under the Companies Act and SEBI Listing Regulations. We cannot assure you that such transactions, individually or in aggregate, will not have an adverse effect on our financial condition and results of operations or that we could not have achieved more favourable terms if such transactions had not been entered into with related parties. Such related-party transactions may potentially involve conflicts of interest which may be detrimental to our interest and we cannot assure you that such transactions, individually or in the aggregate, will always be in the best interests of our minority shareholders and will not have an adverse effect on our business, financial condition and results of operations. For further details, see Note 38, Note 38 and Note 23 of "*Financial Statements*" on page F- 211, F-128, F-39, respectively beginning on page 132.

34. Our internal procedures, on which we rely for obtaining information on our customers and loan collateral, may be deficient and result in business losses.

We rely on our internal procedures for obtaining information relating to our customers and the loan collateral provided. In the event of lapses or deficiencies in our procedures or in their implementation, we may be subject to business or operational risk. For example, in the event that we unknowingly receive stolen goods as collateral from a customer, the goods can be seized by authorities. Once seized by the authorities, gold items will be stored in court storage facilities without a surety arrangement. No recourse will generally be available to our Company in the event of such seizure, except the recovery of the loss from the customer.

35. Our inability to open new branches at correct locations may adversely affect our business.

Our business is dependent on our ability to service and support our customers from proximate locations and thereby giving our customers easy access to our services. Further, it is vital for us to be present in key locations for sourcing business as we depend on these branches to earn revenue. Thus, any inability on our part to open new branches at correct locations may adversely affect our business and results of operations.

36. Our inability to obtain, renew or maintain our statutory and regulatory permits and approvals required to operate our business may have a material adverse effect on our business, financial condition and results of operations.

NBFCs in India are subject to strict regulations and supervision by the RBI. In addition to the numerous conditions required for the registration as a NBFC with the RBI, we are required to maintain certain statutory and regulatory permits and approvals for our business. In the future, we will be required to renew such permits and approvals and obtain new permits and approvals for any proposed operations. There can be no assurance that the relevant authorities will issue any of such permits or approvals in the time-frame anticipated by us or at all. Failure on our part to renew, maintain or obtain the required permits or approvals may result in the interruption of our operations and may have a material adverse effect on our business, financial condition and results of operations.

In addition, our branches are required to be registered under the relevant shops and establishments laws of the states in which they are located. The shops and establishment laws regulate various employment conditions, including working hours, holidays and leave and overtime compensation. Some of our branches have not applied for such registration while other branches still have applications for registration pending. If we fail to obtain or retain any of these approvals or licenses, or renewals thereof, in a timely manner, or at all, our business may be adversely affected. If we fail to comply, or a regulator claims we have not complied, with any of these conditions, our certificate of registration may be suspended or cancelled and we shall not be able to carry on such activities.

RISKS PERTAINING TO THIS ISSUE

37. Changes in interest rates may affect the price of our NCDs which frequently accompany inflation and/or a growing economy, are likely to have a negative effect on the price of our NCDs.

All securities where a fixed rate of interest is offered, such as our NCDs, are subject to price risk. The price of such securities will vary inversely with changes in prevailing interest rates, i.e., when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of prevailing interest rates. Increased rates of interest, which frequently accompany inflation and/or a growing economy, are likely to have a negative effect on the price of our NCDs.

38. The fund requirement and deployment mentioned in the Objects of the Issue have not been appraised by any bank or financial institution.

We intend to use the proceeds of the Issue, after meeting the expenditures of and related to the Issue, for the purpose of onward lending and financing and for repayment/ prepayment of principal and interest of borrowings of the Company and also for general corporate purposes. For further details, see "*Objects of the Issue*" at page 53. The fund requirement and deployment are based on internal management estimates and has not been appraised by any bank or financial institution. The management will have significant flexibility in applying the proceeds received by us from the Issue. The utilization details of the proceeds of the Issue shall be adequately disclosed as per applicable law. Further, as per the provisions of the SEBI NCS Regulations, we are not required to appoint a monitoring agency and therefore no monitoring agency has been appointed for the Issue.

39. The liquidity for the NCDs in the secondary market is very low and it may remain so in the future and the price of the NCDs may be volatile.

The Issue will be a new public issue of NCDs for our Company and the liquidity in NCDs at present is very low in the secondary market. Although an application has been made to list the NCDs on BSE, there can be no assurance that liquidity for the NCDs will improve, and if liquidity for the NCDs were to improve, there is no obligation on us to maintain the secondary market. The liquidity and market prices of the NCDs can be expected to vary with changes in market and economic conditions, our financial condition and prospects and

other factors that generally influence market price of NCDs. Such fluctuations may significantly affect the liquidity and market price of the NCDs, which may trade at a discount to the price at which you purchase the NCDs.

40. You may not be able to recover, on a timely basis or at all, the full value of the outstanding amounts and/or the interest accrued thereon in connection with the NCDs. Failure or delay to recover the expected value from a sale or disposition of the assets charged as security in connection with the NCDs could expose the holders to a potential loss.

Our ability to pay interest accrued on the NCDs and/or the principal amount outstanding from time to time in connection therewith would be subject to various factors, including, inter-alia our financial condition, profitability and the general economic conditions in India and in the global financial markets. We cannot assure you that we would be able to repay the principal amount outstanding from time to time on the NCDs and/or the interest accrued thereon in a timely manner or at all. Although our Company will create appropriate security in favour of the Debenture Trustee for the NCD Holders on the assets adequate to ensure minimum 100.00% asset cover for the NCDs, which shall be free from any encumbrances, the realisable value of the assets charged as security, when liquidated, may be lower than the outstanding principal and/or interest accrued thereon in connection with the NCDs. A failure or delay to recover the expected value from a sale or disposition of the assets charged as security in connection with the NCDs could expose you to a potential loss.

41. The Security may be insufficient to redeem the NCDs.

The NCDs to be issued pursuant to the Issue will be secured by creating a pari-passu charge over the Receivables of our Company, created in favour of the Debenture Trustee, to the extent of 100% of the amount outstanding towards principal and interest payable on NCDs. In the event that our Company is unable to meet its payment and other obligations towards investors under the terms of the NCDs, the Debenture Trustee may enforce the Security in respect of the NCDs as per the terms of security documents, and other related documents. The Debenture Holder(s)' recovery in relation to the NCDs will be subject to (i) the market value of the security, (ii) finding willing buyers for the security at a price sufficient to repay the amount payable to Debenture Holder(s)' under the NCDs. The value realized from the enforcement of the transaction security may be insufficient to redeem the NCDs.There may be fluctuations in the market values of the assets over which security has been provided by our Company, which could affect our Company's liquidity and reduce our Company's ability to enforce the security in terms of Security Documents, and consequently affect our Company's result of operations and financial condition. Our Company may not accurately identify changes in the value of assets over which security has been provided caused by changes in market prices, and our Company's assessments, assumptions or estimates may prove inaccurate.

42. There can be no assurance that the NCDs issued pursuant to this Issue will be listed on the Stock Exchange in a timely manner, or at all.

In accordance with Indian law and practice, permission for listing and trading of the NCD issued pursuant to this issue will not be granted until after the NCDs have been issued and allotted. Approval for listing and trading will require all relevant documents authorising the issue of NCDs to be submitted. There could be a failure or delay in listing the NCDs in BSE for reasons unforeseen. If permission to deal in and for an official quotation of the NCDs is not granted by BSE, our Company will forthwith repay, without interest, all monies received from the Applicants in accordance with prevailing law in this context, and pursuant to this Prospectus.

43. In case of outstanding debt instruments, deposits, or borrowings, any default in compliance with the material covenants could expose you to significant risks. These covenants may include the creation of security as per the agreed terms, default in payment of interest, default in redemption or repayment, and default in payment of penal interest wherever applicable.

The covenants of the Issue are set out under "*Issue Structure – Covenants of the Issue*" at page 174 and in the Debenture Trust Hypothecation Deed which will be duly filed with the stock exchange in terms of SEBI NCS Master Circular, as amended. These covenants have been mutually agreed upon between our Company and the Debenture Trustee.

Our ability to comply with these covenants is subject to various factors including our financial condition, profitability, and the general economic conditions in India and in the global financial markets. In accordance with the terms and conditions of the outstanding debt instruments, deposits, or borrowings, any failure to comply with the material covenants could lead to significant risks. These covenants may include the creation of security as per terms agreed, default in payment of interest, default in redemption or repayment, and default in payment of penal interest, among others.

While our Company shall take all necessary steps to comply with these covenants within the timelines prescribed by SEBI, there could be a failure or delay in compliance due to unforeseen circumstances. Any such default could lead to penalties, legal actions, or even trigger a default on other obligations under cross-default provisions which may adversely affect our business, results of operations, financial condition and cash flows. There is no assurance that the Company will be able to avoid such defaults, and any such event could expose you to significant financial and legal risks. It is important for investors to understand these risks and consider them when making their investment decisions.

44. There may be no active market for the NCDs on the retail debt market/capital market segment of the BSE. As a result, the liquidity and market prices of the NCDs may fail to develop and may accordingly be adversely affected.

There can be no assurance that an active market for the NCDs will develop. If an active market for the NCDs fails to develop or be sustained, the liquidity and market prices of the NCDs may be adversely affected. The market price of the NCDs would depend on various factors inter alia including (i) the interest rate on similar securities available in the market and the general interest rate scenario in the country, (ii) the market price of our Equity Shares, (iii) the market for listed debt securities, (iv) general economic conditions, (v) our financial performance, growth prospects and results of operations and (vi) limited and sporadic trading. The aforementioned factors may adversely affect the liquidity and market price of the NCDs, which may trade at a discount to the price at which you purchase the NCDs and/or be relatively illiquid.

45. We cannot guarantee the accuracy or completeness of facts and other statistics with respect to India, the Indian economy and the NBFC and Gold Loan industries contained in this Prospectus.

While facts and other statistics in this Prospectus relating to India, the Indian economy as well as the Gold Loan industry have been based on various publications and reports from agencies that we believe are reliable, we cannot guarantee the quality or reliability of such materials, particularly since there is limited publicly available information specific to the Gold Loan industry. While we have taken reasonable care in the reproduction of such information, industry facts and other statistics, the same have not been prepared or independently verified by us or any of our respective affiliates or advisors and, therefore we make no representation as to their accuracy or completeness. These facts and other statistics include the facts and statistics included in the chapter titled "*Industry Overview*" beginning on page 68. Due to possibly flawed or ineffective data collection methods or discrepancies between published information and market practice and other problems, the statistics herein may be inaccurate or may not be comparable to statistics produced elsewhere and should not be unduly relied upon. Further, there is no assurance that they are stated or compiled on the same basis or with the same degree of accuracy, as the case may be, elsewhere.

46. Our Company may raise further borrowings and charge its assets after receipt of necessary consents from its existing lenders. In such a scenario, the Debenture Holders holding the NCDs will rank pari passu with other secured creditors and to that extent, may reduce the amounts recoverable by the Debenture Holders upon our Company's bankruptcy, winding up or liquidation

Our Company may, subject to receipt of all necessary consents from its existing lenders and the Debenture Trustee to the Issue, raise further borrowings and charge its assets. Our Company is free to decide the nature of security that may be provided for future borrowings. In such a scenario, the Debenture Holders holding the NCDs will rank pari passu with other creditors and to that extent, may reduce the amounts recoverable by the Debenture Holders upon our Company's bankruptcy, winding up or liquidation.

47. In the event of liquidation or bankruptcy, the new bankruptcy code in India may affect our Company's right to recover loans from its borrowers.

The Insolvency and Bankruptcy Code, 2016 ("**Bankruptcy Code**") was notified on August 5, 2016. The Bankruptcy Code offers a uniform and comprehensive insolvency legislation encompassing all companies,

partnerships and individuals (other than financial firms). It allows creditors to assess the viability of a debtor as a business decision and agree upon a plan for its revival or a speedy liquidation. The Bankruptcy Code creates a new institutional framework, consisting of a regulator, insolvency professionals, information utilities and adjudicatory mechanisms, which will facilitate a formal and time-bound insolvency resolution and liquidation process.

In case insolvency proceedings are initiated against a debtor to our Company, we may not have complete control over the recovery of amounts due to us. Under the Bankruptcy Code, upon invocation of an insolvency resolution process, a committee of creditors is constituted by the interim resolution professional, wherein each financial creditor is given a voting share proportionate to the debts owed to it. Any decision of the committee of creditors must be taken by a vote of not less than 66% of the voting share of all financial creditors. Any resolution plan approved by committee of creditors is binding upon all creditors, even if they vote against it. In case a liquidation process is opted for, the Bankruptcy Code provides for a fixed order of priority in which proceeds from the sale of the debtor's assets are to be distributed. Before sale proceeds are distributed to a secured creditor, they are to be distributed for the costs of the insolvency resolution and liquidation processes, debts owed to workmen and other employees, and debts owed to unsecured credits. Further, under this process, dues owed to the Central and State Governments rank at par with those owed to secured creditors. Moreover, other secured creditors may decide to opt out of the process, in which case they are permitted to realise their security interests in priority.

Accordingly, if the provisions of the Bankruptcy Code are invoked against any of the borrowers of our Company, it may affect our Company's ability to recover our loans from the borrowers and enforcement of our Company's rights will be subject to the Bankruptcy Code.

EXTERNAL RISK FACTORS

48. Any downgrading of India's debt rating by an international rating agency could have a negative impact on our business.

India's sovereign debt rating could be downgraded due to several factors, including changes in tax or fiscal policy or a decline in India's foreign exchange reserves, all which are outside our control. Any adverse revisions to India's credit ratings for domestic and international debt by international rating agencies may adversely impact our ability to raise additional external financing, and the interest rates and other commercial terms at which such additional financing is available. This could have an adverse effect on our business and future financial performance and our ability to obtain financing for capital expenditures.

49. Instability of economic policies and the political situation in India could adversely affect the fortunes of the industry.

There is no assurance that the liberalisation policies of the government will continue in the future. Protests against privatisation could slow down the pace of liberalisation and deregulation. The Government of India plays an important role by regulating the policies and regulations that govern the private sector. The current economic policies of the government may change at a later date. The pace of economic liberalisation could change and specific laws and policies affecting the industry and other policies affecting investments in our Company's business could change as well. A significant change in India's economic liberalisation and deregulation policies could disrupt business and economic conditions in India and thereby affect our Company's business.

Unstable domestic as well as international political environment could impact the economic performance in the short term as well as the long term. The Government of India has pursued the economic liberalisation policies including relaxing restrictions on the private sector over the past several years. The present Government has also announced polices and taken initiatives that support continued economic liberalisation.

The Government has traditionally exercised and continues to exercise a significant influence over many aspects of the Indian economy. Our Company's business may be affected not only by changes in interest rates, changes in Government policy, taxation, social and civil unrest but also by other political, economic or other developments in or affecting India.

50. Financial difficulties and other problems in certain financial institutions in India could cause our business to suffer and adversely affect our results of operations.

We are exposed to the risks of the Indian financial system, which in turn may be affected by financial difficulties and other problems faced by certain Indian financial institutions. Certain Indian financial institutions have experienced difficulties during recent years. Some co-operative banks (which tend to operate in rural sector) have also faced serious financial and liquidity crises. There has been a trend towards consolidation with weaker banks, NBFCs and HFCs being merged with stronger entities. The problems faced by individual Indian financial institutions and any instability in or difficulties faced by the Indian financial system generally could create adverse market perception about Indian financial institutions, banks and NBFCs. This in turn could adversely affect our business, our future financial performance, our shareholders' funds and the market price of our NCDs.

51. Terrorist attacks, civil unrest and other acts of violence or war involving India and other countries could adversely affect the financial markets and our business.

Terrorist attacks and other acts of violence or war may negatively affect our business and may also adversely affect the worldwide financial markets. These acts may also result in a loss of business confidence. In addition, any deterioration in relations between India and its neighbouring countries might result in investor concern about stability in the region, which could adversely affect our business.

India has also witnessed civil disturbances in recent years, and it is possible that future civil unrest as well as other adverse social, economic and political events in India could have a negative impact on us. Such incidents could also create a greater perception that investment in Indian companies involves a higher degree of risk and could have an adverse impact on our business and the market price of our NCDs.

52. Natural calamities could have a negative impact on the Indian economy, particularly the agriculture sector, and cause our business to suffer.

India has experienced natural calamities such as earthquakes, a tsunami, floods and drought in the past few years. The extent and severity of these natural disasters determines their impact on the Indian economy. Further, prolonged spells of below normal rainfall or other natural calamities could have a negative impact on the Indian economy thereby, adversely affecting our business.

53. Any downgrading of India's debt rating by an international rating agency could have a negative impact on our business.

Any adverse revisions to India's credit ratings for domestic and international debt by international rating agencies may adversely impact our ability to raise additional financing, the interest rates and other commercial terms at which such additional financing is available. This could have a material adverse effect on our business and financial performance, our ability to raise financing for onward lending and the price of our NCDs.

54. Significant fluctuations in exchange rates between the Rupee and foreign currencies may have an adverse effect on our results of operations.

Our results of operations may be adversely affected if the Indian rupee fluctuates significantly against foreign currencies or if our hedging strategy is unsuccessful. To the extent that our liabilities and expenditures are not denominated in Indian rupees, despite us entering into foreign exchange hedging contracts from time to time, exchange rate fluctuations could affect the amount of income and expenditure we recognise. In addition, the policies of RBI may also change from time to time, which may limit our ability to hedge our foreign currency exposures adequately.

55. This Prospectus includes certain unaudited financial information, which has been subjected to limited review, in relation to our Company. Reliance on such information should, accordingly, be limited.

This Prospectus includes certain unaudited financial information of our Company for the nine months period ended December 31, 2025, prepared in accordance with Indian Accounting Standards 34 "*Interim Financial Reporting*", prescribed specified under the Section 133 of the Companies Act, 2013, Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act and in respect of which the Statutory Auditors of our Company have issued their limited review report dated February 12, 2026. As this financial information has been subject only to limited review as required under

Regulations 33 and 52(2) of SEBI Listing Regulations and as described in Standard on Review Engagements (SRE) 2410, "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*" issued by the Institute of Chartered Accountants of India, and not to an audit, any reliance by prospective investors to the Issue on such financial information for the nine months period ended December 31, 2025, should be limited. Further, this Prospectus includes certain unaudited financial information such as information relating to financial indebtedness as on April 01, 2026, which has not been subjected to limited review by our Statutory Auditor. Accordingly, prospective investors should rely on their independent examination of our financial position and results of operations, and should not place undue reliance on, or base their investment decision solely on the financial information included in this Prospectus.

Impersonation

As a matter of abundant precaution, attention of the investors is specifically drawn to the provisions of sub-Section (1) of Section 38 of the Companies Act, 2013, relating to punishment for fictitious applications. Section 38(1) of the Companies Act, 2013 provides that:

"Any person who:

a. makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities; or

b. makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or

c. otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name, shall be liable for action under Section 447"

The liability prescribed under Section 447 of the Companies Act 2013 for fraud involving an amount of at least ₹10 lakh or 1.00% of the turnover of the Company, whichever is lower, includes imprisonment for a term which shall not be less than six months extending up to 10 years (provided that where the fraud involves public interest, such term shall not be less than three years) and fine of an amount not less than the amount involved in the fraud, extending up to three times of such amount. In case the fraud involves (i) an amount which is less than ₹ 10 lakh or 1.00% of the turnover of the Company, whichever is lower; and (ii) does not involve public interest, then such fraud is punishable with an imprisonment for a term extending up to five years or a fine of an amount extending up to ₹ 50 lakh or with both.

Minimum Subscription

In terms of the SEBI NCS Regulations, for an issuer undertaking a public issue of debt securities the minimum subscription for public issue of debt securities shall be 75% of the Base Issue. If our Company does not receive the minimum subscription of 75% of Base Issue being ₹7,500 lakhs i,e. 5,625 Lakhs, within the prescribed timelines under the Companies Act, SEBI NCS Regulations, and any rules thereto, the entire Application Amount blocked shall be unblocked in the relevant ASBA Account(s) of the Applicants within eight working days from the Issue Closing Date or such time as may be specified by the Board. In the event the Application Amount has been transferred to the Public Issue Account from the respective ASBA Accounts, such Application Amount shall be refunded from the Refund Account to the relevant ASBA Accounts(s) of the Applicants within eight working days from the Issue Closing Date, failing which the Company will become liable to refund the Application Amount along with interest at the rate 15 (fifteen) percent per annum for the delayed period.

Under Section 39(3) of the Companies Act, 2013 read with Rule 11(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 if the stated minimum subscription amount is not received within the specified period, the application money received is to be credited only to the bank account from which the subscription was remitted. To the extent possible, where the required information for making such refunds is available with our Company and/or Registrar, refunds will be made to the account prescribed. However, where our Company and/or Registrar does not have the necessary information for making such refunds, our Company and/or Registrar will follow the guidelines prescribed by SEBI in this regard included in the SEBI NCS Master Circular.

STATEMENT OF POSSIBLE TAX BENEFITS UNDER THE INCOME TAX ACT, 2025 AVAILABLE TO THE DEBENTURE HOLDER(S)

This Statement of Tax Benefits is prepared under the framework of the Income Tax Act, 2025, read with the Income Tax Rules, 2026 ("IT Rules 2026") and all applicable amendments introduced by the Finance Act, 2026, and is applicable for the Tax Year 2026-27 (corresponding to the period 1st April 2026 to 31st March 2027), relevant to the Assessment Year 2027-28 as per old legislation. The Income Tax Act, 2025 is a new legislation operative from 1st April 2026. Several provisions of the Act and the IT Rules, 2026 are subject to evolving judicial interpretation, and CBDT circulars/notifications clarifying the new provisions may be issued from time to time. This Statement is based on the provisions of the Act as they exist on the date of issue of Prospectus.

The following tax benefits will be available to the debenture holders of the Company ("Debenture Holders") as per the existing provisions of law. The tax benefits are given as per the prevailing tax laws under the provisions of the IT Act 2025, as on date, taking into account the amendments made by the Finance Act, 2026, and may vary from time to time in accordance with amendments to the law or enactments thereto. The Debenture Holders are advised to consider the tax implications in respect of subscription to the Debentures after consulting his tax advisor as alternate views are possible.

The Income Tax Act, 2025 (the "IT Act") consolidates and replaces the Income-tax Act, 1961 with effect from 1st April 2026 (Tax Year 2026–27). The Act does not introduce new taxes or fresh levies but restructures, simplifies, and codifies the existing tax framework. Key structural changes relevant to this Statement include:

Feature	Income Tax Act, 1961	Income Tax Act, 2025
Operative period	Previous Year	Tax Year
TDS framework	Sec. 190–206CCA	Sections 390–397 read with Section 393 (Master TDS Table)
Deductions	Chapter VI-A (Sec. 80C–80U)	Chapter VIII(Section 123-154),Schedule XV
Exemptions	Section 10 (clauses 1–48)	Schedule V
Capital Gains — MLDs	Section 50AA	Section 76
Return of Income	Section 139	Section 263
Compliance/Reporting	Section 206A	Section 397
Non-residents — Special Rates	Sections 115AC, 115ACA, 196B	Sections 193, 209,393(2)

IMPLICATIONS UNDER THE INCOME TAX ACT, 2025:

I. RELEVANT ASPECTS APPLICABLE TO THE RESIDENT INDIVIDUALS

A. Interest on Debentures (NCDs)

1. Interest on NCD received by Debenture Holders would be subject to income tax at the normal rates of tax in accordance with and subject to the provisions of the IT Act. Interest will be assessed to Income tax on receipt basis or mercantile basis (accrual basis) depending on the method of accounting regularly employed by the NCD holders under Section 276 of the IT Act.

2. Rates of Tax on Interest Income

   Interest income from NCDs shall be included in the total income of the debenture holder and taxed at the applicable slab rates as prescribed in the First Schedule to the Finance Act, 2026, as follows:

   Default Tax Regime (Applicable for Tax Year 2026–27):

   The IT Act, 2025, through Section 202 read with the Finance Act, 2026, provides for a rationalized default tax regime. All individual/HUF taxpayers are subject to this regime unless they opt out in accordance with the prescribed procedure. All individual/HUF taxpayers are subject to this regime unless they opt out in accordance with the prescribed procedure

Note on Tax Rebate: Under Section 156 of the IT Act, 2025 (corresponding to Section 87A of the repealed Act), as amended by the Finance Act, 2026, a resident individual with total income not exceeding ₹12,00,000 is entitled to a full rebate of tax payable (making the effective tax liability NIL up to ₹12,00,000 under the default regime). This rebate is not available on income subject to special rates (such as capital gains under specific sections of the Act).

3. Under the IT Act, 2025, Tax Deduction at Source is governed by Chapter XIX — Collection and Recovery of Tax, comprising Sections 390 to 397, read with Section 393 (the Master TDS Table). Section 390 of the Act (corresponding to Section 190 of the repealed Act) stipulates the general framework for TDS and advance tax:

4. Income Tax is deductible at source at the rate of 10% on interest on debentures held by resident Indians as per the provisions of Section 393(1))[Table: Sl.No.5(i)] of the IT Act (in case where interest is paid to Individual or HUF, no TDS will be deducted where interest is paid is less than 10,000 and is paid by way of account payee cheque).

   Further, Tax will be deducted at source at reduced rate, or no tax will be deducted at source in the following cases:

   a) When the Assessing Officer issues a certificate on an application by a Debenture Holder on satisfaction that the total income of the Debenture holder justifies no/lower deduction of tax at source as per the provisions of Section 395 of the IT Act; and that a valid certificate is filed with the Company before the prescribed date of closure of books for payment of debenture interest;

   b) When the resident Debenture Holder with Permanent Account Number ('PAN') (not being a company or a firm) submits a declaration as per the provisions of section 393(6) of the IT Act in the prescribed Form 121 verified in the prescribed manner to the effect that the tax on his estimated total income of the tax year in which such income is to be included in computing his total income will be NIL. However, under section 393(6) of the IT Act, Form 121 cannot be submitted nor considered for exemption from tax deduction at source if income in the nature referred to in sections , 393(1) (Table: Sl. No. 7), 393(3) (Table: Sl. No. 6), 392(7), Section 393(1)[Table: Sl.No.5(i)], Section 393(1)[Table: Sl.No.5(ii.D(a))], Section 393(1)[Table: Sl.No.5(ii.D(b))], Section 393(1)[Table: Sl.No.1(i)], Section 393(1)[Table: Sl.No.8(i)], Section 393(1)[Table: Sl.No.2(ii.D(a))], Section 393(1)[Table: Sl.No.2(ii.D(b))] or Section 393(1)[Table: Sl.No.4(i)] as the case may be or the aggregate of the amounts of such incomes credited or paid or likely to be credited or paid during the tax year in which such income is to be included exceeds the maximum amount which is not chargeable to income tax;

   c) Senior citizens, who are 60 or more years of age at any time during the financial year, enjoy the special privilege to submit a self-declaration in the prescribed Form 121 for non-deduction of tax at source in accordance with the provisions of section 393(6) of the Act even if the aggregate income credited or paid or likely to be credited or paid exceeds the maximum amount not chargeable to tax, provided that the tax due on the estimated total income of the year concerned will be NIL; and

   d) In all other situations, tax would be deducted at source as per prevailing provisions of the IT Act. Please find below the list of relevant class of resident investors and respective documents that would be required for granting TDS exemption:

B. In respect of Capital Gains

Long Term Capital Gain

Under 2(67) read with section 2(101) of the IT Act, listed Debentures held as Capital Asset as defined under section 2(22) of the IT Act is treated as long term capital asset if it is held for more than 12 Months. Debentures held as capital asset for a period of 12 Months or less will be treated as short term capital asset.

Long Term Capital Gain for listed debentures will be chargeable to tax under Section 197 of the IT Act at the rate of 12.50% (plus applicable surcharge and education cess). No indexation benefit is available for debentures.

In case of an individual or HUF, being a resident, where the total income as reduced by such long-term capital gains is below the maximum amount which is not chargeable to income-tax, then, such long-term capital gains shall be reduced by the amount by which the total income as so reduced falls short of the maximum amount which is not chargeable to income-tax and the tax on the balance of such long-term capital gains shall be computed at the rate mentioned above.

1. Short Term Capital Gains

Listed Debentures held as capital asset under Section 2(22) of the IT Act for a period of not more than 12 months would be treated as Short term capital asset under Section 2(101) of the IT Act. Short Term Capital Gains on transfer of NCD will be taxed at the normal rates of tax in accordance with the provisions of the IT Act. The benefit of maximum amount not chargeable to tax shall also be available in relation to such short term capital gains.

2. Capital Loss on transfer of Debentures.

As per Section 111 of the IT Act, short-term capital loss on transfer of debentures suffered during the year is allowed to be set-off against short-term as well as long-term capital gains of the same year. Balance loss, if any could be carried forward for eight years for claiming set-off against subsequent years' short term as well as long-term capital gains.
Long-term capital loss on debentures suffered during the year is allowed to be set-off only against long-term capital gains of the same year. Balance loss, if any, could be carried forward for eight years solely for claiming set-off against subsequent year's long-term capital gains.

3. Exemption available for Individuals and HUF for Long Term Capital gains u/s 86 of the IT Act.

As per the provisions of Section 86 of the IT Act, any long-term capital gains on transfer of a long term capital asset(not being a residential house) arising to a Debenture Holder who is an individual or Hindu Undivided Family, is exempt from tax if the entire net sales consideration is utilized, within a period of one year before, or two years after the date of transfer, in purchase of a residential house in India, or for construction of residential house in India within three years from the date of transfer subject to conditions. If part of such net sales consideration is invested within the prescribed period in a residential house, then such gains would be chargeable to tax on a proportionate basis. This exemption is available, subject to the conditions specified in Section 86 of the Act.

C. Provisions relating to Business Income

In case the Debentures are held as stock in trade by the debenture holder, the income/loss from transfer of debentures would be taxed as Income from Business. Such income is to be computed in accordance with the Income Computation and Disclosure Standard VIII, which is notified by the Ministry of

Finance, Government of India under Section 276(2) of the IT Act. Where debentures are held as stock in trade and unpaid interest has accrued before acquisition of Debentures and is included in the price paid for the Debentures, subsequent receipt of interest is to be allocated between pre-acquisition and post-acquisition periods, the pre-acquisition portion of the interest is reduced from the actual cost and is to be treated as interest. In the case of Debentures held by Scheduled Bank and Public Financial Institutions, income is to be recognized in accordance with the guidelines issued by the Reserve Bank of India in this regard.

D. Transfer of Debentures without consideration or inadequate consideration.

As per section 92(2)(m) of the IT Act, except in cases which are specifically exempted under this clause (such as gift received from relative as defined under the section), where the debentures are received without consideration where the aggregate market value of all gifts received exceeds ₹50,000/- the aggregate market value of the debentures shall be taxable as income in the hands of the recipient. Similarly, if debentures are received for inadequate consideration, the shortfall in the consideration will be treated as income of the recipient subject to the provisions contained in section 92(2)(m) of the IT Act. There is no gift tax for the Donor of the Debentures.

II. PROVISIONS APPLICABLE TO THE NON-RESIDENT DEBENTURE HOLDER.

A Non – Resident Indian has an option to be governed by Chapter XIII – E of the IT Act, subject to the provisions contained therein which are given in brief as under:

a) As per Section 214 of the IT Act, interest income from debentures acquired or purchased or subscribed to, in convertible foreign exchange will be taxable at 20% (plus applicable surcharge and cess), whereas long term capital gains on transfer of such Debentures will be taxable at 12.5% (plus applicable surcharge and cess of such capital gains without indexation of cost of acquisition. Short-term capital gains will be taxable at the normal rates of tax in accordance with and subject to the provisions contained in Section 214 of the Act.

b) As per Section 216 of the IT Act, it shall not be necessary for a non-resident Indian to file a return of income under Section 263(1)(a) of the IT Act, if his total income consists only of investment income as defined under Section 212 and/or long term capital gains earned on transfer of such investment acquired out of convertible foreign exchange, and the tax has been deducted at source from such income under the provisions of Chapter XIX-B of the IT Act in accordance with and subject to the provisions contained therein.

c) As per Section 213 of the IT Act no deduction in respect of any expenditure or allowance shall be allowed under any provisions of the IT Act in the computation of income of a non-resident Indian under Chapter XIII – E of the IT Act.

d) In accordance with and subject to the provisions of Section 218 of the IT Act, a Non-Resident Indian may opt not to be governed by the provisions of Chapter XIII – Eof the IT Act. In such a case, long term capital gains on transfer of listed debentures would be subject to tax at the rate of 12.5% computed without indexation of cost of acquisition.

e) Interest income and Short-term capital gains on the transfer of listed debentures, where debentures are held for a period of not more than 12 months preceding the date of transfer, would be taxed at the normal rates of tax in accordance with and subject to the provisions of the IT Act.

f) Where debentures are held as stock in trade, the income on transfer of debentures would be taxed as business income or loss in accordance with and subject to the provisions of the IT Act.

g) Under Section 393(2) (Table: Sl. No. 17) of the IT Act, the applicable rate of tax deduction at source is 10% on investment income and 12.5% on any long-term capital gains as per Section 214, and 30% for Short Term Capital Gains if the payee debenture Holder is a Non-Resident Indian.

IV. MUTUAL FUNDS

All mutual funds registered under Securities and Exchange Board of India or set up by public sector banks or public financial institutions or authorized by the Reserve Bank of India are exempt from tax on all their income, including income from investment in Debentures with the provisions of Schedule VII of the IT Act and the contained therein.

Further, as per the provisions of section 393(5) of the IT Act, no tax shall be deducted at source by any person from any sums payable to mutual funds specified under Schedule VII of the IT Act, where such sum is payable to it by way of interest or dividend in respect of any securities or shares owned by it or in which it has full beneficial interest, or any other income accruing or arising to it.

V. TO SPECIFIED FUNDS ("SPECIFIED FUND" AS DEFINED UNDER SCHEDULE VI OF THE IT ACT)

The income of Specified Funds is taxable for the year beginning April 1, 2020, to the extent attributable to units held by non-resident (not being a permanent establishment of a non-resident in India), and in accordance with and subject to the provisions of Section 210 of the IT Act, as under:

a) The interest income earned are chargeable to tax at the rate of 10%;

b) long term capital gains on transfer of debentures to the specified extent are taxable at 10% (benefit of provisions of the first proviso of section 72 of the IT Act will not apply); and

c) Short-term capital gains are taxable at 30%.

Further, where any income in respect of NCD is payable to Specified Funds, tax shall be deducted at the rate of 10% on the income other than exempt under Schedule VI as per Section 393(2) (Table: Sl. No. 16) of the IT Act.

The income tax deducted shall be increased by applicable surcharge and health and education cess.

VI. REQUIREMENTS TO FURNISH PAN/FILING OF RETURNS UNDER THE IT ACT

1. SEC. 397(2)(a):

Section 397(2)(a) requires every person from whom income tax has been deducted at source under chapter XIX – B of the IT Act to furnish his PAN to the person responsible for deduction of tax at source.

2. SEC. 262(6):

Section 262(6) of the Income Tax Act provides that every individual who has been allotted a permanent account number (PAN) as on the 1st day of July, 2017, and who is eligible to obtain an Aadhaar number, shall intimate his Aadhaar number in the prescribed form and manner. In case of failure to link

Aadhaar with PAN, the permanent account number allotted to the person shall be made inoperative after the prescribed date.

3. SEC. 397(2)(b):

a) Section 397(2)(b) of the IT Act requires every person entitled to receive any sum, on which tax is deductible under Chapter XVIIB ('deductee') to furnish his PAN to the deductor, failing which tax shall be deducted at the higher of the following rates:

(i) at the rate specified in the relevant provision of the IT Act; or
(ii) at the rate or rates in force; or
(iii) at the rate of twenty per cent.

b) A declaration under Section 393(6) shall not be valid unless the person furnishes his PAN in such declaration and the deductor is required to deduct tax as per Para (a) above in such a case.

c) Where a wrong PAN is provided, it will be regarded as non-furnishing of PAN and Para (a) above will apply.

d) As per Rule 217, higher rate under section 397(2)(b) shall not apply to a non resident, not being a company, or to a foreign company, in respect of payment of interest, if the non-resident deductee furnishes the prescribed details inter alia TRC and Tax Identification Number (TIN).

NOTES FORMING PART OF STATEMENT OF TAX BENEFITS

1. The above Statement sets out the provisions of law in a summary manner only and is not a complete analysis or listing of all potential tax consequences of the purchase, ownership and disposal of debenture/bonds.

2. The above statement covers only certain relevant benefits under the IT Act and does not cover benefits under any other law.

3. The above statement of possible tax benefits is as per the current direct tax laws relevant for the Tax Year 2026-2027 and taking into account the amendments made by the Finance Act, 2026. The IT Act, 2025 is a new legislation operative from 1st April 2026. CBDT is expected to issue further circulars, notifications, and FAQs clarifying various provisions of the new Act. This Statement should be reviewed for continuing accuracy in light of any such further guidance.

4. This statement is intended only to provide general information to the Debenture Holders and is neither designed nor intended to be a substitute for professional tax advice. Economic Outlook

Global Economy

Global Economic Growth Expected to Sustain at ~3% in Near Term

Global economic growth is projected to moderate to around 3.1% in 2026, reflecting the impact of geopolitical tensions on energy and trade flows. The ongoing Middle East conflict poses downside risks, with prolonged disruptions potentially reducing growth further to 2.5%, or lower.

However, supportive factors such as continued investment momentum and policy support are helping offset some of these pressures.

Advanced Economies Group

Advanced economies are projected to grow at around 1.8% in CY26 and 1.7% in CY27, the overall effect on growth in advanced economies of the conflict in the Middle East is modest.

In the **United States,** growth is forecast at about 2.3% in CY26, supported by fiscal measures and lower interest rates, even as the increase in trade barriers since April 2025 continues to weigh on the trade relations.

The **Euro Area** growth expected to decline in CY26 to 1.1% from 1.4% in CY25 and to 1.2% in CY27, due to negative impact of the war in the Middle East over time even though there was substantial growth in CY25.

In **Japan**, economic growth is forecast at around 0.7% in CY26 and is expected to moderate further to 0.6% in CY27, reflecting subdued domestic demand and ongoing structural challenges.

In the **United Kingdom**, growth is projected at 0.8% in CY26, with a gradual recovery to 1.3% in CY27, supported by improving economic conditions and easing macroeconomic pressures.

Emerging Markets and Developing Economies Group

Emerging and developing economies are expected to fall to 3.9 percent in CY26 and recover to 4.2 percent in CY27 , due to the global conflicts having a greater net impact on emerging economies than advanced economies.

China's growth remains steady at around 4.4% in CY26 and 4.0% in CY27, aided by easing tariff pressures, helped by lower effective US-China tariff rates than previously assumed due to yearlong trade truce being agreed to and sustained domestic activity. **India's** growth has been revised upward, with projections of 6.5% in CY26, driven by strong private consumption and continued policy support and an additional US tariff on Indian goods from 50 to 10 percent, which outweigh the adverse impact of the Middle East conflict.

Indonesia is expected to maintain consistent growth of around 5.0% over CY26 and 5.1% in CY27. **Saudi Arabia's** growth in CY26 has a downward projection to have a growth rate of 3.1% on account of the damage due to the ongoing tensions. On the other hand, **Brazil's** growth is projected to be 1.9% in CY26 and 2.0% in CY27, due to the war have a small net positive effect in 2026, as a result of the country being a net energy exporter.

Despite the turmoil in the last 2-3 years, India bears good tidings to become a USD 5 trillion economy by CY28. According to the IMF dataset on Gross Domestic Product (GDP) at current prices, the nominal GDP projected to be at USD 4.2 trillion for CY26 and is projected to reach USD 4.5 trillion by CY27 and USD 6.8 trillion by CY30. India's expected GDP growth rate for coming years is almost double compared to the world economy. The Indian economy shows resilience amid global inflation, supported by a stable financial sector, strong service exports, and robust investment driven by government spending and high-income consumer consumption, positioning it for better growth than other economies.

Besides, India stands out as the fastest-growing economy among the major economies. The country is expected to grow at 6.5% in the period of CY25-CY30, outshining China's growth rate. By CY30, the Indian economy is estimated to emerge as the third-largest economy globally, hopping over Japan and Germany. Currently, it is the third largest economy globally in terms of Purchasing Power Parity (PPP) with a ~8.5% share in the global economy, with China on the top followed by the United States.

Indian Economic Outlook

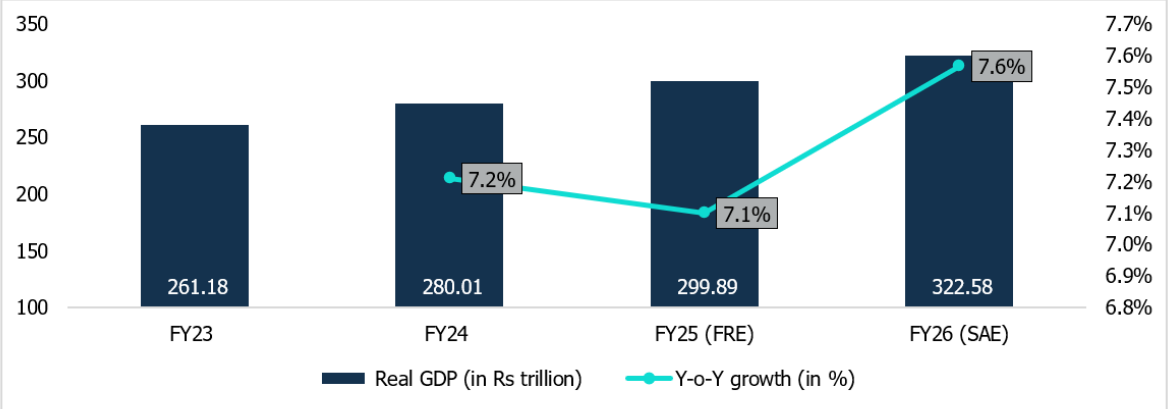

GDP growth and outlook

Resilience to External Shocks Remains Critical for Near-term Outlook

The Indian economy continues to show rapid growth. For FY26, GDP is expected to grow by 7.6%, supported by rising rural demand, better job opportunities and favourable business conditions.

In FY25, provisional estimates show a growth of 7.1% (Rs 299.89 trillion), led by robust performance in manufacturing, construction and financial services. Consumer spending rose by 7.6%, and government spending increased by 3.8%, both contributing to the overall growth. In FY23, the real GDP stood at Rs 261.18 trillion and registered Y-o-Y growth of 7.2% in FY24 (Rs 280.01 trillion).

GDP Growth Outlook (April 2026)

FY27 GDP Outlook: RBI projects real GDP growth at 6.9% for 2026–27, supported by sustained momentum in the services sector, strong reservoir levels aiding the agricultural sector and private consumption expected to remain uplifted by discretionary spending. The government is also working towards minimising supply chain disruptions in critical sectors to ensure limited interruptions.

However, elevated energy and other commodity prices, as well as the disruptions in the Strait of Hormuz route are likely to affect growth in this year. Nevertheless, the government is working towards minimising the impact of the supply chain towards critical sectors to ensure minimal interruptions.

Gross Value Added (GVA)

GVA is the measure of the value of goods and services produced in an economy. GVA gives a picture of the supply side whereas GDP represents consumption. GVA in FY25 was powered by a broad-based rebound across sectors. The gap between GDP and GVA growth stood at 0.1 percentage point in FY25, with GDP growing at 7.2% and GVA at 7.3%, as per MoSPI's provisional estimates released in March 2026.

In FY26 (FAE), real GVA growth of 7.7% is primarily led by manufacturing, Trade, Hotels, Transport, Communication & Services related to Broadcasting, Storage. Industry is estimated at 8.8%, supported by a pickup in manufacturing and construction (11.5% and 7.1% respectively).

Consumer Price Index (CPI)

CPI for March 2026 recorded a combined inflation rate at 3.4%, on a y-o-y basis under the new CPI base 2024=100 series (up from 3.21% in February 2026). Corresponding inflation rates for the rural and urban areas are 3.63% and 3.11% respectively.

The CPI is primarily factored in by RBI while preparing their bi-monthly monetary policy. At the bi-monthly meeting held in April 2026, RBI projected inflation at 4.6% for FY27 with inflation during Q1FY27 at 4.0%, Q2FY27 at 4.4%, Q3FY27 at 5.2% and Q4FY27 at 4.7%.

Considering the current inflation situation, RBI has maintained the repo rate at 5.25% in the April 2026 meeting of the Monetary Policy Committee (MPC). The MPC retained a 'Neutral' policy stance.

Industrial Growth

The trend in Index of Industrial Production (IIP) reflects a sharp contraction during the pandemic, followed by a strong recovery and subsequent moderation. IIP growth declined to -8.4% in FY21 after a marginal contraction of -0.8% in FY20, before rebounding significantly to 11.4% in FY22 driven by base effects and recovery in economic activity. Growth then moderated to 5.2% in FY23 and 5.9% in FY24, further easing to 4.0% in FY25. More recent data indicates stable momentum, with IIP growth at 4.1% during April–February FY25 and remaining at 4.1% during April–February FY26, suggesting sustained growth.

Macro-economic outlook for FY27

Global economic growth faces headwinds from geopolitical tensions, volatile commodity prices, high interest rates, inflation, financial market volatility, climate change, and rising public debt. However, India's economy remains relatively strong, with an IMF forecast of 6.5% GDP growth in CY26 (FY27 according to the fiscal year), compared to the global projection of 3.1%. Key drivers include strong domestic demand, government capital expenditure and moderating inflation.

India's position as a manufacturing hub is strengthened by government initiatives, a skilled workforce, and a growing startup ecosystem, with ongoing reforms and innovation enhancing its global role. Key growth indicators like the PMI, E-way bills, bank credit, toll collections, and GST collections have improved in FY25. India's economic growth in FY25-26 will be supported by strong growth in agriculture, industrial expansion, and a surge in services exports. Key indicators point to sustained growth driven by improved infrastructure, private consumption, and foreign investments. Normalizing the employment situation after opening up of the economy is supporting consumption expenditure. Public investment is set to grow with a Rs. 12.2 lakh crore capital expenditure allocation for FY27. Private sector investment is also rising, supported by new project data and capital goods imports. Improved rural demand, favourable monsoon conditions, and government policy will further boost the investment cycle.

The announcements during 56th meeting of the Goods and Services Tax (GST) Council on major changes in the existing GST structure such as the focus on simplifying it to a two-tiered GST tax structure of 5% and 18%, phasing out the currently existing 12% and 28% slabs, a de-merit tax rate for luxury and 'sin' goods at a 40% tax slab, etc. are expected to support economic growth and ease inflationary pressures.

Individual health insurance and individual life insurance services, including their respective reinsurance, are proposed to be exempt from GST, transitioning from the current tax rate of 18% with input tax credit (ITC) benefits. This shift is expected to reduce the overall cost burden on policyholders, thereby enhancing affordability and penetration of insurance products; however, the removal of ITC may have implications for insurers' cost structures and could influence pricing strategies going forward.

India's relatively lower tariff structure enhances its attractiveness as a trade partner, and ongoing negotiations with the U.S., along with efforts to diversify export markets, including the EU and ASEAN, are likely to mitigate potential adverse effects. As India progressively positions itself as a competitive manufacturing hub, particularly in textiles, pharmaceuticals, electronics, and auto components, it remains more competitive than countries like China, Taiwan, Bangladesh, and Vietnam. This strengthens India's position as a viable alternative in global trade, particularly in sectors where it holds a comparative advantage. India's expanding manufacturing capacity, coupled with its skilled workforce, makes it an appealing investment destination for global companies. Sectors such as electronics and textiles, including the relocation of Apple's iPhone production, are likely to attract greater U.S. interest as businesses seek lower-tariff alternatives.

The Iran war has disrupted shipping through the Strait of Hormuz, a critical chokepoint for global oil and LPG trade, handling a significant share of India's energy imports and playing a vital role in maintaining stable supply

chains. Disruption in this region is likely to have affected shipping routes, increased freight and insurance costs, and created supply-side uncertainties for energy imports. Prolonged geopolitical tensions or conflict in the region could lead to sustained increases in crude oil and LPG prices, which may translate into higher input costs across industries and contribute to inflationary pressures in the Indian economy.

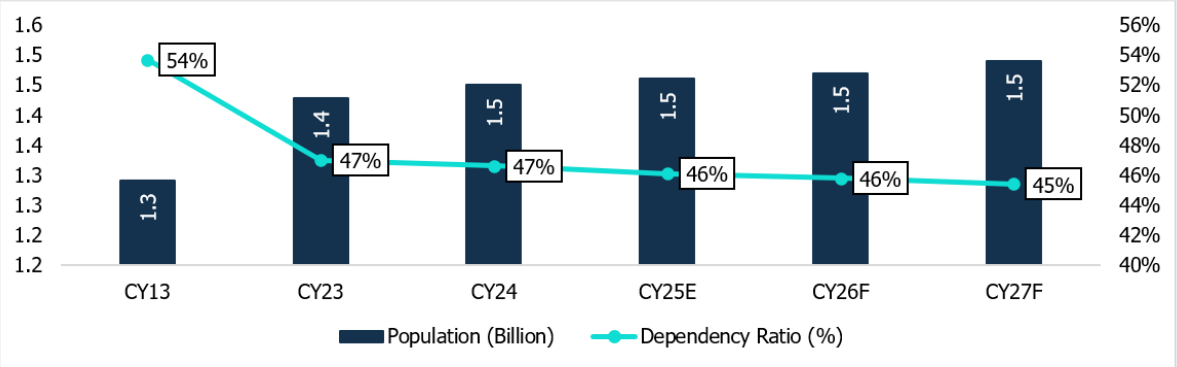

Key growth drivers for India

Favourable Demographics

The trajectory of economic growth of India and private consumption is driven by socio-economic factors such as demographics and urbanisation. According to the World Bank, India's population in CY22 surpassed 1.42 billion, slightly higher than China's population (1.41 billion) and became the most populous country in the world.

Age Dependency Ratio, ratio of dependents to the working age population, i.e., 15 to 64 years, wherein dependents are population younger than 15 and older than 64 is on decline. Declining dependency means the country has an improving share of working-age population generating income, which is a good sign for the economy. It was as high as 76% in 1983, which has reduced to 47% in CY23. However, this ratio is expected to rise again to 54% by CY36, driven by an increase in the elderly population as life expectancy improves.

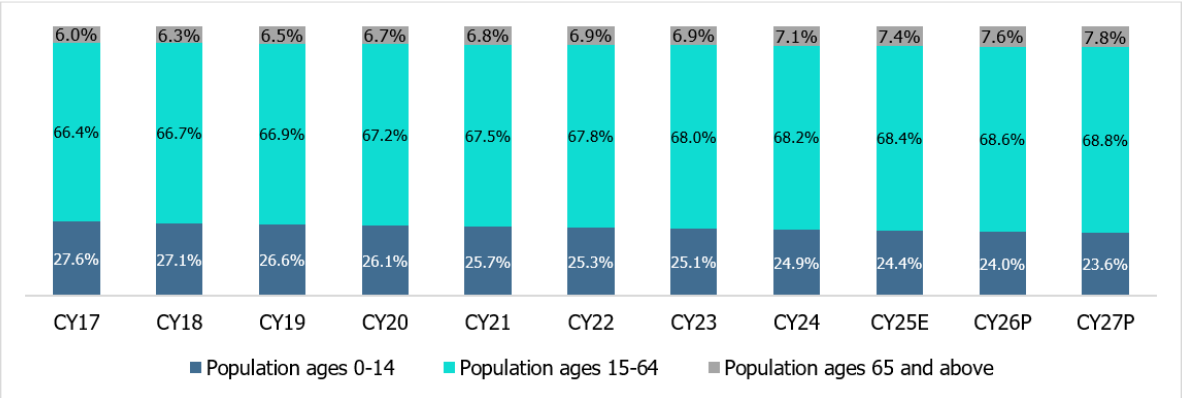

Chart 5: Trend in Population Growth vis-à-vis Dependency Ratio in India (in Billion)

Source: World Bank Database, MOSPI; Note; E- Estimated, F- Forecasted

Despite a projected rise in the dependency ratio to 54% by CY36, India's young and growing workforce, especially in newly urbanised towns, will continue to drive income growth and consumer demand. This presents strong opportunities for sectors like consumer electronics, transportation and railways. Rising employment, urbanisation and government investment in rural development and digital infrastructure will further boost demand, while increased tech adoption supports long-term consumption growth across both urban and rural markets.

Chart 6: Age-wise Break-up of Indian Population (% of Working-age Population)

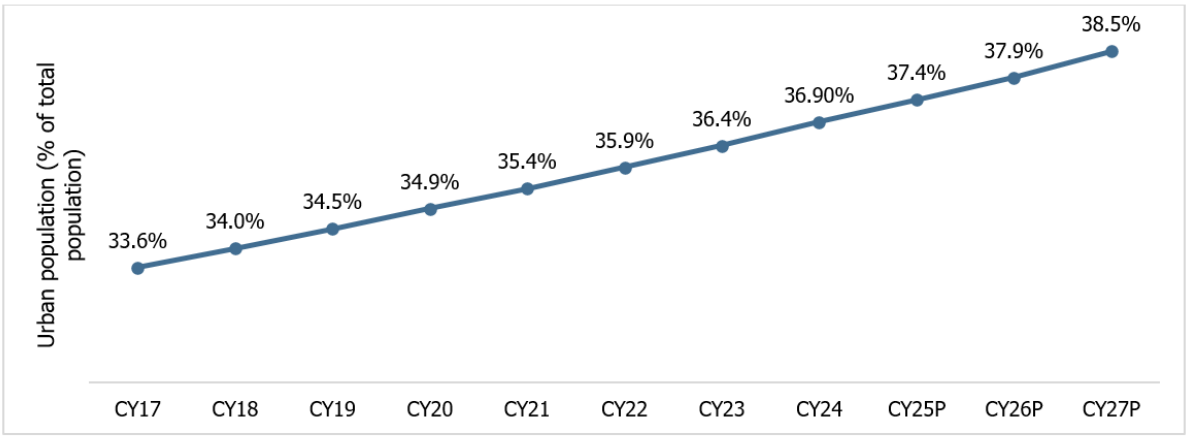

Source: World Bank Database; Note; E- Estimated, F- Forecasted

The urban population is significantly growing in India. The urban population in India is estimated to have increased from 413 million (32% of total population) in CY13 to 519.5 million (36.4% of total population) in the year CY23. India is undergoing a significant urban transformation, with the urban population projected to rise to 40% by CY36. This shift is driven by factors such as improved living standards, increased employment opportunities in urban areas, and government initiatives aimed at urban development. This rapid urbanisation might necessitate substantial investments in infrastructure, housing, and transportation.

Urbanisation

Increasing per capita GDP

Gross National Disposable Income (GNDI) is a measure of the income available to the nation for final consumption and gross savings. Between the period FY23 to FY26, per capita GNDI at current prices registered a CAGR of 8.5%. More disposable income drives more consumption, thereby driving economic growth.

With increase in disposable income, there has been a gradual change in consumer spending behaviour as well. Per capita Private Final Consumption Expenditure (PFCE) which is measure of consumer spending has also showcased significant growth from FY24 to FY26 at a CAGR of 9.1%.

Gross domestic savings (GDS)

Gross financial savings	2,982,279	3,575,657	3,828,361
Net financial savings (% of Household sector savings)	26.5%	28.5%	32.7%
Savings in physical assets (% of Household sector savings)	70.3%	68.7%	64.1%
Savings in the form of gold and silver ornaments (% of Household sector savings)	3.2%	2.9%	3.2%

Note: Net financial savings is financial savings after excluding financial liabilities; Physical assets are those held in physical form excluding gold and silver; Data is based on new series base year 2022-23; FRE indicates First Revised Estimates
Source: MOSPI, CareEdge Research

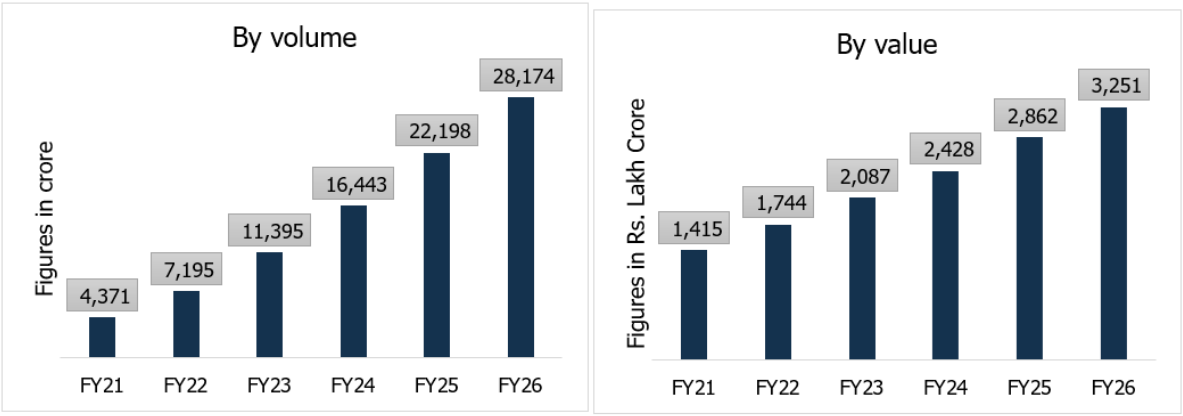

The share of household savings in physical assets declined from 70.3% in FY23 to 64.1% in FY25 (FRE). This moderation suggests a gradual shift away from physical assets toward financial instruments. At the same time, the proportion of net financial savings increased from 26.5% in FY23 to 32.7% in FY25, indicating improved preference for financial investments. Elevated inflation in the post-pandemic period and relatively better returns on financial products likely encouraged households to allocate a larger share of savings to financial assets, resulting in a decline in the share of physical assets. At the same time, households have shown a preference for holding higher cash balances following the pandemic shock. Mutual fund investments have grown at a faster pace compared to previous years, with systematic investment plan (SIP) contributions continuing to increase in FY25. Overall, there is a gradual shift within financial savings from traditional bank deposits toward equities, mutual funds, and small savings instruments.

Digitalization

Digital Financial Transactions

Digital payments in India grew in volume from 4,371 crores in FY21 to 28,174 crores in FY26, with a CAGR of 45.2%. Digital payments in value grew from Rs 1,415 lakh crores in FY21 to Rs 3,251 lakh crores in FY26, with a CAGR of 18.1%.

Chart 9: Digital payment transactions in volume and value

Source: RBI; Note: FY26* data is till February 2026

India's digital transformation is driven by factors like expanding broadband, affordable data, and government initiatives. The launch of UPI revolutionized payments in turn enhancing financial inclusion. With over 647 banks integrated and more than 350 million unique users, UPI has become the country's largest digital payment network BHIM further advanced cashless transactions, while platforms like COWIN showcased digital infrastructure's role in public health. Furthermore, Digi Locker improved paperless governance by securely storing documents and FASTag automated toll payments, supporting the cashless economy.

The Digital India initiative, launched in 2015, focuses on digital infrastructure, governance, and empowerment, making services more accessible and promoting financial inclusion. Additionally, this initiative has also made stock market and mutual fund investments more accessible, efficient, and transparent for a wider audience.

The JAM Trinity — Jan Dhan (Pradhan Mantri Jan Dhan Yojana), Aadhaar, and Mobile connectivity is a flagship digital framework of the Government of India that underpins financial inclusion, transparency, and efficient delivery of public services.

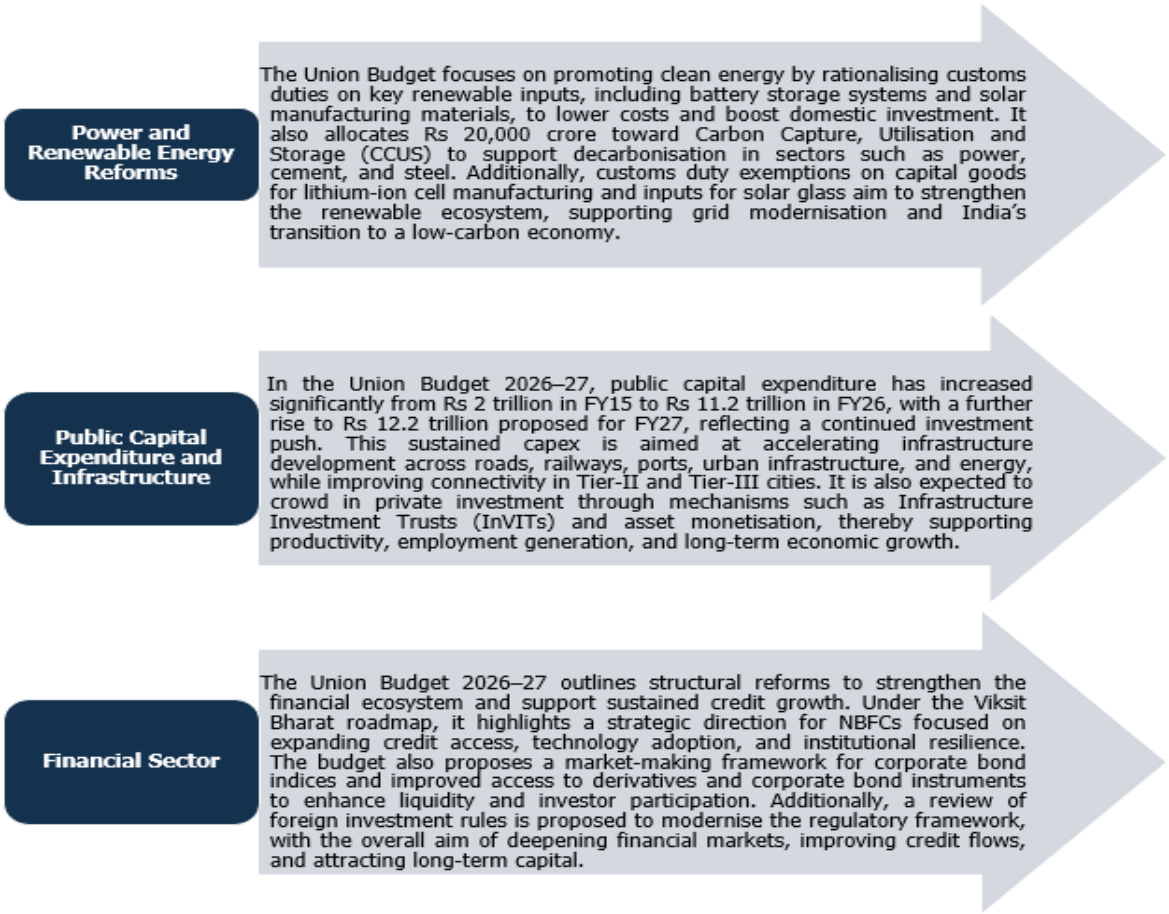

Under this framework:

- **Jan Dhan bank accounts** ensure universal access to basic financial services for individuals across the country, particularly the underserved.
- **Aadhaar**, India's unique biometric identity system, enables accurate and secure authentication of beneficiaries. Customers can scan their thumb impression, which fetches the KYC identifier, ensuring 100% authenticity and eliminating the cumbersome manual process of customer verification.
- **Mobile phones** act as the primary channel through which citizens access financial services and receive government benefits digitally. Together, the JAM Trinity eliminates intermediaries, reduces leakages, and enables DBT of welfare subsidies and payments directly into beneficiaries' bank accounts. This integration has helped bring millions into the formal financial system and ensured targeted delivery of government support.

India Stack complements the JAM Trinity by acting as the DPI that operationalises these components at scale. It consists of interoperable digital layers including Aadhaar-based e-KYC, payments architecture such as UPI, and other digital interfaces, that enable paperless, presence-less, and cashless service delivery nationwide. By linking identity (Aadhaar), financial access (Jan Dhan), mobile connectivity, and payments technology, India Stack ensures that citizens can interact with public and private services efficiently and securely through digital means.

Major structural reforms by government

Structural policy measures are increasingly focused on building productive capacity, improving capital efficiency, and enabling sustained economic expansion. The following represent key structural reform highlights as outlined in the Union Budget 2026-27:

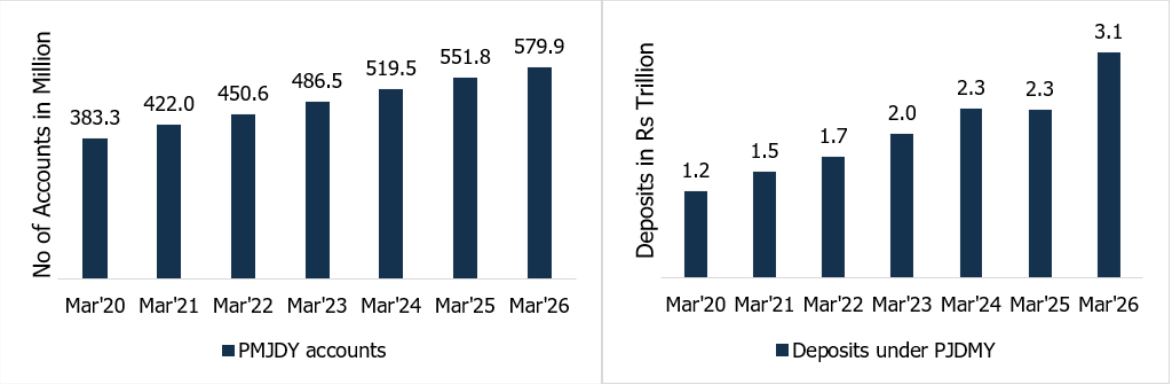

Financial Inclusion

Financial inclusion in India is expected to strengthen further, driven by rising awareness and improved access to a wide range of financial products. As financial literacy expands and distribution networks deepen, particularly in rural and semi-urban areas, more individuals are being integrated into the formal financial system. This has translated not only into higher account ownership but also increased usage of financial services such as savings, credit, insurance, and digital payments. According to the Global Findex Database 2025, India has made notable progress in enhancing financial inclusion, with a steady improvement in active account usage. Importantly, gender disparities have also narrowed, with the gap in active account ownership declining significantly over recent years, indicating more inclusive participation across demographics.

A key enabler of this progress has been the Government of India's focus on Digital Public Infrastructure (DPI), which has transformed the delivery of financial services. Platforms such as Aadhaar, UPI, and Jan Dhan have streamlined identity verification, enabled seamless transactions, and expanded access to banking services on a scale. These initiatives have reduced barriers to entry, lowered transaction costs, and improved transparency, thereby encouraging greater adoption of formal financial channels. Collectively, the combination of policy support, digital innovation, and increasing consumer awareness is expected to further accelerate financial penetration, deepen credit access, and strengthen the overall financial ecosystem in India.

Chart 10: Pradhan Mantri Jan Dhan Yojana Number of Accounts and Deposits

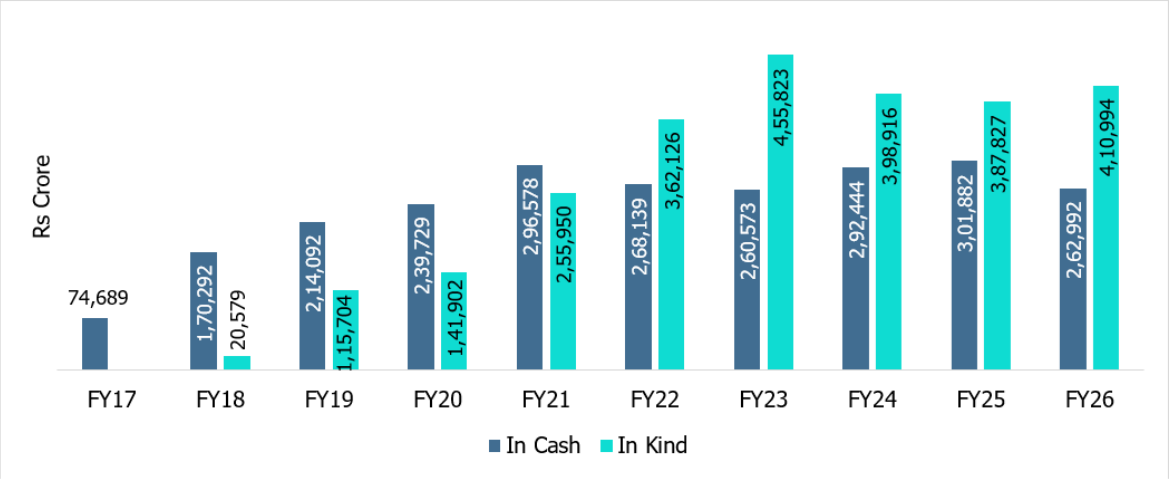

Source: PMJDY; Note: FY26 data is as of 1st April 2026.

Number of accounts opened through Pradhan Mantri Jan Dhan Yojana (PMJDY) grew at a CAGR of 7.1% between Mar'20 to Mar'26, reflecting steady growth and improving financial inclusion. Notably, deposit amount in PMJDY accounts grew at a CAGR of 17.1% over the same period, indicating strong and consistent growth in funds.

Direct Benefit Transfer (DBT)

DBT has emerged as a critical mechanism for financial inclusion by leveraging bank accounts and digital infrastructure to deliver government benefits efficiently and transparently. The Public Financial Management System (PFMS) enabled DBT for over 1,206 schemes in FY25, processing approximately 1,816.4 million transactions and disbursing around Rs 2.23 trillion to beneficiaries. In FY26 (up to 31 December 2025), 966 schemes were covered under the DBT initiative, with 2,105.6 million transactions reported and Rs 2.87 trillion paid to beneficiaries. Cumulatively, since its inception, DBT has processed a substantial volume of transactions and facilitated the transfer of benefits across a wide range of social welfare programmes.

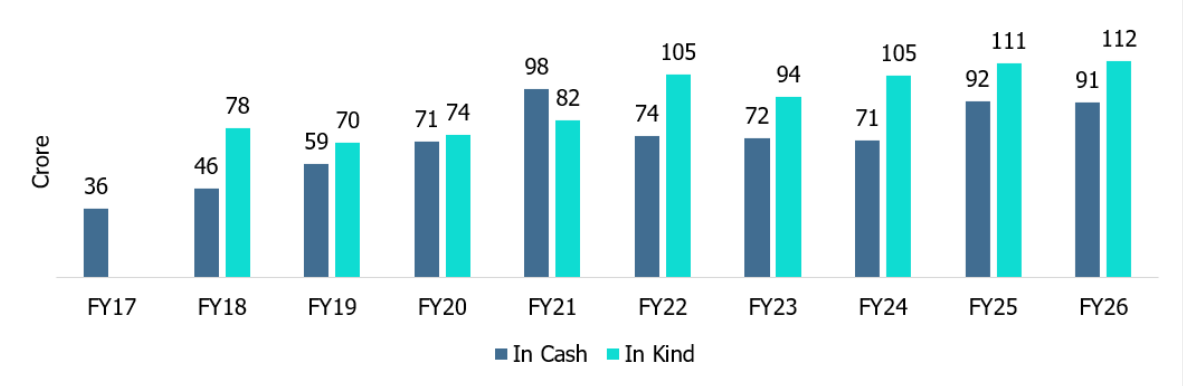

Chart 11: Government schemes being delivered through digital adoption – Direct Benefit Transfer

Source: Direct Benefit Transfer, CareEdge Research
Note: Data as on 23rd April 2026

Overall increase in DBT fund transfers in both cash and in-kind terms from FY17 to FY26 has been driven by a combination of policy expansion, digital infrastructure strengthening, and improved beneficiary targeting. A key driver has been the progressive onboarding of welfare schemes and beneficiaries onto the DBT framework, including large programmes such as PM-KISAN, Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA), food and fertiliser subsidies, which significantly expanded transfer volumes, particularly in the in-kind category. The integration of DBT with Aadhaar and the Public Financial Management System (PFMS) has enabled end-to-end digital tracking of funds, reduced leakages, and improved delivery efficiency, allowing higher and more targeted disbursements over time.

Chart 12: Trend in DBT Beneficiaries (Non unique)

Source: Direct Benefit Transfer, CareEdge Research
Note: Data as on 23rd April 2026

The trend in DBT beneficiaries (non-unique) indicates a sustained expansion in welfare coverage over time, with cash beneficiaries increasing from 36 crore in FY17 to a peak of 98 crore in FY21, reflecting the scaling-up of income support and employment-linked schemes, particularly during the COVID-19 period. While cash beneficiaries moderated in the immediate post-pandemic years, they remained structurally higher than pre-FY20 levels, underscoring the institutionalisation of DBT-based delivery mechanisms.

In contrast, in-kind beneficiaries have shown a more persistent upward trajectory, rising from 78 crore in FY18 to over 112 crore in FY26, driven largely by the expansion and continued reliance on food and fertiliser subsidy programmes under Aadhaar-enabled delivery systems.

NBFC sector in India

Overview of NBFCs in India

Non-banking financial institutions (NBFIs) encompass a heterogeneous group of financial intermediaries. Those under the regulatory purview of the Reserve Bank of India (RBI) comprise:

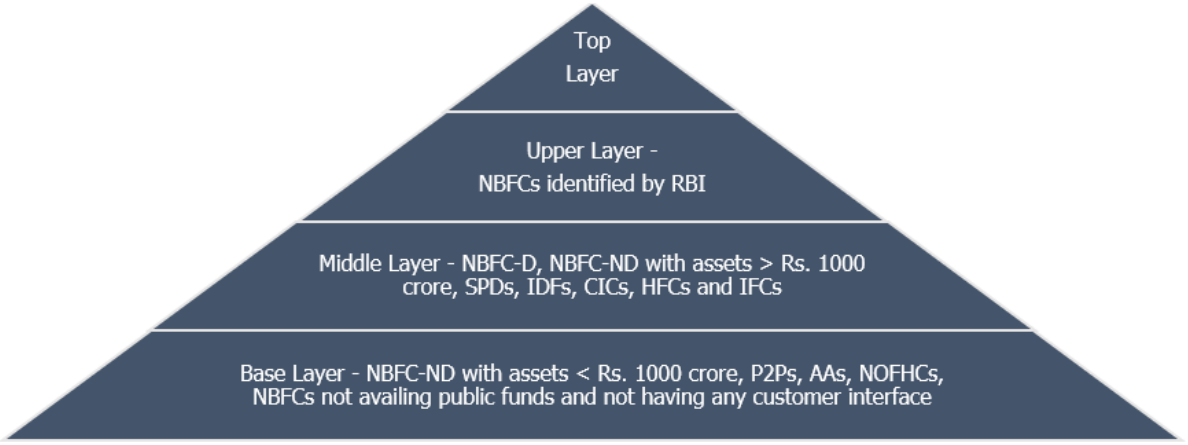

- AIFIs that include the National Bank for Agriculture and Rural Development (NABARD), the Export-Import Bank of India (EXIM Bank), the Small Industries Development Bank of India (SIDBI), and the National Housing Bank (NHB) are apex financial institutions that play an important role in meeting the long-term funding requirements of agriculture and the rural sector, foreign trade, small industries, housing finance companies (HFCs), NBFCs, Micro Finance Institutions (MFIs) and other specialised segments and institutions.
- Non-banking financial companies (NBFCs) are government/public/private limited companies that specialise in delivering credit to a wide variety of specific segments, ranging from infrastructure to consumer durables and vehicle financing. Housing finance companies (HFCs) extend housing finance to individuals, cooperative societies, and corporate bodies and lease commercial and residential premises to support housing activity in the country.

Structure of NBFCs

NBFIs play a key role in the Indian financial system by complementing and competing with banks, and by bringing efficiency and diversity into financial intermediation. NBFCs have evolved in terms of operations, heterogeneity, asset quality and profitability, as well as regulatory architecture.

NBFCs are a group of heterogenous financial entities operating with diverse business strategies. The Reserve Bank's scale-based regulation (SBR) framework categorises NBFCs into top, upper, middle, and base layers, based on their size, activity, and perceived riskiness. The RBI SBR Master Directions is progressive as it is built on the principle of proportionality, with regulations commensurate with the size and interconnectedness of the NBFCs. Smaller and/or less complex NBFCs are relatively lightly regulated, while larger and more systemically important NBFCs are subjected to enhanced regulatory scrutiny.

According to RBI, NBFCs are classified based on size and risk perception using Scale Based Approach –

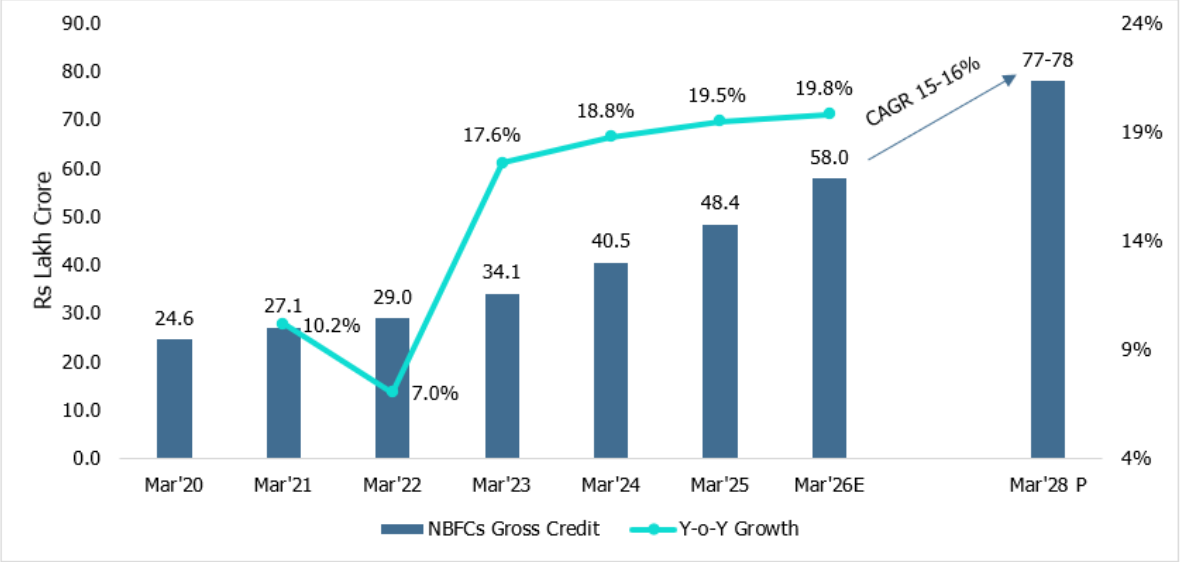

Source: RBI, CareEdge Research
Notes: 1. NBFCs-D, CICs, NBFC-IFCs and HFCs will be included in the middle or the upper layer.
2. The remaining NBFCs, viz., NBFC-ICC, NBFC-MFI, NBFC-Factors and NBFC-MGC could lie in any of the layers depending on the parameters of SBR.
3. Government owned NBFCs shall be placed in the Base Layer or Middle Layer, as the case may be.

Since NBFCs cater to niche areas, they are also categorised based on the activities they undertake. Till February 21, 2019, NBFCs were divided into 12 categories. Thereafter, these categories were harmonised to provide NBFCs with greater operational flexibility. As a result, asset finance companies (AFCs), loan companies (LCs), and investment companies (ICs) were merged into a new category called Investment and Credit Companies (NBFC-ICC). At present, there are 11 categories of NBFCs based on activity-based classification.

NBFC Gross Credit

Chart 13: NBFC gross credit projected grow at 15%-16% CAGR from FY26 to FY28

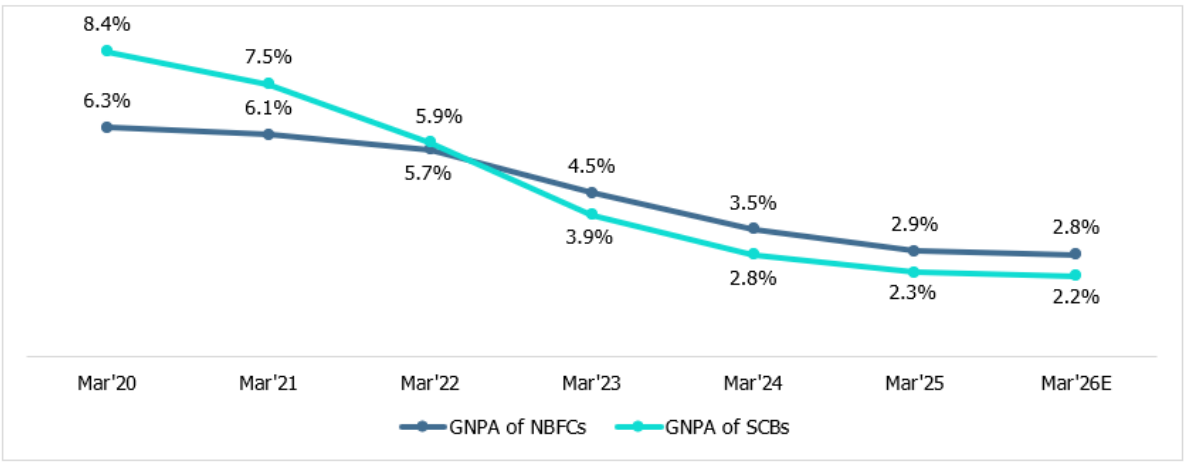

Source: RBI, CareEdge Research
Note: E indicates Estimated, P indicates Projected

The gross credit of NBFCs have demonstrated a steady upward trajectory over the period, increasing from Rs 24.6 trillion in Mar'20 to an estimated Rs 58.0 trillion by Mar'26E, supported by consistent double-digit growth in recent years. The acceleration in growth reflects improving credit demand across retail and MSME segments, along with the expanding role of NBFCs in addressing financing gaps. Looking ahead, gross credit is projected to reach approximately Rs 77–78 trillion by Mar'28, implying a CAGR of around 15–16% over FY26 – FY28. This outlook suggests a continuation of the growth momentum, underpinned by sustained demand, gradual economic expansion, and the ongoing evolution of NBFC within the broader financial ecosystem.

Asset quality

Chart 14: Asset quality of SCBs and NBFCs

Source: RBI, CareEdge Research
Note: E indicates Estimated

Asset quality across both NBFCs and SCBs has improved significantly over the period, as reflected in the steady decline in GNPA ratios. NBFCs have witnessed a consistent reduction in GNPA levels, indicating better credit underwriting, improved collection efficiencies, and a gradual normalization following earlier stress cycles. Similarly, SCBs have shown a sharper improvement trajectory, supported by balance sheet clean-up, stronger provisioning practices, and regulatory oversight. Overall, the trend reflects enhanced risk management frameworks, healthier credit behaviour, and a more stable operating environment across lending institutions.

Key growth drivers

Technological Adoption and Co-Lending Arrangements	The increasing adoption of technology is enabling NBFCs to enhance operational efficiency, improve credit assessment, and expand their reach to underserved segments. Digital tools such as data analytics, AI-driven underwriting, and seamless customer onboarding have reduced turnaround times and costs. Additionally, co-lending arrangements between NBFCs and banks are gaining traction, allowing risk sharing, improved access to low-cost funding, and broader credit penetration, particularly in retail and MSME segments.
Government's Focus on Infrastructure Development	Sustained government emphasis on infrastructure development is creating significant financing opportunities for NBFCs. Increased public capital expenditure across sectors such as roads, railways, energy, and urban infrastructure is expected to drive demand for credit, both directly and through ancillary industries. NBFCs play a key role in bridging financing gaps, particularly in last-mile funding and niche segments, thereby supporting overall economic growth.
Strengthening Real Estate Developments	The gradual recovery and strengthening of the real estate sector is contributing to increased demand for housing finance and construction-related lending. Factors such as urbanisation, rising incomes, and policy support for affordable housing are driving growth in this segment. NBFCs, including housing finance companies, are well-positioned to cater to diverse borrower profiles, particularly in Tier-II and Tier-III cities, supporting expansion in real estate-linked credit.

Evolution of Gold Loan Market in India

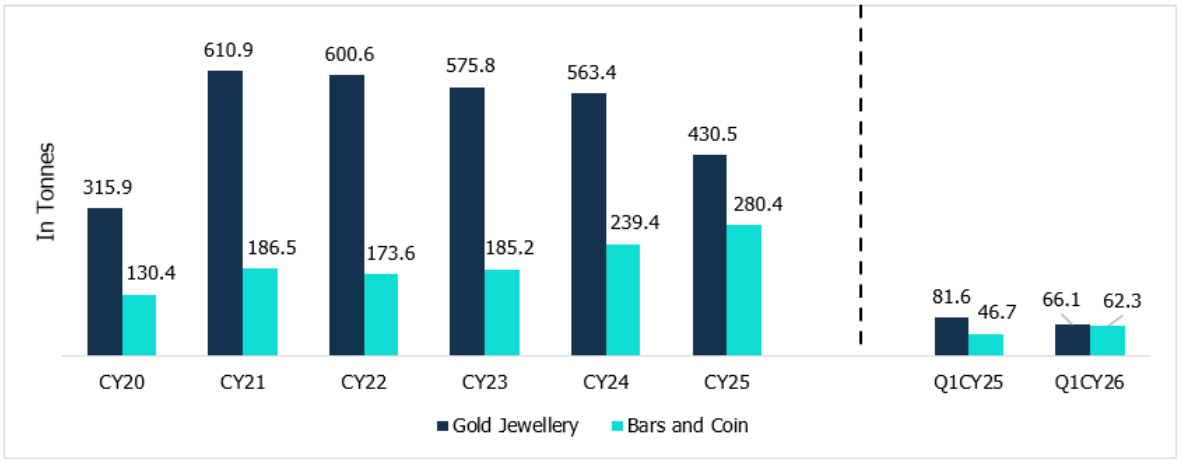

Gold holds deep cultural and historical significance in India, where it has long been associated with wealth, prosperity, and social status. Traditionally, gold is an integral part of weddings, religious ceremonies, and festivals, and is often accumulated in the form of jewellery and passed down across generations as a store of family wealth. Its enduring cultural relevance has ensured consistent demand across income segments and geographies, making it a unique asset that combines both consumption and investment characteristics.

In addition to its cultural importance, gold is widely regarded as a safe-haven asset, particularly during periods of economic uncertainty, inflation, or financial market volatility. Investors tend to shift towards gold as it preserves value and provides a hedge against currency fluctuations and systemic risks. This dual role—as both a cultural asset and a financial safeguard—has reinforced gold's prominence in India's economic landscape and continues to support its relevance across cycles.

Beyond its traditional and investment appeal, gold also serves as a readily accessible source of liquidity, as households can monetise their holdings to meet short-term funding needs. A significant portion of household wealth is held in physical gold, making it a convenient and reliable asset for raising funds when required. Its relatively stable long-term value and ease of collateralisation have also supported its integration into the formal credit system, reinforcing its role not just as a store of value but also as a practical financial asset.

Domestic Gold Demand from Various Segments

Chart 15: Trend in Domestic Gold Demand- in Volume Terms

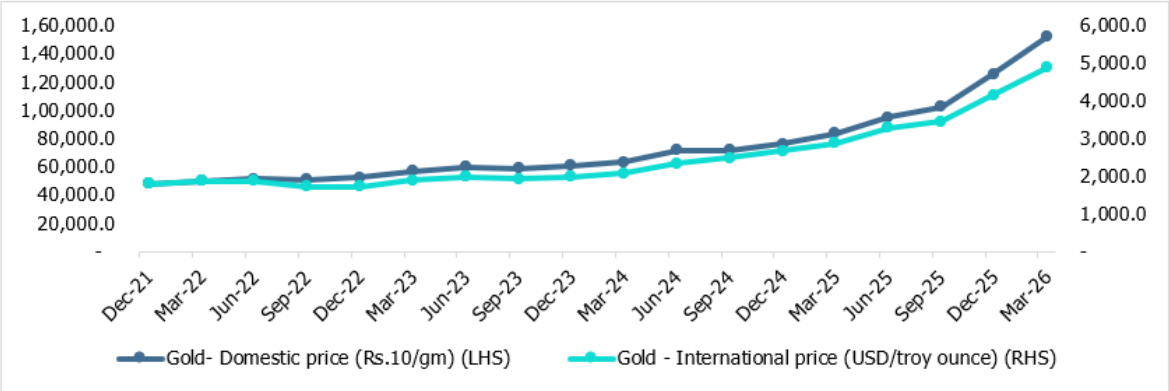

Source: WGC, CareEdge Research

In CY25, India's total domestic demand for gold, including jewellery, bars, and coins, stood at 710.9 tonnes. The jewellery segment continued to be the largest contributor and accounted for ~61% of the gold demand in India in CY25, while bars and coins accounted for the balance. The gold jewellery demand declined by 24.4% y-o-y in CY25. The demand was impacted mainly due to increasing gold prices.

Gold price movement

Gold jewellery accounts for a major share of overall jewellery consumption in India. However, the demand for gold, particularly physical gold in the form of coins and bars, which is primarily for investment, is dependent on movements in gold prices.

Chart 16: Trend in Domestic and International Gold Prices

Source: CMIE; CareEdge Research

In CY24, international gold prices exhibited a strong upward trajectory, starting at USD 2,034 per troy ounce in January and peaking at USD 2,690 in October. The domestic gold prices mirrored this trend, climbing from Rs 62,387 per 10 grams in January to Rs 76,686 by October. This surge was primarily fuelled by a weakening US dollar, heightened geopolitical tensions, and expectations of monetary policy easing by the US Federal Reserve, which had already implemented rate cuts totalling 50 basis points.

Additionally, investors sought safety in gold amid global uncertainties, including political and continued instability in the Middle East. However, gold prices saw a slight decline in November and December CY24, driven by strong US labour market data and the People's Bank of China's reported pause in gold purchases.

Entering CY25, gold prices regained upward momentum, reaching new record highs. International prices climbed to USD 3,455.5 per troy ounce in Q3CY25, while domestic gold prices surged to Rs 1,02,280 per 10 grams during the same period. This continued rally was supported by expectations of further rate cuts, persistent geopolitical risks, and sustained demand from central banks and investors amid global economic uncertainty.

During Q4CY26, gold prices witnessed a sharp acceleration in both international and domestic markets. This increase was driven by heightened global economic uncertainty, continued geopolitical tensions, and strong As a

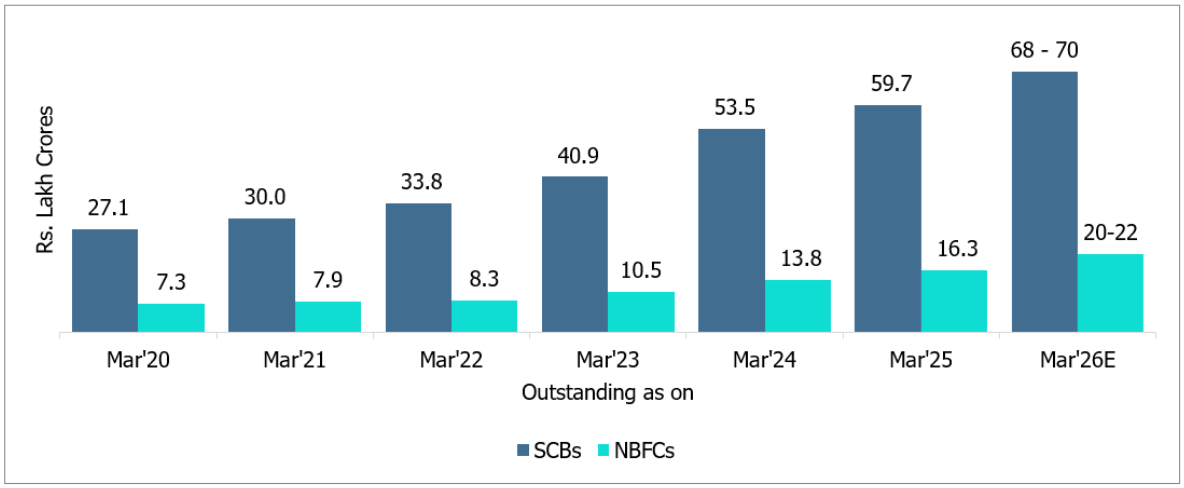

result, gold entered a higher price band by the end of the quarter, reinforcing its role as a preferred store of value despite pressure on jewellery demand volumes.

Movements in crude oil prices indirectly affect gold prices through their impact on inflation expectations. Rising oil prices can fuel input-cost inflation, strengthening demand for gold as an inflation hedge.

Credit deployed towards retail loans by NBFCs and SCBs

Chart 17: Retail credit portfolio of SCBs and NBFCs

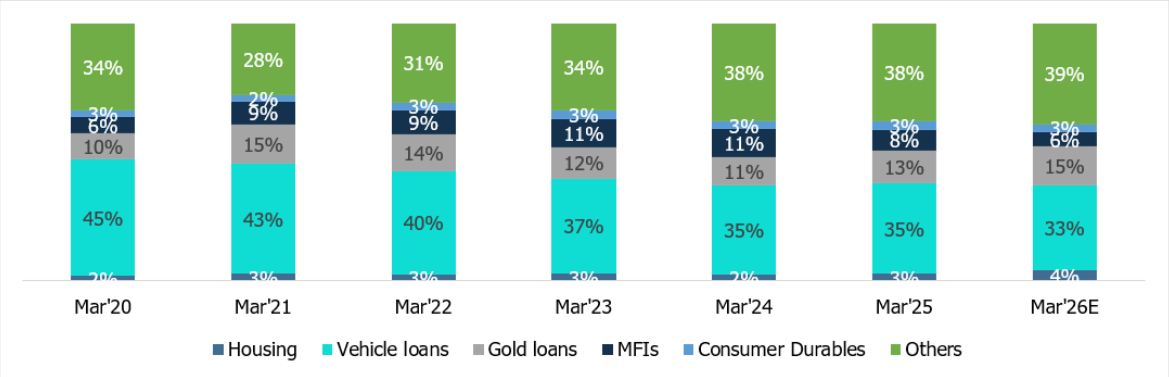

Source: RBI, CareEdge Research
Note: E indicates Estimated

As of Mar'26, retail credit is estimated to form ~35% of NBFCs' gross credit deployed while forming over 33% of SCBs' gross credit deployed. Banks and NBFCs shifted their efforts toward retail lending due to the increasing demand for retail credit. The shift in borrowing behaviour of consumers for better living standards and their readiness to borrow personal loans to fulfil those needs have boosted the demand for retail loans.

Mix of retail loans

Chart 18: Share of asset classes in retail credit in NBFCs

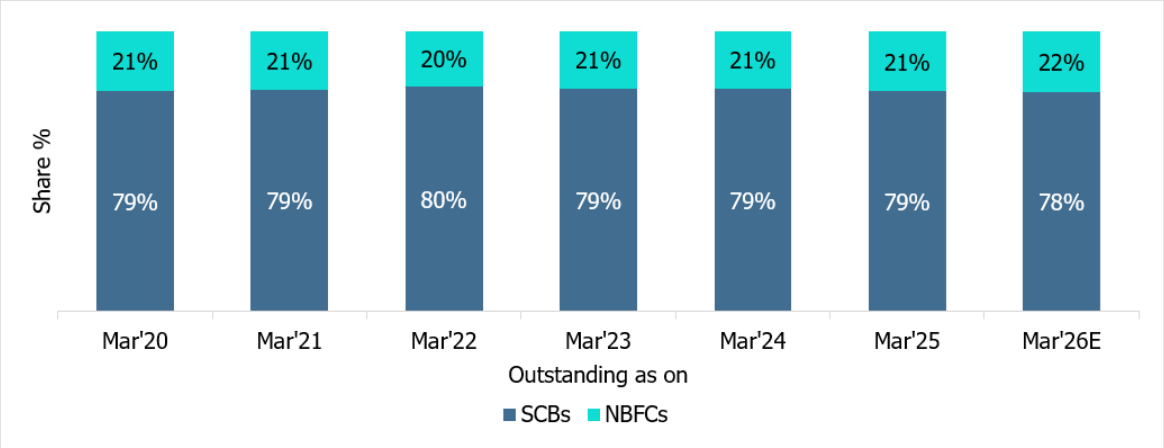

Source: RBI, CareEdge Research
Note: E indicates Estimated
Others include Credit Card Receivables, Education Loans, Advances against Fixed Deposits, Advances to Individuals against Shares, Bonds, Other Retail Loans

The asset mix of retail credit NBFCs reflects a gradual rebalancing over Mar'20 – Mar'26E, with vehicle loans remaining the largest segment but declining from 45% to 33%, indicating reduced concentration in this traditionally dominant category. Gold loans display a cyclical yet strengthening trajectory, rising from 10% in Mar'20 to an estimated 15% in Mar'26, with a sharp increase during Mar'21 followed by moderation and a subsequent uptick in recent years; this trend highlights their importance as a secured, low-risk and liquid lending segment that typically gains traction during periods of economic uncertainty. Microfinance loans expanded until Mar'23 before declining to an estimated 6% by Mar'26, suggesting moderation due to asset quality considerations.

Meanwhile, housing and consumer durable loans have remained relatively stable, with housing showing a modest increase toward the later years, indicating gradual growth in these segments.

Competitive Scenario – Share of NBFCs and Banks

Chart 19: Share of retail credit towards retail loan

SCBs continue to contribute 78%-79% of aggregate retail loan book. While NBFCs have significantly ramp up their credit towards retail segment post the IL&FS crisis, there overall contribution is yet to reach its full potential. Retail loans account for third of NBFCs total credit, however banks aggressive push towards the segment and increased market reach has aided them in gaining the major market share.

Note: Data are provisional; E indicates Estimated
Note: Since May 2024, a bank has changed the classification of a category of agricultural loan into "Loans against gold jewellery" under retail segment.

As of Mar'26, the SCBs' loans against gold jewellery is estimated to reach between Rs 4,60,000 – 4,70,000 crores. The CAGR from Mar'20 to Mar'25 is 44.4% and this growth was due to the pandemic-led financial distress, unemployment, salary cuts and sudden health expenses, which led to people borrowing loans by pledging gold. Furthermore, the growth is also led by change in classification of gold loans from agri-gold loans to retail loans due to higher eligible limits under retail loans compared to purely agricultural loans with gold as collateral.

Chart 21: NBFCs' Advances to Individuals against Gold

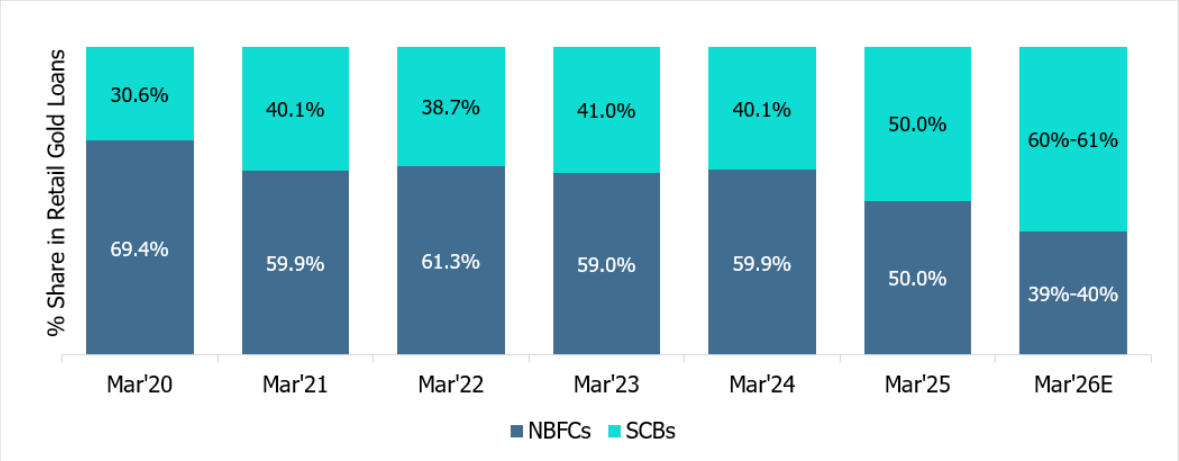

Source: RBI, CareEdge Research
Note: Data are provisional; E indicates Estimated

At the end of Mar'25, NBFCs advances to Individuals against gold stood at Rs. 2,08,482 Crore, an increase of ~36% y-o-y. NBFCs' credit towards gold loans is estimated to cross Rs 3,00,000 Crore in FY26.

The Indian gold loan market is divided into two segments namely organised and un-organised segment. The organised gold loan market (gold loans by banks and NBFCs) accounts for only a minor part of the overall Indian gold loan market and as estimated by CareEdge Research gold loans have witnessed exponential growth between 2021-25 as significant number of financial institutions are providing gold loans to the under-banked population. Notably, the organised gold loan market has crossed Rs 4 lakh crore in FY25, reflecting its increasing scale and formalisation within the broader lending ecosystem.

Note: Since May 2024, a bank has changed the classification of a category of agricultural loan into "Loans against gold jewellery" under retail segment; E indicates Estimated

The approaches of banks and NBFCs in the gold loan segment differ primarily in terms of cost structures, customer focus, and operational strategy. Banks benefit from a relatively lower cost of funds, enabling competitive pricing, and are increasingly leveraging digital platforms to scale their presence. In contrast, NBFCs follow a59 collateral-centric model, with an emphasis on faster disbursement and strong customer outreach, particularly in rural and semi-urban markets.

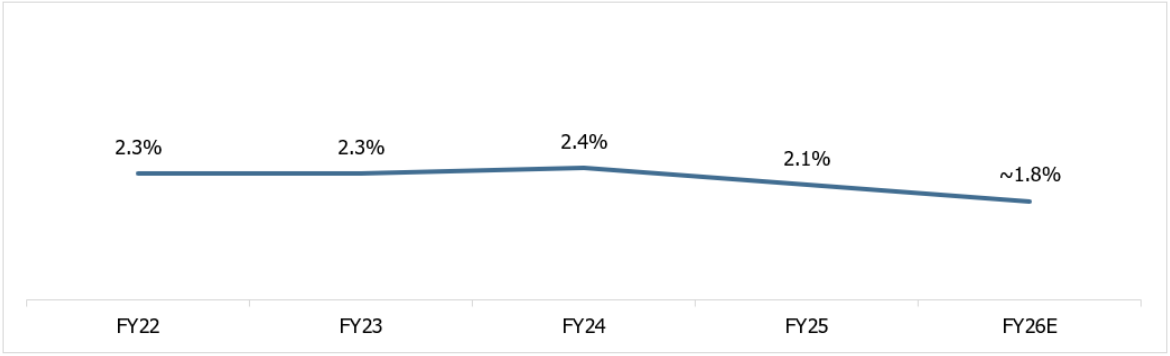

As NBFCs expanded their footprint in these markets, they established a strong position in gold lending, supported by their agility and last-mile reach. However, the industry has witnessed a gradual shift in recent years. The

estimated trend for FY26 indicates an increase in banks' share, driven by a rise in bank credit towards gold loans, resulting in a relative moderation in NBFCs' share within the segment.

Banks have shown increased focus on the gold loan segment in the post-pandemic period, supported by structural factors such as lower cost of funds and competitive pricing. Additionally, established customer relationships and ongoing improvements in digital capabilities have supported their ability to expand in this segment. Overall, the market is evolving towards a more balanced participation between banks and NBFCs.

Asset quality

Chart 23: GNPA of gold loans by NBFCs

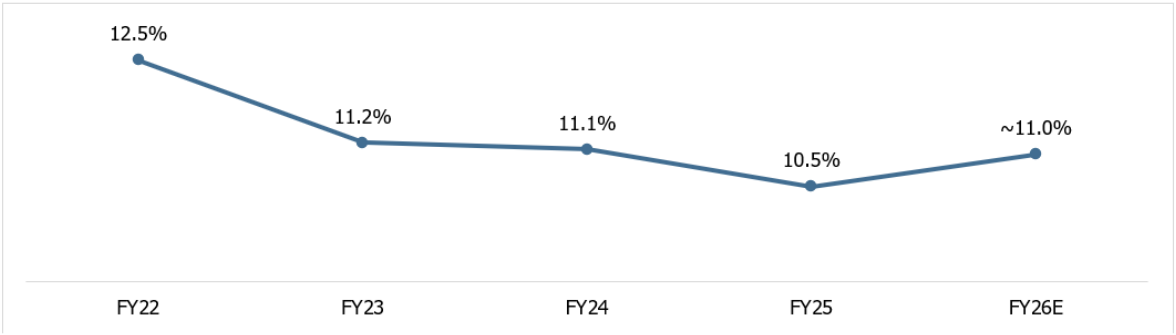

Source: RBI, CareEdge Research
Note: GNPA calculation for FY26 is based on aggregate analysis of major players consisting of more than 70% of NBFCs' gold loan AUM; E indicates Estimated

The GNPA for the gold loan industry has remained relatively stable in the range of 2.3%–2.4% between FY22 and FY24, before declining to 2.1% in FY25 and further to an estimated 1.8% in FY26. This trend reflects the inherently secured nature of gold loans, where collateral-backed lending and established auction mechanisms help limit credit losses. The gradual improvement in asset quality in recent years may also be attributed to prudent underwriting practices, stable gold prices, and timely recovery processes.

Profitability

Chart 24: Net Interest Margin (NIM) of Gold Loan NBFCs

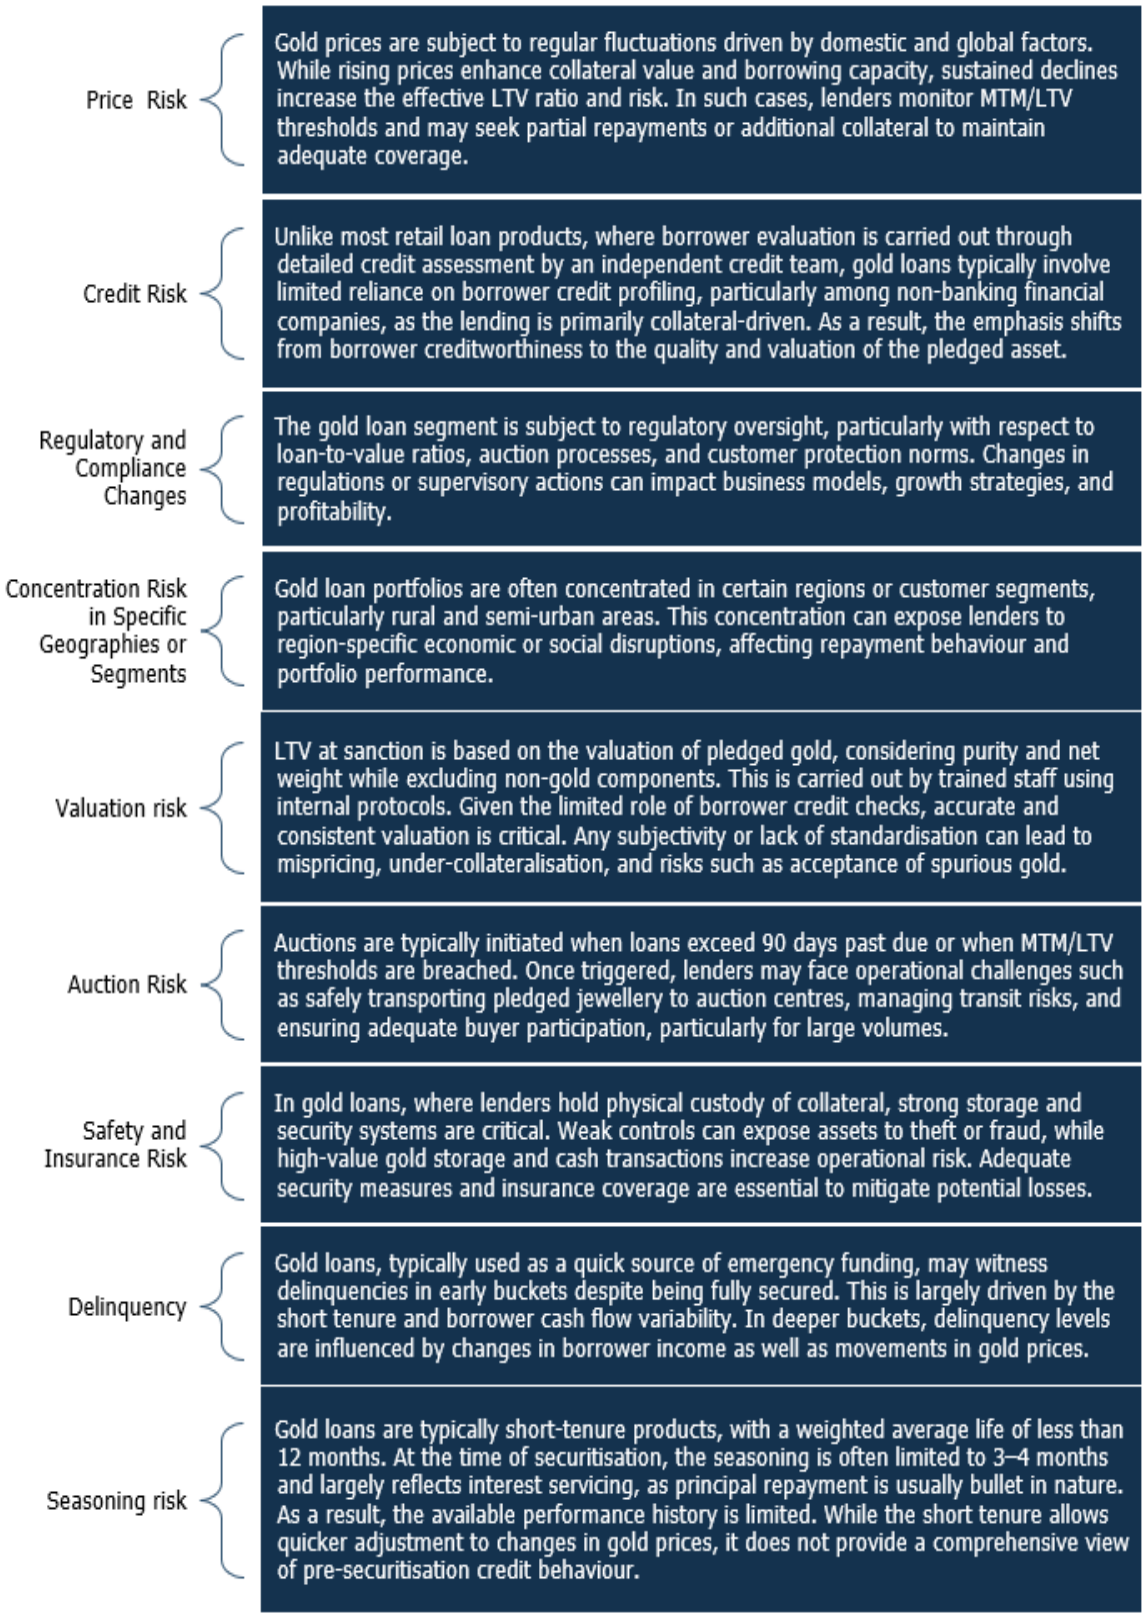

Source: Company Reports, CareEdge Research
Note: NIM calculation is based on aggregate analysis of major players consisting of more than 70% of NBFCs' gold loan AUM; E indicates Estimated

The NIM for the gold loan industry has exhibited a gradual moderation from 12.5% in FY22 to 10.5% in FY25, followed by a marginal recovery to an estimated 11.0% in FY26. The decline over FY22–FY25 reflects increasing competitive intensity, from banks with lower cost of funds, which has exerted downward pressure on lending yields. Additionally, regulatory constraints such as caps on loan-to-value ratios and a shift in portfolio mix towards relatively lower-yield segments have contributed to the compression in margins. The slight improvement expected in FY26 indicates a degree of stabilization, supported by calibrated pricing strategies, operational efficiencies, and steady demand conditions within the gold loan segment.

Growth Drivers

Risks in Gold financing

Key challenges faced by the gold loan industry

Volatility in gold prices	While rising gold prices support higher loan disbursements and provide a cushion against defaults, a sustained decline can increase the effective loan-to-value (LTV) ratio, thereby elevating credit risk. In such scenarios, lenders may face pressure from breaches of internal LTV or mark-to-market thresholds, necessitating corrective actions such as margin calls, additional collateral, or loan closures. Prolonged price corrections can also lead to higher auction volumes and potential recovery shortfalls, particularly in weak market conditions, thereby impacting asset quality and profitability.
Regulatory pressure	LTV ratio has been made tiered based on loan size, with loans up to Rs 2.5 lakh permitted an LTV of up to 85% (higher than the earlier 75%), loans between Rs 2.5–5 lakh capped at 80%, and loans above Rs 5 lakh limited to 75%. This differentiated structure aims to enhance credit access for small-ticket borrowers, particularly in rural and semi-urban segments, while maintaining tighter controls on larger exposures. However, higher LTV ratios also imply increased credit risk for lenders, as the collateral buffer reduces, potentially impacting recoverability and asset quality in the event of borrower stress or a sharp decline in gold prices.
Security and theft risk	One of the key operational risks for gold loan NBFCs is the potential for theft, robbery, or employee fraud, given the physical custody of high-value collateral. To mitigate these risks, lenders implement robust security measures such as secure vaults, in-house or outsourced storage systems, electronic surveillance, regular audits, and comprehensive insurance coverage to safeguard the pledged gold.
Lack of financial literacy among rural customers	Limited financial awareness among rural customers remains a constraint for the gold loan industry. Many borrowers in remote areas are unaware of their eligibility for formal credit from banks and NBFCs and continue to rely on informal sources such as local moneylenders. This lack of awareness restricts the reach of organised lenders and limits the overall growth potential of the segment.
Young Indians attraction to alternative jewellery	Evolving preferences among younger consumers, particularly in urban areas, pose a potential challenge to the gold loan industry. There is a gradual shift towards designer and gem-set jewellery, with increasing interest in alternatives such as platinum and diamonds. This trend suggests a moderation in demand for traditional plain gold jewellery, which forms the primary collateral base for gold loans. Additionally, the growing acceptance of alternative investment avenues in precious stones further indicates a shift in buying behaviour, which may, over time, impact the availability of gold as collateral in urban markets.
Change in savings pattern	Younger consumers are increasingly favouring alternative avenues such as equity markets and mutual funds for wealth creation over traditional investments like gold. At the same time, rising discretionary spending is further reducing the allocation towards gold purchases. The growing traction of these alternatives may gradually impact the demand for gold as both an investment and a source of collateral.
Data Security	With the increasing incidence of cyberattacks, including malware and phishing targeting sensitive customer information, data protection has become a critical priority for financial institutions. Ensuring robust IT infrastructure, secure networks, and strong data protection frameworks is essential to safeguard client information and mitigate potential operational and reputational risks.

Outlook

CareEdge Research expects the outlook for the gold loan industry to remain strong, with the market expected to reach approximately Rs 5.2 – 5.3 trillion by FY28, growing at a CAGR of around 28–30% from FY26 to FY28. Over the past decade, NBFCs have witnessed significant growth, driven by their expanding role in financial

inclusion and credit delivery, particularly in catering to underserved segments such as small businesses, rural borrowers, and the informal sector.

Their ability to offer customised and flexible credit products, along with quicker turnaround times, has positioned them as key enablers within the broader credit ecosystem. In the gold loan segment specifically, growth is expected to be supported by sustained demand for short-term liquidity, increasing monetisation of household gold, and continued expansion into semi-urban and rural markets.

At the same time, the rising participation of banks, supported by competitive pricing and digital capabilities, is likely to further deepen the market while intensifying competition. From a retail portfolio perspective, the increasing diversification of NBFC lending beyond traditional segments such as vehicle loans, along with the relatively resilient and secured nature of gold loans, is expected to support their continued relevance as a stable and counter-cyclical asset class within the overall lending mix.

In this section, unless the context otherwise requires, references to "we", "us", "our", "the Company" or "our Company" refer to Muthoot Mercantile Limited.

The industry-related information contained in this section is derived from the CareEdge Research, which has been exclusively commissioned and paid for by our Company only for the purposes of confirming our understanding of the industry in connection with the Issue.

Overview

We are a non-deposit taking non-banking financial company- middle layer ("**NBFC –Middle Layer"**) registered with the RBI bearing registration no. N-16-00178 dated December 12, 2002 under section 45-IA of the RBI Act primarily engaged in the gold loan sector lending money against the pledge of household and/or used gold jewellery ("**Gold Loan**") primarily to retail customers who require immediate availability of funds, but who do not have access to formal credit on an immediate basis and are also engaged in providing unsecured loans ("**Pronote Loan**") to individual customers for their personal needs. As of March 31, 2026, we disbursed Gold Loan and Pronote Loan to our customers from a network of 325 branches of our Company in 11 states and 1 union territory of India namely Tamil Nadu, Kerala, Delhi, Haryana, Maharashtra, Madhya Pradesh, Odisha, Punjab, Uttar Pradesh, West Bengal, Rajasthan and Gujarat. As of March 31, 2026, we employed 1,290 persons in our operations. Our branches function as the key point of contact for loan origination, disbursement, and collection processes as well as facilitating customer interaction.

We are headquartered in the south Indian state of Kerala. Our Company commenced operations from Thiruvananthapuram, Kerala and have decades of established history in the money lending business, mainly in small-scale money lending against household and/or used gold jewellery. Our operating history has evolved over a period of 84 years since late M. Ninan Muthoot (the father of our Promoter, Mathew Mathaininan) founded a gold loan business in 1939 under the heritage of a trading business which was originally established in the year 1925. Since our formation, we have broadened the scale and geographic scope of our gold loan operations. For nine months period ended December 31, 2025, Fiscal year ended March 31, 2025, Fiscal 2024 and 2023 our interest income from our Gold Loan business constituted 97.91%, 95.86 %, 95.25% and 96.58% respectively of our total income. Historically, we have also provided other related services, including asset finance, money transfer and foreign exchange, sales of gold coins and business and personal lending. Our Company was incorporated as a Public Limited Company in the year 1997 and was registered as a NBFC by the Reserve Bank of India in the year 2002. We are also having arrangements with various agencies and brokers for Money Transfer and Insurance Business.

Our Gold Loan portfolio as of December 31, 2025, comprised approximately 1,78,838 lakh customers aggregating a principal amount of ₹ 1,17,546.21 lakhs in Gold Loan, which accounted for 99.80% of our total loans. Our Gold Loan portfolio as of March 31, 2025, March 31, 2024 and March 31, 2023, had outstanding principal amounting to ₹ 84,755.76 lakhs, ₹ 64,659.27 lakhs, ₹49,469.77 lakhs, respectively and has grown at a CAGR of 30.89% from Fiscal 2023 to Fiscal 2025.

We have developed various Gold Loan schemes, which offer variable terms in relation to the amount advanced per gram of gold, the interest rate and the quantum of the loan, to meet different needs of various customers. Our Gold Loan customers are largely individuals from rural, semi-urban areas and metro cities, including, Mumbai and Delhi, who typically require funds for social obligations, emergencies, agriculture-related activities, small scale business operations or consumption purposes.

We believe that our focus on non-organized sections of society and our faster turn-around time are among the factors which distinguish us from banks. Loan amounts advanced by us are generally in the range of ₹1,000 to ₹100.00 lakhs per loan transaction. All our Gold Loan had a maximum tenure of 12 months. Our Gold Loan portfolio yield for the nine months period ended December 31, 2025, (representing interest income on Gold Loan as a percentage of average outstanding at December 31, 2025), was 22.35% annualized.

We also provide Pronote Loan which are unsecured loans to our existing customers for their personal needs including consumption needs. Our Pronote Loan portfolio as of December 31, 2025 had outstanding principal amount of ₹238.47 lakhs, which accounted for 0.20% of our total loans outstanding.

Competitive Strengths

We believe that the following are our key strengths:

Strong brand name, track record in India with a long operating history

We are headquartered in the south Indian state of Kerala. Our Company commenced operations from Thiruvananthapuram, Kerala and have decades of established history in the money lending business, mainly in small-scale money lending against household and/or used gold jewellery. Our operating history has evolved over a period of 84 years since late M. Ninan Muthoot (the father of our Promoter, Mathew Mathaininan) founded a gold loan business in 1939 under the heritage of a trading business which was originally established in the year 1925. Since our formation, we have broadened the scale and geographic scope of our gold loan operations. We have established an effective process for origination, monitoring and collecting receivables through our branches and believe that has helped created a strong brand image in the Gold Loan market by catering to the expectations of our Gold Loan customer. Promoted by the Muthoot family, we believe that our long operating history, track record, management expertise and Promoters support have established a strong brand name for us in the markets we serve. A strong brand name has contributed to our ability to earn the trust of individuals who entrust us with their gold jewellery and will be key in allowing us to further expand business operations across India.

Our Gold Loan portfolio as of December 31, 2025, comprised approximately 1,78,838 lakhs customers aggregating a principal amount of ₹ 1,17,546.21 lakhs in Gold Loan, which accounted for 99.80% of our total loans. We attribute our growth, in part, to our market penetration, particularly in areas less served by organized lending institutions and the efficient and streamlined procedural formalities which our customers need to complete in order to complete a loan transaction with us, which makes us a preferred mode of finance for our customers. We also attribute our growth to customer loyalty which in turn leads to repeat business. We believe that a large portion of our customer base returns to us when they are in need of funds.

Flexible loan schemes, high quality customer service and short response time

We believe the growth in our Gold Loan portfolio is partly due to the flexible gold loan schemes which offer variable terms in relation to the amount advanced per gram of gold, the interest rate and the quantum of the loan, to meet different needs of various customers. Depending on the needs of each customer, we are able to customize loans for our customers in terms of the loan amount, advance rate per gram of gold and interest rate. We also allow customers to prepay their loans availed from us without penalty. Further, we also provide shorter tenure loans which is up to 12 months (depending on the customer's requirement) at the discretion of the Company, to facilitate lower interest burden on the customers. The LTV varies across the various Gold Loan schemes and is dependent on the specific scheme opted for by a customer.

Our products and services are aligned to the lifestyle and needs of our customers. We adhere to a strict set of market survey and location guidelines at the time of selecting branch sites to ensure that our branches are set up close to our customers. We provide our customers with a transparent process and a clean, attractive and secure environment in which to transact their business, and we believe that our staff is professional, adequately trained and attentive at all our branch locations. Each of our branches is staffed with customer representatives who possess local knowledge and understanding of customers' needs. In addition, we strive to complete our Gold Loan transactions within a short time frame, which we believe is an important component in our competitive edge over other lenders. We believe that we are able to process Gold Loan within a short time frame as a result of our efficient technology support, skilled workforce and clear policies on internal processes. Although the duration for disbursement may vary due to the loan size and the number of items pledged, we have the ability to disburse loans within short period from the time gold is tendered to the appraiser.

Furthermore, since our Gold Loan are all collateralized by gold jewellery, there are minimal documentary and credit assessment requirements, which also shorten our turnaround time and increases the ease with which our customers can do business with us. We believe our high quality customer service and short response time are significant competitive strengths that differentiate our services and products from those provided by other lenders including commercial banks.

Geographical reach of our branch network

We have steadily expanded our branch network in the past, which we believe has provided us with an advantage over our competitors. The total number of branches of our Company grew from 242 branches in 9 states and 1 in union territories of India as at March 31, 2024 to 325 branches in 11 states and 1 in union territories as at March 31, 2026. Although we have historically had most of our branches in the states of Kerala, we have expanded our branch network to the other states and have 234 branches in states other than Kerala as on March 31, 2026. Our customers are typically retail customers, small business persons, vendors, traders, farmers and salaried individuals, who for reasons of convenience, accessibility or necessity, avail our credit facilities by pledging their gold with us rather than taking loans from banks and other financial institutions. A significant proportion of our branches are located in rural locations and in semi-urban locations. We believe that we have a wide reach in rural markets in this category. Our reach in rural and semi-urban locations gives us an added advantage of being able to reach a large set of potential rural customers. In order to manage our expanding operations as well as our increased customer base, we have developed a proprietary technology framework that provides an integrated, robust platform to run our operations and scale our branch network. We intend to continue to develop our technology framework in order to equip ourselves for further growth of our business.

Experienced Management Team and Skilled Personnel

Our Promoters and Key Managerial Personnel have extensive experience and in-depth industry knowledge in the gold loan business and we believe that their considerable knowledge of, and experience in, the industry enhances our ability to operate effectively. Our staff, including professionals, covers a variety of disciplines, including gold appraisal, internal audit, technology, accounting, marketing and sales. Mathew Mathaininan is a Mechanical Engineering graduate with a work experience of more than 60 years in the financial services and chitty business. Our Managing Director Richi Mathew is a Computer Engineering graduate, has a work experience of more than 20 years in the Financial Sector.

We believe that the in-depth industry knowledge and loyalty of our management and professionals provide us with a distinct competitive advantage. Our management has experience in identifying market trends and suitable locations for expanding and setting up branches to suit our target customers. Our management further promotes a result-oriented culture that rewards our employees on the basis of merit. Our workforce also consists of appraisers who are skilled in the evaluation of the worth and authenticity of the gold that is pledged with us and we conduct periodic training programs to augment their knowledge and efficiency in performing this task. In order to strengthen our credit appraisal and risk management systems and to develop and implement our credit policies, we have hired a number of senior managers who have extensive experience in the Indian banking and financial services sector and in specialized finance firms providing loans to retail customers.

Effective internal controls and risk management systems

Risk management forms an integral part of our business as we are exposed to various risks relating to our business. We believe that we have effective internal controls and risk management systems that allow us to assess and monitor risks across our business lines. Our lending functions are supported by an in-house, custom developed information technology platform that allows us to, among other things, record relevant customer details, approve and disburse the loan, manage access to the strong rooms at all our branches from our head office. Our technology platform also handles internal audit, risk monitoring and management of the relevant loan and pledged gold related information. Our internal audit is carried out by a team of gold inspectors and internal auditors specially identified for the purpose based on a schedule fixed by the risk management team in our head office. Our Board has constituted various committees, including the Audit Committee, Asset Liability Management Committee and Risk Management Committee, to monitor and manage risks at various levels. For details of Committees, please refer to section titled '*Our Management*' on page 115. We place emphasis on risk management measures to maintain an appropriate balance between risk and return and have taken steps to implement comprehensive policies and procedures to identify, measure, monitor and manage risks. New loan schemes under loan products are launched as approved in meeting of the management team consisting of heads of departments. Such meetings are held as required and approvals are granted taking into account the lending policy approved by the Board. We believe that we have effective procedures for evaluating and managing the market, credit and other relevant risks.

Strategy

Our business strategy is designed to capitalize on our competitive strengths and enhance our market position in the Gold Loan industry. Key elements of our strategy include:

Further strengthen and grow our Gold Loan business

Historically, Indians have been one of the largest consumers of gold due to the strong preference for gold jewellery among Indian households and its widespread use as a savings instrument. Further, the market for our loan products was traditionally confined to lower and middle income groups, who viewed Gold Loan as an option of the last resort in case of instant requirement of money. We have undertaken and intend to continue undertaking sustained marketing efforts to diminish the stigma attached to pledging gold jewellery in India and further capture the untapped opportunity. We continue to work to position Gold Loan as a convenient or lifestyle product and expand our customer base to include upper-middle income and upper income groups. We continue to emphasize our Gold Loan products' key advantages of expediency and minimal documentation and alter the image of Gold Loan from an option of the last resort to an option of convenience.

We believe that we have built a recognizable brand in the rural and semi-urban markets of India, largely in the southern states of Kerala and Tamil Nadu and are growing our presence in Maharashtra, Delhi, Haryana, Odisha, Punjab, Uttar Pradesh, Rajasthan, West Bengal, Madhya Pradesh, Gujarat and other parts of India. We intend to leverage on our well connected branch network to strengthen our position in existing markets and reach out to customers in newer markets. To further strengthen our brand equity, we have a planned and consistent marketing approach based on long term as well as short term marketing goals.

Expand branch network and geographical reach

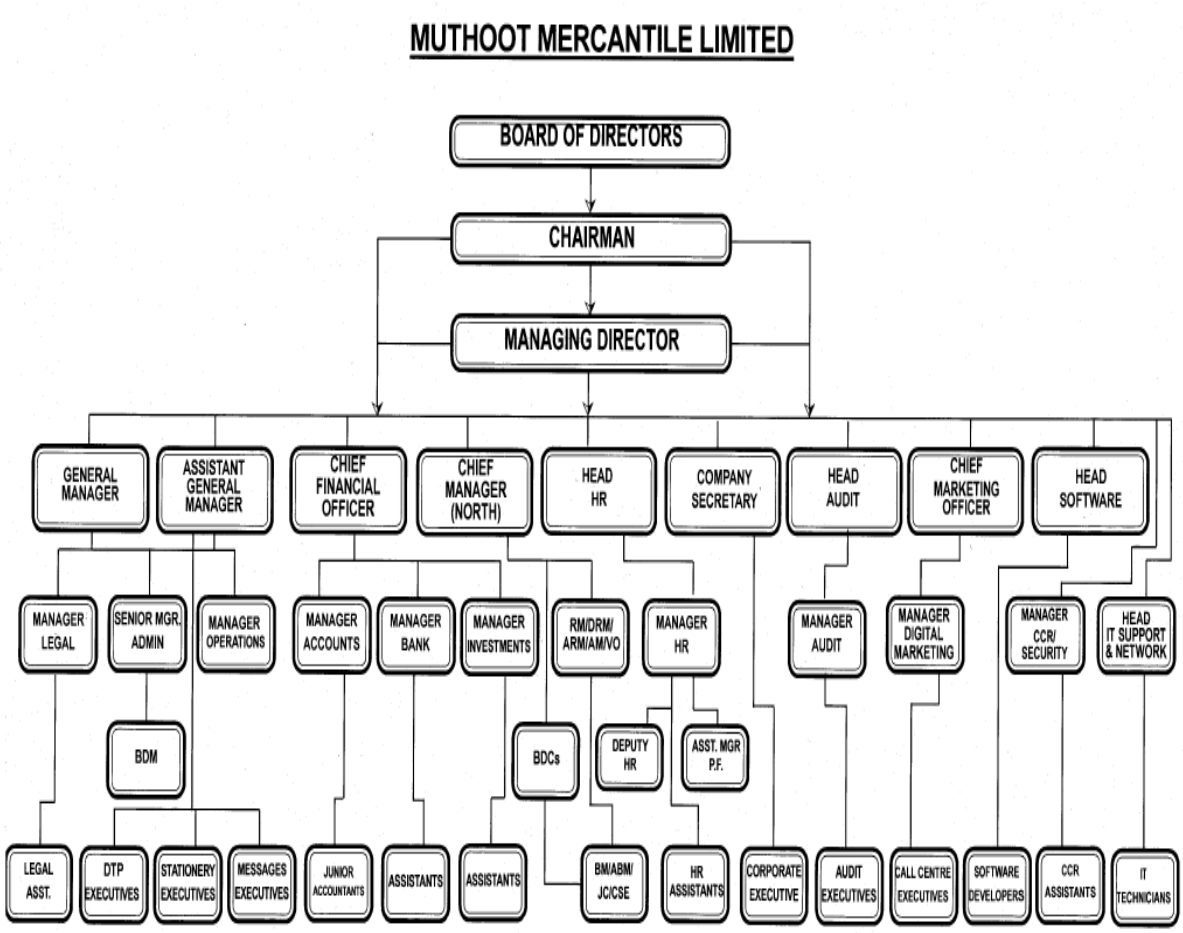

We intend to continuously grow our loan portfolio by expanding our network through the addition of new branches. In order to optimize our expansion, we carefully assess potential markets by analyzing demographic, competitive and regulatory factors, site selection and availability, and growth potential. We have a long-standing presence in southern India and have expanded operations in other states than southern India. Our strategy for branch expansion includes further strengthening our market position in south Indian states by providing higher accessibility to customers as well as leveraging our expertise and presence in Kerala and Maharashtra. We also seek to enhance our presence in other regions of India, particularly in northern and western India, where we intend to open branches in most states. As a strategy, we will continue to leverage on the brand image and reputation of ‘Muthoot Ninan Group’ to further expand our business operations. We had 217 branches in Fiscal 2023 and have added 25 branches and 57 branches in Fiscal 2024 and Fiscal 2025, respectively. Subsequently, we have opened 26 branches as of March 31, 2026, and our Company had a total of 325 branches located across 11 states and 1 union territories of India. Based on our branch expansion strategy, we expect to penetrate new markets and expand our customer base in rural and semi-urban markets where a large portion of the population has limited access to credit either because they do not meet the eligibility requirements of banks or financial institutions, or because credit is not available in a timely manner at reasonable rates of interest, or at all. We also intend to increase our efforts on increasing the number of customers in our existing branches, thereby increasing our loan portfolio while continuing to expand our branch network.

Strengthen our operating processes and risk management systems

Risk management forms an integral part of our business as we are exposed to various risks relating to the Gold Loan business. The objective of our risk management systems is to measure and monitor the various risks we are subject to and to implement policies and procedures to address such risks. We intend to continue to improve our operating processes and risk management systems that will further enhance our ability to manage the risks inherent to our business. For example, we have installed surveillance cameras in all our branches across India, centralised control on access to strong rooms. Furthermore, we intend to continue to train existing and new employees in appraisal skills, customer relations, communication skills and risk management procedures, update our employees with latest developments to mitigate risks against frauds, cheating and spurious gold and strengthen their gold assessment skills.

Corporate Structure

The following diagram sets out an overview of our group structure as of the date of this Prospectus:

Our Business Operations

Our Gold Loan Business

Our core business is providing Gold Loan, which are typically small ticket loans secured by the pledge of household, and/or used gold jewellery. Loan amounts advanced by us are typically within the range of ₹ 1,000.00 to ₹ 100 lakhs per loan transaction and are typically for short tenor of up to 12 months. However, there is no maximum limit on the amount of Gold Loan to be advanced to any customer. As of December 31, 2025, March 31, 2025, March 31, 2024 and March 31, 2023, we had Gold Loan outstanding aggregating to ₹1,17,546.21 lakhs, ₹ 84,755.76 lakhs, ₹ 64,659.27 lakhs and ₹49,469.77 lakhs in principal amount.

We are able to offer a variety of Gold Loan schemes to our customers to suit their individual needs. We have developed various Gold Loan schemes which offer variable terms in relation to the amount advanced per gram of gold, the interest rate and the quantum of the loan, to meet different needs of various customers. The schemes differ in relation to the amount advanced per evaluated gram of gold, the interest rate chargeable, the number of days the scheme is valid and the amount of the loan. The elements of a scheme do not remain constant and are dependent on external factors such as the market price of gold, our cost of funds, the advance and the rate of interest that is offered by our competitors.

In the Fiscals 2023, 2024, 2025 and nine months period ended December 31, 2025, our gross Gold Loan portfolio yield representing net interest income on gross Gold loan as a percentage of gross average outstanding of Gold Loan were 22.10%, 22.00%, 21.36% and 22.35% per annum respectively. In Fiscals 2023, 2024, 2025 and nine months period ended December 31, 2025, interest income from Gold Loan constituted 96.58%, 95.25 %, 95.86% and 97.91% respectively, of our total revenue. As on December 31, 2025, the average loan amount advanced by us was approximately ₹ 0.66 lakhs per loan transaction.

Loan Disbursement Process

The principal form of security that we accept is household, gold jewellery. The RBI SBR Master Directions provide that NBFCs shall not grant any advance against primary gold, gold bullion, gold coins and bars, units of Exchange Traded Funds (ETF) and units of gold mutual fund. We restrict acceptance of jewellery from other money lenders. Our internal policies have been suitably modified to ensure the same. While these restrictions narrow the pool of assets that may be provided to us as security, we believe that it provides us with the following key advantages:

- It filters out spurious jewellery that may be pledged by jewellers and goldsmiths. We find that household, used jewellery is less likely to be spurious or fake.
- The emotional value attached by each household to the pledged jewellery acts as a strong incentive for timely repayment of loans and revoking the pledge.
- As we only accept the pledge of household jewellery, the value of the pledged gold is typically only as much as the worth of gold that is owned by an average Indian household. This prevents our exposure to large-sized loans where the chances of default and subsequent losses are high.

The amount that we finance against the pledged gold jewellery is typically based on a fixed rate per gram of gold content in the jewellery. We value the gold jewellery brought by customers based on our centralized policies and guidelines. We generally lend up to 75.00% of the value of jewellery (basis the category of gold loan scheme of the 22 carat gold price based on 30 days average price of 22 carat gold declared by India Bullion and Jewellers Association Limited, as per RBI guidelines). As per our internal Gold Loan manual, we do not accept household gold jewellery below 19 carats as security for Gold Loan.

The actual loan amount varies according to the type of jewellery pledged. While jewellery can be appraised based on a variety of factors, such as total weight, weight of gold content, production cost, style, brand and value of any gemstones, we appraise the gold jewellery solely based on its gold content. Our Gold Loans are, therefore, generally well collateralized because the actual value of the gold jewellery is higher than our appraised value when the loan is disbursed. The amount we lend against an item and the total value of the pledged gold we hold fluctuates according to the market price of gold. An increase in the price of gold will not automatically result in an increase in the value of our Gold Loan portfolio unless the rate per gram is revised by our Registered Office. It only results in a favourable movement in the value of the security, pledged with us. Similarly, since adequate margins are built in at the time of the loan disbursement and owing to the short tenure of these loans, on average, a decrease in the price of gold generally has little impact on our interest income. However, a sustained decrease in the market price of gold could cause a decrease in the growth rate of Gold Loans in our loan portfolio.

All our Gold Loans have a maximum term of 365 days. In the event that a loan is not repaid on time and after providing due notice to the customer, the unredeemed pledged gold is disposed off, on behalf of the customer in satisfaction of the principal and interest charges. Any surplus arising out of the disposal of the pledged gold is refunded to the customer or is appropriated towards any other liability by the borrower. In the event that the recoverable amount is more than the realizable value of the pledged gold, the customer remains liable for the shortfall.
We make provisions for losses that we believe are not recoverable from the customer when the respective loans remain outstanding after 90 days from the date of agreed tenor of the loan.

The processes involved in approving and disbursing a Gold Loan are divided into three phases:

- Pre-disbursement,
- Post-disbursement; and
- Release of the pledge

Pre-Disbursement

Pre-disbursement processes include all the actions that are carried out from the moment a customer enters any of our branches for procuring a Gold Loan until the customer receives the loan amount and include the following:

Identification and Appraisal of the Customer

Gold Loans are sanctioned only to genuine borrowers. Gold loans are sanctioned only to genuine borrowers. Compliance with the KYC policies ensures that the personal data provided by a particular customer is accurate. For all loans, the customer must provide a document that confirms the customer's identity, which could be a Government issued document, such as a passport, driver's license, PAN card, voter identification card, ration card or UIDAI card (Aadhar) and proof of address required. For mandatory compliance of KYC norms, as mandated by RBI and easy identification of each borrower, a photograph, proof of identity and address are always obtained. Any KYC document that is received is verified for authenticity. A KYC register is maintained in every branch to enter all KYC related details of our customers. We also maintain and file electronic copies of all KYC documents at each branch, retain a photograph of each customer captured through web-cameras installed in our branches, and confirm the customer's mobile number by generation of a unique identification number through text message at the time of the pledge.

The RBI Master Directions provides that Gold Loan NBFCs have been mandated to insist on a copy of the PAN card of the borrower for all transaction above ₹500,000. Further, where the gold jewellery pledged by a borrower at any one time or cumulatively on loan outstanding is more than 20 grams, NBFCs must keep record of the verification of the ownership of the jewellery. Further, it is not necessary to produce original receipts to establish ownership. Instead, a suitable document may be prepared to explain how the ownership is determined and an explicit policy within the overall loan policy must be established by the Company. Our internal policies have been suitably modified to ensure the same.

Appraisal of Gold

The first step in the process is the appraisal or evaluation of the gold to be used as security for the Gold Loan. Once the manager is satisfied regarding ownership of the ornaments, the ornaments would then be appraised by the manager himself and/or other staff members who are assigned with the responsibility of appraising the gold jewellery. The ornaments being tendered are not appraised by any person who is not associated with our Company nor are the ornaments sent out of the concerned branch for appraisal. We use the services of our in-house gold appraisers in case of large value loans. These gold appraisers are professionally qualified for appraising the quality of gold and usually have multiple years of experience in appraising gold.

Several steps are involved in the gold appraisal process. The process of measuring the "fineness", or purity, of gold is referred to as 'assaying'. There are different methods of assaying the purity of gold. We first test the authenticity of the gold in accordance with standard guidelines that are applied across all our branches. This process involves several principal tests, which includes the acid test, the touchstone test, checking for hallmarks and the sound test. As per our policy, all types of stones are ignored, and their weight reduced from gross weight when advancing against ornaments. Sufficient margin is, therefore retained for the approximate weight of such stones and for arriving at eligible loan amount; net weight of the ornaments so arrived at alone is taken into account. Wherever weight of stones cannot be ascertained, such ornaments are avoided. The manager also verifies and satisfies himself that the ornaments have been properly tested for purity and details - gross weight as well as net weight, are correctly noted. He should also confirm correctness of valuation made.

We use weighing machines of high quality at various branches of our Company. Pursuant to RBI SBR Master Directions, in order to standardize the valuation and make it more transparent to the borrower, gold jewellery accepted as collateral shall have to be valued at the average of the closing price of 22 carat gold for the preceding 30 days as quoted by the Indian Bullion and Jewellers Association Limited and value of the jewellery of lower purity in terms of carats shall be proportionately reduced.

Documentation

The standard set of documents that are executed in a typical Gold Loan transaction include the pawn ticket and the applications cum terms and conditions. Basic details of the pledge, such as the name of the customer and the net weight of the jewellery pledged is recorded on the gold loan slip, which is retained by us. The pawn ticket, which contains the details of the customer and the pledged jewellery, is filled in by the employee who appraised the gold and a copy is retained by the customer. The terms and conditions that are contained in the application form empower us to sell the pledged jewellery if the customer defaults on the Gold Loan. After execution of prescribed documents, a loan ticket detailing the particulars of the loan including the details of the items pledged, rate per gram, interest rate and maturity date is handed over to the customers along with disbursal of the loan.

Post-Disbursement

Custody of the Pledged Gold

The post disbursement process involves the storage of the pledged gold jewellery. The pledged gold jewellery is packed in plastic bag and sealed separately by staff of the branch along with the relevant documents about the loan and the customer are stored in the strong room of the branch. Once lodged in cabinets in the strong room of the concerned branch, the branch head and the assistant branch head are the joint custodians of the gold. The safes and strong rooms in which the gold jewellery is kept are built in accordance with industry practice. The strong rooms are vaults with reinforced concrete cement structures. Separate cupboards are used within the strong rooms for the safe keeping of the gold collateral. The physical stock of pledge packets is also verified and tallied with the general ledger on a fortnightly basis and at the time of internal audit and gold inspection. Pursuant to the RBI SBR Master Directions, the business of granting loans against the security of gold cannot be transacted at places where there are no proper facilities for storage/security of the gold jewellery. Further, no new branches can be opened without suitable storage arrangements having been made.

Inventory Control

Once the pledged gold is packed and moved to the safe or strong room, colour coded stickers are affixed on the packet. Tamper proof stickers are also affixed on the jewellery packets to ensure inventory control. Additional stickers are used to seal packets by persons examining packages subsequently, including our internal auditors. In addition to the colour coding, these stickers also contain details of the persons inspecting the gold. We have procedures in place for random verification of gold packets by the branch heads/ other authorised officers. A separate register is maintained for updating the details of the stickers used by a branch.

Branch Security and Safety Measures

Ensuring the safety and security of the branch premises is vital to our business since cash and gold inventory are stored in each branch. Branch security measures implemented by us include:

- Strong Rooms: Every branch of the Company, without exception, is provided with a strong room constructed as per the specifications of RBI with fireproof strong room doors. This is a provision at each location to ensure safety of the pledged ornaments, of the clients.

- Access to the strong room is with the help of two distinct keys, which are in the hands of two different individuals attached to the branch. The strong room has a grill door, joint custody of whose keys are with the Branch Manager and another staff (the "**Joint Custodian**"). Both the branch head and the Joint Custodian hold the keys to grill in the strong room. While this will open the physical locks, as an added security measure, we have installed an electronic lock that can be opened only through "OTP(One-Time-Password)" delivered to the Branch head. This is a unique surveillance measure installed and operationalised by our Company.

- Electronic Security System: All our branches are installed with CCTV cameras and other numerous surveillance system. Such kind of a surveillance system helps to avert any major incidents of frauds, thefts, etc. in the branch premises.

- Insurance: Entire gold stock of the branches is insured for their gold content against theft and other calamities and also fidelity insurance.

Release of the Pledge

Once a loan is fully repaid, the pledged gold jewellery is returned to the customer. The customer has to be present personally along with the gold loan token, at the branch where the pledge was originally made. The branch will verify the person with the photo taken at the time of pledge and confirm that there is no foul play and the amount to be paid is informed to the customer from the software and clarifies doubts if any on the amount demanded. The customer pays the amount at the cash counter and the ornaments are taken out of the safe and handed over to the customer after confirming them with the list of ornaments mentioned in the token and gold loan application form.

When a customer does not repay a loan on or before its maturity, we initiate the recovery process and dispose of the pledged gold to satisfy the amount owed to us, including both the principal and accrued interest. Before starting the recovery process, we inform the customer through registered letters or legal notices.

We also reserve the right, subject to notification to the customer, to sell the pledged gold even before a loan becomes past due in the event the market value of the underlying pledged gold falls below amounts outstanding on the loan. Pursuant to the Responsible Business Conduct Directions, the following additional stipulations have been made in respect to auctioning of gold jewellery:

- An NBFC shall give adequate notice to the borrower(s)/ legal heir(s), as applicable, through available means of communication to repay or settle the loan dues prior to initiating the auction procedure. A copy of the notice and acknowledgement thereof shall be kept on record in both scenarios. In case the lender is unable to locate the borrower(s)/ legal heir(s) despite best efforts and even after issuance of a public notice, it may proceed with the auction, provided that a period of one month has lapsed from the date of the public notice.

- An NBFC shall implement a transparent auction procedure, which shall include, inter alia, announcement of the auction to the public by issue of advertisements in at least two newspapers, one in the regional language and another in a national daily.

- The pledged eligible collateral shall be auctioned by an NBFC only through its employee having necessary experience and / or training or an auctioneer empaneled by the NBFC as per its policy. In cases where auctions are conducted by an NBFC through its employees, necessary safeguards such as surprise visits by regional / controlling officials on periodic basis, coverage under internal audit, etc., shall be put in place.

- An NBFC shall declare a reserve price for the gold and silver collateral at the time of auction, which shall not be less than 90 per cent of its current value. *Provided that* in case auctions fail twice, a reserve price not less than 85 per cent of its current value shall be adopted.

- The first auction shall be conducted physically in the same district in which the lending branch is located. However, in case of failure of first auction, an NBFC may conduct the auction in an adjoining district or conduct online auction.

- As a matter of policy, an NBFC or its related parties shall not participate in the auctions to ensure that there is no potential conflict of interest.

- After the auction, an NBFC shall mandatorily provide full details of the value fetched at the auction and the dues adjusted to the borrower(s) / legal heir(s). The surplus, if any, from the auction of the gold or silver collateral, shall be refunded to the borrower(s) / legal heir(s) within a maximum period of seven working days from the date of receipt of the full auction proceeds. The NBFC may recover shortfall, if any, as per terms of the loan agreement

The situation for auction of the gold ornaments pledged arises only when the borrower has not repaid the dues in spite of the various opportunities given to him by our Company. Thus, auction of the pledged gold ornaments is the last measure resorted by our Company to recover the dues from the borrower. It shall be the practice of our Company to avoid the auction of the ornaments pledged by the customer to the maximum possible extent. Our Company shall follow up with the borrowers for release of the pledged ornaments before putting the same in the auction list by sending registered notice reminding the borrowers. Even after putting the ornaments in the auction list, a last opportunity shall be given to the customer to get the pledged items released by all possible means of settlement.

If the loan is not settled by the customer even after receipt of the registered notice sent in respect of the overdue loans, final auction intimation shall be given to the customer by registered post with acknowledgement due giving him another 15 days' time and intimating him of date and place of auction. This intimation shall contain the details of loan such as the loan number, date of loan, net weight of the ornament pledged, principal amount, interest, additional interest and other charges due from the customer, and total amount due. Our Company keeps the post office receipt towards proof of intimation/ notice to the customer auction shall be announced to the public by issue of advertisement in at least two daily newspapers (one in national and one in vernacular language) and shall be made well in advance before the auction. The auction list shall also be displayed at respective branch office(s).

Pronote Loan

We also offer unsecured loans i.e., Pronote Loan for their personal needs including consumption needs. These types of loans are provided exclusively to existing customers, with eligibility determined by the branch manager's credit assessment and the repayment history of the customer. This assessment helps gauge the customer's capacity to repay both the principal loan amount and the associated interest. Our Pronote Loan portfolio as of nine months period ended December 31, 2025, Fiscal 2025, Fiscal 2024 and Fiscal 2023 had outstanding principal amounting to ₹ 238.47 lakhs, ₹ 413.65 lakhs, ₹1,654.74 lakhs and ₹1,269.02 lakhs respectively. In the Fiscals 2023, 2024, 2025 and as on nine months period ended December 31, 2025, our gross Pronote Loan portfolio yield representing net interest income on gross Pronote loan as a percentage of average outstanding of Pronote Loan were 17.90%, 15.22%, 9.66% and 23.62% per annum respectively. In Fiscals 2023, 2024, 2025 and as on nine months period ended December 31, 2025, interest income from Pronote Loan constituted 1.76%, 1.69%, 0.60 % and 0.33% respectively, of our total revenue.

Our Other Business:

Money Transfer Services

We provide money transfer service as a fee-based business for transfer of money from abroad through our branches. Under our money transfer agreements, with agents of Money Transfer companies we make payment of money remitted by persons from abroad to the beneficiaries after checking their identity. The money paid by us on behalf of the agent of the Money Transfer company is refunded to us by the agent on the next working day after payment. We are entitled to receive a commission for the services provided depending on the number of transactions and the amount of money transferred.

Risk Management

Risk management forms an integral element of our business. Our risk management policy approved vide board resolution dated March 3, 2023. Given the changes in the business environment and increase in competition, we have revised our risk management policy, effective from July 11, 2023. Our risk management policy represents the standards of risk assessment to be followed by our Company as an NBFC, formulated in line with the RBI guidelines, and with the approval of the Board of Directors. As a lending institution, we are exposed to various risks that are related to our gold lending business, including volatility in gold process, regulatory directives and operating environment.

Our objective in our risk management processes is to ensure growth with profitability within the limits of risk absorption capacity. The policy lays down a framework for identifying, assessing, and measuring various elements of risk involved in the business and formulation of procedures and systems for mitigating such risks. The major types of risk we face in our businesses are credit risk, operational risk, market risk, liquidity risk and foreign currency risk.

Credit Risk

Credit risk is the possibility of loss due to the failure of any counterparty to abide by the terms and conditions of any financial contract with us. Credit risk in our Gold Loan business is relatively low because all our loans are adequately collateralised with pledged gold jewellery. We aim to reduce credit risk through a rigorous structured gold appraisal and loan sanction process, an effective system for monitoring the credit portfolio and recovery of dues. Credit risk is relatively low as the gold jewellery (pledged) as security for our loans are largely household used jewellery which carry the emotional attachment of the borrower due to which defaults are lesser in number. In any case they can be readily liquidated, and the possibility of any loss is relatively low.

We also manage credit risk by restricting loans in excess of specified limits to a single customer. For high value loans (loan amounts exceeding a certain limit), we undertake a credit check on the borrower before higher exposure is assumed. The methodology for fixation of loan to value or loan per gram is fixed in a manner so as to even out any large fluctuations. Our internal control system ensures independent verification of gold at the branch level for all loans. The level of verification at the branch level increases with the quantity of gold pledged. In addition, the quality of gold is checked by the area head through random check conducted during branch visits. Post-disbursement of loan, analysis of daily disbursements is undertaken by skilled officials to identify risk prone accounts which are then subsequently verified by internal auditor team within the shortest possible time.

Operational Risk

Operational risk is broadly defined as the risk of direct or indirect loss due to the failure of systems, people or processes, or due to external events.

We have instituted a series of checks and balances and internal audit reviews to address the various operational risks. Loans are considered only after proper KYC procedures for which detailed instructions have been issued and its compliance monitored. We also have detailed guidelines/procedures on the custody of cash or gold to address custodial risk, which is a risk associated with the safety and security of gold inventory. We have implemented centralized software that grants branch personnel access to strong rooms upon receipt of OTPs. This software is operated from our head office. All pledged gold and cash holdings are suitably and adequately insured with reputed insurance companies to cover burglary risks.

Process definitions and internal controls also aid in controlling operational risk. For instance, the branch manager and the assistant branch head are the joint custodians of the pledged gold and cash, indicating that the strong rooms or vaults will only be opened granted access if both officials are present. We undertake adequate employee profiling and background verification checks before hiring. Fidelity Insurance cover has also been taken to protect the Company from employee frauds.

Market Risk

Market risk arises from any decline in the value of the security due to adverse fluctuation in gold prices. This risk (to a great extent) is mitigated by the adequate margins we build into our loan to value/loan per gram used to calculate the loan amount, as well as by linking the LTV calculation to 30 days average price of 22 carat gold declared by India Bullion and Jewellers Association Limited. Market risk also arises on account of variations in interest rates on borrowings availed by the Company since interest is payable on the Gold Loan at a predetermined rate. This risk is mitigated by periodically reviewing the interest rates charged on the Gold Loan, extending only short term loans which correlate to the interest rate payable on borrowings availed by the Company.

Liquidity Risk

The liquidity risk associated with the business is mitigated by suitably matching the tenure of assets and liabilities. Gold Loan, typically are short term loans with maximum term upto 12 months. Funding of these Gold Loan is through a combination of equity, bank borrowings and liability products. We have also implemented a robust collection and recovery mechanism and cash management system, ensuring adequate undrawn borrowing limits to meet contingencies, investing surplus funds in liquid investments in approved institutions and schemes, reducing the level of non-performing loans.

Foreign Currency Risk

Currency risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. Foreign currency risk for the Company arises majorly on account of foreign currency borrowings. The Company's foreign currency exposures are managed through hedging its foreign currency risk on its foreign currency borrowings as on March 31, 2024 by entering into forward contracts. The counterparties for such hedge transactions are banks.

Non-Performing Assets (NPAs)

The Prudential Norms require that every non-deposit taking NBFC shall, after taking into account the degree of well-defined credit weaknesses and extent of dependence on collateral security for realisation, classify its lease/hire purchase assets, loans and advances and any other forms of credit into the following classes:

a) Standard assets;
b) Sub-Standard assets;
c) Doubtful assets; and
d) Loss assets

Further, the class of assets referred to above shall not be upgraded merely as a result of rescheduling, unless it satisfies the conditions required for the upgradation. A non-deposit taking NBFC is required to make provisions against sub-standard assets, doubtful assets and loss assets in the manner provided for in the Prudential Norms. In terms of the RBI Master Directions, non-deposit taking NBFC has to make inter alia the following provisions on their loan portfolio:

<table>
<tr><th>Asset Classification</th><th>Provisioning Policy</th></tr>
<tr><td>Loss Assets</td><td>In case of loss assets the entire asset shall be written off. If the assets are permitted to remain in the books for any reason, 100% of the outstanding must be provided for.</td></tr>
<tr><td>Doubtful Assets</td><td>(a) 100% provision to the extent to which the advance is not covered by the realisable value of the security to which the NBFC has a valid recourse shall be made. The realisable value is to be estimated on a realistic basis;

(b) In addition to the above, depending upon the period for which the asset has remained doubtful, provision to the extent of 20% to 50% of the secured portion (i.e. estimated realisable value of the outstanding) shall be made on the following basis:

<table><tr><th>Period for which the asset has been considered as doubtful</th><th>% of provision</th></tr><tr><td>Upto one year</td><td>20</td></tr><tr><td>One to three years</td><td>30</td></tr><tr><td>More than three years</td><td>50</td></tr></table></td></tr>
<tr><td>Sub-standard assets</td><td>A general provision of 10% of total outstanding shall be made.</td></tr>
</table>

Based on the Prudential Norms for asset classification, details of the classification of our gross NPAs for significant classes of our assets for the nine months period ended December 31, 2025, and as of Fiscals 2025, 2024 and 2023 are provided below:

Capital Adequacy Ratio

As per the RBI SBR Master Directions, every NBFC-ML including us are subject to capital adequacy requirements. Currently, we are required to maintain a minimum capital ratio consisting of Tier 1 and Tier 2 capital which shall not be less than 15% of its aggregate risk weighted assets on balance sheet and of risk adjusted value of off-balance sheet items. Further, we need to maintain a Tier 1 capital of 12%. Also, the total of Tier II capital, at any point of time, shall not exceed one hundred percent of Tier I capital. Additionally, we are required to transfer up to 20% of our annual profit to a reserve fund and make provisions for NPAs. We had a capital adequacy ratio of 37.93%, 29.82%, 25.36%, and 20.69% as on March 31, 2023, March 31, 2024, March 31, 2025 and December 31, 2025 respectively.

We have satisfied the minimum capital adequacy ratios prescribed by the RBI for the nine months period ended December 31, 2025.

Technology

We use information technology as a strategic tool for our business operations to improve our overall productivity and efficiency. The operations of our Company function through CBS software program named "*MuthootOne*". We have moved to this CBS Software System with effect from April 1, 2016. Our Software department is managed by five engineers and three hardware technicians. We believe that through our information systems which are currently in place, we are able to manage our operations efficiently, market effectively to our target customers, and effectively monitor and control risks. We believe that this system has improved customer service by reducing transaction time and has allowed us to manage loan collection efforts better and to comply with regulatory record-keeping and reporting requirements. All our branches are computerised.

Funding Sources and Credit Ratings

Source of funding

We have expanded our sources of funds in order to reduce our funding costs, protect interest margins and maintain a diverse funding portfolio that will enable us to achieve funding stability and liquidity. Our sources of funding comprise of term loans and working capital limits from bank, issuance of secured and unsecured non-convertible debentures through private placement and subordinated debts.

Security threats and measures taken to mitigate them

The principal security risks to our operations are robbery and employee theft or fraud. We have extensive security and surveillance systems and dedicated security personnel to counter external security threats. To mitigate internal threats, we undertake careful pre-employment screening, including obtaining references before appointment. We have installed surveillance cameras across our branches. To protect against robbery, all branch employees work behind wooden/ glass and steel counters, and the back office, strong room/safe are locked and closed to customers. We also keep the pledged gold in joint custody. While we provide armed security guards for risk prone branches, the majority of our branches do not require security guards as the gold jewellery are stored securely in strong rooms. Since we handle high volumes of cash and gold jewellery at our locations, daily monitoring, spot audits and immediate responses to irregularities are critical to our operations. We have an internal auditing program that includes unannounced branch audits and cash counts at randomly selected branches.

Competition

We face competition from banks, NBFCs and other unregulated/unorganised money lenders. Our Board believes that we can achieve economies of scale and increased operating efficiencies by increasing the number of branches under operation and proven operating methods. We believe that the primary elements of competition are the quality of customer service and relationship management, branch location and the ability to lend competitive amounts at competitive rates. In addition, we believe the ability to compete effectively will be based increasingly on strong management, regional market focus, automated management information systems and access to capital.

Property

Our registered office is located in Thiruvananthapuram, Kerala and is owned by some of the Promoters i.e. Mathew Mathaininan and Ammini Mathew. As of March 31, 2026, we have 325 branches located in 11 states and 1 in union territories of India namely Tamil Nadu, Kerala, Delhi, Haryana, Maharashtra, Madhya Pradesh, Odisha, Punjab, Uttar Pradesh, Gujarat, West Bengal and Rajasthan all of which are contracted on a leasehold basis.

Intellectual Property

The trademark/service mark and logo in connection with the "Muthoot" logo is owned by our Chairman and Whole-Time Director Mathew Mathaininan and is registered with the Trade Marks Registry under class 36 and received a Certificate of Registration of Trademark bearing number 1267883 dated February 19, 2004. We have obtained permission from our one of the Promoters i.e. Mathew Mathaininan in writing to use the logo. For further details, see section titled "*Risk Factors*" on page 18. As on the date of this Prospectus, we have obtained Five trademark registration with the Trade Marks Registry under the Trade Marks Act, 1999.

Employees

As on March 31, 2026, we had 1,290 employees engaged in various business operations like sales, marketing, recovery, audit etc. We adhere to a policy of nurturing dedicated talent by conducting regular training programmes. We provide training to our employees both as a commitment to their career development and also to ensure quality service to our customers. These trainings are conducted on joining as part of employee initiation and include additional on-the-job trainings.

Branding

We have launched many tailor-made marketing communications with the primary objectives of growing the Gold Loan Category as a whole and creating significant business impact to the brand in terms of new customer acquisition; besides creating substantial brand awareness and brand recall.

Insurance Coverage

We maintain insurance coverage on all our assets located at our registered and on all our movable assets in branch premises owned by us against fire, earthquake and related perils. We also maintain insurance against burglaries at our registered office and at our branches, and against loss by riots, strikes or terrorist activities, cash in transit and employee theft. We maintain special contingency insurance covering gold in transit, gold in branches and cash in transit against burglary. Our insurance policies are generally annual policies that we renew regularly.

Description regarding Security (where applicable) including type of security (movable/ immovable/ tangible etc.), type of charge (pledge/ hypothecation/ mortgage etc.), date of creation of security/ likely date of creation of security, minimum security cover, revaluation	The total value of the Non-Convertible Debentures (NCDs) to be issued, including all due interest, costs, charges, fees, Debenture Trustee remuneration, and related expenses, will be secured. This security will be in the form of a first-ranking pari passu charge, on par with existing secured creditors. The charge will cover all current and future movable assets of the Company, such as book debts, receivables, cash, bank balances, other movable assets, and loans and advances. The value of the security will be equivalent to 100% of the outstanding NCDs plus any accrued interest. Without prejudice to the above, as per the Regulations 18(2) & 18(3) of the SEBI NCS Regulations, in the event our Company fails to execute the Debenture Trust cum Hypothecation Deed within the period prescribed by SEBI, and importantly, prior to the listing of the NCDs, our Company shall also pay interest of at least 2% (two per cent) per annum to the NCD holders. This interest is over and above the interest rate on the NCDs as specified in this Prospectus and will be payable until the execution of the Debenture Trust cum Hypothecation Deed. The security shall be created prior to making the listing application for the NCDs with the Stock Exchange(s). For further details on date of creation of security/ likely date of creation of security minimum security cover etc., please see refer to "*Terms of the Issue- Security Cover*" below.
Replacement of security, interest to the debenture holder over and above the coupon rate as specified in the Debenture Trust cum Hypothecation Deed and disclosed in this Prospectus	Replacement of security – Our Company shall within such period as may be permitted by the Debenture Trustee, furnish to the Debenture Trustee as additional security, if the Debenture Trustee is of the opinion that during the subsistence of these presents, the security for the NCDs has become inadequate on account of the margin requirement as provided in the financial covenants and conditions and the Debenture Trustee has, accordingly, called upon our Company to furnish such additional security. In such case, our Company shall, at its own costs and expenses, furnish to the Debenture Trustee such additional security, in form and manner satisfactory to the Debenture Trustee, as security for the NCDs and upon creation of such additional security, the same shall vest in the Debenture Trustee subject to all the trusts, provisions and covenants contained in these presents.
Transaction documents	The Draft Prospectus, this Prospectus read with any notices, corrigenda, addenda thereto, the Debenture Trustee Agreement, the Debenture Trust cum Hypothecation Deed and other security documents, if applicable, and various other documents/agreements/undertakings, entered or to be entered by the Company with Lead Manager and/or other intermediaries for the purpose of this Issue including but not limited to the Debenture Trust cum Hypothecation Deed, the Debenture Trusteeship Agreement, the Public Issue Account Agreement, the Agreement with the Registrar and the Agreement with the Lead Manager. For further details, see "*Material Contracts and Documents for Inspection*" on page 304.

Conditions precedent to disbursement	Other than the conditions specified in the SEBI NCS Regulations, and agreed form of Debenture Trust cum Hypothecation Deed, there are no conditions precedents to disbursement.
Conditions subsequent to disbursement	Other than the conditions specified in the SEBI NCS Regulations, and agreed form of Debenture Trust cum Hypothecation Deed, there are no conditions subsequent to disbursement.
Events of default (including manner of voting/ conditions of joining inter creditor agreement)	Please refer to the chapter titled "*Terms of Issue – Events of Default*" on page 179.
Creation of recovery expense fund	The Company shall deposit cash or cash equivalents including bank guarantees towards the contribution to Recovery Expense Fund with the Designated Stock Exchange at the time of making the application of the listing of NCDs and submit relevant documents evidencing the same to the Debenture Trustee from time to time. The Company shall ensure that the bank guarantees remain valid for a period of six months post the Redemption Date of the NCDs. The Company shall keep the bank guarantees in force and renew the bank guarantees at least seven working days before its expiry, failing which the Designated Stock Exchange shall invoke such bank guarantee. For further details, please refer to the chapter titled "*Terms of Issue – Recovery Expense Fund*" on page 171.
Conditions for breach of covenants (as specified in Secured Debenture Trust cum Hypothecation Deed)	The conditions for breach of covenants will be finalised upon execution of the Debenture Trust cum Hypothecation Deed which shall be executed as per Regulation 18 of SEBI NCS Regulations.
Provisions related to Cross Default Clause	Please refer to the chapter titled "*Terms of Issue – Events of Default*" on page 179.
Roles and responsibilities of the Debenture Trustee	Please refer to the chapter titled "*Terms of Issue*" on page 170.
Working Days convention/Day count convention/Effect of holidays on payment	If the date of payment of interest does not fall on a Working Day, then the interest payment will be made on succeeding Working Day, however the calculation for payment of interest will be only till the originally stipulated Interest Payment Date. The dates of the future interest payments would be as per the originally stipulated schedule. In case the redemption date (also being the last interest payment date) does not fall on a Working Day, the payment will be made on the immediately preceding Working Day, along with coupon/interest accrued on the NCDs until but excluding the date of such payment.
Risk factors pertaining to the Issue	Please see "*Risk Factors*" on page 18.
Governing law and jurisdiction	The Issue shall be governed in accordance with the laws of the Republic of India and shall be subject to the exclusive jurisdiction of the courts of Thiruvananthapuram and Mumbai India.

Note:

*(a) The Issue shall remain open for subscription on Working Days from 10 a.m. to 5 p.m. (Indian Standard Time) during the period indicated above, except that the Issue may close on such earlier date as may be decided by the Board of Directors of our Company ("**Board**") or Debenture Allotment Committee of the Board. In the event of such early closure, our Company shall ensure that notice of such early closure is given to the prospective investors through advertisement in an English national daily newspaper and a regional daily newspaper in Kerala where the registered office is located, with wide circulation on or before such earlier date of closure. Applications Forms for the Issue will be accepted only from 10:00 a.m. to 5:00 p.m. (Indian Standard Time) or such extended time as may be permitted by BSE, on Working Days during the Issue Period. Nomination facility to NCD Holder

In accordance with Rule 19 of the Companies (Share Capital and Debentures) Rules, 2014 ("**Rule 19**") and Section 72 of the Companies Act, 2013, the sole NCD Holder, or first NCD Holder, along with other joint NCD Holders' (being individual(s)), may nominate, in the Form No. SH.13, any one person in whom, in the event of the death of Applicant the NCDs Allotted, if any, will vest. Where the nomination is made in respect of the NCDs held by more than one person jointly, all joint holders shall together nominate in Form No. SH.13 any person as nominee. A nominee entitled to the NCDs by reason of the death of the original holder(s), will, in accordance with Rule 19 and Section 56 of the Companies Act, 2013, be entitled to the same benefits to which he or she will be entitled if he or she were the registered holder of the NCDs. Where the nominee is a minor, the NCD holder(s) may make a nomination to appoint, in Form No. SH.14, any person to become entitled to NCDs in the event of the holder's death during minority. A nomination will stand rescinded on a sale/transfer/alienation of NCDs by the person nominating. A buyer will be entitled to make a fresh nomination in the manner prescribed. Fresh nomination can be made only on the prescribed form available on request at our Registered Office or with the Registrar to the Issue.

NCD Holder(s) are advised to provide the specimen signature of the nominee to us to expedite the transmission of the NCD(s) to the nominee in the event of demise of the NCD Holder(s). The signature can be provided in the Application Form or subsequently at the time of making fresh nominations. This facility of providing the specimen signature of the nominee is purely optional.

In accordance with Rule 19 of the Companies (Share Capital and Debentures) Rules, 2014, any person who becomes a nominee by virtue of the above said Rule 19, shall upon the production of such evidence as may be required by our Board, elect either:

- to register himself or herself as the holder of the NCDs; or

- to make such transfer of the NCDs, as the deceased holder could have made.

Further, our Board of Directors may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the NCDs, and if the notice is not complied with, within a period of 90 days, our Board of Directors may thereafter withhold payment of all interests or redemption amounts or other monies payable in respect of the NCDs, until the requirements of the notice have been complied with.

For all NCDs held in dematerialised form nominations registered with the respective Depository Participant of the Applicant would prevail. If the NCD Holders require to changing their nominations, they are requested to inform their respective Depository Participant. A nomination may be cancelled or varied by nominating any other person in place of the present nominee, by the Secured NCD Holder who has made the nomination, by giving a notice of such cancellation or variation in the prescribed manner as per applicable laws. The cancellation or variation shall take effect from the date on which the notice of such variation or cancellation is received.

Since the allotment of Secured NCDs will be made only in dematerialized mode, there is no need to make a separate nomination with our Company. Nominations registered with the respective Depository Participant of the Applicant would prevail. If the investors require changing their nomination, they are requested to inform their respective Depository Participant.

Transfer/ Transmission of NCD(s)

The NCDs shall be transferred or transmitted freely in accordance with the applicable provisions of the Companies Act, 2013. The NCDs held in dematerialised form shall be transferred subject to and in accordance with the rules/procedures as prescribed by the Depositories and the relevant DPs of the transferor or transferee and any other applicable laws and rules notified in respect thereof. The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. The seller should give delivery instructions containing details of the buyer's DP account to his depository participant.

In the absence of the same, interest will be paid/redemption will be made to the person, whose name appears in the register of debenture holders maintained by the Depositories. In such cases, claims, if any, by the transferees would need to be settled with the transferor(s) and not with the Issuer or Registrar.

Pursuant to the SEBI (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2018 read with SEBI Press release (no. 49/ 2018) dated December 3, 2018, NCDs held in physical form, pursuant to any rematerialisation, as above, cannot be transferred except by way of transmission or transposition, from April

1, 2019. However, any trading of the NCDs issued pursuant to this Issue shall be compulsorily in dematerialised form only.

Title

In case of:

- the NCDs held in the dematerialised form, the person for the time being appearing in the record of beneficial owners maintained by the Depository; or

- the NCDs held in physical form pursuant to rematerialization, the person for the time being appearing in the register of NCD Holders shall be treated for all purposes by our Company, the Debenture Trustee, the Depositories and all other persons dealing with such person, as the holder thereof and its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or any writing on, theft or loss of the consolidated NCD certificates issued in respect of the NCDs and no person will be liable for so treating the NCD holder.

No transfer of title of an NCD will be valid unless and until entered on the register of NCD holders or the register of beneficial owners maintained by the Depositories prior to the Record Date. In the absence of transfer being registered, interest and/or maturity amount, as the case may be, will be paid to the person, whose name appears first in the register of the NCD Holders maintained by the Depositories and/or our Company and/or the Registrar, as the case may be. In such cases, claims, if any, by the purchasers of the NCDs will need to be settled with the seller of the NCDs and not with our Company or the Registrar. The provisions relating to transfer and transmission and other related matters in respect of our Company's shares contained in the Articles of Association of our Company and the relevant provisions of the Companies Act, 2013, shall apply, mutatis mutandis (to the extent applicable) to the NCD(s) as well.

Maintenance of Accounts

The Company shall maintain proper books of account as required by the Companies Act, and make true and proper entries therein of all dealings and transactions of and in relation to the Movable Properties and the business of the Company and keep the said books of account and all other books, registers and other documents relating to the affairs of the Company at its registered office or, where permitted by law, at other place or places where the books of account and documents of a similar nature may be kept and the Company will ensure that all entries in the same relating to the Security and the business of the Company shall at all reasonable times be open for inspection of the Debenture Trustee without any condition and such person or persons as the Debenture Trustee shall, from time to time, in writing for that purpose appoint.

Annual Accounts

The Company shall submit to the Debenture Trustee its duly audited annual accounts, as prescribed under the SEBI Listing Regulations. In case statutory audit is not likely to be completed during this period, the Company shall get its accounts audited by an independent firm of chartered accountants and furnish the same to the Debenture Trustee.

Insurance

The Company shall insure and keep insured up to the replacement value thereof or on such other basis as approved by the Debenture Trustee, the Movable Properties against fire, theft, lightning, explosion, earthquake, strike, lock out, civil commotion, storm, tempest, flood, marine risk, erection risk, war risk and other risk as may be specified by the Debenture Trustee and shall duly pay all premium and other sums payable for the purpose. The insurance in respect of the Movable Properties shall be taken in the joint names of the Company the Debenture Trustee and any other person having a pari passu charge on the Movable Properties and acceptable to the Debenture Trustee. The Company shall submit copies of such insurance policies and renewals thereof with the Debenture Trustee. The Company shall deliver to the Debenture Trustee an Auditors' Certificate as and when requested by the Debenture Trustee certifying the adequacy of insurance coverage for the assets provided as security. In the event of failure on the part of the Company to insure the Movable Properties or to pay the insurance premium or other sums referred to above, the Debenture Trustee may, but shall not be bound to, get the Movable Property insured or pay the insurance premium and other sums referred to above, which shall be reimbursed to the Debenture Trustee by the Company.

Dividend Declaration

The Company shall not declare any dividend to the shareholders in any year until the company has paid or made satisfactory provision for the payment of the instalments of principal and interest due on the NCDs.

Payment of Duties

The Company shall punctually pay all rents, royalties, taxes, rates, levies, cesses, assessments, impositions and outgoings, governmental, municipal or otherwise imposed upon or payable by the Company as and when the same shall become payable and when required by the Debenture Trustees produce the receipts of such payment and also punctually pay and discharge all debts and obligations and liabilities which may have priority over the security created and observe, perform and comply with all covenants and obligations which ought to be observed and performed by the Company in respect of the Security or any part thereof.

Notice of distribution of profits

The Company shall inform the Debenture Trustee prior to declaration or distribution of dividend by the Company.

Succession

Where NCDs are held in joint names and one of the joint holders dies, the survivor(s) will be recognized as the NCD Holder(s). It will be sufficient for our Company to delete the name of the deceased NCD Holder after obtaining satisfactory evidence of his death. Provided, a third person may call on our Company to register his name as successor of the deceased NCD Holder after obtaining evidence such as probate of a will for the purpose of proving his title to the debentures. In the event of demise of the sole or first holder of the Debentures, the Company will recognise the executors or administrator of the deceased NCD Holders, or the holder of the succession certificate or other legal representative as having title to the Debentures only if such executor or administrator obtains and produces probate or letter of administration or is the holder of the succession certificate or other legal representation, as the case may be, from an appropriate court in India. The directors of the Company in their absolute discretion may, in any case, dispense with production of probate or letter of administration or succession certificate or other legal representation. In case of death of NCD Holders who are holding NCDs in dematerialised form, third person is not required to approach the Company to register his name as successor of the deceased NCD Holder. He shall approach the respective Depository Participant of the NCD Holder for this purpose and submit necessary documents as required by the Depository Participant.

Where a non-resident Indian becomes entitled to the NCDs by way of succession, the following steps have to be complied with:

1. Documentary evidence to be submitted to the Legacy Cell of the RBI to the effect that the NCDs were acquired by the non-resident Indian as part of the legacy left by the deceased NCD Holder.

2. Proof that the non-resident Indian is an Indian national or is of Indian origin.

3. Such holding by a non-resident Indian will be on a non-repatriation basis.

Joint-holders

Where two or more persons are holders of any NCD(s), they shall be deemed to hold the same as joint holders with benefits of survivorship subject to other provisions contained in the Articles.

Procedure for Re-materialization of NCDs

NCD Holders who wish to hold the NCDs in physical form may do so by submitting a request to their DP at any time after Allotment in accordance with the applicable procedure stipulated by the DP, in accordance with the Depositories Act and/or rules as notified by the Depositories from time to time. Holders of NCDs who propose to rematerialе their NCDs, would have to mandatorily submit details of their bank mandate along with a copy of any document evidencing that the bank account is in the name of the holder of such NCDs and their Permanent Account Number to the Company and the DP. No proposal for rematerialisation of NCDs would be considered if the aforementioned documents and details are not submitted along with the request for such rematerialisation.

Restriction on transfer of NCDs

There are no restrictions on transfers and transmission of NCDs allotted pursuant to this Issue. Pursuant to the SEBI Listing Regulations, NCDs held in physical form, pursuant to any rematerialisation, as above, cannot be transferred except by way of transmission or transposition, with effect from April 1, 2019.

Neither our Company, nor the Lead Manager, or Trading Members of the Stock Exchange are liable for any failure in uploading the Applications due to failure in any software/hardware systems or otherwise. Please note that the Basis of Allotment under the Issue will be on the basis of date of upload of each application into the electronic book of the Stock Exchange in accordance with the SEBI Master Circular. However, from the date of oversubscription and thereafter, the allotments will be made to the applicants on proportionate basis.

Basis of payment of Interest

NCDs once Allotted under any particular category of NCDs shall continue to bear the applicable tenor, Coupon/Yield and Redemption Amount as at the time of original Allotment irrespective of the category of Debenture Holder on any Record Date, and such Tenor, Coupon/Yield and Redemption Amount as at the time of original Allotment will not be impacted by trading of any options of NCDs between the categories of persons or entities in the secondary market.

Payment of Interest/Redemption Amount will be made to those NCD Holders whose names appear in the register of Debenture Holders (or to first holder in case of joint-holders) as on Record Date.

We may enter into an arrangement with one or more banks in one or more cities for direct credit of interest to the account of the Investors. In such cases, interest, on the interest payment date, would be directly credited to the account of those Investors who have given their bank mandate.

We may offer the facility of NACH, NEFT, RTGS, Direct Credit and any other method permitted by RBI and SEBI from time to time to help NCD Holders. The terms of this facility (including towns where this facility would be available) would be as prescribed by RBI. Please see, *"Terms of the Issue – Manner of Payment of Interest / Redemption Amounts"* at page 191.

Taxation

Income Tax is deductible at source at the rate of 10% on interest on debentures held by resident Indians as per the provisions of Section 193 of the IT Act (in case where interest is paid to Individual or HUF, no TDS will be deducted where interest paid is less than 5,000 and interest is paid by way of account payee cheque).

Further, Tax will be deducted at source at reduced rate, or no tax will be deducted at source in the following cases:

a) When the Assessing Officer issues a certificate on an application by a Debenture Holder on satisfaction that the total income of the Debenture holder justifies no/lower deduction of tax at source as per the provisions of Section 197(1) of the IT Act; and that a valid certificate is filed with the Company/ Registrar, at least 7 days before the relevant record date for payment of debenture interest;

b) When the resident Debenture Holder with Permanent Account Number ('PAN') (not being a company or a firm) submits a declaration as per the provisions of section 197A(1A) of the IT Act in the prescribed Form 15G verified in the prescribed manner to the effect that the tax on his estimated total income of the financial year in which such income is to be included in computing his total income will be Nil. However, under section 197A(1B) of the IT Act, Form 15G cannot be submitted nor considered for exemption from tax deduction at source if the dividend income referred to in section 194, interest on securities, interest, withdrawal from NSS and income from units of mutual fund or of Unit Trust of India as the case may be or the aggregate of the amounts of such incomes credited or paid or likely to be credited or paid during the financial year in which such income is to be included exceeds the maximum amount which is not chargeable to income tax;

c) Senior citizens, who are 60 or more years of age at any time during the financial year, enjoy the special privilege to submit a self-declaration in the prescribed Form 15H for non-deduction of tax at source in accordance with the provisions of section 197A(1C) of the IT Act even if the aggregate income credited or paid or likely to be credited or paid exceeds the maximum amount not chargeable to tax, provided that the tax due on the estimated total income of the year concerned will be Nil.

In all other situations, tax would be deducted at source as per prevailing provisions of the IT Act. However in case of NCD Holders claiming non-deduction or lower deduction of tax at source, as the case may be, the NCD Holder should furnish either (a) a declaration (in duplicate) in the prescribed form i.e. (i) Form 15H which can be given by individuals who are of the age of 60 years or more (ii) Form 15G which can be given by all applicants (other than companies, and firms), or (b) a certificate, from the Assessing Officer which can be obtained by all applicants (including companies and firms) by making an application in the prescribed form i.e. Form No.13. Further, eligible NCD Holders other than resident individuals or resident HUF investors, the following documents should be submitted with the Company/ Registrar, at least 7 days before the relevant record date for payment of debenture interest (i) copy of registration certificate issued by the regulatory authority under which the investor is registered, (ii) self-declaration for non-deduction of tax at source, and (iii) such other document a may be required under the IT Act, for claiming non-deduction / lower deduction of tax at source and/or specified by the Company/ Registrar, from time to time.

The aforesaid documents, as may be applicable, should be submitted at least 7 days before the relevant Record Date for payment of interest on the NCDs quoting the name of the sole/ first NCD Holder, NCD folio number and the distinctive number(s) of the NCD held, to ensure non-deduction/lower deduction of tax at source from interest on the NCD. The aforesaid documents for claiming non-deduction or lower deduction of tax at source, as the case may be, shall be submitted to the Registrar as per below details or any other details as may be updated on the website of the Issuer at www.muthootenterprises.com or the Registrar at www.kfintech.com, from time to time.

The investors need to submit Form 15H/ 15G/certificate in original from the Assessing Officer for each Fiscal during the currency of the NCD to claim non-deduction or lower deduction of tax at source from interest on the NCD. Tax exemption certificate/document, if any, must be lodged at the office of the Registrar to the Issue at least seven days prior to the Record Date or as specifically required, failing which tax applicable on interest will be deducted at source on accrual thereof in our Company's books and/or on payment thereof, in accordance with the provisions of the IT Act and/or any other statutory modification, enactment or notification as the case may be. A tax deduction certificate will be issued for the amount of tax so deducted.

Subject to the terms and conditions in connection with computation of applicable interest on the Record Date, please note that in case the NCDs are transferred and/or transmitted in accordance with the provisions of this Prospectus read with the provisions of the Articles of Association of our Company, the transferee of such NCDs or the deceased holder of NCDs, as the case may be, shall be entitled to any interest which may have accrued on the NCDs.

Subject to the terms and conditions in connection with computation of applicable interest on the Record Date as stated in the section titled "Issue Procedure" on page 197, please note that in case the NCDs are transferred and/or transmitted in accordance with the provisions of this Prospectus read with the provisions of the Articles of Association of our Company, the transferee of such NCDs or the deceased holder of NCDs, as the case may be, shall be entitled to any interest which may have accrued on the NCDs.

Day Count Convention:

Interest shall be computed on actual/actual basis i.e. on the principal outstanding on the NCDs as per the SEBI NCS Master Circular.

Effect of holidays on payments

If the date of payment of interest does not fall on a Working Day, then the interest payment will be made on succeeding Working Day (the "**Effective Date**"), however the calculation for payment of interest will be only till the originally stipulated Interest Payment Date. The dates of the future interest payments would be as per the originally stipulated schedule. Payment of interest will be subject to the deduction of tax as per IT Act or any statutory modification or re-enactment thereof for the time being in force. In case the Redemption Date (also being the last Interest Payment Date) does not fall on a Working Day, the payment will be made on the immediately preceding Working Day, along with coupon/interest accrued on the NCDs until but excluding the date of such payment.

Illustration for guidance in respect of the day count convention and effect of holidays on payments.

The illustration for guidance in respect of the day count convention and effect of holidays on payments, as required by SEBI Master Circular is disclosed at page 313.

Maturity and Redemption

The NCDs issued pursuant to this Prospectus have a fixed maturity date. The NCDs will be redeemed at the expiry of 400 days from the Deemed Date of Allotment for Series I and Series II, 24 months from the Deemed Date of Allotment for Series III and Series IV, 36 months from the Deemed Date of Allotment for Series V and Series VI and 73 Months from the Deemed Date of Allotment for Series VII.

Application Size

Each application should be for a minimum of 10 NCDs and multiples of one NCD thereof. The minimum application size for each application would be ₹ 10,000 (for all kinds of series NCDs either taken individually or

collectively) and in multiples of ₹ 1,000 thereafter.

Applicants can apply for any or all series of NCDs offered hereunder provided the Applicant has applied for minimum application size using the same Application Form.

Applicants are advised to ensure that application made by them do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable statutory and or regulatory provisions.

Terms of Payment

The entire issue price of ₹ 1,000 per NCD is blocked in the ASBA Account on application itself. In case of allotment of lesser number of NCDs than the number of NCDs applied for, our Company shall instruct the SCSBs to unblock the excess amount blocked on application in accordance with the terms of this Prospectus.

Manner of Payment of Interest / Redemption Amounts

The manner of payment of interest / redemption in connection with the NCDs is set out below:

For NCDs held in dematerialised form:

The bank details will be obtained from the Depositories for payment of Interest / redemption amount as the case may be. Holders of the NCDs, are advised to keep their bank account details as appearing on the records of the depository participant updated at all points of time. Please note that failure to do so could result in delays in credit of Interest/ Redemption Amounts at the Applicant's sole risk, and the Lead Manager, our Company or the Registrar shall have no any responsibility and undertake no liability for the same.

For NCDs held in physical form on account of re-materialization:

In case of NCDs held in physical form, on account of rematerialisation, the bank details will be obtained from the documents submitted to the Company along with the rematerialisation request. For further details, please see "*Terms of the Issue – Procedure for Re-materialization of NCDs*" on page 187.

The mode of payment of Interest/Redemption Amount shall be undertaken in the following order of preference:

1. **Direct Credit/ NACH/ RTGS:** Investors having their bank account details updated with the Depository shall be eligible to receive payment of Interest / Redemption Amount, through:

    i. **Direct Credit**. Interest / Redemption Amount would be credited directly to the bank accounts of the Investors, if held with the same bank as the Company.

    ii. **NACH:** National Automated Clearing House which is a consolidated system of ECS. Payment of Interest / Redemption Amount would be done through NACH for Applicants having an account at one of the centres specified by the RBI, where such facility has been made available. This would be subject to availability of complete bank account details including Magnetic Ink Character Recognition ("**MICR**") code wherever applicable from the depository. The payment of Interest / Redemption Amount through NACH is mandatory for Applicants having a bank account at any of the centres where NACH facility has been made available by the RBI (subject to availability of all information for crediting the Interest / Redemption Amount through NACH including the MICR code as appearing on a cheque leaf, from the depositories), except where applicant is otherwise disclosed as eligible to get Interest / Redemption Amount through NEFT or Direct Credit or RTGS.

    iii. **RTGS:** Applicants having a bank account with a participating bank and whose Interest / Redemption Amount exceeds ₹ 2 lakhs, or such amount as may be fixed by RBI from time to time, have the option to receive the Interest / Redemption Amount through RTGS. Such eligible Applicants who indicate their preference to receive Interest / Redemption Amount through RTGS are required to provide the IFSC code in the Application Form or intimate our Company and the Registrar to the Issue at least 7 (seven) working days before the Record Date. Charges, if any, levied by the Applicant's bank receiving the credit would be borne by the Applicant. In the event the same is not provided, Interest / Redemption Amount shall be made through NECS subject to availability of complete bank account

details for the same as stated above.

iv. **NEFT:** Payment of interest / redemption amount shall be undertaken through NEFT wherever the Applicants' bank has been assigned the Indian Financial System Code ("**IFSC**"), which can be linked to a Magnetic Ink Character Recognition ("**MICR**"), if any, available to that particular bank branch. IFSC Code will be obtained from the website of RBI as on a date immediately prior to the date of payment of the Interest / Redemption Amounts, duly mapped with MICR numbers. Wherever the Applicants have registered their nine-digit MICR number and their bank account number while opening and operating the de-mat account, the same will be duly mapped with the IFSC Code of that particular bank branch and the payment of Interest / Redemption Amount will be made to the Applicants through this method.

2. Registered Post/Speed Post: For all other applicants, including those who have not updated their bank particulars with the MICR code, the Interest Payment / Redemption Amount shall be paid by way of Interest / Redemption warrants dispatched through speed post/ registered post only to Applicants, who have provided details of registered address in India.

Printing of Bank Particulars on Interest/ Redemption Warrants

As a matter of precaution against possible fraudulent encashment of interest/ redemption warrants due to loss or misplacement, the particulars of the Applicant's bank account are mandatorily required to be given for printing on the orders/ warrants. In relation to NCDs held in dematerialized form, these particulars would be taken directly from the Depositories. In case of NCDs held in physical form on account of rematerialisation, the NCD Holders are advised to submit their bank account details with our Company/ Registrar to the Issue at least seven days prior to the Record Date failing which the orders/ warrants will be dispatched to the postal address of the NCD Holders as available in the records of our Company.

Bank account particulars will be printed on the orders/ warrants which can then be deposited only in the account specified.

Loan against NCDs

Pursuant to RBI Master Direction no. RBI/DOR/2025-26/373 DOR.FIN.REC.No.292/03-10-119/2025-26 on "Reserve Bank of India (Non-Banking Financial Companies – Miscellaneous) Directions, 2025" dated November 28, 2025, our Company, being an NBFC, is not permitted to extend any loans against the security of its NCDs.

Buy Back of NCDs

Our Company may, at its sole discretion, from time to time, consider, subject to applicable statutory and/or regulatory requirements, buyback of NCDs, upon such terms and conditions as may be decided by our Company.

Our Company may from time to time invite the NCD Holders to offer the NCDs held by them through one or more buy-back schemes and/or letters of offer upon such terms and conditions as our Company may from time to time determine, subject to applicable statutory and/or regulatory requirements. Such NCDs which are bought back may be extinguished, re-issued and/or resold in the open market with a view of strengthening the liquidity of the NCDs in the market, subject to applicable statutory and/or regulatory requirements.

Procedure for Redemption by NCD Holders

The procedure for redemption is set out below:

NCDs held in physical form on account of re-materialization:

No action would ordinarily be required on the part of the NCD Holder at the time of redemption and the redemption proceeds would be paid to those NCD Holders whose names stand in the register of NCD Holders maintained by us on the Record Date fixed for the purpose of Redemption. However, our Company may require that the NCD certificate(s), duly discharged by the sole holder/all the joint-holders (signed on the reverse of the NCD certificate(s)) be surrendered for redemption on maturity and should be sent by the NCD Holder(s) by Registered Post with acknowledgment due or by hand delivery to our office or to such persons at such addresses as may be notified by us from time to time. NCD Holder(s) may be requested to surrender the NCD certificate(s)

in the manner as stated above, not more than three months and not less than one month prior to the redemption date so as to facilitate timely payment.

We may at our discretion redeem the NCDs without the requirement of surrendering of the NCD certificates by the holder(s) thereof. In case we decide to do so, the holders of NCDs need not submit the NCD certificates to us and the redemption proceeds would be paid to those NCD Holders whose names stand in the register of NCD Holders maintained by us on the Record Date fixed for the purpose of redemption of NCDs. In such case, the NCD certificates would be deemed to have been cancelled. Also see "*Terms of Issue – Payment on Redemption*" on page 193.

NCDs held in electronic form:

No action is required on the part of NCD Holder(s) at the time of redemption of NCDs.

Payment on Redemption

The manner of payment of redemption is set out below:

NCDs held in physical form on account of re-materialisation:

The payment on redemption of the NCDs will be made by way of cheque/pay order/ electronic modes. However, if our Company so requires, the aforementioned payment would only be made on the surrender of NCD certificate(s), duly discharged by the sole holder / all the joint-holders (signed on the reverse of the NCD certificate(s). Dispatch of cheques/pay order, etc. in respect of such payment will be made on the Redemption Date or (if so requested by our Company in this regard) within a period of 30 days from the date of receipt of the duly discharged NCD certificate.

In case we decide to do so, the redemption proceeds in the manner stated above would be paid on the redemption date to those NCD Holders whose names stand in the register of debenture holders maintained by us on the Record Date fixed for the purpose of Redemption. Hence the transferees, if any, should ensure lodgment of the transfer documents with us at least seven working days prior to the Record Date. In case the transfer documents are not lodged with us at least seven working days prior to the Record Date and we dispatch the redemption proceeds to the transferor, claims in respect of the redemption proceeds should be settled amongst the parties inter se and no claim or action shall lie against us or the Registrar to the Issue.

Our liability to holder(s) towards their rights including for payment or otherwise shall stand extinguished from the date of redemption in all events and when we dispatch the redemption amounts to the NCD Holder(s).

Further, we will not be liable to pay any interest, income or compensation of any kind from the date of redemption of the NCD(s).

NCDs held in electronic form:

On the redemption date, redemption proceeds would be paid by cheque /pay order / electronic mode to those NCD Holders whose names appear on the list of beneficial owners given by the Depositories to us. These names would be as per the Depositories' records on the Record Date fixed for the purpose of redemption. These NCDs will be simultaneously extinguished to the extent of the amount redeemed through appropriate debit corporate action upon redemption of the corresponding value of the NCDs. It may be noted that in the entire process mentioned above, no action is required on the part of NCD Holders.

Our liability to NCD Holder(s) towards his/their rights including for payment or otherwise shall stand extinguished from the date of redemption in all events and when we dispatch the redemption amounts to the NCD Holder(s).

Further, we will not be liable to pay any interest, income or compensation of any kind from the date of redemption of the NCD(s).

Right to reissue NCD(s)

Subject to the provisions of the Companies Act, 2013, where we have fully redeemed or repurchased any NCD(s),

we shall have and shall be deemed always to have had the right to keep such NCDs in effect without extinguishment thereof, for the purpose of resale or reissue and in exercising such right, we shall have and be deemed always to have had the power to resell or reissue such NCDs either by reselling or reissuing the same NCDs or by issuing other NCDs in their place. The aforementioned right includes the right to reissue original NCDs.

Sharing of information

We may, at our option, use on our own, as well as exchange, share or part with any financial or other information about the NCD Holders available with us and affiliates and other banks, financial institutions, credit bureaus, agencies, statutory bodies, as may be required and neither we or our affiliates nor their agents shall be liable for use of the aforesaid information.

Notices

All notices to the NCD Holder(s) required to be given by us or the Debenture Trustee shall be published in one English language newspaper having wide circulation and one regional language daily newspaper in Kerala and/or will be sent by post/ courier or through email or other electronic media to the Registered Holders of the NCD(s) from time to time.

Issue of duplicate NCD Certificate(s)

If any NCD certificate(s), issued pursuant to rematerialisation, if any, is/are mutilated or defaced or the cages for recording transfers of NCDs are fully utilised, the same may be replaced by us against the surrender of such certificate(s). Provided, where the NCD certificate(s) are mutilated or defaced, the same will be replaced as aforesaid only if the certificate numbers and the distinctive numbers are legible.

If any NCD certificate is destroyed, stolen or lost then upon production of proof thereof to our satisfaction and upon furnishing such indemnity/security and/or documents as we may deem adequate, duplicate NCD certificate(s) shall be issued. Upon issuance of a duplicate NCD certificate, the original NCD certificate shall stand cancelled.

Method of Application

In terms of the SEBI NCS Master Circular, an eligible Investor desirous of applying in this Issue can make Applications through the ASBA mechanism only. Applicants are requested to note that in terms of the SEBI NCS Master Circular, SEBI has mandated issuers to provide, through a recognised stock exchange which offers such a facility, an online interface enabling direct application by investors to a public issue of debt securities with an online payment facility ("**Direct Online Application Mechanism**"). In this regard, SEBI has, through the SEBI NCS Master Circular, directed recognized stock exchanges in India to put in necessary systems and infrastructure for the implementation of the SEBI NCS Master Circular and the Direct Online Application Mechanism infrastructure for the implementation of the SEBI NCS Master Circular and the Direct Online Application Mechanism. Further, SEBI vide the SEBI NCS Master Circular has directed the stock exchanges in India to formulate and disclose the operational procedure for making an application through the app/web based interface developed by them in order for investors to apply in public issue on their websites

All Applicants shall mandatorily apply in the Issue either through:

i. the ASBA process (including UPI Investors). Applicants intending to subscribe in the Issue shall submit a duly filled Application form to any of the Designated Intermediaries; or

ii. UPI Investors having a valid UPI ID, through the app/web based interface platform of the Stock Exchange (BSE Direct) wherein the application would automatically be uploaded onto the Stock Exchange's bidding platform and the amount will be blocked using the UPI Mechanism.

Additionally, certain SEBI registered UPI handles which can be accessed at www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognisedFpi=yes&intmId=40 may also be used for making an Application through the UPI Mechanism.

Application process through physical Application Form

Applicants opting for the physical mode of Application process, should submit the Application Form (including for Applications under the UPI Mechanism) only at the Collection Centres, i.e., to the respective Members of the Syndicate at the Specified Locations, the SCSBs at the Designated Branches, the registered broker at the Broker Centres, the RTAs at the Designated RTA Locations or CDPs at the Designated CDP Locations. Kindly note that Application Forms submitted by Applicants at the Specified Locations will not be accepted if the SCSB with which the ASBA Account, as specified in the Application Form is maintained has not named at least one branch at that location for the Designated Intermediaries for deposit of the Application Forms. A list of such branches is available on SEBI's website *for Applications under the UPI Mechanism* at https://www.sebi.gov.in.

The relevant Designated Intermediaries, upon receipt of Application Forms from ASBA Applicants (including for Applications under the UPI Mechanism), shall upload the details of these Application Forms to the online platform of the Stock Exchange and submit the Application Forms (except Application Forms submitted by UPI Investors under the UPI Mechanism) with the SCSB with whom the relevant ASBA Accounts are maintained. An Applicant shall submit the Application Form, which shall be stamped at the relevant Designated Branch of the SCSB, with

the SCSB and can also be submitted to be the Designated Intermediaries at the Specified Locations. The SCSB shall block an amount in the ASBA Account equal to the Application Amount specified in the Application Form. For Applicants submitting the physical application Form who wish to block the funds in their respective UPI linked bank account through the UPI Mechanism, post uploading of the details of the Application Forms into the online platform of the Stock Exchange, the Stock Exchange shall share the Application details (including UPI ID) with the Sponsor Bank on a continuous basis to enable the Sponsor Bank to initiate a UPI Mandate Request to such UPI Investors for blocking of funds.

Our Company, the Directors, affiliates, associates and their respective directors and officers, Lead Manager and the Registrar to the Issue shall not take any responsibility for acts, mistakes, errors, omissions and commissions etc. in relation to ASBA Applications accepted by the Designated Intermediaries, Applications uploaded by SCSBs, Applications accepted but not uploaded by SCSBs or Applications accepted and uploaded without blocking funds in the ASBA Accounts. It shall be presumed that for Applications uploaded by SCSBs (other than UPI Applications), the Application Amount payable on Application has been blocked in the relevant ASBA Account and for Applications by UPI Investors under the UPI Mechanism, uploaded by Designated Intermediaries, the Application Amount payable on Application has been blocked under the UPI Mechanism.

APPLICATION PROCESS THROUGH APP/WEB BASED INTERFACE OF THE STOCK EXCHANGE – *BSE DIRECT*

SEBI, *vide* the SEBI NCS Master Circular, has introduced an additional mode for application in the Issue through online (app / web) interface/platform of the Stock Exchange. In furtherance to the same, the Stock Exchange has extended the facility of '**BSE Direct**', which is a web based and a mobile app based platform for making an Application in the Issue where the funds can be blocked through the UPI Mechanism. BSE Direct platform can be accessed at **https://www.bsedirect.com** and can be accessed through the mobile app available (for android phone users only) on the Google Playstore.

Please note that Applications in the Issue, through the 'BSE Direct' platform, can only be made by UPI Investors, i.e., Applicants who make an Application in the Issue for an amount up to ₹5 lakh only.

Brokers having online demat account portals may also provide a facility of submitting the Application Forms online to their account holders. Under this facility, a broker receives an online instruction through its portal from the Applicant for making an Application on his/ her behalf. Based on such instruction, and a power of attorney granted by the Applicant to authorise the broker, the broker makes an Application on behalf of the Applicant.

APPLICATIONS FOR ALLOTMENT OF NCDs

This section is for the information of the Applicants proposing to subscribe to the Issue. The Lead Manager and our Company are not liable for any amendments or modifications or changes in applicable laws or regulations, which may occur after the date of this Prospectus. Investors are advised to make their independent investigations and to ensure that the Application Form is correctly filled up.

Our Company, our Directors, affiliates, associates and their respective directors and officers, the Lead Manager and the Registrar to the Issue shall not take any responsibility for acts, mistakes, errors, omissions and commissions etc. in relation to Applications (including Applications under the UPI Mechanism) accepted by and/or uploaded by and/or accepted but not uploaded by Trading Members, registered brokers, CDPs, RTAs and SCSBs who are authorised to collect Application Forms from the Applicants in the Issue, or Applications accepted

and uploaded without blocking funds in the ASBA Accounts by SCSBs or failure to block the Application Amount under the UPI Mechanism. It shall be presumed that for Applications uploaded by SCSBs (other than UPI Applications), the Application Amount payable on Application has been blocked in the relevant ASBA Account and for Applications by UPI Investors under the UPI Mechanism, uploaded by Designated Intermediaries, the Application Amount payable on Application has been blocked under the UPI Mechanism.

The list of branches of the SCSBs at the Specified Locations named by the respective SCSBs to receive Application Forms from the Members of the Syndicate is available on the website of SEBI (https://www.sebi.gov.in) and updated from time to time or any such other website as may be prescribed by SEBI from time to time. For more information on such branches collecting Application Forms from the Syndicate at Specified Locations, see the website of the SEBI (https://www.sebi.gov.in) as updated from time to time or any such other website as may be prescribed by SEBI from time to time. The list of registered brokers at the Broker Centres, CDPs at the Designated CDP Locations or the RTAs at the Designated RTA Locations, respective lists of which, including details such as address and telephone number, are available at the website of the Stock Exchange at www.bseindia.com. The list of branches of the SCSBs at the Broker Centres, named by the respective SCSBs to receive deposits of the Application Forms from the registered brokers will be available on the website of the SEBI (www.sebi.gov.in) and updated from time to time.

Submission of Applications

Applications can be submitted through either of the following modes:

(a) Physically or electronically to the Designated Branches of the SCSB(s) with whom an Applicant's ASBA Account is maintained. In case of Application in physical mode, the Applicant shall submit the Application Form at the relevant Designated Branch of the SCSB(s). The Designated Branch shall verify if sufficient funds equal to the Application Amount are available in the ASBA Account and shall also verify that the signature on the Application Form matches with the Investor's bank records, as mentioned in the Application Form, prior to uploading such Application into the electronic system of the Stock Exchange. If sufficient funds are not available in the ASBA Account, the respective Designated Branch shall reject such Application and shall not upload such Application in the electronic system of the Stock Exchange. If sufficient funds are available in the ASBA Account, the Designated Branch shall block an amount equivalent to the Application Amount and upload details of the Application in the electronic system of the Stock Exchange. The Designated Branch of the SCSBs shall stamp the Application Form and issue an acknowledgement as proof of having accepted the Application.

In case of Application being made in the electronic mode, the Applicant shall submit the Application either through the internet banking facility available with the SCSB, or such other electronically enabled mechanism for application and blocking funds in the ASBA Account held with SCSB, and accordingly registering such Application.

(b) Physically through the Designated Intermediaries at the respective Collection Centres. Kindly note that above Applications submitted to any of the Designated Intermediaries will not be accepted if the SCSB where the ASBA Account is maintained, as specified in the Application Form, has not named at least one branch at that Collection Center where the Application Form is submitted (a list of such branches is available at https://www.sebi.gov.in).

(c) A UPI Investor making an Application in the Issue under the UPI Mechanism, where the Application Amount is upto ₹ 5 lakhs, can submit his Application Form physically to a SCSB or a Designated Intermediary. The Designated Intermediary shall upload the application details along with the UPI ID on the Stock Exchange's bidding platform using appropriate protocols. Kindly note that in this case, the Application Amount will be blocked through the UPI Mechanism.

(d) A UPI Investor may also submit the Application Form for the Issue through BSE Direct, wherein the Application will be automatically uploaded onto the Stock Exchange's bidding platform and an amount equivalent to the Application Amount shall be blocked using the UPI Mechanism.

Upon receipt of the Application Form by the Designated Intermediaries, an acknowledgement shall be issued by the relevant Designated Intermediary, giving the counter foil of the Application Form to the Applicant as proof of having accepted the Application. Thereafter, the details of the Application shall be uploaded in the electronic system of the Stock Exchange. Post which:

(i) ***for Applications other than under the UPI Mechanism*** – the Application Form shall be forwarded to the relevant branch of the SCSB, in the relevant Collection Center, named by such SCSB to accept such Applications from the Designated Intermediaries (a list of such branches is available at https://www.sebi.gov.in). Upon receipt of the Application Form, the relevant branch of the SCSB shall perform verification procedures including verification of the Applicant's signature with his bank records and check if sufficient funds equal to the Application Amount are available in the ASBA Account, as mentioned in the Application Form. If sufficient funds are not available in the ASBA Account, the relevant Application Form is liable to be rejected. If sufficient funds are available in the ASBA Account, the relevant branch of the SCSB shall block an amount equivalent to the Application Amount mentioned in the Application Form.

(ii) ***for Applications under the UPI Mechanism*** – once the Application details have been entered in the bidding platform through Designated Intermediaries or BSE Direct, the Stock Exchange shall undertake validation of the PAN and Demat account combination details of the Applicant with the Depository. The Depository shall validate the PAN and Demat account details and send response to the Stock Exchange which would be shared by the Stock Exchange with the relevant Designated Intermediary through its platform, for corrections, if any. Post uploading of the Application details on the Stock Exchange's platform, the Stock Exchange shall send an SMS to the Applicant regarding submission of the Application. Post undertaking validation with the Depository, the Stock Exchange shall, on a continuous basis, electronically share the bid details along with the Applicants UPI ID, with the Sponsor Bank appointed by our Company. The Sponsor Bank shall then initiate a UPI Mandate Request on the Applicant. The request raised by the Sponsor Bank, would be electronically received by the Applicant as an SMS or on the mobile app, associated with the UPI ID linked bank account. The Applicant shall then be required to authorise the UPI Mandate Request. Upon successful validation of block request by the Applicant, the information would be electronically received by the Applicants' bank, where the funds, equivalent to Application Amount, would get blocked in the Applicant's ASBA Account. The status of block request would also be shared with the Sponsor Bank, which in turn would be shared with the Stock Exchange. The block request status would also be displayed on the Stock Exchange platform for information of the Designated Intermediary.

The Application Amount shall remain blocked in the ASBA Account until approval of the Basis of Allotment and consequent transfer of the amount against the Allotted NCDs to the Public Issue Account(s), or until withdrawal/failure of this Issue or until withdrawal/ rejection of the Application Form, as the case may be.

Applicants must note that:

(a) Application Forms will be available with the Designated Branches of the SCSBs and with the Designated Intermediaries at the respective Collection Centres; and electronic Application Forms will be available on the websites of the SCSBs and the Stock Exchange at least one day prior to the Issue Opening Date. Physical Application Forms will also be provided to the Trading Members of the Stock Exchange at their request. The Application Forms would be serially numbered. Further, the SCSBs will ensure that this Prospectus is made available on their websites. The physical Application Form submitted to the Designated Intermediaries shall bear the stamp of the relevant Designated Intermediary. In the event the Application Form does not bear any stamp, the same shall be liable to be rejected.

(b) The Designated Branches of the SCSBs shall accept Application Forms directly from Applicants only during the Issue Period. The SCSBs shall not accept any Application Forms directly from Applicants after the closing time of acceptance of Applications on the Issue Closing Date. However, the relevant branches of the SCSBs at Specified Locations can accept Application Forms from the Designated Intermediaries, after the closing time of acceptance of Applications on the Issue Closing Date, if the Applications have been uploaded. For further information on the Issue programme, please see "*General Information – Issue Programme*" on page 44. Physical Application Forms directly submitted to SCSBs should bear the stamp of SCSBs, if not, the same are liable to be rejected.

Please note that Applicants can make an Application for Allotment of NCDs in the dematerialised form only.

- A system generated acknowledgement (TRS) will be given to the Applicant as a proof of the registration of each Application. It is the Applicant's responsibility to obtain the acknowledgement from the Designated Intermediaries and the Designated Branches of the SCSBs, as the case may be.

- In case of any revision of Application in connection with any of the fields which are not allowed to be modified on the electronic application platform of the Stock Exchanges as per the procedures and requirements prescribed by each relevant Stock Exchange, the Applicants should ensure that they have first withdrawn their original Application and submit a fresh Application.

The series, mode of allotment, PAN, demat account no. etc. should be captured by the relevant Designated Intermediaries in the data entries as such data entries will be considered for Allotment.

Applicants should note that neither the Designated Intermediaries nor the SCSBs, as the case may be, will be liable for error in data entry due to incomplete or illegible Application Forms.

B. Applicant's Beneficiary Account Details

Applicants must mention their DP ID, Client ID and UPI ID (wherever applicable) in the Application Form and ensure that the name provided in the Application Form is exactly the same as the name in which the Beneficiary Account is held. In case the Application Form is submitted in the first Applicant's name, it should be ensured that the Beneficiary Account is held in the same joint names and in the same sequence in which they appear in the Application Form. In case the DP ID, Client ID, PAN and UPI ID (wherever applicable) mentioned in the Application Form and entered into the electronic system of the Stock Exchange do not match with the DP ID, Client ID, PAN and UPI ID (wherever applicable) available in the Depository database or in case PAN is not available in the Depository database, the Application Form is liable to be rejected. Further, Application Forms submitted by Applicants whose beneficiary accounts are inactive, will be rejected.

On the basis of the Demographic Details as appearing on the records of the DP, the Registrar to the Issue will take steps towards demat credit of NCDs. Hence, Applicants are advised to immediately update their Demographic Details as appearing on the records of the DP and ensure that they are true and correct, and carefully fill in their Beneficiary Account details in the Application Form. Failure to do so could result in delays in demat credit and neither our Company, Designated Intermediaries, SCSBs, Registrar to the Issue nor the Stock Exchange will bear any responsibility or liability for the same.

In case of Applications made under power of attorney, our Company in its absolute discretion, reserves the right to permit the holder of power of attorney to request the Registrar that for the purpose of printing particulars on the Allotment Advice, the Demographic Details obtained from the Depository of the Applicant shall be used.

By signing the Application Form, the Applicant would have deemed to have authorized the Depositories to provide, upon request, to the Registrar to the Issue, the required Demographic Details as available on its records. The Demographic Details given by Applicant in the Application Form would not be used for any other purpose by the Registrar to the Issue except in relation to this Issue. Allotment Advice would be mailed by speed post or registered post at the address of the Applicants as per the Demographic Details received from the Depositories.

Applicants may note that delivery of Allotment Advice may get delayed if the same once sent to the address obtained from the Depositories are returned undelivered. Further, please note that any such delay shall be at such Applicants' sole risk and neither our Company, Registrar to the Issue, Public Issue Account Bank, Sponsor Bank nor the Lead Manager shall be liable to compensate the Applicant for any losses caused to the Applicants due to any such delay or liable to pay any interest for such delay. In case of refunds through electronic modes as detailed in this Prospectus, refunds may be delayed if bank particulars obtained from the Depository Participant are incorrect.

With effect from August 16, 2010, the beneficiary accounts of Applicants for whom PAN details have not been verified shall be suspended for credit and no credit of NCDs pursuant to this Issue will be made into the accounts of such Applicants. **Application Forms submitted by Applicants whose beneficiary accounts are inactive shall be rejected. Furthermore, in case no corresponding record is available with the Depositories, which matches the parameters, namely, DP ID, Client ID, PAN and UPI ID (wherever applicable) then such Application are liable to be rejected.**

C. Permanent Account Number

The Applicant should mention his or her Permanent Account Number allotted under the IT Act. For minor Applicants, applying through the guardian, it is mandatory to mention the PAN of the minor Applicant. However, Applications on behalf of the Central or State Government officials and the officials appointed by the courts in terms of the SEBI Registrar Master Circular and Applicants residing in the state of Sikkim who in terms of the SEBI Master Circular on Know Your Client (KYC) Norms for the Securities Market bearing reference number SEBI/HO/MIRSD/SECFATF/P/CIR/2023/169 dated October 12, 2023 ("**SEBI KYC Circular**") may be exempt from specifying their PAN for transacting in the securities market. In accordance with SEBI Registrar Master Circular, the PAN would be the sole identification number for the participants transacting in the securities market, irrespective of the amount of transaction. **Any Application Form, without the PAN is liable to be rejected, irrespective of the amount of transaction. It is to be specifically noted that the Applicants should not submit the GIR number instead of the PAN as the Application is liable to be rejected on this ground.**

However, the exemption for the Central or State Government and the officials appointed by the courts and for investors residing in the State of Sikkim is subject to the Depository Participants' verifying the veracity of such claims by collecting sufficient documentary evidence in support of their claims. At the time of ascertaining the validity of these Applications, the Registrar to the Issue will check under the Depository records for the appropriate description under the PAN Field i.e., either Sikkim category or exempt category.

D. Joint Applications

Applications may be made in single or joint names (not exceeding three). In the case of joint Applications all interest / redemption amount payments will be made out in favour of the first Applicant. All communications will be addressed to the first named Applicant whose name appears in the Application Form and at the address mentioned therein. If the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form.

E. Additional/Multiple Applications

An Applicant is allowed to make one or more Applications for the NCDs for the same or other option of NCDs, subject to a minimum Application size as specified in this Prospectus and in multiples of thereafter as specified in this Prospectus. **Any Application for an amount below the aforesaid minimum Application size will be deemed as an invalid Application and shall be rejected.** However, multiple Applications by the same individual Applicant aggregating to a value exceeding ₹ 5 lakhs shall be deemed such individual Applicant to be an HNI Applicant and all such Applications shall be grouped in the HNI Portion, for the purpose of determining the Basis of Allotment to such Applicant. However, any Application made by any person in his individual capacity and an Application made by such person in his capacity as a Karta of a Hindu Undivided family and/or as Applicant (second or third Applicant), shall not be deemed to be a multiple Application. For the purposes of allotment of NCDs under this Issue, Applications shall be grouped based on the PAN, i.e., Applications under the same PAN shall be grouped together and treated as one Application. Two or more Applications will be deemed to be multiple Applications if the sole or first Applicant is one and the same. For the sake of clarity, two or more applications shall be deemed to be a multiple Application for the aforesaid purpose if the PAN number of the sole or the first

Applicant is one and the same.

t. The RTA, based on information of bidding and blocking received from the Stock Exchange, shall undertake reconciliation of the bid data and block confirmation corresponding to the bids by all investor category applications (with and without the use of UPI) and prepare the basis of allotment.

u. Upon approval of the basis of allotment, the RTA shall share the 'debit' file with Sponsor bank (through Stock Exchange) and SCSBs, as applicable, for credit of funds in the public issue account and unblocking of excess funds in the investor's account. The Sponsor Bank, based on the mandate approved by the investor at the time of blocking of funds, shall raise the debit / collect request from the investor's bank account, whereupon funds will be transferred from investor's account to the public issue account and remaining funds, if any, will be unblocked without any manual intervention by investor or their bank.

v. Upon confirmation of receipt of funds in the public issue account, the securities would be credited to the investor's account. The investor will be notified for full/partial allotment. For partial allotment, the remaining funds would be unblocked. For no allotment, mandate would be revoked and application amount would be unblocked for the investor.

w. Thereafter, Stock Exchange will issue the listing and trading approval. Further, in accordance with the Operational Instructions and Guidelines for Making Application for Public Issue of Debt Securities through BSE Direct issued by BSE on December 28, 2020 the investor shall also be responsible for the following:

   i. Investor shall check the Issue details before placing desired bids;
   ii. Investor shall check and understand the UPI mandate acceptance and block of funds process before placing the bid;
   iii. The receipt of the SMS for mandate acceptance is dependent upon the system response/ integration of UPI on Debt Public Issue System;
   iv. Investor shall accept the UPI Mandate Requests within the stipulated timeline;
   v. Investor shall note that the transaction will be treated as completed only after the acceptance of mandates by the investor by way of authorising the transaction by entering their UPI pin and successfully blocking funds through the ASBA process by the investor's bank;
   vi. Investor shall check the status of their bid with respect to the mandate acceptance and blocking of funds for the completion of the transaction; and
   vii. In case the investor does not accept the mandate within stipulated timelines, in such case their bid will not be considered for allocation.

x. The Investors are advised to read the operational guidelines mentioned for Making Application for Public Issue of Debt Securities through BSE Direct issued by BSE on December 28, 2020 before investing through the through the app/ web interface of Stock Exchange(s).

Do's and Don'ts

Applicants are advised to take note of the following while filling and submitting the Application Form:

Do's

1. Check if you are eligible to apply as per the terms of this Prospectus and applicable law, rules, regulations, guidelines and approvals.

2. Read all the instructions carefully and complete the Application Form in the prescribed form.

3. Ensure that you have obtained all necessary approvals from the relevant statutory and/or regulatory authorities

to apply for, subscribe to and/or seek Allotment of NCDs pursuant to this Issue.

4. Ensure that the DP ID, the Client ID and the PAN mentioned in the Application Form, which shall be entered into the electronic system of the Stock Exchange are correct and match with the DP ID, Client ID and PAN available in the Depository database. Ensure that the DP ID, Client ID, PAN and UPI ID (wherever applicable) are correct and the depository account is active as Allotment of the NCDs will be in dematerialized form only. The requirement for providing Depository Participant details is mandatory for all Applicants.

5. Ensure that you have mentioned the correct ASBA Account number (for all Applicants other than UPI Investors applying using the UPI Mechanism) in the Application Form. Further, UPI Investors using the UPI Mechanism must also mention their UPI ID.

6. UPI Investors applying using the UPI Mechanism shall ensure that the bank, with which they have their bank account, where the funds equivalent to the application amount are available for blocking, is certified by NPCI before submitting the ASBA Form to any of the Designated Intermediaries.

7. UPI Investors applying using the UPI Mechanism through the SCSBs and mobile applications shall ensure that the name of the bank appears in the list of SCSBs which are live on UPI, as displayed on the SEBI website. UPI Investors shall ensure that the name of the app and the UPI handle which is used for making the application appears on the list displayed on the SEBI website. An application made using incorrect UPI handle or using a bank account of a SCSB or bank which is not mentioned on the SEBI website is liable to be rejected.

8. Ensure that the Application Form is signed by the ASBA Account holder (or the UPI-linked bank account holder, as the case may be) in case the Applicant is not the ASBA account holder. Applicants (except UPI Investors making an Application using the UPI Mechanism) should ensure that they have an account with a SCSB and have mentioned the correct bank account number of that SCSB in the Application Form. UPI Investors applying using the UPI Mechanism should ensure that they have mentioned the correct UPI- linked bank account number and their correct UPI ID in the Application Form.

9. Ensure that you have funds equal to the Application Amount in the ASBA Account before submitting the Application Form to the respective Designated Branch of the SCSB, or to the Designated Intermediaries, as the case may be.

10. UPI Investors making an Application using the UPI Mechanism, should ensure that they approve the UPI Mandate Request generated by the Sponsor Bank to authorise blocking of funds equivalent to Application Amount and subsequent debit of funds in case of Allotment, in a timely manner.

11. UPI Investors making an Application using the UPI Mechanism shall ensure that details of the Application are reviewed and verified by opening the attachment in the UPI Mandate Request and then proceed to authorise the UPI Mandate Request using their UPI PIN. Upon the authorization of the mandate using their UPI PIN, the UPI Investor may be deemed to have verified the attachment containing the application details of the UPI Investor making and Application using the UPI Mechanism in the UPI Mandate Request and have agreed to block the entire Application Amount and authorized the Sponsor Bank to issue a request to block the Application Amount mentioned in the ASBA Form in their ASBA Account.

12. UPI Investors making an Application using the UPI Mechanism should mention valid UPI ID of only the Applicants (in case of single account) and of the first Applicant (in case of joint account) in the ASBA Form.

13. UPI Investors making an Application using the UPI Mechanism, who have revised their Application subsequent to making the initial Application, should also approve the revised UPI Mandate Request generated by the Sponsor Bank to authorise blocking of funds equivalent to the revised Application Amount in their account and in case of Allotment in a timely manner.

14. Ensure that the Application Forms are submitted at the Designated Branches of SCSBs or the Collection Centres provided in the Application Forms, bearing the stamp of the relevant Designated Intermediary/Designated Branch of the SCSB.

15. Before submitting the Application Form with the Designated Intermediaries ensure that the SCSB, whose name has been filled in the Application Form, has named a branch in that relevant Collection Centre.

16. Ensure that you have been given an acknowledgement as proof of having accepted the Application Form.

17. Ensure that signatures other than in the languages specified in the Eighth Schedule to the Constitution of India is attested by a Magistrate or a Notary Public or a Special Executive Magistrate under official seal.

18. In case of an HUF applying through its Karta, the Applicant is required to specify the name of an Applicant in the Application Form as 'XYZ Hindu Undivided Family applying through PQR', where PQR is the name of the Karta. However, the PAN number of the HUF should be mentioned in the Application Form and not that of the Karta.

19. Ensure that the Applications are submitted to the Designated Intermediaries or Designated Branches of the SCSBs, as the case may be, before the closure of application hours on the Issue Closing Date. For further information on the Issue programme, please see "*General Information – Issue Programme*" on page 37.

20. **Permanent Account Number:** Except for Application (i) on behalf of the Central or State Government and officials appointed by the courts, and (ii) (subject to SEBI KYC Circular) from the residents of the state of Sikkim, each of the Applicants should provide their PAN. Application Forms in which the PAN is not provided will be rejected. The exemption for the Central or State Government and officials appointed by the courts and for investors residing in the State of Sikkim is subject to (a) the Demographic Details received from the respective depositories confirming the exemption granted to the beneficiary owner by a suitable description in the PAN field and the beneficiary account remaining in "active status"; and (b) in the case of residents of Sikkim, the address as per the Demographic Details evidencing the same.

21. Ensure that if the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form.

22. All Applicants should choose the relevant series in the column "Category of Investor" in the Application Form.

23. Choose and mark the Series of NCDs in the Application Form that you wish to apply for.

In terms of SEBI NCS Master Circular, SCSBs making applications on their own account using ASBA facility, should have a separate account in their own name with any other SEBI registered SCSB. Further, such account shall be used solely for the purpose of making application in public issues and clear demarcated funds should be available in such account for Applications.

Don'ts:

1. Do not apply for lower than the minimum Application size.

2. Do not pay the Application Amount in cash, by cheque, by money order or by postal order or by stock invest.

3. Do not send Application Forms by post. Instead submit the same to the Designated Intermediaries or Designated Branches of the SCSBs, as the case may be.

7. Do not submit the GIR number instead of the PAN as the Application is liable to be rejected on this ground.

8. Do not submit incorrect details of the DP ID, Client ID, PAN and UPI ID (wherever applicable) or provide details for a beneficiary account which is suspended or for which details cannot be verified by the Registrar

to the Issue.

9. Do not submit the Application Form without ensuring that funds equivalent to the entire Application Amount are available for blocking in the relevant ASBA Account or in the case of UPI Investors making and Application using the UPI Mechanism, in the UPI-linked bank account where funds for making the Application are available.

10. Do not submit Applications on plain paper or on incomplete or illegible Application Forms.

11. Do not apply if you are not competent to contract under the Indian Contract Act, 1872.

12. Do not submit an Application in case you are not eligible to acquire NCDs under applicable law or your relevant constitutional documents or otherwise.

13. Do not submit Applications to a Designated Intermediary at a location other than Collection Centres.

14. Do not submit an Application that does not comply with the securities law of your respective jurisdiction.

15. Do not apply if you are a person ineligible to apply for NCDs under this Issue including Applications by Persons Resident Outside India, NRI (inter-alia including NRIs who are (i) based in the USA, and/or, (ii) domiciled in the USA, and/or, (iii) residents/citizens of the USA, and/or, (iv) subject to any taxation laws of the USA).

16. Do not make an Application of the NCD on multiple copies taken of a single form.

17. Payment of Application Amount in any mode other than through blocking of Application Amount in the ASBA Accounts shall not be accepted in the Issue.

18. Do not link the UPI ID with a bank account maintained with a bank that is not UPI 2.0 certified by the NPCI in case of Bids submitted by UPI Investors using the UPI Mechanism.

19. Do not submit more than five Application Forms per ASBA Account.

20. Bidding through the UPI Mechanism using the incorrect UPI handle or using a bank account of an SCSB and/or mobile appications which are not mentioned in the list provided in the SEBI.

21. If you are a Retail Individual Investor who is submitting the ASBA Application with any of the Designated Intermediaries and using your UPI ID for the purpose of blocking of funds, do not use any third party bank account or third-party linked bank account UPI ID.

Please also see "*Key Regulations and Policies – Operational Instructions*" on page 269.

Kindly note that Applications submitted to the Designated Intermediaries will not be accepted if the SCSB where the ASBA Account, as specified in the Application Form, is maintained has not named at least one branch at that location for the Designated Intermediaries, to deposit such Application Forms (A list of such branches is available at https://www.sebi.gov.in).

Please see "*Issue Procedure – Rejection of Applications*" on page 221 for information on rejection of Applications.

TERMS OF PAYMENT

The Application Forms will be uploaded onto the electronic system of the Stock Exchange and deposited with the relevant branch of the SCSB at the Collection Centres, named by such SCSB to accept such Applications from the Designated Intermediaries, as the case may be (a list of such branches is available at https://www.sebi.gov.in).

For Applications other than those under the UPI Mechanism, the relevant branch of the SCSB shall perform verification procedures and block an amount in the ASBA Account equal to the Application Amount specified in the Application. For Applications under the UPI Mechanism, i.e., up to ₹ 5 lakhs, the Stock Exchange shall undertake validation of the PAN and Demat account combination details of the Applicant with the Depository. The Depository shall validate the PAN and Demat account details and send response to the Stock Exchange which

would be shared by the Stock Exchange with the relevant Designated Intermediary through its platform, for corrections, if any. The blocking of funds in such case (not exceeding ₹ 5 lakhs) shall happen under the UPI Mechanism.

The entire Application Amount for the NCDs is payable on Application only. The relevant SCSB shall block an amount equivalent to the entire Application Amount in the ASBA Account at the time of upload of the Application Form. In case of Allotment of lesser number of NCDs than the number applied, the Registrar to the Issue shall instruct the SCSBs or the Sponsor Bank (as the case maybe) to unblock the excess amount in the ASBA Account.

For Applications submitted directly to the SCSBs, the relevant SCSB shall block an amount in the ASBA Account equal to the Application Amount specified in the Application, before entering the Application into the electronic system of the Stock Exchange. SCSBs may provide the electronic mode of application either through an internet enabled application and banking facility or such other secured, electronically enabled mechanism for application and blocking of funds in the ASBA Account.

For Applications submitted under the UPI Mechanism, post the successful validation of the UPI Mandate Request by the Applicant, the information would be electronically received by the Applicants' bank, where the funds, equivalent to Application Amount, would get blocked in the Applicant's ASBA Account.

Applicants should ensure that they have funds equal to the Application Amount in the ASBA Account before submitting the Application. An Application where the corresponding ASBA Account does not have sufficient funds equal to the Application Amount at the time of blocking the ASBA Account is liable to be rejected.

A UPI Investor applying through the UPI Mechanism should ensure that, they check the relevant SMS generated for the UPI Mandate Request and all other steps required for successful blocking of funds in the UPI linked bank account, which includes accepting the UPI Mandate Request by 5:00 pm on the third Working Day from the day of bidding on the Stock Exchange (except on the last day of the Issue Period, where the UPI Mandate Request not having been accepted by 5:00 pm of the Issue Closing Date), have been completed.

The Application Amount shall remain blocked in the ASBA Account until approval of the Basis of Allotment and consequent transfer of the amount against the Allotted NCDs to the Public Issue Account(s), or until withdrawal/ failure of this Issue or until withdrawal/ rejection of the Application Form, as the case may be. Once the Basis of Allotment is approved, and upon receipt of intimation from the Registrar, the controlling branch of the SCSB shall, on the Designated Date, transfer such blocked amount from the ASBA Account to the Public Issue Account. The balance amount remaining after the finalisation of the Basis of Allotment shall be unblocked by the SCSBs or the Sponsor Bank (in case of Applications under the UPI Mechanism) on the basis of the instructions issued in this regard by the Registrar to the respective SCSB or the Sponsor Bank, within three Working Days of the Issue Closing Date. The Application Amount shall remain blocked in the ASBA Account until transfer of the Application Amount to the Public Issue Account, or until withdrawal/ failure of this Issue or until rejection of the Application, as the case may be.

SUBMISSION OF COMPLETED APPLICATION FORMS

Mode of Submission of Application Forms	To whom the Application Form has to be submitted
ASBA Applications	(i) If using physical Application Form, (a) to the Designated Intermediaries at relevant Collection Centres, or (b) to the Designated Branches of the SCSBs where the ASBA Account is maintained; or (ii) If using electronic Application Form, to the SCSBs, electronically through internet banking facility, if available.
Applications under the UPI Mechanism	(i) Through the Designated Intermediary, physically or electronically, as applicable; or (ii) Through BSE Direct

No separate receipts will be issued for the Application Amount payable on submission of Application Form. However, the Designated Intermediaries will acknowledge the receipt of the Application Forms by stamping the

date and returning to the Applicants an Acknowledgement Slips which will serve as a duplicate Application Form for the records of the Applicant.

Electronic Registration of Applications

(a) The Designated Intermediaries and Designated Branches of the SCSBs, as the case may be, will register the Applications (including those under the UPI Mechanism) using the on-line facilities of the Stock Exchange. **The Members of Syndicate, our Company and the Registrar to the Issue or the Lead Manager is not responsible for any acts, mistakes or errors or omission and commissions in relation to, (i) the Applications accepted by the SCSBs, (ii) the Applications uploaded by the SCSBs, (iii) the Applications accepted but not uploaded by the SCSBs, (iv) with respect to Applications accepted and uploaded by the SCSBs without blocking funds in the ASBA Accounts, (v) any Applications accepted and uploaded and/or not uploaded by the Trading Members of the Stock Exchange or (vi) any Application made under the UPI Mechanism, accepted or uploaded or failed to be uploaded by a Designated Intermediary or through the app/web based interface of the Stock Exchange and the corresponding failure for blocking of funds under the UPI Mechanism.**

In case of apparent data entry error by the Designated Intermediaries or Designated Branches of the SCSBs, as the case may be, in entering the Application Form number in their respective schedules other things remaining unchanged, the Application Form may be considered as valid and such exceptions may be recorded in minutes of the meeting submitted to the Designated Stock Exchange. However, the option, mode of allotment, PAN, demat account no. etc. should be captured by the relevant Designated Intermediaries or Designated Branches of the SCSBs in the data entries as such data entries will be considered for Allotment/rejection of Application.

(b) The Stock Exchange will offer an electronic facility for registering Applications for this Issue. This facility will be available on the terminals of Designated Intermediaries and the SCSBs during the Issue Period. The Designated Intermediaries can also set up facilities for off-line electronic registration of Applications subject to the condition that they will subsequently upload the off-line data file into the on-line facilities for Applications on a regular basis, and before the expiry of the allocated time on this Issue Closing Date. On the Issue Closing Date, the Designated Intermediaries and the Designated Branches of the SCSBs shall upload the Applications till such time as may be permitted by the Stock Exchange. This information will be available with the Designated Intermediaries and the Designated Branches of the SCSBs on a regular basis. Applicants are cautioned that a high inflow of high volumes on the last day of the Issue Period may lead to some Applications received on the last day not being uploaded and such Applications will not be considered for allocation. For further information on the Issue programme, please see "*General Information – Issue Programme*" on page 44.

(c) With respect to Applications submitted directly to the SCSBs at the time of registering each Application, the Designated Branches of the SCSBs shall enter the requisite details of the Applicants in the on-line system including:

- Application Form number

- UPI ID (if applicable)
- Option of NCDs applied for
- Number of NCDs Applied for in each option of NCD
- Price per NCD
- Bank code for the SCSB where the ASBA Account is maintained
- Bank account number
- Location
- Application amount

(e) A system generated acknowledgement (TRS) will be given to the Applicant as a proof of the registration of each Application. It is the Applicant's responsibility to obtain the acknowledgement from the Designated Intermediaries and the Designated Branches of the SCSBs, as the case may be. The registration of the Application by the Designated Intermediaries and the Designated Branches of the SCSBs, as the case may be, does not guarantee that the NCDs shall be allocated/ Allotted by our Company. The acknowledgement will be non-negotiable and by itself will not create any obligation of any kind.

(f) Applications can be rejected on the technical grounds listed below or if all required information is not provided or the Application Form is incomplete in any respect.

(g) The permission given by the Stock Exchange to use its network and software of the online system should not in any way be deemed or construed to mean that the compliance with various statutory and other requirements by our Company, the Lead Manager are cleared or approved by the Stock Exchange; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the compliance with the statutory and other requirements nor does it take any responsibility for the financial or other soundness of our Company, the management or any scheme or project of our Company; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this Prospectus; nor does it warrant that the NCDs will be listed or will continue to be listed on the Stock Exchange

(h) **Only Applications that are uploaded on the online system of the Stock Exchange shall be considered for allocation/ Allotment**. The Designated Intermediaries and the Designated Branches of the SCSBs shall capture all data relevant for the purposes of finalizing the Basis of Allotment while uploading Application data in the electronic systems of the Stock Exchange. In order that the data so captured is accurate the

Designated Intermediaries and the Designated Branches of the SCSBs will be given up to one Working Day after the Issue Closing Date to modify/ verify certain selected fields uploaded in the online system during the Issue Period after which the data will be sent to the Registrar for reconciliation with the data available with the NSDL and CDSL.

For information on certain procedures to be carried out by the Registrar to the Issue for finalization of the Basis of Allotment, please see "*Information for Applicants*" below.

Information for Applicants

Upon the closure of the Issue, the Registrar to the Issue will reconcile the compiled data received from the Stock Exchange and all SCSBs and match the same with the Depository database for correctness of DP ID, Client ID, UPI ID (where applicable) and PAN. The Registrar to the Issue will undertake technical rejections based on the electronic details and the Depository database and prepare list of technical rejection cases. In case of any discrepancy between the electronic data and the Depository records, our Company, in consultation with the Designated Stock Exchange, the Lead Manager and the Registrar to the Issue, reserves the right to proceed as per the Depository records for such Applications or treat such Applications as rejected.

Based on the information provided by the Depositories, our Company shall have the right to accept Applications belonging to an account for the benefit of a minor (under guardianship).

In case of Applications for a higher number of NCDs than specified for that category of Applicant, only the maximum amount permissible for such category of Applicant will be considered for Allotment.

Mode of making refunds

The Registrar shall instruct the relevant SCSB or in case of bids by Retail Individual Investors and High Net Worth Individual Investors applying through the UPI Mechanism to the Sponsor Bank, to revoke the mandate and to unblock the funds in the relevant ASBA Account to the extent of the Application Amount specified in the Application Forms for withdrawn, rejected or unsuccessful or partially successful Applications within 2 (two) Working Days of the Issue Closing Date.

Our Company and the Registrar shall credit the allotted NCDs to the respective beneficiary accounts, within 2 (two) Working Days from the Issue Closing Date. We may enter into an arrangement with one or more banks in one or more cities for refund to the account of the applicants through Direct Credit/RTGS/NEFT/NACH.

Further,

a. Allotment of NCDs in the Issue shall be made within time period stipulated by SEBI;

b. Credit to dematerialised accounts will be given within one Working Day from the Date of Allotment;

c. Interest at a rate of 15% per annum will be paid if the Allotment has not been made and/or the refund has not been effected within 2 (two) Working Days from the Issue Closing Date; and

d. Our Company will provide adequate funds to the Registrar for this purpose

BASIS OF ALLOTMENT

Basis of Allotment for NCDs

The Registrar will aggregate the Applications, based on the applications received through an electronic book from the Stock Exchange and determine the valid Application for the purpose of drawing the basis of allocation.

Allocation Ratio

The Registrar will aggregate the Applications based on the Applications received through an electronic book from the Stock Exchange and determine the valid applications for the purpose of drawing the basis of allocation. Grouping of the application received will be then done in the following manner:

Grouping of Applications and Allocation Ratio: Applications received from various applicants shall be grouped together on the following basis:

(a) Applications received from Category I applicants: Applications received from Category I, shall be grouped together, **("*Institutional Portion*")**;

(b) Applications received from Category II applicants: Applications received from Category II, shall be grouped together, **("*Non-Institutional Portion*")**;

(c) Applications received from Category III applicants: Applications received from Category III, shall be grouped together, **("*Retail Individual Portion*").**

For removal of doubt, "***Institutional Portion***", "***Non-Institutional Portion***" and "***Retail Individual Portion***" are individually referred to as "***Portion***" and collectively referred to as **"*Portions*".**

For the purposes of determining the number of NCDs available for allocation to each of the abovementioned Portions, our Company shall have the discretion of determining the number of NCDs to be Allotted over and above the Base Issue Size, in case our Company opts to retain any oversubscription in the Issue up to ₹ 7,500 lakhs. The aggregate value of NCDs decided to be allotted over and above the Base Issue Size, (in case our Company opts to retain any oversubscription in the Issue), and/or the aggregate value of NCDs up to the Base Issue Size shall be collectively termed as the **"*Overall Issue Size*".**

Basis of Allotment for NCDs

Allotments in the first instance:

(i) Applicants belonging to the Category I, in the first instance, will be allocated NCDs up to 10% of overall Issue Size on first come first serve basis (determined on the basis of date of receipt of each Application duly acknowledged by the Lead Manager and their respective affiliates/SCSB (Designated Branch or online acknowledgement));

(ii) Applicants belonging to the Category II, in the first instance, will be allocated NCDs up to 40% of Overall Issue Size on first come first serve basis (determined on the basis of date of receipt of each Application duly acknowledged by the Members of the Syndicate/Trading Members/SCSB (Designated Branch or online acknowledgement));

(iii) Applicants belonging to the Category III, in the first instance, will be allocated NCDs up to 50% of Overall Issue Size on first come first serve basis (determined on the basis of date of receipt of each Application duly acknowledged by the Members of the Syndicate/Trading Members/SCSB (Designated Branch or online acknowledgement));

Allotments, in consultation with the Designated Stock Exchange, shall be made on date priority basis i.e., a first-come first-serve basis, based on the date of upload of each Application in to the electronic book with Stock Exchange, in each Portion subject to the Allocation Ratio. However, on the date of oversubscription, the Allotments would be made to the Applicants on proportionate basis.

(a) Under Subscription:

Under subscription, if any, in any Portion, priority in Allotments will be given in the following order:

(i) Individual Portion
(ii) Non-Institutional Portion and Resident Indian individuals and Hindu undivided families through the Karta applying who apply for NCDs aggregating to a value exceeding ₹ 5 lakhs;
(iii) Institutional Portion
(iv) on a first come first serve basis.

Within each Portion, priority in Allotments will be given on a first-come-first-serve basis, based on the date of upload of each Application into the electronic system of the Stock Exchange.

For each Portion, all Applications uploaded into the electronic book with the Stock Exchange would be treated at par with each other. Allotment would be on proportionate basis, where Applications uploaded into the Platform of the Stock Exchange on a particular date exceeds NCDs to be allotted for each Portion, respectively.

Minimum allotment of 10 NCD and in multiples of 1 (one) NCD thereafter would be made in case of each valid Application.

(b) Allotments in case of oversubscription:

In case of an oversubscription, Allotments to the maximum extent, as possible, will be made on a first-come first-serve basis and thereafter on proportionate basis, i.e. full Allotment of NCDs to the valid Applicants on a first come first serve basis for forms uploaded up to 5 pm of the date falling 1 (one) day prior to the date of oversubscription and proportionate allotment of NCDs to the valid Applicants on the date of oversubscription (based on the date of upload of the Application on the Stock Exchange Platform, in each Portion). In case of over subscription on date of opening of the Issue, the Allotment shall be made on a proportionate basis. Applications received for the NCDs after the date of oversubscription will not be considered for Allotment.

In view of the same, the Investors are advised to refer to the Stock Exchanges website at www.bseindia.com for details in respect of subscription.

(c) Proportionate Allotments: For each Portion, on the date of oversubscription:

(i) Allotments to the Applicants shall be made in proportion to their respective Application size, rounded off to the nearest integer;
(ii) If the process of rounding off to the nearest integer results in the actual allocation of NCDs being higher than the Issue Size, not all Applicants will be allotted the number of NCDs arrived at after such rounding off. Rather, each Applicant whose Allotment size, prior to rounding off, had the highest decimal point would be given preference; and
(iii) In the event, there are more than one Applicant whose entitlement remain equal after the manner of distribution referred to above, our Company will ensure that the Basis of Allotment is finalised by draw of lots in a fair and equitable manner.

(d) Applicant applying for more than one series of NCDs:

If an Applicant has applied for more than one series of NCDs, and in case such Applicant is entitled to allocation of only a part of the aggregate number of NCDs applied for due to such Applications received on the date of oversubscription, the option-wise allocation of NCDs to such Applicants shall be in proportion to the number of NCDs with respect to each option, applied for by such Applicant, subject to rounding off to the nearest integer, as appropriate in consultation with Lead Manager and Designated Stock Exchange.

In cases of odd proportion for Allotment made, our Company in consultation with the Lead Manager will Allot the residual NCD (s) in the following order:

(i) first with monthly interest payment in decreasing order of tenor i.e., Series V, III and I;

(ii) second with payment on cumulative options in decreasing order of tenor i.e., Series VII, VI, IV and II;

Hence using the above procedure, the order of Allotment for the residual NCD(s) will be: V, III, I, VII, VI, IV and II.

All decisions pertaining to the Basis of Allotment of NCDs pursuant to the Issue shall be taken by our Company in consultation with the Lead Manager, and the Designated Stock Exchange and in compliance with the aforementioned provisions of this Prospectus.

Our Company would Allot Series I NCDs to all valid applications, wherein the Applicants have not indicated their choice of the relevant options of the NCDs.

Valid applications where the Application Amount received does not tally with or is less than the amount equivalent to value of number of NCDs applied for, may be considered for Allotment, to the extent of the Application Amount paid rounded down to the nearest ₹ 1,000 in accordance with the pecking order mentioned above.

Retention of oversubscription

Our Company shall have an option to retain over-subscription up to the Issue limit.

Unblocking of Funds for withdrawn, rejected or unsuccessful or partially successful Applications

The Registrar shall, pursuant to preparation of Basis of Allotment, instruct the relevant SCSB or the Sponsor Bank (for Applications under the UPI Mechanism), as applicable, to unblock the funds in the relevant ASBA Account/UPI linked bank account, for withdrawn, rejected or unsuccessful or partially successful Applications within three Working Days of the Issue Closing Date.

ISSUANCE OF ALLOTMENT ADVICE

Our Company shall ensure dispatch of Allotment Advice and/ or give instructions for credit of NCDs to the beneficiary account with Depository Participants upon approval of Basis of Allotment. The Allotment Advice for successful Applicants will be mailed by speed post/registered post to their addresses as per the Demographic Details received from the Depositories.

Our Company shall use best efforts to ensure that all steps for completion of the necessary formalities for commencement of trading at the Stock Exchange where the NCDs are proposed to be listed are taken within three Working Days from the Issue Closing Date.

Application Amount shall be unblocked within three Working Days from the Issue Closing Date or such lesser time as may be specified by SEBI or else the Application Amount shall be unblocked in the ASBA Accounts or the UPI linked bank accounts (for Applications under the UPI Mechanism) of the Applicants forthwith, failing which interest shall be due to be paid to the Applicants at the rate of 15% per annum for the delayed period.

Our Company will provide adequate funds required for dispatch of Allotment Advice to the Registrar to the Issue.

OTHER INFORMATION

Withdrawal of Applications during the Issue Period

Applicants can withdraw their Applications until the Issue Closing Date. In case an Applicant wishes to withdraw the Application during the Issue Period, the same can be done by submitting a request for the same to the concerned Designated Intermediary who shall do the requisite.

In case of Applications (other than under the UPI Mechanism) were submitted to the Designated Intermediaries, upon receipt of the request for withdrawal from the Applicant, the relevant Designated Intermediary, as the case may be, shall do the requisite, including deletion of details of the withdrawn Application Form from the electronic system of the Stock Exchange and intimating the Designated Branch of the SCSB unblock of the funds blocked in the ASBA Account at the time of making the Application. In case of Applications (other than under the UPI Mechanism) submitted directly to the Designated Branch of the SCSB, upon receipt of the request for withdraw from the Applicant, the relevant Designated Branch shall do the requisite, including deletion of details of the

withdrawn Application Form from the electronic system of the Stock Exchange and unblocking of the funds in the ASBA Account, directly.

Withdrawal of Applications after the Issue Period

In case an Applicant wishes to withdraw the Application after the Issue Closing Date or early closure date, the same can be done by submitting a withdrawal request to the Registrar to the Issue prior to the finalisation of the Basis of Allotment.

Revision of Applications

Cancellation of one or more orders (series) within an Application is permitted during the Issue Period as long as the total order quantity does not fall under the minimum quantity required for a single Application. Please note that in case of cancellation of one or more orders (series) within an Application, leading to total order quantity falling under the minimum quantity required for a single Application will be liable for rejection by the Registrar.

Applicants may revise/ modify their Application details during the Issue Period, as allowed/permitted by the Stock Exchange, by submitting a written request to the Designated Intermediary and the Designated Branch of the SCSBs, as the case may be. For Applications made under the UPI Mechanism, an Applicant shall not be allowed to add or modify the details of the Application except for modification of either DP ID/Client ID, or PAN ID but not both. However, the Applicant may withdraw the Application and reapply.

However, for the purpose of Allotment, the date of original upload of the Application will be considered in case of such revision/ modification. In case of any revision of Application in connection with any of the fields which are not allowed to be modified on the electronic Application platform of the Stock Exchange as per the procedures and requirements prescribed by the Stock Exchange, Applicants should ensure that they first withdraw their original Application and submit a fresh Application. In such a case the date of the new Application will be considered for date priority for Allotment purposes.

Revision of Applications is not permitted after the expiry of the time for acceptance of Application Forms on the Issue Closing Date. However, in order that the data so captured is accurate, the Designated Intermediaries and/ or the Designated Branches of the SCSBs will be given up to 5:00 PM on Issue Closing Date to modify/ verify certain selected fields uploaded in the online system during the Issue Period, after which the data will be sent to the Registrar for reconciliation with the data available with the NSDL and CDSL. Please also see, "*Issue Procedure – Operational Instructions and Guidelines - Modification and cancellation of orders*" on page 202.

Depository Arrangements

We have made depository arrangements with NSDL and CDSL. Please note that Tripartite Agreements have been executed between our Company, the Registrar and both the depositories.

As per the provisions of the Depositories Act, 1996, the NCDs issued by us can be held in a dematerialised form. In this context:

(i) Tripartite agreement dated October 28, 2023 among our Company, the Registrar and CDSL and tripartite agreement dated October 16, 2023 among our Company, the Registrar and NSDL, respectively for offering depository option to the investors.

(ii) An Applicant must have at least one beneficiary account with any of the Depository Participants (DPs) of NSDL or CDSL prior to making the Application.

(iii) The Applicant must necessarily provide the DP ID and Client ID details in the Application Form.

(iv) NCDs Allotted to an Applicant in the electronic form will be credited directly to the Applicant's respective beneficiary account(s) with the DP.

(v) Non-transferable Allotment Advice will be directly sent to the Applicant by the Registrar to this Issue.

(vi) It may be noted that NCDs in electronic form can be traded only on the Stock Exchange having electronic connectivity with NSDL or CDSL. The Stock Exchange has connectivity with NSDL and CDSL.

(vii) Interest or other benefits with respect to the NCDs held in dematerialised form would be paid to those Debenture Holders whose names appear on the list of beneficial owners given by the Depositories to us as on Record Date. In case of those NCDs for which the beneficial owner is not identified by the Depository as on the Record Date/ book closure date, we would keep in abeyance the payment of interest or other benefits, till such time that the beneficial owner is identified by the Depository and conveyed to us, whereupon the interest or benefits will be paid to the beneficiaries, as identified, within a period of 30 days.

(viii) The trading of the NCDs on the floor of the Stock Exchanges shall be in dematerialized form only.

Please note that the NCDs shall cease to trade from the Record Date (for payment of the principal amount and the applicable premium and interest for such NCDs) prior to redemption of the NCDs.

PLEASE NOTE THAT TRADING OF NCDs ON THE FLOOR OF THE STOCK EXCHANGE SHALL BE IN DEMATERIALISED FORM ONLY IN MULTIPLE OF ONE NCD.

Allottees will have the option to re-materialize the NCDs Allotted under the Issue as per the provisions of the Companies Act, 2013 and the Depositories Act.

Prior to the appointment of any agents/advisors/consultants, the Trustee shall obtain necessary confirmation from the said agents/ advisors/ consultants that they do not have any conflict-of-interest in conducting the diligence under the transaction. For the purpose of carrying out the due diligence as required in terms of the Debenture Regulation, the Trustee, either through itself or its agents/ advisors/ consultants, shall have the power to examine the books of account of the Company and to have the Company's assets inspected by its officers and/or external auditors/ valuers/ consultants/ lawyers/ technical experts/ management consultants appointed by the Trustee.

c. The Company shall provide all assistance to the Debenture Trustee to enable verification from the Registrar of Companies, Sub-registrar of Assurances (as applicable), CERSAI, depositories, information utility or any other authority, as may be relevant, where the assets and/or encumbrances in relation to the assets of the Company or any third party security provider are registered / disclosed.

d. Further, in the event that existing charge holders have provided conditional consent / permissions to the Company to create further charge on the assets, the Debenture Trustee shall also have the power to verify Muthoot Mercantile Limited such conditions by reviewing the relevant transaction documents or any other documents executed between existing charge holders and the Company. The Debenture Trustee shall also have the power to intimate the existing charge holders about proposal of creation of further encumbrance and seeking their comments/ objections, if any.

e. Without prejudice to the aforesaid, the Company shall ensure that it provides and procures all information, representations, confirmations and disclosures as may be required in the sole discretion of the Debenture Trustee to carry out the requisite diligence in connection with the issuance and allotment of the Debentures, in accordance with the relevant laws/ Applicable Law.

f. The Trustee shall have the power by itself or to appoint intermediaries, valuers, chartered accountant firms, practicing company secretaries, consultants, lawyers and other entities in order to assist in the diligence by the Trustee. All costs, charges, fees and expenses that are associated with and incurred in relation to the diligence as well as preparation of the reports/certificates/documentation shall be directly compensated/ remunerated by the Trustee.

   The Trustee shall carry out due diligence as per the SEBI Master Circular for Debenture Trustees and shall obtain the following documents/certificates from the empanelled agency to independently assess that the assets to be secured are adequate available for the proposed issue:

   i. security cover certificate from the practicing chartered accountants;
   ii. ROC search report from the practicing company secretary;
   iii. Title search report (applicable in case of immovable property);
   iv. Valuation report (applicable in case of immovable property); and
   v. Such other documents as may be reasonable required for conducting due diligence.

While the NCD is secured as per terms of the Offer Document and charge is held in favour of the Debenture

Trustee, the extent of recovery would depend upon realization of asset value and the Debenture Trustee in no way guarantees / assures full recovery / partial of either principal or interest.

Regulations governing NBFCs

Reserve Bank of India Act, 1934

As per the RBI Act, a financial institution has been defined as a company which includes a non-banking institution carrying on as its business or part of its business the financing activities, whether by way of making loans or advances or otherwise, of any activity, other than its own and it is engaged in the activities of loans and advances, acquisition of shares/stock/bonds/debentures/securities issued by the Government of India or other local authorities or other marketable securities of like nature, leasing, hire-purchase, insurance business, chit business but does not include any institution whose principal business is that of carrying out any agricultural or industrial activities or the sale/purchase/construction of immovable property.

As per prescribed law any company that carries on the business of a non-banking financial institution as its 'principal business' is to be treated as an NBFC. The term 'principal businesses has not been defined in any statute, however, RBI has clarified through a press release (Ref. No. 1998-99/1269) issued on April 08, 1999, that in order to identify a particular company as an NBFC, it will consider both the assets and the income pattern as evidenced from the last audited balance sheet of the company to decide a company's principal business. The company will be treated as an NBFC if its financial assets are more than 50 percent of its total assets (netted off by intangible assets) and income from financial assets should be more than 50 percent of the gross income. Both these tests are required to be satisfied in order to determine the principal business of a company.

Every NBFC is required to submit to the RBI a certificate, from its statutory auditor within one month from the date of finalisation of the balance sheet and in any case, not later than December 30 of that year, stating that it is engaged in the business of non-banking financial institution requiring it to hold a certificate of registration.

NBFCs are primarily governed by inter alia the RBI Act, the RBI SBR Master Directions, the Reserve Bank of India (Non-Banking Financial Companies – Governance) Directions, 2025, the Reserve Bank of India (Non-Banking Financial Companies – Asset Liability Management) Directions, 2025, the Reserve Bank of India (Non-Banking Financial Companies – Prudential Norms on Capital Adequacy) Directions, 2025, the Reserve Bank of India (Non-Banking Financial Companies – Income Recognition, Asset Classification and Provisioning) Directions, 2025, the Reserve Bank of India (Non-Banking Financial Companies – Credit Facilities) Directions, 2025, the Reserve Bank of India (Non-Banking Financial Companies – Credit Risk Management) Directions, 2025, the Reserve Bank of India (Non-Banking Financial Companies – Transfer and Distribution of Credit Risk) Directions, 2025, the Reserve Bank of India (Non-Banking Financial Companies – Responsible Business Conduct) Directions, 2025, the Reserve Bank of Inda (Non-Banking Financial Companies – Peer to Peer Lending Platform) Directions, 2025, the Reserve Bank of India (Non-Banking Financial Companies - Account Aggregator) Directions, 2025, the Master Direction – Reserve Bank of India (Commercial Paper and Non-Convertible Debentures of original or initial maturity up to one year) Directions, 2024, the Reserve Bank of Inda (Non-Banking Financial Companies - Acceptance of Public Deposits) Directions, 2025 as amended, replaced and/or updated from time to time, and all other notifications, directions, guidelines, circulars or press notes, clarifications or letters issued by the RBI from time to time.

Although by definition, NBFCs are permitted to operate in similar sphere of activities as banks, there are a few important and key differences. The most important distinctions are:

- An NBFC cannot accept deposits repayable on demand – in other words, NBFCs can only accept fixed term deposits. Thus, NBFCs are not permitted to issue negotiable instruments, such as cheques which are payable on demand; and

- NBFCs are not allowed to deal in foreign exchange, even if they specifically apply to the RBI for approval in this regard.

Types of NBFCs

Section 45-IA of the RBI Act makes it mandatory for every NBFC to get itself registered with the Reserve Bank in order to be able to commence any of the aforementioned activities. The major regulations governing our Company are detailed below:

Master Direction – Reserve Bank of India (Non-Banking Financial Company – Registration, Exemption and Framework for Scale Based Regulation) Directions, 2025 ("**RBI SBR Master Directions**")

On November 28, 2025, the RBI issued the RBI SBR Master Directions , which is a revised regulatory framework for NBFCs whereby NBFCs have been categorised into following four layers based on their size, activity, and perceived riskiness by the RBI:

i) NBFC- Base Layer ("**NBFC-BL**");
ii) NBFC- Middle Layer ("**NBFC-ML**");
iii) NBFC- Upper layer ("**NBFC-UL**"); and
iv) NBFC- Top Layer ("**NBFC-TL**")

The NBFC- BL comprise of (a) non-deposit taking NBFCs below the asset size of ₹ 1,00,000 lakh and (b) NBFCs undertaking the following activities- (i) NBFC-Peer to Peer Lending Platform (NBFC-P2P), (ii) NBFC-Account Aggregator (NBFC-AA), (iii) Non-Operative Financial Holding Company (NOFHC) and (iv) NBFCs not availing public funds and not having any customer interface.

The NBFC- ML consist of (a) all deposit taking NBFCs ("**NBFC-Ds**"), irrespective of asset size, (b) non-deposit taking NBFCs with asset size of ₹ 1,00,000 lakh and above and (c) NBFCs undertaking the following activities (i) Standalone Primary Dealers (SPDs), (ii) Infrastructure Debt Fund - Non-Banking Financial Companies (IDF-NBFCs), (iii) Core Investment Companies (CICs), (iv) Housing Finance Companies (HFCs) and (v) Infrastructure Finance Companies (NBFC-IFCs).

The NBFC-UL comprise of those NBFCs which are specifically identified by RBI as warranting enhanced regulatory requirement based on a set of parameters and scoring methodology as provided in appendix to RBI SBR Master Directions. The top ten eligible NBFCs in terms of their asset size shall always reside in the upper layer, irrespective of any other factor.

The NBFC-TL will ideally remain empty. This layer can get populated if RBI is of the opinion that there is a substantial increase in the potential systemic risk from specific NBFC-UL. Such NBFCs shall move to the NBFC-TL.

Categorisation of NBFCs carrying out specific activity

i. As the regulatory structure envisages scale based as well as activity-based regulation under the SBR Framework, the following prescriptions shall apply in respect of the NBFCs:

ii. NBFC-P2P, NBFC-AA, NOFHC and NBFCs without public funds and customer interface will always remain in the base layer of the regulatory structure.

iii. NBFC-D, CIC, IFC and HFC will be included in middle layer or the upper layer (and not in the base layer), as the case may be. SPD and IDF-NBFC will always remain in the middle layer.

iv. Government owned NBFCs shall be placed in the base layer or middle layer, as the case maybe.

The remaining NBFCs, viz., NBFC-Investment and Credit Companies (NBFC-ICC), NBFC-Micro Finance Institution (NBFC-MFI), NBFC-Factors and Mortgage Guarantee Companies (NBFC-MGC) could lie in any of the layers of the regulatory structure depending on the parameters of the scale based regulatory framework.

As on the date of filing of this Prospectus, our Company falls under the category of NBFC-ML, as its asset size above 1,00,000 lakhs as per the last unaudited balance sheet as at December 31, 2025.

Regulatory Requirements of an NBFC under the RBI Act

Net Owned Fund

The RBI Act, read with an RBI notification dated April 20, 1999, provides that to carry on the business of a NBFC, an entity would have to register as an NBFC with the RBI and would be required to have a minimum net owned fund of ₹ 200 lakh. For this purpose, the RBI Act has defined "*net owned fund*" to mean:

Net Owned Fund - The aggregate of the paid-up equity capital and free reserves as disclosed in the latest balance sheet of the company, after deducting (i) accumulated balance of losses, (ii) deferred revenue expenditure, (iii) deferred tax asset (net); and (iv) other intangible assets; and further reduced by the amounts representing:

(i) investment by such companies in shares of (i) its subsidiaries, (ii) companies in the same group, (iii) other NBFCs; and

(ii) the book value of debentures, bonds, outstanding loans and advances (including hire purchase and lease finance) made to, and deposits with (i) subsidiaries of such companies; and (ii) companies in the same group, to the extent such amount exceeds 10 per cent of (a) above.

Reserve Fund

In addition to the above, Section 45-IC of the RBI Act requires NBFCs to create a reserve fund and transfer therein a sum of not less than 20% of its net profits earned annually, as disclosed in the statement of profit and loss, before declaration of dividend. Such a fund is to be created by every NBFC irrespective of whether it is a ND NBFC or not. Such sum cannot be appropriated by the NBFC except for the purpose as may be specified by the RBI from time to time and every such appropriation is required to be reported to the RBI within 21 days from the date of such appropriation.

NBFC-ML

NBFC-ML shall maintain a minimum capital ratio consisting of Tier 1 and Tier 2 capital which shall not be less than 15 percent of its aggregate risk weighted assets on balance sheet and of risk adjusted value of off-balance sheet items.

Rating of NBFCs

Pursuant to the Reserve Bank of India (Non-Banking Financial Companies – Miscellaneous) Directions, 2025, dated November 28, 2025, as amended, NBFCs with asset size of ₹100 crore and above shall furnish information about downgrading/upgrading of assigned rating of any financial product issued by them, within fifteen days of such a change in rating, to the Regional Office of the Reserve Bank under whose jurisdiction their registered office is functioning.

Prudential Regulations

The RBI SBR Master Directions, read with the applicable master directions issued by the RBI, inter alia, provide for requirements applicable to NBFC-ML in relation to capital requirement, income recognition, asset classification, provisioning requirements, constitution of audit committee, capital adequacy requirements, concentration credit/ investment and norms relating to gold loans. Further, under the Reserve Bank of India (Non-Banking Financial Companies - Concentration Risk Management) Directions, 2025 dated November 28, 2025, the concentration of credit/ investment norms shall not apply to non-banking financial company not accessing public funds in India, either directly or indirectly, and not issuing guarantees.

Corporate governance norms

As per the RBI SBR Master Directions, read with the applicable master directions issued by the RBI, all NBFC-MLs are required to adhere to certain corporate governance norms, including constitution of an audit committee, a nomination and remuneration committee, an asset liability management committee and risk management committee.

Under the terms of the Reserve Bank of India (Non-Banking Financial Companies - Governance) Directions, 2025, as amended, following additional corporate governance compliances have been stipulated for NBFC-ML:

(a) *Constitution of Committees* All NBFCs on which Master Directions is applicable are required to constitute the committees mentioned below:

(I) Audit Committee: An NBFC is required to constitute an audit committee consisting of not less than three members of its board of directors. The audit committee constituted by an NBFC as required under Section 177 of the Companies Act, 2013 shall be the audit committee for the purposes of the Master Directions as well, and its powers and functions shall be as provided under Section 177 of the Companies Act.

(II) Nomination and Remuneration Committee: NBFCs are required to constitute a nomination committee to ensure the 'fit and proper' status of proposed or existing directors, which shall have the same powers and functions as the nomination and remuneration committee required to be constituted under Section 178 of the Companies Act.

(b) *Appointment of Chief Risk Officer (CRO)*: With the increasing involvement of NBFCs in direct credit intermediation, they must enhance their risk management practices. While NBFC boards should aim to adhere to optimal risk management standards, NBFCs categorized as NBFC-ICC, NBFC-IFC, NBFC-MFI, NBFC-Factors, and IDF-NBFC, having an asset size exceeding ₹ 5,00,000 lakh, must appoint a Chief Risk Officer ("**CRO**") with well-defined roles and responsibilities. The CRO must operate independently to uphold the highest standards of risk management.

(c) *'Fit and Proper Criteria' for Directors:* Applicable NBFCs must (a) ensure that a board-approved policy is put in place to determine directors' fit and proper criteria at the time of appointment, and on a continuing basis in accordance with the Reserve Bank of India (Non-Banking Financial Companies - Governance) Directions, 2025; (b) procure a declaration and undertaking from directors, using the format outlined in Reserve Bank of India (Non-Banking Financial Companies - Governance) Directions, 2025; (c) secure a deed of covenant signed by the Directors, adhering to the format specified in Reserve Bank of India (Non-Banking Financial Companies - Governance) Directions, 2025; and (d) furnish to the RBI a quarterly statement on change of directors, accompanied by a certification from the managing director that 'fit and proper criteria' in selection of the directors has been followed. This statement should be submitted to the RBI's Department of Non-Banking Supervision regional office, within 15 days after each quarter's end. The auditors must certify the statement for the quarter ending March 31.

(d) *Key Managerial Personnel:* Except for directorship in a subsidiary, Key Managerial Personnel ("**KMP**") must not hold any office, including directorships, in any other NBFC-ML or NBFC-UL. It is clarified that they are allowed to take on directorship roles in NBFC-BL.

(e) *Independent Director*: Within the allowable limits per the Companies Act, 2013, an independent director may not serve on more than three NBFCs (NBFC-ML or NBFC-UL) simultaneously. The NBFC's board must ensure that no conflict of interest arises from their concurrent positions on other NBFC boards. No restrictions on directorship for NBFC-BLs exist, subject to relevant provisions of the Companies Act, 2013.

(f) *Compensation Guidelines*: To tackle problems stemming from excessive risk-taking due to poorly aligned compensation packages, NBFCs must put in place a board-approved compensation policy. The guidelines must, at a minimum, encompass i) the constitution of a remuneration committee, ii) criteria for fixed/variable pay structures, and iii) malus/clawback provisions. The nomination and remuneration committee must verify the absence of any conflict of interest.

(g) *Guidelines on Corporate Governance:* NBFCs shall frame their internal guidelines on corporate governance with the approval of the Board of Directors, enhancing the scope of the guidelines without sacrificing the spirit underlying the guidelines in Chapter IV of the Reserve Bank of India (Non-Banking Financial Companies - Governance) Directions, 2025; and it shall be published on the company's website, if any, for the information of various stakeholders

Provisioning Requirements

Under the Reserve Bank of India (Non-Banking Financial Companies – Income Recognition, Asset Classification and Provisioning) Directions, 2025 dated November 28, 2025, every NBFC (except microfinance loans of NBFC-MFIs), after taking into account time lag between an account becoming non-performing, its recognition as such, the realisation of the security and the erosion over time in the value of security charged, make provision against sub-standard assets, doubtful assets and loss assets.

In the interests of counter cyclicality and so as to ensure that NBFCs create a financial buffer to protect them from the effect of economic downturns, all NBFCs (except NBFC-UL) make provision for standard assets at 0.40 per cent of the outstanding, which shall not be reckoned for arriving at net NPAs. The provision towards standard assets need not be netted from gross advances but shall be shown separately as 'Contingent Provisions against Standard Assets' in the balance sheet.

Capital Adequacy Norms

Under the terms of Reserve Bank of India (Non-Banking Financial Companies – Prudential Norms on Capital Adequacy) Directions, 2025 dated November 28, 2025, NBFCs primarily engaged in lending against gold jewellery (such loans comprising 50 per cent or more of their financial assets) shall maintain a minimum Tier l capital of 12 percent of aggregate risk weighted assets of on-balance sheet and of risk adjusted value of off-balance sheet items.

“Tier 1 Capital” for NBFCs (except NBFCs-BL) is the sum of:

(i) Owned fund as reduced by investment in shares of other NBFCs and in shares, debentures, bonds, outstanding loans and advances including hire purchase and lease finance made to and deposits with subsidiaries and companies in the same group exceeding, in aggregate, ten percent of the owned fund; and

(ii) Perpetual debt instruments issued by a non-deposit taking NBFCs in each year to the extent it does not exceed 15 percent of the aggregate Tier 1 capital of such company as on March 31 of the previous accounting year.

Owned Funds, are defined as aggregate of paid up equity capital, preference shares which are compulsorily convertible into equity, free reserves, balance in share premium account and capital reserves representing surplus arising out of sale proceeds of asset, excluding reserves created by revaluation of asset, as reduced by accumulated loss balance, book value of intangible assets and deferred revenue expenditure, if any.

Internal Capital Adequacy Assessment Process (ICAAP)

Under the Reserve Bank of India (Non-Banking Financial Companies – Prudential Norms on Capital Adequacy) Directions, 2025 dated November 28, 2025, NBFC-ML and NBFC-UL are required to make a thorough internal assessment of the need for capital, commensurate with the risks in their business. The internal assessment shall be on similar lines as ICAAP prescribed for commercial banks under Pillar 2 under Reserve Bank of India (Commercial Banks - Prudential Norms on Capital Adequacy) Directions, 2025. While Pillar 2 capital will not be insisted upon, however, NBFCs are required to make a realistic assessment of risks. Internal capital assessment shall factor in credit risk, market risk, operational risk and all other residual risks as per methodology to be determined internally. The methodology for internal assessment of capital shall be proportionate to the scale and complexity of operations as per the NBFCs board approved policy. The objective of ICAAP is to ensure availability of adequate capital to support all risks in business as also to encourage NBFCs to develop and use better internal risk management techniques for monitoring and managing of the risks.

Hybrid debt means, capital instrument, which possess certain characteristics of equity as well as debt.

Subordinated debt means a fully paid up capital instrument, which is unsecured and is subordinated to the claims of other creditors and is free from restrictive clauses and is not redeemable at the instance of the holder or without the consent of the supervisory authority of the NBFC. The book value of such instrument is subjected to discounting as prescribed.

Concentration of credit/ investment (except NBFC-UL)

(i) NBFCs (except NBFC-IFC) shall not have exposure (credit/investment taken together) exceeding (a) twenty-five percent of its Tier 1 capital to a single party; and (b) forty percent of its Tier 1 capital to a single group of parties, provided that an NBFC may exceed the exposure norm specified above, by 5 percent for any single party and by 10 percent for a single group of parties, if the additional exposure is on account of infrastructure loan and/or investment.

(ii) The ceiling on the investment in shares of another company shall not be applicable to an NBFC in respect of investment in the equity capital of an insurance company up to the extent specifically permitted, in writing, by the RBI;

(iii) Exposure norms shall not apply to any NBFC not accessing public funds in India, either directly or indirectly and not issuing guarantees. The exposure norms shall also not apply to (i) investments of NBFC in shares of (a) its subsidiaries; (b) companies in the same group, to the extent they have been reduced from Owned Funds for the calculation of NOF and (ii) the book value of debentures, bonds, outstanding loans and advances (including hirepurchase and lease finance) made to, and deposits with (a) subsidiaries of the NBFC; and (b) companies in the same group, to the extent they have been reduced from Owned Funds for the calculation of NOF; and

(iv) NBFCs shall formulate a policy in respect of exposures to a single party/a single group of parties.

Asset Classification

The Reserve Bank of India (Non-Banking Financial Companies – Income Recognition, Asset Classification and Provisioning) Directions, 2025 dated November 28, 2025, require that every NBFC shall, after taking into account the degree of well defined credit weaknesses and extent of dependence on collateral security for realisation, classify its lease/hire purchase assets, loans and advances and any other forms of credit into the following classes:

- Standard assets;
- Sub-standard Assets;
- Doubtful Assets; and
- Loss assets

Further, such class of assets would not be entitled to be upgraded merely as a result of rescheduling, unless it satisfies the conditions required for such upgradation as laid out in the Reserve Bank of India (Non-Banking Financial Companies – Resolution of Stressed Assets) Directions, 2025 dated November 28, 2025. At present every NBFC is required to make a provision for standard assets at 0.40 per cent.

Standard Assets

The asset in respect of which, no default in repayment of principal or payment of interest is perceived and which does not disclose any problem or carry more than normal risk attached to the business.

Sub-standard Assets

Assets which have been classified as non-performing asset for a period not exceeding 12 months; or assets where the terms of the agreement regarding interest and/or principal have been renegotiated or rescheduled or restructured after commencement of operations, until the expiry of one year of satisfactory performance under the renegotiated or rescheduled or restructured terms.

Doubtful Assets

Assets such as term loans, lease asset, a hire purchase asset or any other asset which remains a sub-standard asset for a period exceeding 18 months.

Loss Assets

An asset which has been identified as loss asset by the NBFC or its internal or external auditor by the RBI during the inspection of the NBFC, to the extent it is not written of by the NBFC and an asset which is adversely affected by a potential threat of non-recoverability due to either erosion in the value of security or non-availability of security or due to any fraudulent act or omission on the part of the borrower.

Non-Performing Asset (NPA)

Non-performing assets shall mean:

(i) assets in respect of which interest has remained overdue for a period of more than 90 days.

(ii) a term loan inclusive of unpaid interest when the instalment is overdue for a period of more than 90 days or on which interest amount remained overdue for a period of more than 90 days.

(iii) a demand or call loan, which remained overdue for a period of more than 90 days from the date of demand or call or on which interest amount remained overdue for a period of more than 90 days.

(iv) a bill which remains overdue for a period of more than 90 days

(v) the interest in respect of a debt or the income on receivables under the head 'other current assets' in the nature of short-term loans/advances, which facility remained overdue for a period of more than 90 days.

(vi) any dues on account of sale of assets or services rendered or reimbursement of expenses incurred, which remained overdue for a period of more than 90 days.

(vii) the lease rental and hire purchase instalment, which has become overdue for a period of more than 90 days

(viii) in respect of loans, advances and other credit facilities (including bills purchased and discounted), the balance outstanding under the credit facilities (including accrued interest) made available to the same borrower/beneficiary when any of the above credit facilities becomes non-performing asset.

Provided that in case of lease and hire purchase transactions, an NBFC shall classify each such account on the basis of its record of recovery.

Other stipulations

The board of directors of NBFCs granting/intending to grant demand/call loans shall frame a policy and implement the same. Such policies shall include provisions on the cut-off date for recalling the loans, the rate of interest, periodicity of such interest and periodical reviews of such performance.

Maintenance of liquid assets

Under the Reserve Bank of India (Non-Banking Financial Companies – Asset Liability Management) Directions, 2025, all non-deposit taking NBFCs with an asset size of ₹10,000 lakh and above (as per their last audited balance sheet), core investment companies and all deposit taking NBFCs (except Type I NBFCs, Non-Operating Financial Holding Company and Standalone Primary Dealer) are required to comply with the RBI Guidelines on Liquidity Risk Management Framework ("**LRM Framework**"). The LRM Framework provide that the applicable NBFCs should ensure sound and robust liquidity risk management system, the board of directors of the NBFC shall frame a liquidity risk management framework which ensures that it maintains sufficient liquidity, including a cushion of unencumbered, high quality liquid assets to withstand a range of stress events, including those involving the loss or impairment of both unsecured and secured funding sources. The liquidity risk management policy should spell out the entity-level liquidity risk tolerance; funding strategies; prudential limits; system for measuring, assessing and reporting/ reviewing liquidity; framework for stress testing; liquidity planning under alternative scenarios/formal contingent funding plan; nature and frequency of management reporting; periodical review of assumptions used in liquidity projection; etc. The LRM Framework inter alia, deal with: (i) liquidity risk management policy, strategies and practices; (ii) management information system; (iii) internal controls; (iv) maturity profiling; (v) liquidity risk measurement – stock approach; (vi) currency risk; (vii) managing interest rate risk; and (viii) liquidity risk monitoring tools.

The NBFC shall constitute risk management committee ("**RMC**") either at the Board or executive level. The RMC shall be responsible for evaluating the overall risks faced by the NBFC including liquidity risk and shall report to the Board. Further, applicable NBFCs have to constitute asset liability management committee ("**ALCO**") consisting of the NBFC's top management shall be responsible for ensuring adherence to the risk tolerance/limits set by the board of directors as well as implementing the liquidity risk management strategy of the NBFC. The CEO/ MD or the Executive Director should head the Committee. The role of the ALCO with respect to liquidity risk should include, inter alia, decision on desired maturity profile and mix of incremental assets and liabilities, sale of assets as a source of funding, the structure, responsibilities and controls for managing liquidity risk, and overseeing the liquidity positions of all branches.

In addition to RMC and ALCO, applicable NBFCs shall constitute asset liability management support group ("**ALM Support Group**"). ALM Support Group consist of the operating staff responsible for analysing, monitoring and reporting the liquidity risk profile to the ALCO.

In addition to the guidelines prescribed under the LRM Framework, all non-deposit taking NBFCs with an asset size of ₹ 5,00,000 lakh and above (except Core Investment Companies, Type I NBFCs, Non-Operating Financial Holding Companies and Standalone Primary Dealers) and all deposit taking NBFCs irrespective of asset size shall adhere to the Liquidity Coverage Ratio Guidelines ("**LCR Guidelines**"). Under the LCR Guidelines, applicable NBFCs are required to maintain a minimum liquidity coverage ratio of 100% on an ongoing basis, such that the stock of high-quality liquid assets ("**HQLA**") at all times equals or exceeds total net cash outflows over a 30-day liquidity stress scenario. However, an NBFC may utilise its stock of HQLA during a period of financial stress,

which may result in its liquidity coverage ratio falling below the 100% threshold. In such circumstances, the NBFC must immediately report the drawdown of HQLA to the Department of Supervision, RBI, along with the reasons for such utilisation and the corrective measures initiated to restore compliance.

Reserve Bank of India (Non-Banking Financial Companies – Managing Risks in Outsourcing) Directions, 2025 dated November 28, 2025

With a view to put in place necessary safeguards applicable to outsourcing of activities by NBFCs, the RBI has issued Reserve Bank of India (Non-Banking Financial Companies – Managing Risks in Outsourcing) Directions, 2025 ("**Risk Management Directions**"). The Risk Management Directions specify that core management functions including Internal Audit, strategic and compliance functions, and decision-making functions such as determining compliance with KYC norms for opening deposit accounts, giving sanction for loans (including retail loans) and management of investment portfolio shall not be outsourced by NBFCs. Further, the Risk Management Directions specify that the outsourcing of any activity by an NBFC shall not diminish its obligations including to its customers and RBI, and those of its Board and senior management, who have the ultimate responsibility for the outsourced activity.

Master Direction - Know Your Customer ("KYC") Directions, 2025 (updated as on December 29, 2025), as amended ("RBI KYC Directions")

The RBI KYC Directions are applicable to every entity regulated by the RBI, specifically, scheduled commercial banks, regional rural banks, local area banks, primary (urban) co-operative banks, state and central co-operative banks, all India financial institutions, NBFCs, miscellaneous non-banking companies and residuary non-banking companies, amongst others. In terms of the RBI KYC Directions, every entity regulated thereunder is required to formulate a KYC policy which is duly approved by the board of directors of such entity or a duly constituted committee thereof. The KYC policy formulated in terms of the RBI KYC Directions is required to include four key elements, being customer acceptance policy, risk management, customer identification procedures and monitoring of transactions. It is advised that all NBFC'S adopt the same with suitable modifications depending upon the activity undertaken by them and ensure that a proper policy framework of anti-money laundering measures is put in place. The RBI KYC Directions provide for a simplified procedure for opening accounts by NBFCs. It also provides for an enhanced and simplified due diligence procedure. It has prescribed detailed instructions in relation to, inter alia, the due diligence of customers, record management, and reporting requirements to Financial Intelligence Unit – India. The RBI KYC Directions have also issued instructions on sharing of information while ensuring secrecy and confidentiality of information held by Banks and NBFCs. The regulated entities must also adhere to the reporting requirements under Foreign Account Tax Compliance Act and Common Reporting Standards. The RBI KYC Directions also require the regulated entities to ensure compliance with the requirements/obligations under international agreements. The regulated entities must also pay adequate attention to any money-laundering and financing of terrorism threats that may arise from new or developing technologies, and ensure that appropriate KYC procedures issued from time to time are duly applied before introducing new products/services/technologies.

Implementation of Green Initiative of the Government

Under Reserve Bank of India (Non-Banking Financial Companies – Miscellaneous) Directions, 2025 dated November 28, 2025, NBFCs shall take proactive steps for increasing the use of electronic payment systems, elimination of post-dated cheques and gradual phase-out of cheques in their day to day business transactions which would result in more cost-effective transactions and faster and accurate settlements.

Accounting Standards & Accounting policies

Under the Reserve Bank of India (Non-Banking Financial Companies – Financial Statements: Presentation and Disclosures) Directions, 2025 dated November 28, 2025, an NBFC shall prepare its balance sheet and profit and loss account, as prescribed under the Companies Act, 2013, as on March 31 every year. Whenever an NBFC intends to extend the date of its balance sheet, as per provisions of the Companies Act, 2013, it shall take prior approval of the Reserve Bank before approaching the Registrar of Companies for this purpose. Furthermore, an NBFC covered by Rule 4 of the Companies (Indian Accounting Standards) Rules, 2015, ("**Ind AS**") shall prepare its financial statements in accordance with Ind AS notified by the Government of India and shall comply with the regulatory guidance specified in the Master Directions. Disclosure requirements for notes to accounts specified in paragraph 11 and paragraph 12 of Reserve Bank of India (Non-Banking Financial Companies – Financial

Statements: Presentation and Disclosures) Directions, 2025.

Rule 4 of Ind AS provides that NBFCs whose equity or debt securities are listed or in the process of listing on any stock exchange in India or outside India and having net worth of less than ₹50,000 lakh shall comply with the Indian Accounting Standards (Ind AS) for accounting periods beginning from April 1, 2023 onwards with comparatives for the periods ending on March 31, 2023 or thereafter. Other NBFCs shall comply with the requirements of Accounting Standards notified under the Companies (Accounting Standards) Rules, 2021, as amended from time to time, in so far as they are not inconsistent with any of Directions / Guidelines issued by RBI. Accordingly, Ind AS is applicable to our Company with effect from April 1, 2023.

Master Directions on Fraud Risk Management in Non-Banking Financial Companies (NBFCs) (including Housing Finance Companies) dated July 15, 2024.

On July 15, 2024, the RBI issued the revised Master Directions on Fraud Risk Management in NBFCs (including Housing Finance Companies) ("**Fraud Directions**") superseding the erstwhile Master Directions on Monitoring of Frauds in NBFCs (Reserve Bank), Directions, 2016. Under the Fraud Directions, NBFCs classified as NBFC-BL, NBFC-ML and NBFC-UL shall put in place a board approved policy on fraud risk management delineating roles and responsibilities of board and senior management of the NBFCs. NBFCs are required to report all instances of fraud to the RBI or the National Housing Bank through fraud monitoring returns portal within 14 (fourteen) days of classifying an incident or account as fraudulent. Furthermore, all attempted and successful instances of theft, burglary, dacoity, and robbery must be reported to the fraud monitoring group of the RBI within 7 (seven) days of occurrence. NBFCs must also report all incidents of fraud immediately to appropriate law enforcement agencies through a nodal point or designated officer of such NBFC.

Master Direction – Non-Banking Financial Companies Auditor's Report (Reserve Bank) Directions, 2016

The Master Direction – Non-Banking Financial Companies Auditor's Report (Reserve Bank) Directions, 2016 requires auditors of all NBFCs to furnish, in addition to the statutory audit report, a separate detailed report to the Board on regulatory compliance. This report must cover the NBFC's eligibility and continued entitlement to hold a certificate of registration, adherence to the principal business criteria, net owned fund requirements, prudential norms, and—where applicable—compliance relating to public deposits, credit ratings, capital adequacy, liquid asset maintenance, and statutory return submissions. Different categories of NBFCs (deposit-taking, non-deposit taking, systemically important, MFIs, and those exempt from certificate of registration) have tailored reporting requirements under this framework. Where an auditor issues an unfavourable or qualified opinion on any prescribed item, they must state the reasons in their report to the Board and, crucially, submit an exception report directly to RBI's regional office detailing the specific contraventions of the RBI Act or applicable NBFC master directions.

Master Direction- Non-Banking Financial Company Returns (Reserve Bank) Directions, 2016

All NBFCs are required to put in place a reporting system for filing various returns with the RBI. An NBFC-ML is required to file on a quarterly basis a return on important financial parameters, including components of assets and liabilities, profit and loss account, exposure to sensitive sectors etc., NBS-7 on prudential norms on a quarterly basis, multiple returns on asset-liability management to address concerns regarding inter alia asset liability mismatches and interest rate risk, quarterly report on branch information, and CRILC on a quarterly basis as well as all SMA-2 accounts to facilitate early recognition of financial distress, prompt steps for resolution and fair recovery for lenders.

Master Direction - Reserve Bank of India (Filing of Supervisory Returns) Directions, 2024 dated February 27, 2024

In order to ensure adherence to the regulatory framework by non-deposit taking NBFC-MLs, the RBI has directed such NBFCs to put in place a system for submission of an annual statement of capital funds, and risk asset ratio, etc. as at the end of March every year, in a prescribed format. Every NBFC is required to submit to the RBI a certificate, from its statutory auditor within 5 working days from the date of signing of the auditor's report in terms of section 134 of the Companies Act, 2013, but not later than December 31 of same year, in any case, based on audited books of accounts of the applicable entity for the preceding financial year, together with such other submissions/returns to the RBI as specified in the Master Direction - Reserve Bank of lndia (Filing of Supervisory Returns) Directions, 2024, as amended and any other related rules, regulations, directions, circulars.

The said master directions are applicable on supervised entities which includes all NBFCs except for HFCs and asset reconstruction companies. The said master direction prescribes for provisions in relation to responsibilities of the board and senior management, data architecture and IT infrastructure, accuracy and integrity in reporting, applicable returns, a general description of returns, timelines for return submissions, alternate timelines for submission of select returns, mode of submission of returns along with details of online portals for submission of returns by supervised entities

Master Direction – Reserve Bank of India (Commercial Paper and Non-Convertible Debentures of original or initial maturity upto one year) Directions, 2024

The said master direction issued by RBI on January 3, 2024 are applicable on all persons/agencies dealing in commercial paper and/or non-convertible debentures of original or initial maturity up to one year and the same have been made effective from April 01, 2024. The eligible issuers under the said master directions include NBFCs. The issuance under these directions is subject to condition that all fund-based facilities availed, if any, by the eligible issuer from banks/ all India financial institutions/ NBFCs are classified as 'standard' at the time of issue. The said master direction provides for, among other provisions, a list of eligible investors, general guidelines (in relation to primary issuance, discount / coupon rate, credit enhancement, end-use of funds, rating requirement, primary and secondary market related conditions, buyback, repayment, default, market timing and practices), reporting requirements, roles and responsibilities of (a) issuing and paying agent, (b) debenture trustee, and (c) credit rating agency. Further, it has been stated that the public deposit directions shall not be applicable to the NBFCs raising funds by issuance of commercial papers in accordance with the aforesaid master directions.

The Reserve Bank – Integrated Ombudsman Scheme, 2021 (the "Ombudsman Scheme") dated November 12, 2021

The RBI through its 'Statement on Developmental and Regulatory Policies' dated February 5, 2021, proposed the integration of the Ombudsman Scheme for Non-Banking Financial Companies, 2018 with the Banking Ombudsman Scheme, 2006 and the Ombudsman Scheme for Digital Transactions, 2019 under the 'One Nation One Ombudsman' approach for grievance redressal and has done the same through the Ombudsman Scheme effective from November 12, 2021. This is intended to make the process of redressal of grievances easier by enabling the customers of the banks, NBFCs and non-bank issuers of prepaid payment instruments to register their complaints under the integrated scheme, with one centralized reference point. The Ombudsman Scheme was introduced by the RBI with the object of enabling resolution of complaints in respect of certain services rendered by certain categories of NBFCs, to facilitate the satisfaction or settlement of such complaints, and matters connected therewith. The Ombudsman Scheme, inter alia, establishes the office of the ombudsman, specifies the procedure for the redressal of grievances and the mechanism for appeals against the awards passed by the ombudsman.

Master Direction - Reserve Bank of India (Internal Ombudsman for Regulated Entities) Directions, 2023 dated December 29, 2023

The Reserve Bank of India (RBI), through its circular No. RBI/CEPD/2023-24/108 CEPD.PRD.No.S1228/13.01.019/2023-24 dated December 29, 2023, has issued the Master Direction - Reserve Bank of India (Internal Ombudsman for Regulated Entities) Directions, 2023 ("Internal Ombudsman Directions"). The Internal Ombudsman Directions mandates all scheduled commercial banks, NBFCs, non-bank system participants and credit information companies to comply with the updated guidelines on the internal ombudsman mechanism. The Internal Ombudsman Directions consolidates and updates the framework applicable to the mechanism governing the appointment of an internal ombudsman and aims to strengthen the internal grievance redress system within Regulated Entities (including NBFCs), thereby ensuring an independent, apex-level authority for consumer grievance redressal. The Internal Ombudsman Directions are applicable to deposit-taking NBFCs with 10 or more branches and non-deposit taking NBFCs with an asset size of ₹ 50 billion and above. The internal ombudsman is required to be appointed based on specific eligibility criteria, including a minimum of 7 (seven) years of experience in relevant fields and not being a former or current employee of the Regulated Entity or its related parties. The Internal Ombudsman Directions also outline the procedural guidelines for complaint redressal by the internal ombudsman, including the formulation of a standard operating procedure (SOP) and the establishment of a fully automated complaints management software for auto-escalation of rejected complaints.

Master Direction on Information Technology Governance, Risk, Controls and Assurance Practices dated

These directions require all NBFC-ML to implement a comprehensive IT governance framework that includes a board-level IT strategy committee and an IT steering committee for oversight. Additionally, a Chief Information Security Officer (CISO) and an Information Security Committee (ISC) must be appointed to manage cyber and information security risks. A critical aspect of this is the implementation of an IT and Information Security Risk Management Framework, which incorporates information security policies, cybersecurity policies, and a cyber crisis management plan. Furthermore, cybersecurity measures like regular Vulnerability Assessments (VA) and Penetration Testing (PT) along with a cyber incident response plan are mandated. The RBI also dictates guidelines for managing IT infrastructure and services, including software, hardware, third-party arrangements, capacity, projects, vendors, and data. Secure access controls with Multi-Factor Authentication (MFA) and audit trails are another requirement. To ensure business continuity in case of disruptions, NBFC-MLs must have a Business Continuity Plan (BCP) and Disaster Recovery (DR) policy that is tested regularly. Finally, an IS Audit policy with a separate IS Audit function is necessary to conduct risk-based audits.

Reserve Bank of India (Non-Banking Financial Companies – Managing Risks in Outsourcing) Directions, 2025

On November 28, 2025, the Reserve Bank of India ("RBI") issued the *Reserve Bank of India (Non-Banking Financial Companies – Managing Risks in Outsourcing) Directions, 2025* (**"Outsourcing Directions"),** bringing into force a consolidated and comprehensive regulatory framework governing the outsourcing of financial services and information technology ("IT") services by NBFCs. The Directions apply, in varying degrees, to NBFC-D, NBFC-ICC, NBFC-Factor, NBFC-MFI, NBFC-IFC, IDF-NBFC, HFCs, SPDs, CICs, NBFC-P2P and NBFC-AA, while NBFCs in the Base Layer are exempted from IT-specific provisions. All new IT outsourcing arrangements must comply immediately, while existing IT outsourcing contracts must be aligned with the Directions by April 10, 2026**.**

The framework emphasises that outsourcing does not dilute the obligations of the NBFC, its Board, or Senior Management. NBFCs remain fully responsible for outsourced activities, including the conduct of service providers, confidentiality of customer information, and compliance with all applicable laws and supervisory requirements. Core management functions such as internal audit, strategic decision-making, compliance functions, sanctioning of loans, and portfolio management cannot be outsourced, except within the group subject to strict safeguards. The Directions mandate Board-approved outsourcing policies, comprehensive risk evaluation processes, clearly defined approval authorities, and periodic reviews of all material outsourcing arrangements.

To mitigate outsourcing risks, NBFCs must conduct robust due diligence on service providers, covering financial soundness, operational capacity, security practices, legal and reputational risks, and country-level risks in case of offshore outsourcing. Outsourcing agreements must contain stringent provisions on service standards, confidentiality, data segregation, audit rights for the NBFC and RBI, business continuity planning, contingency arrangements, and clearly defined termination rights. NBFCs must maintain a central inventory of material outsourcing arrangements and subject them to continuous monitoring, annual reviews, and internal/external audits. Any breach of customer confidentiality or security incident must be reported promptly to RBI, and NBFCs remain liable to customers for any resulting loss.

The Directions also establish extensive rules for outsourcing of IT services, which cover IT infrastructure management, application development, cloud services, data centre operations, managed security services, and other critical IT functions. For material IT outsourcing, NBFCs must adopt enhanced controls relating to information security, cyber resilience, segregation of data in multi-tenant environments, storage of data in India (where required), and integration of service-provider logs with the NBFC's Security Operations Centre. Special norms apply to cloud computing, including mandatory risk assessments, governance standards, shared responsibility clarity, identity and access controls, contractual safeguards, and detailed exit strategies to ensure smooth transition and data protection.

Further, outsourcing within a group or conglomerate must preserve an arm's-length relationship, avoid customer confusion, and ensure independent risk management. For offshore outsourcing, NBFCs must ensure that governing laws, access to records, RBI's inspection rights, and data confidentiality requirements are fully enforceable. The Directions also require NBFCs to retain full responsibility for grievance redressal, ensuring that

outsourcing does not affect the rights of customers or the NBFC's accountability. With these Directions, RBI has repealed earlier outsourcing guidelines while preserving rights, liabilities, and regulatory actions initiated under the prior framework

Reserve Bank of India (Commercial Banks – Credit Facilities) Directions, 2025 ("Credit Facilities Directions")

The RBI has issued Credit Facilities Directions laying down the regulatory policy regarding financing of NBFCs by banks. In particular, these guidelines prohibit banks from lending to NBFCs for the financing of certain activities, such as (i) bill discounting or rediscounting, except where such discounting arises from the sale of commercial vehicles and two wheelers or three wheelers, subject to certain conditions; (ii) unsecured loans or inter-corporate deposits by NBFCs to any company; (iii) investments by NBFCs both of current and long term nature, in any company; (iv) all types of loans and advances by NBFCs to their subsidiaries, group companies/ entities; (v) further lending to individuals for the purpose of subscribing to an initial public offer and for purchase of shares from secondary market.

Master Direction – Reserve Bank of India (Credit Information Reporting) Directions, 2025 dated January 06, 2025

On November 28, 2025, the RBI issued the Master Directions on Credit Information Reporting for credit reporting by regulated entities, including banks, financial institutions, and non-banking financial companies (NBFCs). The RBI mandated that credit information reporting by Credit Information Companies (**CICs**) adhere to standardized data formats to ensure clarity and consistency in the data reported by banks and financial institutions. To protect sensitive credit information, the RBI has outlined guidelines for data confidentiality and security to protect sensitive credit information directing all regulated entities must all the information must processed and stored within India. The Credit Institutions are now required to inform consumers about the reasons for rejecting data correction requests and if the consumer complaint is not resolved within 30 calendar days of filing complainants are entitled to a compensation of ₹100 per calendar day. RBI also sets guidelines stating that Credit Information Companies must also assess the reputation, financial stability, and legal compliance of the third-party entities before sharing data. CICs shall put in place a robust due diligence and control mechanisms while sharing the credit information

Additionally, the Credit Information Reporting Directions mandated that Credit Institutions must submit credit data to CICs on a regular basis, ideally fortnightly, with updates provided by the 7th calendar day of the subsequent reporting period. The Directions has instructed CICs to monitor the submission timelines and report any delays to the RBI's Department of Supervision every six months. The RBI also puts strict provisions for the unauthorized use of credit information by third parties, including subsidiaries and affiliates of the entity holding the data.

Reserve Bank of India (Non-Banking Financial Companies– Credit Facilities) Directions, 2025

On November 28, 2025, the Reserve Bank of India ("**RBI**") issued the *Reserve Bank of India (Non-Banking Financial Companies – Credit Facilities) Directions, 2025* ("**Credit Facilities Directions**") under Sections 45JA, 45L and 45M of the RBI Act, 1934, Section 30A and 32 of the NHB Act, 1987, and Section 6 of the Factoring Regulation Act, 2011. The Directions consolidate and harmonise instructions relating to credit facilities across the NBFC sector. The Directions largely apply across regulatory layers to NBFC-D, NBFC-ICC, NBFC-Factor, NBFC-MFI, NBFC-IFC, IDF-NBFC and HFCs; with specified partial applicability for NBFC-BL without public funds/customer interface, CICs (limited paragraphs), and NBFC-P2P (limited paragraph on DLG reporting). MGCs, NBFC-AAs, SPDs, NOFHCs, and NBFCs without public funds and customer interface are excluded. NBFCs must adopt Board-approved policies covering Digital Lending (including Default Loss Guarantee or "**DLG**"), Lending against Gold/Silver collateral, Microfinance loans, Project Finance, Demand/Call loans, and Housing Finance.

Lending against Gold and Silver Collateral

The operational conduct provisions must be adopted no later than April 1, 2026. Board policies must set single-borrower/portfolio limits, valuation standards, purity standards, LTV ceilings and breach actions, and documentation for PSL classification. Detailed credit assessment is required above ₹2.5 lakh per borrower (for bullet loans, the total amount payable at maturity is considered for this threshold). Renewals/top-ups are allowed

within LTV limits and only if the loan is standard (for bullet loans, post-interest payment). NBFCs cannot finance purchase of gold/silver or financial assets backed by them, and cannot lend against primary gold/silver. Ownership must be established; frequent/multiple loans beyond internal thresholds must be AML-monitored. Bullet consumption loans are capped at 12 months. Aggregate collateral per borrower is capped at 1 kg (gold ornaments), 10 kg (silver ornaments); coins are capped at 50 g (gold) and 500 g (silver). Re-pledging borrower collateral or lending against third-party re-pledged collateral is prohibited. Collateral must be valued at lower of (i) 30-day average closing price for actual purity, or (ii) previous day's closing price, as published by IBJA or a SEBI-regulated commodity exchange; only intrinsic metal value counts (stones/other elements excluded). Where specific purity quotes are unavailable, nearest purity is used with proportional weight adjustment.

LTV caps (consumption loans) are as follows.

- ≤ ₹2.5 lakh: 85%
- > ₹2.5 lakh & ≤ ₹5 lakh: 80%
- > ₹5 lakh: 75%

LTV must be maintained throughout the tenor (for bullet loans, LTV considers the total maturity amount).

Disbursals are generally to the borrower's bank account; KYC and Income-tax provisions (Sections 269SS/269T) must be observed. Multiple concurrent loans require stricter audits; NBFCs must disclose in their balance sheet the percentage of loans against gold and against silver.

Microfinance Loans

A collateral-free loan to a household with annual income up to ₹3,00,000; all collateral-free loans to such low-income households are microfinance loans and cannot be linked to a lien on the borrower's deposit. NBFCs must adopt a Board-approved methodology to assess household income (parameters for profile, income, and expenses are prescribed) and report household income to CICs. Total monthly loan repayment obligations for the household are capped at 50% of monthly household income; where exceeded, existing loans may run off but no new loans may be granted until the cap is met. Repayment periodicity flexibility must be provided; pricing must follow a documented interest-rate model with ceilings and be non-usurious.

Reserve Bank of India (Non-Banking Financial Companies – Responsible Business Conduct) Directions, 2025

On November 28, 2025, the Reserve Bank of India ("RBI") issued the *Reserve Bank of India (Non-Banking Financial Companies – Responsible Business Conduct) Directions, 2025* ("**Responsible Business Conduct Directions**"). Issued under Sections 45JA, 45L and 45M of the RBI Act, 1934, these Directions introduce a uniform, principle-based framework intended to strengthen fair conduct, transparency, and customer protection across the entire NBFC sector. These Directions apply to NBFC-D, NBFC-ICC, NBFC-Factor, NBFC-MFI, NBFC-IFC, IDF-NBFC, and Housing Finance Companies, across all layers of regulation, unless specified otherwise. Certain entities such as Mortgage Guarantee Companies, Core Investment Companies, NBFC-Account Aggregators, Standalone Primary Dealers, and NBFCs without customer interface are excluded. The framework lays down comprehensive norms relating to institutional governance, fair lending practices, consumer protection, transparency in pricing, interest-rate reset mechanisms, pre-payment rules, and detailed conduct requirements for gold and silver collateral loans, microfinance lending, and recovery practices.

NBFCs are required to implement Board-approved policies covering Fair Practices Code, grievance redressal, interest-rate practices, conduct in gold/silver lending, microfinance lending, floating-rate resets, engagement of recovery agents, and Code of Conduct for DSAs/DMAs. The Board must periodically review compliance with these policies and grievance redressal mechanisms. NBFCs with customer interface must follow detailed requirements relating to loan applications, appraisal, sanction, and disbursal. This includes providing loan agreements and all enclosures in a language understood by the borrower, disclosure of penal charges, transparent communication of changes in loan terms, and non-harassment provisions during recovery. For all retail and MSME term loans, NBFCs must provide a standardised, easy-to-understand Key Fact Statement containing the Annual Percentage Rate (APR), amortisation schedule, fees and charges, and all critical loan terms. Fees not mentioned in the KFS cannot be charged later without explicit borrower consent.

The Responsible Business Conduct Directions introduce a comprehensive, standardised framework governing lending against gold and silver, applicable no later than April 1, 2026.

Master Circular - Bank Finance to Non-Banking Financial Companies (NBFCs) dated April 01, 2025 ("Bank Finance Circular")

The RBI has issued guidelines vide a master circular bearing number RBI/2025-26/15 DOR.CRE.REC.No.05/21.04.172/2025-26 dated April 01, 2025 ("**Bank Finance Circular**") laying down the regulatory policy regarding financing of NBFCs by banks. In particular, these guidelines prohibit banks from lending to NBFCs for the financing of certain activities, such as (i) bill discounting or rediscounting, except where such discounting arises from the sale of commercial vehicles and two wheelers or three wheelers, subject to certain conditions; (ii) unsecured loans or inter-corporate deposits by NBFCs to any company; (iii) investments by NBFCs both of current and long term nature, in any company; (iv) all types of loans and advances by NBFCs to their subsidiaries, group companies/ entities; (v) further lending to individuals for the purpose of subscribing to an initial public offer and for purchase of shares from secondary market.

The Bank Finance Circular also lays down the following prudential ceilings for exposure of Banks to NBFCs:

i. Banks' exposures to a single NBFC (excluding gold loan companies) will be restricted to 20 percent of their eligible capital base (Tier I capital). However, based on the risk perception, more stringent exposure limits in respect of certain categories of NBFCs may be considered by banks. Banks' exposures to a group of connected NBFCs or group of connected counterparties having NBFCs in the group will be restricted to 25 percent of their Tier I Capital.

ii. The exposure of a bank to a single NBFC which is predominantly engaged in lending against collateral of gold jewellery (i.e. such loans comprising 50 per cent or more of their financial assets), shall not exceed 7.5 per cent of the bank's capital funds (Tier I plus Tier II Capital). However, this exposure ceiling may go up by 5 per cent, i.e., up to 12.5 per cent of banks' capital funds if the additional exposure is on account of funds on-lent by such NBFCs to the infrastructure sector

iii. Banks may also consider fixing internal limits for their aggregate exposure to all NBFCs put together. Banks should have an internal sub-limit on their aggregate exposures to all NBFCs, having gold loans to the extent of 50 per cent or more of their total financial assets, taken together. This sub-limit should be within the internal limit, where fixed by the banks for their aggregate exposure to all NBFCs put together as prescribed

Supervisory Framework

In order to ensure adherence to the regulatory framework by NBFCs-ML, the RBI has directed such NBFCs to put in place a system for submission of an annual statement of capital funds, and risk asset ratio etc. as at the end of March every year, in a prescribed format. This return is to be submitted electronically within a period of three months from the close of every financial year. Further, a NBFC is required to submit a certificate from its statutory auditor that it is engaged in the business of non-banking financial institution with requirement to hold a certificate of registration under the RBI Act. This certificate is required to be submitted within one month of the date of finalisation of the balance sheet and in any other case not later than December 30 of that particular year. Further, in addition to the auditor's report under Section 143 of the Companies Act, 2013 the auditors are also required to make a separate report to the Board of Directors on certain matters, including correctness of the capital adequacy ratio as disclosed in the return NBS-7 to be filed with the RBI and its compliance with the minimum CRAR, as may be prescribed by the RBI. Where the statement regarding any of the items referred relating to the above, is unfavorable or qualified, or in the opinion of the auditor the company has not complied with the regulations issued by RBI , it shall be the obligation of the auditor to make a report containing the details of such unfavourable or qualified statements and/or about the non-compliance, as the case may be, in respect of the company to the concerned Regional Office of the Department of Non-Banking Supervision of the Bank under whose jurisdiction the registered office of the company is located.

Asset Liability Management

The RBI has prescribed the Guidelines for Asset Liability Management ("**ALM**") System in relation to NBFCs ("**ALM Guidelines**") that are applicable to all NBFCs through a Master Circular on Miscellaneous Instructions to All Non-Banking Financial Companies dated July 1, 2015. As per this Master Circular, the NBFCs (engaged in and classified as equipment leasing, hire purchase finance, loan, investment and residuary non-banking companies) meeting certain criteria, including, an asset base of ₹ 10,000 lakhs, irrespective of whether they are accepting / holding public deposits or not, or holding public deposits of ₹ 2,000 lakhs or more (irrespective of the asset size) as per their audited balance sheet as of March 31, 2001, are required to put in place an ALM system.

The ALM Guidelines mainly address liquidity and interest rate risks. In case of structural liquidity, the negative gap (i.e. where outflows exceed inflows) in the 1 to 30/31 days' time-bucket should not exceed the prudential limit of 15% of cash outflows of each time-bucket and the cumulative gap of up to one year should not exceed 15% of the cumulative cash outflows of up to one year. In case these limits are exceeded, the measures proposed for bringing the gaps within the limit should be shown by a footnote in the relevant statement.

The Recovery of Debts due to Banks and Financial Institutions Act, 1993

The Recovery of Debts due to Banks and Financial Institutions Act, 1993 (the "DRT Act") provides for establishment of the Debts Recovery Tribunals (the "**DRTs**") for expeditious adjudication and recovery of debts due to banks and public financial institutions or to a consortium of banks and public financial institutions. Under the DRT Act, the procedures for recovery of debt have been simplified and time frames have been fixed for speedy disposal of cases. The DRT Act lays down the rules for establishment of DRTs, procedure for making application to the DRTs, powers of the DRTs and modes of recovery of debts determined by DRTs. These include attachment and sale of movable and immovable property of the defendant, arrest of the defendant and his detention in prison and appointment of receiver for management of the movable or immovable properties of the defendant.

The DRT Act also provides that a bank or public financial institution having a claim to recover its debt, may join an ongoing proceeding filed by some other bank or public financial institution, against its debtor, at any stage of the proceedings before the final order is passed, by making an application to the DRT.

Anti-Money Laundering

The RBI has issued a Master Circular dated July 1, 2015 to ensure that a proper policy frame work for the Prevention of Money Laundering Act, 2002 ("**PMLA**") is put into place. The PMLA seeks to prevent money laundering and provides for confiscation of property derived from, or involved in money laundering and for other matters connected therewith or incidental thereto. It extends to all banking companies, financial institutions, including NBFCs and intermediaries. Pursuant to the provisions of PMLA and the RBI guidelines, all NBFCs are advised to appoint a principal officer for internal reporting of suspicious transactions and cash transactions and to maintain a system of proper record (i) for all cash transactions of value of more than ₹ 10 lakhs; (ii) all series of cash transactions integrally connected to each other which have been valued below ₹ 10 lakhs where such series of transactions have taken place within one month and the aggregate value of such transaction exceeds ₹ 10 lakhs. Further, all NBFCs are required to take appropriate steps to evolve a system for proper maintenance and preservation of account information in a manner that allows data to be retrieved easily and quickly whenever required or when requested by the competent authorities. Further, NBFCs are also required to maintain for at least ten years from the date of transaction between the NBFCs and the client, all necessary records of transactions, both domestic or international, which will permit reconstruction of individual transactions (including the amounts and types of currency involved if any) so as to provide, if necessary, evidence for prosecution of persons involved in criminal activity.

Additionally, NBFCs should ensure that records pertaining to the identification of their customers and their address are obtained while opening the account and during the course of business relationship, and that the same are properly preserved for at least ten years after the business relationship is ended. The identification records and transaction data is to be made available to the competent authorities upon request.

RBI Notification dated December 3, 2015 titled "Anti-Money Laundering (AML)/ Combating of Financing of Terrorism (CFT) – Standards" states that all regulated entities (including NBFCs) are to comply with the updated FATF Public Statement and document 'Improving Global AML/CFT Compliance: on-going process' as on October 23, 2015.

Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 ("SARFAESI")

The SARFAESI Act regulates the securitization and reconstruction of financial assets of banks and financial institutions. The SARFAESI Act provides for measures in relation to enforcement of security interests and rights of the secured creditor in case of default.

The RBI has issued guidelines to banks and financial institutions on the process to be followed for sales of financial assets to asset reconstruction companies. These guidelines provide that a bank or a financial institution or an NBFC may sell financial assets to an asset reconstruction company provided the asset is an NPA. A bank or

financial institution or NBFC may sell a financial asset only if the borrower has a consortium or multiple banking arrangements and at least 75% by value of the total loans to the borrower are classified as an NPA and at least 75% by the value of the banks and financial institutions in the consortium or multiple banking arrangement agree to the sale. In addition to the above, a financial asset may be sold by any bank or financial institution where the asset is reported, by the bank financial institution to Central Repository for Information on Large Credit, as an NPA wherein the principal or interest payment is overdue between 61-90 days.

As per the SARFAESI Amendment Act of 2004, the constitutional validity of which was upheld in a recent Supreme Court ruling, non-performing assets have been defined as an asset or account of a borrower, which has been classified by a bank or financial institution as sub-standard, doubtful or loss asset in accordance with directions or guidelines issued by the RBI. In case the bank or financial institution is regulated by a statutory body/authority, NPAs must be classified by such bank in accordance with guidelines issues by such regulatory authority. The RBI has issued guidelines on classification of assets as NPAs. Further, these assets are to be sold on a "without recourse" basis only.

The SARFAESI Act provides for the acquisition of financial assets by Securitization Company or Reconstruction Company from any bank or financial institution on such terms and conditions as may be agreed upon between them. A securitization company or reconstruction company having regard to the guidelines framed by the RBI may, for the purposes of asset reconstruction, provide for measures such as the proper management of the business of the borrower by change in or takeover of the management of the business of the borrower, the sale or lease of a part or whole of the business of the borrower and certain other measures such as rescheduling of payment of debts payable by the borrower; enforcement of security.

Additionally, under the provisions of the SARFAESI Act, any securitisation company or reconstruction company may act as an agent for any bank or financial institution for the purpose of recovering its dues from the borrower on payment of such fee or charges as may be mutually agreed between the parties.

Various provisions of the SARFAESI Act have been amended by the Enforcement of Security Interest and Recovery of Debt Laws and Miscellaneous Provisions (Amendment) Act, 2016 as also the Insolvency and Bankruptcy Code, 2016 (which amended S.13 of SARFAESI). As per this amendment, the Adjudicating Authority under the Insolvency and Bankruptcy Code, 2016 shall by order declare moratorium for prohibiting inter alia any action to foreclose, recover or enforce any security interest created by the corporate debtor in respect of its property including any action under the SARFAESI Act.

Further, in accordance with Ministry of Finance notification no. S.O. 856(E) dated February 24, 2020, the eligibility limit for to enforcement of security interest with respect to secured debt recovery by NBFCs (having assets worth ₹ 100 Crores and above) has been reduced from ₹ 1 Crore to ₹ 50 Lakhs.

Insolvency and Bankruptcy Code, 2016

The Insolvency and Bankruptcy Code, 2016 ("**Bankruptcy Code**") was notified on August 5, 2016. The Bankruptcy Code offers a uniform and comprehensive insolvency legislation encompassing all companies, partnerships and individuals (other than financial firms). It allows creditors to assess the viability of a debtor as a business decision and agree upon a plan for its revival or a speedy liquidation. The Bankruptcy Code creates a new institutional framework, consisting of a regulator, insolvency professionals, information utilities and adjudicatory mechanisms, which will facilitate a formal and time-bound insolvency resolution and liquidation process. RBI vide its circular dated June 7, 2019, laid down the Prudential Framework for Resolution of Stressed Assets whereby prescribing the regulatory approach for resolution of stressed assets interalia by: (i) early recognition and reporting of default by banks, financial institutions and NBFCs in respect of large borrowers; (ii) Affording complete discretion to lenders with regard to design and implementation of resolution plans, in supersession of earlier resolution schemes (S4A, SDR, 5/25 etc.), subject to the specified timeline and independent credit evaluation; (iii) Laying down a system of disincentives in the form of additional provisioning for delay in implementation of resolution plan or initiation of insolvency proceedings; (iv) Withdrawal of asset classification dispensations on restructuring. Future upgrades to be contingent on a meaningful demonstration of satisfactory performance for a reasonable period; and (v) Requiring the mandatory signing of an inter-creditor agreement (ICA) by all lenders, which will provide for a majority decision making criteria. MCA vide notification dated November 15, 2019, issued the Insolvency and Bankruptcy (Insolvency and Liquidation Proceedings of Financial Service Providers and Application to Adjudicating Authority) Rules, 2019 ("**FSP Rules**") interalia governing the corporate insolvency resolution process and liquidation process of Financial Service Providers (FSPs) under the

Bankruptcy Code. The issuance of the FSP Rules has made viable and unified resolution process accessible for the FSPs and their creditors with some procedural differences.

The Insolvency and Bankruptcy (Insolvency and Liquidation Proceedings of Financial Service Providers and Application to Adjudicating Authority) Rules 2019 ("IBC Rules, 2019")

The Code, which regulates the insolvency resolution process for "corporate persons" previously excluded financial service providers from its purview. With the notification of the IBC Rules, 2019, the provisions of the Code will apply to financial service providers as well, which are subject to modifications and additional conditions as set out in the IBC Rules, 2019. Financial service providers are defined to mean persons engaged in the business of providing financial services in terms of authorisation issued or registration granted by a financial sector regulator under the Code. "Financial services" is broadly defined in the Code, and includes, inter alia, services in the nature of acceptance of deposits, administration of assets, underwriting services, advisory services with respect to dealings in financial products, operation of an investment scheme, and maintenance of records of ownership of a financial product. The IBC Rules, 2019, lays down the provisions for setting up an advisory committee, resolution plan and the liquidation process of financial service providers.

Foreign Investment Regulations

Foreign investment in Indian securities is regulated through the Consolidated Foreign Direct Investment ("FDI") Policy and Foreign Exchange Management Act, 1999 ("FEMA"). The government bodies responsible for granting foreign investment approvals are the concerned ministries/ departments of the Government of India and the RBI. The Union Cabinet has approved phasing out the Foreign Investment Promotion Board, as provided in the press release dated May 24, 2017. Accordingly, pursuant to the office memorandum dated June 5, 2017, issued by the Department of Economic Affairs, Ministry of Finance, approval of foreign investment under the FDI policy has been entrusted to concerned ministries/departments. Subsequently, the Department of Industrial Policy & Promotion ("DIPP") issued the Standard Operating Procedure for Processing FDI Proposals on June 29, 2017 (the "SOP"). The SOP provides a list of the competent authorities for granting approval for foreign investment for sectors/activities requiring Government approval. For sectors or activities that are currently under automatic route but which required Government approval earlier as per the extant policy during the relevant period, the concerned administrative ministry/department shall act as the competent authority (the "Competent Authority") for the grant of post facto approval of foreign investment. In circumstances where there is a doubt as to which department shall act as the Competent Authority, the DIPP shall identify the Competent Authority. The DIPP has from time to time made policy pronouncements on FDI through press notes and press releases which are notified by RBI as amendment to FEMA. In case of any conflict FEMA prevails.

The Foreign Exchange Management (Debt Instruments) Regulations, 2019 notified by RBI on October 17, 2019, regulate investment in India by a person resident outside India in listed NCDs.

The Consolidated FDI Policy consolidates the policy framework in place as on August 27, 2017. Further, on January 4, 2018, the RBI released the Master Direction on Foreign Investment in India. Under the approval route, prior approval from the relevant ministry and competent authorities, as per the procedure established under the Standard Operating Procedure for Processing FDI Proposals ("**SOP**") dated June 29, 2017 or RBI is required. FDI for the items/activities that cannot be brought in under the automatic route may be brought in through the approval route. Approvals are accorded on the recommendation of the FIPB, which is chaired by the Secretary, DIPP, with the Union Finance Secretary, Commerce Secretary and other key Secretaries of the Government of India as its members. As per the sector specific guidelines of the Government of India, 100 per cent FDI/ Non-Resident Indian ("**NRI**") investments are allowed under the automatic route in certain NBFC activities subject to compliance with guidelines of the RBI in this regard

Shops and Establishments legislations in various states

The provisions of various Shops and Establishments legislations, as applicable, regulate the conditions of work and employment in shops and commercial establishments and generally prescribe obligations in respect of inter-alia registration, opening and closing hours, daily and weekly working hours, holidays, leave, health, termination of services and safety measures and wages for overtime work.

Labour Laws

India has stringent labour related legislations. Our Company is required to comply with certain labour laws, which include the Employees' Provident Funds and Miscellaneous Provisions Act 1952*, the Employees' State Insurance

Act, 1948*, the Minimum Wages Act, 1948*, the Payment of Bonus Act, 1965*, Employees' Compensation Act, 1923*, the Payment of Gratuity Act, 1972*, Maternity Benefit Act, 1961* and the Payment of Wages Act, 1936*, amongst others*.

**The Government of India implemented the following: Code of Wages, 2019, Code of Social Security, 2020, the Occupational Safety, Health and Working Conditions Code, 2020 and the Industrial Relations Code, 2020, through Gazette notifications dated November 21, 2025. Post implementation of such labour codes, collectively they would replace and subsume these legislations. However, in the absence of finalization and enforcement of Central I state rules, schemes, and notifications, the existing legislations have not yet been subsumed. The codes now clarify the substantive standards employers must meet, the procedural details, including registration process, formats for returns, working hour provisions, process for recognition of trade unions, and inspection mechanisms, among other matters, will be shaped by forthcoming state rules.*

In order to rationalize and reform labour laws in India, the Government has enacted the following codes:

i. Code on Wages, 2019, which regulates and amalgamates wage and bonus payments and subsumes four existing laws namely-the Payment of Wages Act, 1936, the Minimum Wages Act, 1948, the Payment of Bonus Act, 1965 and the Equal Remuneration Act, 1976 received the assent of the President of India on August 8, 2019. It regulates, inter alia, the minimum wages payable to employees, the manner of payment and calculation of wages and the payment of bonus to employees. Certain provisions of this code relating to inter alia definitions, wage & bonus entitlements, payment timelines, and enforcement have been brought into force by the Ministry of Labour and Employment through a notification dated November 21, 2025, and other provisions of this code will be brought into effect on a date to be notified by the Government of lndia.

ii. Industrial Relations Code, 2020, which consolidates and amends laws relating to trade unions, the conditions of employment in industrial establishments and undertakings, and the investigation and settlement of industrial disputes received the assent of the President of India on September 28, 2020. It received the assent of the President of India on September 28, 2020. All provisions of this code have been brought into effect by the Ministry of Labour and Employment through a notification dated November 21, 2025. It has subsumed the Trade Unions Act, 1926, the Industrial Employment (Standing Orders) Act, 1946 and the Industrial Disputes Act, 1947.

iii. Code on Social Security, 2020, which received the assent of the President oflndia on September 28, 2020. Through its notification dated November 21, 2025, the Ministry of Labour and Employment has brought into effect certain provisions of this code and the remaining provisions of this code will be brought into force on a date to be notified by the Government of India. It amends and consolidates laws relating to social security, and subsumes various social security related legislations, inter alia including the Employee's Compensation Act, 1923, Employee's State Insurance Act, 1948, the Employees' Provident Funds and Miscellaneous Provisions Act, 1952, the Maternity Benefit Act, 1961 and the Payment of Gratuity Act, 1972.

iv. Occupational Safety, Health and Working Conditions Code, 2020, received the assent of the President oflndia on September 28, 2020, which amends and subsumes certain existing legislations, including Factories Act, 1948, the Contract Labour (Regulation and Abolition) Act, 1970, the Inter-State Migrant Workmen (Regulation of Employment and Conditions of Service) Act, 1979 and the Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996. This code provides for, among other things, standard for health, safety and working conditions for employees of establishment and has come into effect on November 21, 2025.

Intellectual Property

Intellectual Property in India enjoys protection under both common law and statute. Under statute, India provides for patent protection under the Patents Act, 1970, copyright protection under the Copyright Act, 1957 and trademark protection under the Trade Marks Act, 1999. The above enactments provide for protection of intellectual property by imposing civil and criminal liability for infringement.

SECTION VIII – SUMMARY OF MAIN PROVISIONS OF THE ARTICLES OF ASSOCIATION

Capitalised terms used in this section have the meaning that has been given to such terms in the Articles of Association of our Company. In case of any inconsistency between the Articles of Association of our Company and the Companies Act, 1956 and Companies Act, 2013, the provisions of the Companies Act, 1956 and the Companies Act 2013 shall prevail over the Articles of Association of our Company. Pursuant to Schedule II of the Companies Act, 1956 and the SEBI Regulations, the main provisions of the Articles of Association of our Company are detailed below:

SHARE CAPITAL AND VARIATION OF RIGHTS			
II.	**1.**		Subject to the provisions of the Act and these Articles, the shares in the capital of the Company shall be under the control of the Directors who may issue, allot or otherwise dispose of the same or any of them to such persons, in such proportion and such terms and conditions and either at a premium or at par and at such time as they may from time to time think fit.
	2.	**(i)**	Every person whose name is entered as a member in the Register of Members shall be entitled to receive within two months after incorporation , in case of subscribers to the memorandum or after allotment or within one month after the application for registration of transfer or transmission or within such other period as the conditions of issue shall be provided,-
		(a)	One certificate for all his shares without payment of any charges; or
		(b)	Several certificates, each for one or more of his shares, upon payment of twenty rupees for each certificate after the first.
		(c)	Share/ Debenture Certificate shall be issued in marketable lot and where Share/ Debenture Certificates are issued for either more or less than marketable lots, sub-division/ consolidation in to marketable lots shall be done free of charge
		(ii)	Every certificate shall be under the seal and shall specify the shares to which it relates and the amount paid up thereon.
		(iii)	In respect of any share or shares held jointly by several persons, the Company shall not be bound to issue more than one certificate, and delivery of a certificate for a share to one of several joint holders shall be sufficient delivery to all such holders.
	3.	**(i)**	If any share certificate be worn out, defaced, mutilated or torn or if there be no further space on the back for endorsement of transfer, then upon production and surrender thereof to the Company, a new certificate may be issued in lie thereof, and if any certificate is lost or destroyed then upon proof thereof to the satisfaction of the Company and on execution of such indemnity as the Company deem adequate, a new certificate in lieu thereof shall be given. Every certificate under this Article shall be issued on payment of twenty rupees for each certificate.
		(ii)	The provisions of Article (2) and (3) mutatis mutandis apply to debentures of the Company.
	4.		Except as required by law, no person shall be recognized by the Company as holding any share upon any trust, and the Company shall not be bound by, or be compelled in any way to recognize (even when having notice thereof) any equitable, contingent, future or partial interest in any share, or any interest in any equitable, contingent, future or partial interest in any share, or in any fractional part of a share, or (except only as by these regulations or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder.
	5.	**(i)**	The Company may exercise the powers of paying commissions conferred by sub-section (6) of Section 40, provided that the rate percent or the amount of commission paid or agreed to be paid shall be disclosed in the manner required by that section and rules made thereunder.
		(ii)	The rate or the amount of commission shall not exceed the rate or amount prescribed in the rules made under sub- section (6) of section40.

		(iii)	The commission may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in the one way and partly in the other.
	6.	**(i)**	If at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of shares of that class) may, subject to the provisions of section 48, and whether or not is being wound up , be varied with the consent in writing of the holders of three- fourths of the issued shares of that class, or with the sanction of a special resolution passed at a separate meeting of the holders of the shares of that class.
		(ii)	To every such separate meeting, the provisions of these regulations relating to general meetings shall mutatis mutandis apply, but so that the necessary quorum shall be at least two persons holding at least one-third of the issued shares of the class in question.
	7.		The rights conferred upon the holders of shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of shares of that class, be deemed to be varied by the creation or issue of further shares ranking pari passu therewith.
	8. **9.** **10.** **11**. **12**.		Subject to provisions of section 55, any preference shares may, with the sanction of an ordinary resolution, be issued on the terms that are to be redeemed on such terms and in such manner as the company before the issue of the shares may, any special resolution, determine. **<u>*DEMATERIALISATION OF SECURITIES</u>** Notwithstanding anything contained herein and subject to the provisions of the Act, the Company shall be entitled to admit its shares, debentures and other securities for dematerialisation pursuant to the provisions of the Depositories Act or any other law applicable and to offer its shares, debentures and other securities for subscription in a dematerialised form. Notwithstanding anything to contrary contained in the Act or these Articles, a depository shall be deemed to be the registered owner for the purposes of effecting transfer of ownership of securities of the Company on behalf of the beneficial owner. Every person holding securities of the Company and whose name is entered as the beneficial owner in the records of the depository shall be entitled to all the rights and benefits and be subject to all the Liabilities in respect of the securities which are held by a depository and shall be deemed to be a Member of the Company. Nothing contained in Section 56 of the Act or these Articles shall apply to a transfer of securities effected by transferor and transferee both of whom are entered as beneficial owners in the records of a depository.
<u>LIEN</u>			
	13.	**(i)**	The Company shall have a first and paramount lien-
		(a)	on every share (not being a fully paid share), for all monies (whether presently payable or not) called, or payable at a fixed time, in respect of that share; and
		(b)	on all shares (not being fully paid shares) standing registered in the name of a single person, for all monies presently payable by him or his estate to the company; PROVIDED the Board of Directors may at any time declare any share to be wholly or in part exempt from the provisions of this clause. ***Inserted vide special resolution at the EGM of the company dated 19th December 2018***

		(ii)	The Company's lien, if any, on a share shall extend to all dividends payable and bonuses declared from time to time in respect of such shares.
	14.		The Company may sell, in such manner as the Board thinks fit, any shares on which the Company has a lien. PROVIDED no sale shall be made-
		(a)	unless a sum in respect of which the lien exists is presently payable; or
		(b)	until the expiration of fourteen days after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share or the person entitled thereto by reason of his death or insolvency.
	15.	**(i)**	To give effect to any such sale, the Board may authorize some person to transfer the shares sold to the purchaser thereof;
		(ii)	The purchaser shall be registered as the holder of shares comprised in any such transfer.
		(iii)	The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.
	16.	**(i)**	The proceeds of the sale shall be received by the company and applied in payment of such part of the amount in respect of which the lien exists and is presently payable.
		(ii)	The residue, if any, shall, subject to a like lien for sums not presently payable as existed upon the shares before the sale, be paid to the person entitled to the shares at the date of the sale.
CALLS ON SHARES			
	17	**(i)**	The Board may, from time to time, make calls upon the members in respect of any monies unpaid on their shares (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times: PROVIDED that no call shall exceed one- fourth of the nominal value of the share or be payable at less than one month from the date fixed for the payment of the last preceding call.
		(ii)	Each member shall, subject to receiving at least fourteen days' notice specifying the time or times and place of payment, pay to the company, at the time or times and place so specified, the amount called on his shares.
		(iii)	The call may be revoked or postponed at the discretion of the Board.
	18		A call shall be deemed to have been made at the time when the resolution of the Board authorizing the call was passed and may be required to be paid by installments.
	19		The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.
	20	**(i)**	If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest thereon from the day appointed for payment thereof to the time of actual payment at ten percent per annum or at such lower rate , if any, as the Board may determine.
		(ii)	The Board shall be at the liberty to waive payment of any such interest wholly or in part

	21	**(i)**	Any sum by which the terms of issue of a share becomes payable on allotment or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall, for the purposes of these regulations, be deemed to be a call duly made and payable on the date on which by terms of issue such sum becomes payable.
		(ii)	In case of non –payment of such sum, all the relevant provisions of these regulations as to the payment of interest and expenses, forfeiture or otherwise shall apply as is such sum had become payable by virtue o a call duly made and notified.
	22		The Board-
		(a)	may, if thinks fit, receive from any member willing to advance the same, all or any part of the monies uncalled and unpaid upon any shares; and
		(b)	upon all or any of the monies so advanced, any (until the same would, but for such advance, become presently payable) pay interest at such rate not exceeding, unless the company in general meeting shall otherwise direct, twelve percent per annum, as may be agreed upon between the Board and the member paying the sum in advance.
TRANSFER OF SHARES			
	23	**(i)**	The instrument of transfer of any share in the company shall be executed by or on behalf of both the transferor and transferee.
		(ii)	The transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the Register of Members in respect thereof.
	24		The Board may, subject to the right of appeal conferred by Section 58 decline to register-
		(a)	the transfer of a share, not being a fully paid share, to a person of whom they do not approve; or
		(b)	The transfer of shares on which the company has a lien.
	25		The Board may decline to recognize any instrument of transfer unless-
		(a)	the instrument of transfer is in the form as prescribed in the rules made under sub- section (1) of Section 56;
		(b)	the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and
		(c)	the instrument of transfer is in respect of only one class of shares.
	26		On giving less than seven days' previous notice in accordance with Section 91 and rules made thereunder, the registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine. PROVIDED that such registration shall not be suspended for more than thirty days at any one time or for more than forty-five days in the aggregate in any year.
TRANSMISSION OF SHARES			
	27	**(i)**	On the death of a member, the survivor or survivors where the member was a joint holder, and his nominee or nominees or legal representatives where he was a sole holder, shall be the only persons recognized by the company as having any title to the interest in the shares.

		(ii)	Noting in clause (i) shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with other persons.
	28	**(i)**	Any person becoming entitled to a share in consequence of the death or insolvency of a member may, upon such evidence being produced as may from time to time properly be required by the Board and subject as hereinafter provided, elect, either-
		(a)	to be registered himself as holder of the share; or
		(b)	to make such transfer of shares as the deceased or insolvent member could have made.
		(ii)	The Board shall, in either case, have the same right to decline or suspend registration as it would have had, if the deceased or insolvent member had transferred the share before his death or insolvency.
	29	**(i)**	If the person so becoming entitled shall elect to be registered as holder of the share himself, he shall deliver or send to the company a notice in writing signed by him stating that he so elects.
		(ii)	If the person aforesaid shall elect to transfer the share, he shall testify his election by executing a transfer of the share.
		(iii)	All the limitations, restrictions and provisions of these regulations relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or insolvency of the member had not occurred and the notice or transfer were a transfer signed by that member.
	30		A person becoming entitled to a share by reason of the death or insolvency of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to the meetings of the company. PROVIDED that the Board may, at any time, give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within ninety days, the Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the share, until the requirements of the notice have been complied with.
FORFEITURE OF SHARES			
	31		If a member fails to pay any call, or instalment of a call, on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or instalments remains unpaid, serve a notice on him requiring payment of so much of the call or instalment as unpaid, together with any interest which may have accrued.
	32		The notice aforesaid shall-
		(a)	name a further day (not being earlier than the expiry of fourteen days from the date of service of the notice) on or before which the payment required by the notice is to be made; and
		(b)	state that, in the event of non-payment on or before the day so named, the shares in respect of which the call was made shall be liable to be forfeited.
	33		If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may, at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect.

	34	**(i)**	A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Board thinks fit.
		(ii)	At any time before a sale or disposal as aforesaid, the Board may cancel the forfeiture on such terms as it thinks fit.
	35	**(i)**	A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but shall, notwithstanding the forfeiture, remain liable to pay to the company all monies which, at the date of forfeiture, were presently payable by him to the company in respect of the shares.
		(ii)	The liability of such person shall cease if and when the company shall have received the payment in full of all such monies in respect of the shares.
	36	**(i)**	A duly verified declaration in writing that the declarant is a director, the manager or the secretary, of the company, and that a share in the company has been duly forfeited on a date stated in the declaration shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share.
		(ii)	The company may received the consideration, if any, given for the share on any sale or disposal thereof and may execute a transfer of the share in favor of the person to whom the share is sold or disposed of;
		(iii)	The transferee shall thereupon be registered as the holder of the share; and
		(iv)	The transferee shall not be bound to see the application of the purchase money, if any, nor his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.
	37		The provisions of these regulation as to forfeiture shall apply in case of non- payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.
ALTERATION OF CAPITAL			
	38		The company may, from time to time, by ordinary resolution, increase the share capital by such sum, to be divided into shares of such amount, as may be specified in the resolution.
	39		Subject to the provisions of Section 61, the Company may, by ordinary resolution-
		(a)	consolidate and divide all or any of its share capital into shares of larger amount than its existing shares;
		(b)	convert all or any its fully paid-up shares into stock, reconvert that stock into fully paid-up shares of any denomination.
		(c)	sub-divide its existing shares or any of them into shares of smaller amount than is fixed by the memorandum
		(d)	cancel any shares which, at the date of passing of resolution, have not been taken or agreed to be taken by any person.
	40		Where shares are converted into stock-
		(a)	the holders of stock may transfer the same or any part thereof in the same manner as, and subject to the same regulation under which, the shares from which the stock arose might before the conversion have been transferred, or as near thereto as circumstances admit:

			PROVIDED that the Board may, from time to time, fix the minimum amount of stock transferable, so, however, that such minimum shall not exceed the nominal amount of the shares from which the stock arose.
		(b)	the holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards dividends, voting at meetings of the company, and other matters, as if they held the shares from which the stock arose; but no such privilege or advantage (except participation in the dividends and profits of the company and in the assets on winding up) shall be conferred by an amount of stock which would not, if existing in shares, have conferred that privilege or advantage.
	41		The Company may, by special resolution, reduce in any manner and with, and subject to, any incident authorized and consent required by law-
		(a)	its share capital
		(b)	any capital redemption reserve account; or
		(c)	any share premium account
CAPITALISATION OF PROFITS			
	42	**(i)**	The company in general meeting nay, upon the recommendation of the Board, resolve-
		(a)	that it is desirable to capitalize any part of the amount for the time being standing to the credit of any of the company's reserve accounts, or to the credit of the profit and loss account, or otherwise available for distribution; and
		(b)	that such sum be accordingly set free for distribution in the manner specified in clause (ii) amongst the members who would have been entitled thereto, if distributed by way of dividend and in the same proportions.
		(ii)	The sum aforesaid shall not be paid in cash but shall be applied, subject to the provisions contained in clause (iii), either in or towards-
		(A)	Paying up any amounts for the time being unpaid on any shares held by such members respectively;
		(B)	Paying up in full, unissued shares of the company to be allotted and distributed, credited as fully paid-up, to and amongst such members in the proportions aforesaid;
		(C)	Partly in way specified in sub-clause (A) and partly in that specified in sub-clause (B)
		(D)	A securities premium account and a capital redemption reserve account may, for the purpose of this regulation, be applied in the paying up of unissued shares to be issued to the members of the company as fully paid bonus shares
		(E)	The Board shall give effect to the resolution passed by the company in pursuance of this regulation.
	43	**(i)**	Whenever such a resolution as aforesaid shall have been passed, the Board shall-
		(a)	make appropriations and applications of the undivided profits resolved to be capitalized thereby, and all allotments and issues of fully paid shares, if any; and
		(b)	to authorize any person to enter, on behalf of the members entitled thereto, into an agreement with the company providing for the allotment to them respectively, credited as fully paid-up, of any further shares to which they may be entitled upon such capitalization, or as the case may

			require, for the payment by the company on their behalf, by the application thereto of their respective proportions of profits resolved to be capitalized, of the amount or any part of the amounts remaining unpaid on their existing shares.
		(iii)	Any agreement made under such authority shall be effective and binding on such members.
			BUY-BACK OF SHARES
	44		Notwithstanding anything contained in these articles but subject to the provisions of section 68 to 70 and any other applicable provisions of the Act or any other law for the time being in force, the company may purchase its own shares or other specified securities.
			GENERAL MEETINGS
	45		All general meeting other than Annual General Meeting shall be called Extraordinary General Meeting.
	46	**(i)**	The Board may, whenever it thinks fit, call an extraordinary general meeting.
		(ii)	If at any time directors capable of acting who are sufficient in number to form a quorum are not within India, any director or any two members of the Company may call an Extraordinary General Meeting in the same manner, as nearly as possible, as that in which such a meeting may be called by the Board.
	47	**(i)**	A general meeting called Annual General Meeting shall be held at least once in each year pursuant to section 96 and shall specify the meeting as such in the notice calling it and not more than fifteen months shall elapse between the date of one Annual General Meeting of the company and that of the next.
		(ii)	Every Annual General Meeting shall be called during the business hours on any day that is not a National Holiday and shall be held either at the Registered Office of the company or some other place within the city, town or village in which the Registered Office of the company is situated.
			NOTICE OF GENERAL MEETING
	48	**(i)**	Pursuant to provisions of section 101 a general meeting of the company may be called by giving not less than clear twenty-one days' notice either in writing or through electronic mode.
		(ii)	A general meeting may be called after giving a shorter notice if consent is given in writing or by electronic mode by not less than ninety five percent of the members entitled to vote at such meeting.
		(iii)	The notice shall specify the place, date, day and of the hour of the meeting shall contain a statement of the business to be transacted at such meeting
		(iv)	Any accidental omission to give notice to, or the non- receipt of such notice by, any member or other person who is entitled to such notice for any meeting shall not invalidate the proceedings of the meeting.
		(v)	In the light of section 102, a statement setting out the material facts concerning each item of the special business to be transacted at the general meeting shall be annexed to the notice calling such meeting.
			PROCEEDINGS AT GENERAL MEETING
	49	**(i)**	No business shall be transacted at any general meeting unless a quorum of members is present at any time when the meeting proceeds to business.

		(ii)	Save as otherwise provided herein, the quorum for the general meetings shall be as provided in section 103 i.e. five members to be present in person (who are qualified to vote) shall be the quorum of the meeting.
	50		The Chairman of the Board shall preside as the Chairperson at every general meeting of the company.
	51		If the Chairperson is not present within fifteen minutes after the time appointed for holding the meeting, the directors present shall elect one of their members to be the Chairperson of the meeting.
	52		If at any meeting no director is willing to act as Chairperson or if no director is present within fifteen minutes after the time appointed for holding the meeting, the members present shall choose one of their members to be the Chairperson of the meeting.
ADJOURNMENT OF MEETING			
	53	**(i)**	If the quorum is not present within half an hour from the appointed time for holding the meeting of the company, the meeting shall stand adjourned to the same day in the next week at the same time and place, or to such other date and such other time and place as the Board may determine.
		(ii)	No business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.
		(iii)	When a meeting is adjourned for thirty days or more, notice of the adjourned meeting shall be given as in the case of an original meeting.
		(iv)	Save as aforesaid and as provided in section 103 of the Act, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
		(v)	If at the adjourned meeting also, a quorum is not present within half an hour from the time appointed for holding meeting, the members present shall be the quorum.
VOTING RIGHTS			
	54		Subject to any rights or restrictions for the time being attached to any class of classes of shares-
		(a)	On a show of hands, every member present in person shall have one vote; and

Dear Mr. Richi Mathew,

Re: Crisil Rating on the Rs. 150 Crore Non Convertible Debentures of Muthoot Mercantile Limited

We refer to your request for a rating for the captioned Debt instrument.

Crisil Ratings has, after due consideration, assigned a Crisil BBB+/Stable (pronounced as Crisil triple B plus rating with Stable outlook) rating to the captioned Debt instrument. Securities with this rating are considered to have moderate degree of safety regarding timely servicing of financial obligations. Such securities carry moderate credit risk.

Further, in view of your decision to accept the Crisil Ratings, we request you to apprise us of the instrument details (in the enclosed format) as soon as it has been placed. In the event of your company not making the issue within a period of 180 days from the above date, or in the event of any change in the size or structure of your proposed issue, a fresh letter of revalidation from Crisil Ratings will be necessary.

As per our Rating Agreement, Crisil Ratings would disseminate the rating along with outlook through its publications and other media, and keep the rating along with outlook under surveillance for the life of the instrument. Crisil Ratings reserves the right to withdraw, or revise the rating / outlook assigned to the captioned instrument at any time, on the basis of new information, or unavailability of information, or other circumstances which Crisil Ratings believes may have an impact on the rating. Please visit www.crisilratings.com and search with the name of the rated entity to access the latest rating/s.

As per SEBI circular (reference number: CIR/IMD/DF/17/2013; dated October 22, 2013) on centralized database for corporate bonds/debentures, you are required to provide international securities identification number (ISIN; along with the reference number and the date of the rating letter) of all bond/debenture issuances made against this rating letter to us. The circular also requires you to share this information with us within 2 days after the allotment of the ISIN. We request you to mail us all the necessary and relevant information at debtissue@crisil.com. This will enable Crisil Ratings to verify and confirm to the depositories, including NSDL and CDSL, the ISIN details of debt rated by us, as required by SEBI. Feel free to contact us at debtissue@crisil.com for any clarification you may need.

Crisil Ratings' products / activities or ratings of instruments other than 'securities that are listed or proposed to be listed' may fall under the purview of financial sector regulators (FSRs) other than SEBI. In respect of such products / activities or ratings (under the purview of other FSRs such as Reserve Bank of India (RBI), Ministry of Corporate Affairs (MCA), Insurance Regulatory and Development Authority of India (IRDAI), among others), the grievance / dispute redressal and investor protection mechanisms available under SEBI regulations shall not be applicable. 1 crore = 10 million
Refer to Annexure for Details of Instruments & Bank Facilities

Detailed Rationale

Crisil Ratings has assigned its '**Crisil BBB+/Stable**' rating to Rs 150 crore non-convertible debentures of Muthoot Mercantile Limited (Muthoot Mercantile).

The rating reflects the extensive experience of the promoters of Muthoot Mercantile and the company's strong track record of operations in the gold loan business, its adequate capital position and comfortable earnings profile. These strengths are partially offset by regional concentration in operations and limited diversity in resource profile.

Muthoot Mercantile is a Kerala-based non-deposit-taking non-banking financial company (NBFC). It has been operating in the gold loan business for more than 30 years and has expanded its operations across 12 states through more than 300 branches. It is promoted by Mathew Mathaininan, and his son, Richi Mathew. Mathew Mathaininan is chairman of the Muthoot Ninan Group of Companies and have work experience of more than 60 years in the lending business. Richi Mathew, Managing Director of Muthoot Mercantile, has more than 20 years of work experience in the gold loan business.

The company's profitability has remained comfortable as reflected in five-year average return assets (RoA) of ~3.8%. During the first nine months of fiscal 2026, the company reported profit after tax (PAT) of Rs 37 crore and RoA of 4.2% (annualised) as against a PAT of Rs 28 crore and RoA of 3.2% during fiscal 2025. The company's profitability is expected to remain stable over the medium term as it focuses on leveraging its existing branch network. Additionally, as the company is focused on the gold loan segment, ultimate credit losses are low given the option to auction the jewellery and recover dues. Nevertheless, ability to maintain profitability while ramping up operations will remain a key rating sensitivity factor.

The capital position of Muthoot Mercantile remains adequate with networth of Rs 229 crore and gearing of 4.6 times as on December 31, 2025, compared with Rs 192 crore and 3.8 times, respectively, as on March 31, 2025. The capitalisation is supported by steady internal accrual. During the past five years, the company generated accrual of Rs 125 crore (profit) and no amount was taken out in form of dividend. Additionally, the promoters are willing to infuse capital as and when needed. The company's overall capital adequacy ratio (CAR) stood at ~21% as of December 2025, well above the regulatory requirement.

The company's assets under management (AUM) rose to Rs 1,178 crore as of December 2025 from Rs 852 crore as of March 2025, reflecting strong growth of 51%, in line with the industry. Between March 2022 and December 2025, the AUM rose at a compound annual growth rate (CAGR) of 28%. The company has been continuously expanding its branch network across geographies with new branches every year. During the past two fiscals. it added 96 new branches and plans to add 50 branches in fiscal 2027.

Nevertheless, the company's portfolio is concentrated in the top three states — Odisha, Maharashtra and Delhi — which account for 67% of AUM. Additionally, as the gold loan space is attracting interest from both NBFCs and banks, the ability of Muthoot Mercantile to maintain growth and diversify portfolio will remain monitorable.

Analytical Approach

For arriving at the rating, Crisil Ratings has considered the standalone business and financial risk profiles of Muthoot Mercantile.

Key Rating Drivers - Strengths

Extensive experience of the promoters and long track record of operations in gold loan business: Muthoot Mercantile has been in the gold loan business for more than 30 years and has expanded its operations across 12 states with more than 300

branches. The company is promoted by Mathew Mathaininan and his son, Richi Mathew. Mathew Mathaininan, Chairman of the Muthoot Ninan Group of Companies, has experience of more than 60 years in the lending business, while Richi Mathew, Managing Director of Muthoot Mercantile, has experience of more than 20 years in the gold loan business.

Comfortable earnings profile: The company's profitability has remained comfortable along with steady growth in AUM, as reflected in five-year average RoA of ~3.8%. During the first nine months of fiscal 2026, the company reported PAT of Rs 37 crore and RoA of 4.2% (annualised) as against PAT of Rs 28 crore and RoA of 3.2% during fiscal 2025. The profitability is expected to remain stable over the medium term backed as it focuses on leveraging its existing branch network. Additionally, as the company is focused on the gold loan segment, ultimate credit losses are low given the option to auction the jewellery and recover dues. Nevertheless, ability to maintain profitability with growing scale will remain monitorable.

Adequate capitalisation: The capital position of Muthoot Mercantile remains adequate with networth of Rs 229 crore and gearing of 4.6 times as on December 31, 2025, compared with Rs 192 crore and 3.8 times, respectively, as on March 31, 2025. The capitalisation is supported by steady internal accrual of Rs 125 crore (profits) over the past five years with no amount being taken out in form of dividend. Additionally, the promoters are willing to infuse capital as and when needed. The company's overall CAR stood at ~21% as of December 2025, well above the regulatory requirement.

Key Rating Drivers - Weaknesses

Regional concentration in operations: The top three states, Odisha, Maharashtra and Delhi, account for 67% of the company's AUM. However, the company is gradually diversifying its portfolio by opening new branches across the country. As of December 2025, it had 350 branches across 12 states. The company plans to add 50 branches in fiscal 2027. Nevertheless, the ability of the company to substantially reduce the AUM concentration will remain monitorable.

Limited diversity in resource profile: Muthoot Mercantile has raised funds from multiple sources including NCDs (both listed and unlisted), subordinate debts and bank loans. However, a significant portion (~67%) of borrowings is through NCDs and subordinate debt raised from individual investors. While the company has raised term loans from multiple banks (including public sector banks such as State Bank of India and Indian Overseas Bank) and NBFCs, this quantum remains low. The interest rate on term loans ranges from 9.5% to 11%. The ability of the company to further diversify its funding mix and raise sufficient funds through other channels remains monitorable.

Liquidity Adequate

Muthoot Mercantile had liquidity of Rs 53.24 crore as of March 2026 in the form of unencumbered cash and bank balance against cash outflow of Rs 14.87 crore in April 2026, resulting in one-month liquidity cover of 3.6 times (considering nil collections).

Outlook Stable

Crisil Ratings believes Muthoot Mercantile will continue to benefit from the experience and strong understanding of its promoters in the gold finance segment and will remain adequately capitalised over the medium term.

Rating sensitivity factors

Upward factors

- Sustained improvement in earnings profile with RoA over 4% on consistent basis
- Substantial increase in scale of operations with continued strong risk management practices and branch level operations

Downward factors

- Inability to maintain growth in scale of operations resulting in RoA falling below 1%
- Significant weakening in capital position with gearing rising beyond 6 times

About the Company

Incorporated in 1997, Muthoot Mercantile is a Kerala-based non-deposit-taking NBFC. The company obtained Certificate of Registration from the Reserve Bank of India in December 2002 and operates in the gold loan business with 350 branches across 12 states. Its AUM stood at Rs 1,178 crore as of December 2025. The company is promoted by Mathew Mathaininan and his son, Richi Mathew. Mathew Mathaininan is the only son of the late M. Ninan Muthoot, who began with a chit fund scheme in 1939 adopting the trade name, "MUTHOOT". Mathew Mathaininan is chairman of the Muthoot Ninan Group of Companies and have work experience of more than 60 years in the lending business. Richi Mathew, Managing Director of Muthoot Mercantile, has more than 20 years of work experience in the gold loan business.

About Crisil Ratings Limited (A subsidiary of Crisil Limited, an S&P Global Company)
Crisil Ratings pioneered the concept of credit rating in India in 1987. With a tradition of independence, analytical rigour and innovation, we set the standards in the credit rating business. We rate the entire range of debt instruments, such as bank loans, certificates of deposit, commercial paper, non-convertible/convertible/partially convertible bonds and debentures, perpetual bonds, bank hybrid capital instruments, asset-backed and mortgage-backed securities, partial guarantees and other structured debt instruments. We have rated over 33,000 large and mid-scale corporates and financial institutions. We have also instituted several innovations in India in the rating business, including ratings for municipal bonds, partially guaranteed instruments and infrastructure investment trusts (InvITs).

Crisil Ratings Limited ('Crisil Ratings') is a wholly-owned subsidiary of Crisil Limited ('Crisil'). Crisil Ratings Limited is registered in India as a credit rating agency with the Securities and Exchange Board of India ("SEBI").

ANNEXURE IV-FINANCIAL STATEMENTS

APPENDED OVERLEAF

INDEPENDENT AUDITORS' REPORT ON THE SPECIAL PURPOSE FINANCIAL STATEMENT OF ASSETS AND LIABILITIES AS AT MARCH 31, 2023, STATEMENT OF PROFIT AND LOSS AND CASH FLOWS STATEMENT FOR THE YEARENDED MARCH 31, 2023 OF MUTHOOT MERCANTILE LIMITED

To the Board of Directorsof Muthoot Mercantile Limited

We have audited the accompanying financial statements of Muthoot Mercantile Limited (the "**Company**"), which comprise the balance sheet as at March 31, 2023, and the statement of profit and loss, and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information(hereinafter referred to as "**financial statements**").

Management'sResponsibility for the Financial Statements

Management is responsible for the preparation of the financial statements that give a true and fair view of the state of affairs, results of operations and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, as amended and based on the provisions of Para 3.3.10 of Schedule I to the Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021, as amended(the "**SEBI NCS Regulations**").This also includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor'sResponsibility

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with Standards on Auditing issued by the Institute of Chartered Accountants of India ("ICAI"). Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to theexplanations given to us, the financial statements are prepared in the manner so required as per Companies Act, 2013 and as per SEBI NCS Regulations and give a true and fair view in conformity with the accounting principles generally accepted in India, of thestate of affairs of the Company as at March 31, 2023, and of its results ofoperations and its cash flows for the year then ended.

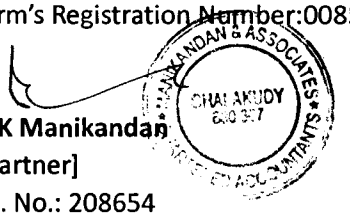

Restriction on Use and Distribution

The financial statementsare prepared to assist the Company to meet the requirements of SEBI NCS Regulations, as amended. As a result, the financial statements may not be suitable foranother purpose.

Other Matter

Muthoot Mercantile Limited has prepared a separate set of financial statements for the year ended March 31, 2023, in accordance with the Accounting Standards referred to in Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, as amended, on which M/s. Mohandas & Associates,Chartered Accountants,has issued a separate auditor's report to the shareholders of the Company dated June30, 2023.

MUTHODT MERCANTILE LIMITED

Notes to the financial statements for the year ended 31-March-23

1 NATURE OF OPERATION

Muthoot Mercantile Limited(CIN:U65921KL1997PLC011260) was incorporated on 3rd March 1997,having registered office at 1st Floor, North Block, "Muthoot Floors",opposite W & C Hospital, Thycaud, Thiruvananthapuram, 695014, Kerala .The Company is a Non-Systemically Important Non-Deposit Taking Non-Banking Financial Company (NBFC-ND) which provides a wide range of fund based and fee based services including Gold loan, Money Transfer etc.The Company is a Non-Deposit taking Non Banking Financial Company registered under section 45 IA of the Reserve Bank of India Act,1934 vide Certificate of Registration ('CoR') number N-16.00178 dated 12th December, 2002

2 BASIS OF PREPARATION

The financial statements of the Company have been prepared in accordance with Generally Accepted Accounting Principles in India(Indian GAAP).The Company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under section 133 of the Companies Act,2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014 and the guidelines issued by the Reserve Bank of India as applicable to a Non-Systemically Important Non-Deposit Taking Non-Banking Financial Company (NBFC-ND). The financial statements have been prepared under historical cost convention and on accrual basis except for interest on Non Performing Assets which are recognised on realisation basis.The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.All amounts included in the financial statements are reported in Lakhs of indian rupees (Rupees in Lakhs) except share and per share data, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not be add up precisely to the totals and percentages may not precisely reflect the absolute figures.

2.1 SIGNIFICANT ACCOUNTING POLICIES

Significant Accounting Policies adopted in the Preparation and Presentation of Financial Statements are as under-:

a. USE OF ESTIMATES

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period.Although these estimates are based on the management's best knowledge of current events and actions, uncertainity about these assumptions and estimates could result in the outcomes requiring material adjustment to the carrying amounts of assets or liabilities in future periods.

b. PROPERTY,PLANT AND EQUIPMENT

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses if any.The cost comprises purchase price, borrowing costs if capitalisation criteria are met and any cost directly attributable to bring the asset to its working condition for its intended use.

c. INTANGIBLE ASSETS

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition,intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Intangible assets are amortized on a straight line basis over the estimated useful economic life of 5 years as determined by the management.The amortization period and the amortization method are reviewed at least at each financial year end.

d. DEPRECIATION

Depreciation has been provided on Written Down Value method as per the useful life estimated by the management. The estimates of useful life followed by the company is provided as under:

Assets	Life of Assets (Years)
Strong Room	20 (acquired up to 31-03-15)*
	10 (Others)
Furniture and Fixtures	20 (acquired up to 31-03-15)*
	10 (Others)
Vehicles	8
Computer & Accessories	3 (End user devices)
	6 (Servers and networks)
Office & Electrical Equipments	20 (acquired up to 31-03-15)*
	10 (Others)

*Based on the estimation given by the chartered engineer

e. IMPAIRMENT OF ASSETS

The company assesses at each repnrting date whether there is an indication that an asset may be impaired.If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount.Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

f. REVENUES

Revenues are recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Interest, where installments are overdue in respect of non performing assets are recognised on realisation basis. Any such income recognised and remaining unrealised after the installments become overdue with respect to non performing assets is reversed. Interest on deposits is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

g. EMPLOYEE BENEFITS

Employee benefits in the form of Provident Fund and Employee State Insurance is a defined contribution scheme and the contributions are charged to the statement of Profit and Loss of the year when the contributions to the fund is due. Gratuity payable under "The Payment of Gratuity Act, 1972" is accrued and provided for on the basis of an actuarial valuation on Projected unit credit method with control period of one year. The Company does not have a scheme of encashment of earned leave. The Earned leave which is not utilized during the year will be automatically lapsed at the end of the year and can not be carried forward. Hence no provision has been made in the accounts for encashment of leave and carried forward of earned leave.

h. BORROWING COST

Borrowing costs directly attributable to the acquisition, construction or production of an asset which takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of the respective asset.All other borrowing costs are expensed in the period in which they incur.

i. INCOME TAX

Tax expense comprises current and deferred tax.Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India. Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal uf timing differences for the earlier years. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of deferred tax assets are reviewed at each balancesheet date. The Company write-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain ,as the case may be, that sufficient future taxable income will be available.

j. EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity share holders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a right issue to existing share holders; share split;and reverse share split, if any.

k. PROVISIONS

i) A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made . These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

ii) Provisioning policy for gold loan and other portfolio loans
Secured loans are classified /provided for as per management's best estimates, subject to minimum provision required as per Non Banking Financial Company-Non Systematically Important Non-Deposit taking Company (Reserve Bank) Directions, 2016, as follows

Gold and other loans

Asset Classification	Provisioning policy
Standard Assets	0.25%
Sub-standard Assets	10% on Outstanding
Doubtful Assets	
D1	100% of unsecured portion + 20 % of secured portion
D2	100% of unsecured portion + 30 % of secured portion
D3	100% of unsecured portion + 50 % of secured portion
Loss Assets	100%

The Company has also provided additional provisions based on management estimates wherever necessary.

l. SEGMENT REPORTING

The Company primarily operates in the business of gold loan and its operations are in India. Accordingly no segment reporting is applicable.

m. **CASH AND CASH EQUIVALENTS**

Cash and cash equivalents in the balance sheet comprise cash in hand ,cash at bank and deposits having orginal maturity of three months or less

n. **CONTINGENT LIABILITIES**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurence or non-occurence of one or more uncertain future events which is beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation.The Company does not recognise a contingent liability but discloses its existence in the financial statements.

o. **LEASES**

Leases where the lessor effectively retains substantially all the risks and benefits of ownership for the leased term, are classified as operating leases. Operating lease payments in respect of non-cancellable leases are recognised as an expense in the statement of profit and loss.

p. **CASH FLOW STATEMENTS**

Cash flows are reported using the indirect method,whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past / future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information

q. **INVESTMENTS**

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Quoted current investments for each category is valued at cost or market value whichever is lower. Long-term investments are carried at cost. Provision for diminution shall be made to recognise a decline, other than temporary, in the value of the investments, such reduction being determined and made for each investment individually.

r. **FOREIGN CURRENCY TRANSACTIONS**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. Foreign currency monetary items are reported using the exchange rate prevailing at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined. Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

Independent Auditor's Report

To the members of Muthoot Mercantile Limited

Report on the Audit of the financial statements

Opinion

We have audited the accompanying financial statements of **M/s. Muthoot Mercantile Limited** ("the Company") which comprises the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the period then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, its profit, total comprehensive income, changes in equity and its cash flows for the period ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI)together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.We have determined the matters described below to be the key audit matters
to be communicated in our report.

Serial No.	Key Audit Matters	Auditor's Response
1.	Provision for Expected Credit Losses (ECL)	We examined Board Policy approving methodologies for computation of ECL that address policies, procedures and controls for assessing and measuring credit risk on all lending exposures, commensurate with the size, complexity and risk profile specific to the Company. We evaluated the design and operating effectiveness ofcontrols across the processes relevant to ECL We also tested assets in stage 1, 2 and 3 on sample basis to verify that they were allocated to the appropriate stage.
2.	Due to the pervasive nature and complexity of the IT environment, we have ascertained IT systems and controls as a key audit matter.	We performed the following audit procedures: 1. Tested the Company's periodic review of access rights. 2. Considered the control environment relate to various interfaces, configuration and other application layer controls identified as key to our audit.

Information other than the financial statements and auditor's report thereon.

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. This is the audit report in respect of the period ended on 31st March, 2024 and the annual report is expected to be made available to us after the date of this auditor's report.

- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibility for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, based on our audit we report that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.

e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations which would impact its financial position;

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. Under Rule 11(e)

(i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(ii) The management has represented that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(iii) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, and according to the information and explanations provided to us by the Management in this regard nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.

v. During the period the Company has not declared or paid dividend on equity shares.

vi. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the period for all relevant transactions recorded in the software. Further, during the course of audit we did not come across any instance of audit trail feature being tampered with.

3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the period is in accordance with the provisions of section 197 of the Act.

Annexure 2 to the Independent Auditors' Report of Muthoot Mercantile Limited for the period ended 31st March , 2024.

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **Muthoot Mercantile Limited** ('the Company') as of 31st March , 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the guidance note on audit of internal financial controls over financial reporting (the 'Guidance Note') and the Standards on Auditing (the 'Standards') issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note issued by the ICAI.

MUTHOOT MERCANTILE LIMITED

Notes to the Financial Statements for the year ended 31-March-2024

(All amounts are in Lakhs of Indian Rupees unless otherwise stated)

1 BACKGROUND INFORMATION

Muthoot Mercantile Limited(CIN:U65921KL1997PLC011260) was incorporated on 3rd March 1997,having registered office at 1st Floor, North Block, "Muthoot Floors",opposite W & C Hospital, Thycaud, Thiruvananthapuram, 695014, Kerala

The Company is a Systemically Important Non-Deposit Taking Non-Banking Financial Company (NBFC-ND) which provides a wide range of fund based and fee based services including Gold loan, Money Transfer etc.The Company is a Non-Deposit taking Non Banking Financial Company registered under section 45 IA of the Reserve Bank of India Act,1934 vide Certificate of Registration ('CoR') number N-16.00178 dated 12th December, 2002.

2 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules , 2015 (as amended from time to time). The financial sratements have been prepared under the historical cost convention, as modified by the application of fair value measurements required or allowed by relevant Accounting Standards and on accrual basis except for certain financial instruments measured at fair value at the end of each reporting period as explained in accounting policies below.

The above financial statements have been prepared in accordance with the Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India mainly considering the Master Directions issued by the Reserve Bank of India ('RBI') as applicable to Non-Banking Finance Companies – ND.

The financial statements are presented in Indian Rupees (INR) except when otherwise indicated.

All amounts included in the financial statements are reported in Lakhs of indian rupees (Rupees in Lakhs) except share and per share data, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not be add up precisely to the totals and percentages may not precisely reflect the absolute figures.

3 PRESENTATION OF FINANCIAL STATEMENTS

The financial statements of the Company are presented as per Schedule III (Division III) of the Companies Act, 2013 applicable to NBFCs, as notified by the Ministry of Corporate Affairs (MCA). Financial assets and financial liabilities are generally reported on a gross basis except when, there is an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event and the parties intend to settle on a net basis in the following circumstances:

(i) The normal course of business

(ii) The event of default

(iii) The event of insolvency or bankruptcy of the Company and/or its counterparties.

4 SIGNIFICANT ACCOUNTING POLICIES

Significant Accounting Policies adopted in the Preparation and Presentation of Financial Statements are as under-:

A. FINANCIAL INSTRUMENTS

(I) Classification of financial instruments

The Company classifies its financial assets into the following measurement categories:

i) Financial assets to be measured at amortised cost.

ii) Financial assets to be measured at fair value through other comprehensive income.

iii) Financial assets to be measured at fair value through profit or loss account.

The classification depends on the contractual terms of the financial assets' cash flows and the Company's business model for managing financial assets. The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The business model is assessed on the basis of aggregated portfolios based on observable factors. These factors include:

- Reports reviewed by the entity's key management personnel on the performance of the financial assets.
- The risks impacting the performance of the business model (and the financial assets held within that business model) and its management thereof.

- The compensation of the managing teams (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected)
- The expected frequency, value and timing of trades. The business model assessement is based on reasonably expected scenarios without taking ' worst case' or 'stress case' scenarios into account.

The Company also assesses the contractual terms of financial assets on the basis of its contractual cash flow characteristics that are solely for the payments of principal and interest on the principal amount outstanding. 'Principal' is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset (for example, if there are repayments of principal or amortisation of the premium/discount).

In making this assessment, the Company considers whether the contractual cash flows are consistent with a basic lending arrangement i.e. interest includes only consideration for the time value of money, credit risk, other basic lending risks and a profit margin that is consistent with a basic lending arrangement. Where the contractual terms introduce exposure to risk or volatility that are inconsistent with a basic lending arrangement, the related financial asset is classified and measured at fair value through profit or loss.

The Company classifies its financial liabilities at amortised costs unless it has designated liabilities at fair value through the profit and loss account or is required to measure liabilities at fair value through profit or loss such as derivative liabilities.

(II) Initial Recognition

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in the Statement of profit or loss.

Financial assets and financial liabilities, with the exception of loans, debt securities and deposits are recognised on the trade date i.e. when a Company becomes a party to the contractual provisions of the instruments. Loans, debt securities and deposits are recognised when the funds are transferred to the customers account. Trade receivables are measured at the transaction price.

(III) Subsequent Measurement

Financial assets at amortised cost

Financial assets having contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding and that are held within a business model whose objective is to hold such assets in order to collect such contractual cash flows are classified in this category. Subsequently these are measured at amortised cost using effective interest method less any impairment losses.

Debt Instruments at FVOCI

Debt instruments that are measured at FVOCI have contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on principal outstanding and that are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets. These instruments largely comprise long-term investments made by the Company. FVOCI debt instruments are subsequently measured at fair value with gains and losses arising due to changes in fair value recognised in OCI. Interest income and gains and losses are recognised in profit or loss in the same manner as for financial assets measured at amortised cost. On derecognition, cumulative gains or losses previously recognised in OCI are reclassified from OCI to profit or loss.

Equity Instruments at FVOCI

These include financial assets that are equity instruments as defined in Ind AS 32 "Financial Instruments: Presentation" and are not held for trading and where the Company's management has elected to irrevocably designated the same as Equity instruments at FVOCI upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognised directly in other comprehensive income, net of applicable income taxes.

Gains and losses on these equity instruments are never recycled to profit or loss.

Dividends from these equity investments are recognised in the statement of profit and loss when the right to receive the payment has been established.

Fair value through Profit and loss account

Financial assets are measured at FVTPL unless it is measured at amortised cost or at FVOCI on initial recognition. The transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are immediately recognised in profit or loss.

(IV) Financial Liabilities and Equity Instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities.

Equity instruments are recorded at the proceeds received, net of direct issue costs.

Other Financial Liabilities

These are measured at amortised cost using effective interest rate.

(V) Derecognition of Financial Assets and Financial Liabilities

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires.

(VI) Impairment of Financial Assets

The company recognises impairment allowance for expected credit loss on financial assets held at amortised cost. In addition to that the Company has provided for Non-Performing Assets (NPA) as per Prudential Norms of RBI.

The Company recognises loss allowances (provisions) for expected credit losses on its financial assets (including non-fund exposures) that are measured at amortised costs or at fair value through other comprehensive income account. The Company applies a three-stage approach to measuring expected credit losses (ECLs) for the following categories of financial assets that are not measured at fair value through profit or loss:

- debt instruments measured at amortised cost and fair value through other comprehensive income;
- loan commitments.

No ECL is recognised on equity investments.

Financial assets migrate through the following three stages based on the change in credit risk since initial recognition:

Stage 1: ECL

For exposures where there has not been a significant increase in credit risk since initial recognition and that are not credit impaired upon origination, ECL associated with the probability of default events is recognised.

Stage 2: Lifetime ECL – not credit impaired

For exposures where there has been a significant increase in credit risk since initial recognition but are not credit impaired, a lifetime ECL (i.e. reflecting the remaining lifetime of the financial asset) is recognised.

Stage 3: Lifetime ECL – credit impaired

Exposures are assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred. For exposures that have become credit impaired, a lifetime ECL is recognised

The company has identified the following stage classification to be the most appropriate for its loans:

Stage 1: 0 to 60 Days Past Due

Stage 2: 61 to 90 Days Past Due

Stage 3: above 90 Days Past Due

Reclassification of Financial assets

The company does not re-classify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances when the company changes its business model for managing such financial assets. The company does not re-classify its financial liabilities.

(VII) Write-offs

The Company reduces the gross carrying amount of a financial asset when the Company has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. This is generally the case when the Company determines that the borrower /debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subjected to write-offs. Any subsequent recoveries against such loans are credited to the statement of profit and loss.

(VIII) Determination of fair value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of a financial instrument on initial recognition is normally the transaction price (fair value of the consideration given or received). Subsequent to initial recognition, the Company determines the fair value of financial instruments that are quoted in active markets using the quoted bid prices (financial assets held) or quoted ask prices (financial liabilities held) and using valuation techniques for other instruments. Valuation techniques include discounted cash flow method and other valuation models.

(IX) Foreign currency transactions and translation

The financial statements of the Company are presented in Indian rupees (₹), which is the functional currency of the Company and the presentation currency for the financial statements.

In preparing the financial statements, transactions in currencies other than the Company's functional currency are recorded at the rates of exchange prevailing on the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are re-translated at the rates prevailing at the end of the reporting period. Exchange differences arising on the retranslation or settlement of monetary items are included in the statement of profit and loss for the period.

B. REVENUE FROM OPERATIONS

(I) Recognition of Dividend and Interest Income

Dividend income (including from FVOCI investments) is recognised when the Company's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably. This is generally when the shareholders or Board of Directors approve the dividend.

Under Ind AS 109 interest income is recorded using the Effective Interest Rate (EIR) method for all financial instruments measured at amortised cost, debt instrument measured at FVOCI and debt instruments designated at FVTPL. The EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument or, when appropriate, a shorter period, to the net carrying amount of the financial asset.

The EIR (and therefore, the amortised cost of the asset) is calculated by taking into account any discount or premium on acquisition, fees and costs that are an integral part of the EIR.

MUTHOOT MERCANTILE LIMITED THYCAUD 695014

(II) Dividends on Ordinary Shares

The Company recognises a liability to make cash or non-cash distributions to equity holders of the parent when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

Non-cash distributions are measured at the fair value of the assets to be distributed with fair value remeasurement recognised directly in equity. Upon distribution of non-cash assets, any difference between the carrying amount of the liability and the carrying amount of the assets distributed is recognised in the statement of profit and loss.

(III) Fees and Commission Income

Fees and commissions are recognised when the Company satisfies the performance obligation, at fair value of the consideration received or receivable based on a five-step model as set out below, unless included in the effective interest calculation:

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the Company satisfies a performance obligation.

Processing fee which is not forming part of effective interest rate has been recognised as and when it is accrued.

(IV) Net gain on Fair value changes

Any differences between the fair values of financial assets classified as fair value through the profit or loss, held by the Company on the balance sheet date is recognised as an unrealised gain / loss. In cases there is a net gain in the aggregate, the same is recognised as Revenue and if there is a net loss the same is disclosed under as Expense in the statement of Profit and Loss.

However, net gain / loss on derecognition of financial instruments classified as amortised cost is presented separately under the respective head in the Statement of Profit and Loss.

C. EXPENSES

(I) Finance costs

Finance costs represents Interest expense recognised by applying the Effective Interest Rate (EIR) to the gross carrying amount of financial liabilities other than financial liabilities classified as FVTPL.

The EIR in case of a financial liability is computed

a) As the rate that exactly discounts estimated future cash payments through the expected life of the financial liability to the gross carrying amount of the amortised cost of a financial liability.

b) By considering all the contractual terms of the financial instrument in estimating the cash flows

c) Including all fees received between parties to the contract that are an integral part of the effective interest rate, transaction costs, and all other premiums or discounts.

Any subsequent change the estimation of the future cash flows is recognised in interest with the corresponding adjustment to the carrying amount of the assets.

(II) Employee Benefits

Short term employee benefit

Employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include short term compensated absences such as paid annual leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised as an expense during the period. Benefits such as salaries and wages, etc. and the expected cost of the bonus/ex-gratia are recognised in the period in which the employee renders the related service.

Post-employment employee benefits

a) Defined contribution schemes

All the employees of the Company are entitled to receive benefits under the Provident Fund and Employees State Insurance scheme, defined contribution plans in which both the employee and the Company contribute monthly at a stipulated rate. The Company has no liability for future benefits other than its annual contribution and recognises such contributions as an expense in the period in which employee renders the related service. If the contribution payable to the scheme for service received before the Balance Sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid.If the contribution already paid exceeds the contribution due for services received before the Balance Sheet date,then excess is recognised as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

MUTHOOT MERCANTILE LIMITED THYCAUD 695014

b) Defined Benefit schemes

The Company provides for the gratuity, a defined benefit retirement plan covering all employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated years mentioned under 'The Payment of Gratuity Act, 1972'. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation, carried out by an independent actuary at each Balance Sheet date, using the Projected Unit Credit Method, which recognizes each period of service as giving rise to an additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan are based on the market yields on Government Securities as at the Balance Sheet date.

An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, attrition rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, these liabilities are highly sensitive to changes in these assumptions. All assumptions are reviewed annually.

Re-measurement, comprising of actuarial gains and losses are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to profit and loss in subsequent periods.

(III) Leases

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether : (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii)the Company has the right to direct the use of the asset.At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases). For these short-term leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term.ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or,if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option.
Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

(IV) Other Income and Expenses

All Other income and expense are recognized in the period they occur.

(V) Impairment of Non-Financial Assets

The carrying amounts of the Company's property, plant & equipment and intangible assets are reviewed at each reporting period to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amounts are estimated in order to determine the extent of impairment loss, if any. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The impairment loss, if any, is recognised in the statement of profit and loss in the period in which impairment takes place.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, however subject to the increased carrying amount not exceeding the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior accounting periods. A reversal of an impairment loss is recognised immediately in profit or loss.

MUTHOOT MERCANTILE LIMITED THYCAUD 695014

(VI) Taxes

Current Tax

Current tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from,or paid to, the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted, or substantively enacted, by the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax assets and liabilities are recognised for temporary differences arising between the tax bases of assets and liabilities and their carrying amounts. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the reporting date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are only recognised for temporary differences, unused tax losses and unused tax credits if it is probable that future taxable amounts will arise to utilise those temporary differences and losses. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax assets and liabilities are offset where there is a legally enforceable right to offset current tax assets and liabilities and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities are realised simultaneously.

Minimum Alternative Tax (MAT)

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

D. CASH AND CASH EQUIVALENTS

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value. They are held for the purposes of meeting short term cash commitments (rather than for investment or other purposes).
For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short term deposits, as defined above, as they are considered an integral part of the Company's cash management.

E. PROPERTY, PLANT AND EQUIPMENT (PPE)

Property, plant and equipment (PPE) are measured at cost less accumulated depreciation and accumulated impairment, (if any). The total cost of assets comprises its purchase price, freight, duties, taxes and any other incidental expenses directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner indended by the managment. Changes in the expected useful life are accounted for by changing the amortisation period or methodology, as appropriate, and treated as changes in accounting estimates.

Subsequent expentiture related to an item of tangible asset are added to its gross value only if it increases the future benefits of the existing asset, beyond its previously assessed standards of performance and cost can be measured reliably. Other repairs and maintenance costs are expensed off as and when incurred. Depreciation is calculated using the Written Down Value (WDV) method to write down the cost of property and equipment to their residual values over their estimated useful lives.

The estimated useful lives as follows:

Particulars	Useful life estimated by company (Years)
Strong Room	20 (acquired up to 31-03-15)*
	10 (Others)
Furniture And Fixtures	20 (acquired up to 31-03-15)*
	10 (Others)
Vehicles	8
Office Equipments	3 (End user devices)
	6 (Servers and networks)
Office & Electrical Equipments	20 (acquired up to 31-03-15)*
	10 (Others)

*Based on the estimation given by the chartered engineer

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.Property plant and equipment is derecognised on disposal or when no future economic benefits are expected from its use.Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in other income /expense in the statement of profit and loss in the year the asset is derecognised. The date of disposal of an item of property,plant and equipment is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

F. INTANGIBLE ASSETS

An intangible asset is recognised only when its cost can be measured reliably and it is probable that the expected future economic benefits that are attributable to it will flow to the Company.

Intangible assets acquired separately are measured on initial recognition at cost. The cost of an intangible asset comprises its purchase price and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and any accumulated impairment losses.

The useful lives of intangible assets are assessed to be either finite or indefinite. Intangible assets with finite lives are amortised over the useful economic life. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at each financial year-end. Changes in the expected useful life, or the expected pattern of consumption of future economic benefits embodied in the asset, are accounted for by changing the amortisation period or methodology, as appropriate, which are then treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is presented as a separate line item in the statement of profit and loss. Amortisation on assets acquired/sold during the year is recognised on a pro-rata basis to the Statement of Profit and Loss from / upto the date of acquisition/sale.

Amortisation is calculated using the straight–line method to write down the cost of intangible assets to their residual values over their estimated useful lives. Intangible assets comprising of software are amortised on a straight-line basis over a period of 5 years, unless it has a shorter useful life.

The Company's intangible assets consist of computer software with definite life. Gains or losses from derecognition of intangible assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in the Statement of Profit and Loss when the asset is derecognised.

G. CAPITAL WORK IN PROGRESS AND CAPITAL ADVANCES

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. Advances given towards acquisition of property, plant and equipment outstanding at each Balance Sheet date are disclosed in Other Non-Financial Assets.

H. ACCOUNTING FOR PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognised in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date. Where the time value of money is material, provisions are measured on a discounted basis. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

Constructive obligation is an obligation that derives from an entity's actions where:

(a) by an established pattern of past practice, published policies or a sufficiently specific current statement, the entity has indicated to other parties that it will accept certain responsibilities, and

(b) as a result, the entity has created a valid expectation on the part of those other parties that it will discharge those responsibilities Contingent liabilities are not recognised in the financial statements. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

I. EARNING PER SHARE

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. Basic EPS is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

5 SIGNIFICANT ACCOUNTING JUDGEMENTS,ESTIMATES AND ASSUMPTIONS

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires management of the Company to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures including disclosures of contingent assets and contingent liabilities as at the date of financial statements and the reported amounts of revenues and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

Key sources of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of: impairment of financial instruments, provisions and contingent liabilities.

A. BUSINESS MODEL ASSESSMENT

Classification and measurement of financial assets depends on the results of the SPPI and the business model test.The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortised cost or fair value through other comprehensive income that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

B. DEFINED EMPLOYEE BENEFIT ASSETS AND LIABILITIES

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed annually.

C. FAIR VALUE MEASUREMENT

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

D. IMPAIRMENT OF LOANS PORTFOLIO

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances.It has been the Company's policy to regularly review its models in the context of actual loss experience and adjust when necessary.The impairment loss on loans and advances is disclosed in more detail in Note 9 Overview of ECL principles.In case, higher provisions are to be considered as per the prudential norms of the Reserve Bank of India, they are considered and routed through Impairment Reserves.

E. CONTINGENT LIABILITIES AND PROVISIONS OTHER THAN IMPAIRMENT ON LOAN PORTFOLIO

The Company operates in a regulatory and legal environment that, by nature, has a heightened element of litigation risk inherent to its operations. As a result, it is involved in various litigation, arbitration in the ordinary course of the Company's business.When the Company can reliably measure the outflow of economic benefits in relation to a specific case and considers such outflows to be probable, the Company records a provision against the case. Where the probability of outflow is considered to be remote, or probable, but a reliable estimate cannot be made, a contingent liability is disclosed.Given the subjectivity and uncertainty of determining the probability and amount of losses, the Company takes into account a number of factors including legal advice, the stage of the matter and historical evidence from similar incidents.Significant judgement is required to conclude on these estimates.

F. EFFECTIVE INTEREST RATE (EIR) METHOD

The Company's EIR methodology, recognises interest income /expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioural life of loans given / taken and recognises the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments and penaltyinterest and charges).

This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments and other fee income/expense that are integral parts of the instrument.

G. OTHER ESTIMATES

These include contingent liabilities, useful lives of tangible and intangible assets etc.

H. SEGMENT REPORTING

Pursuant to Ind AS 108 - Operating Segments, no segment disclosure has been made in these financial statements, as the Company has only one geographical segment and no other separate reportable business segment.

The conditions and restrictions for distribution attached to Special Reserve is as follows:
No appropriation of any sum from the reserve fund shall be made by the Company except for the purpose as may be specified by the RBI from time to time and every such appropriation shall be reported to the RBI within twenty-one days from the date of such withdrawal. RBI may, in any particular case and for sufficient cause being shown, extend the period of twenty one days by such further period as it thinks fit or condone any delay in making such report.

(ii) Capital Redemption Reserve:
This reserve created on account of buyback of equity shares during the financial year 2016-17.

(iii) Impairment Reserve:
Where impairment allowance under Ind As 109 is lower than the provisioning required under IRACP (including standard asset provisioning), the differential amount is transferred to impairment reserve. The balance in the impairment reserve shall not be reckoned for regulatory capital.

(iv) Retained Earnings:
This reserve represents the cumulative profits of the Company. This can be utilised in accordance with the provisions of the Companies Act, 2013.

(v) Other comprehensive income:
Other items of other comprehensive income consist of remeasurement of net defined benefit liability/asset.

INDEPENDENT AUDITOR'S REPORT

To
The Members of Muthoot Mercantile Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Muthoot Mercantile Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	**How addressed in audit**
The Management estimates impairment provision using Expected Credit loss (ECL) model for the loan exposure as per the Board approved policy. The estimation of expected credit loss on financial instruments involves significant judgement and estimates. Key estimates involve determining Exposure at Default (EAD), Probability at Default (PD) and Loss Given Default (LGD) using historical information. Hence, we have considered the estimation of ECL as a Key Audit Matter.	Our audit procedures relating to expected credit losses included appropriate test checks based on the concepts of materiality and sampling. These procedures were performed to verify and validate that the expected credit losses recognized in the financial statements were in accordance with the Board-approved policy, were arithmetically accurate, and that the related disclosures made by management were appropriate. We have also test checked on sample basis to verify the classification of loans is as per ECL/RBI norms.
Compliance and disclosure requirements under the applicable Indian Accounting Standards, RBI Guidelines and other applicable statutory, regulatory and financial reporting framework.	- We have assessed the systems and processes laid down by the company to appropriately ensure compliance and disclosures as per the applicable Indian Accounting Standards, RBI Guidelines and other applicable statutory, regulatory and financial reporting framework. - We have designed and performed audit procedures to assess the completeness and correctness of the details disclosed having regard to the assumptions made by the management in relation to the applicability and extent of disclosure requirements; and have relied on internal records of the company, management confirmations /explanations and external confirmations wherever necessary.

Key Audit Matter	How addressed in audit
The company's operational and financial processes are dependent on IT systems due to large volume of transactions that are processed daily. Accordingly, our audit was focused on key IT systems and controls due to the pervasive impact on the financial statements	- We obtained an understanding of the Company's IT control environment and key changes during the audit period that may be relevant to the audit. - We also tested key automated and manual controls and logic for system generated reports relevant to the audit that would materially impact the financial statements and alternate procedures were applied to verify and confirm the reasonableness of management's judgement wherever limitations were noted in the software.

Information Other than the Financial Statements and Auditor's Report thereon (Other Information)

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report of the Company for the financial year ended March 31, 2025 but does not include the financial statements and our auditor's report thereon. The reports containing the Other information as above is expected to be made available to us after the date of this Auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other Information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the reports containing the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The financial statements of the Company for the year ended March 31, 2024 were audited by the predecessor auditor whose report dated May 29,2024 expressed an unmodified opinion on those financial statements.

Our opinion is not modified in respect of the above matter

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
   (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
   (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued thereunder.
   (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
   (f) With respect to the adequacy of the internal financial controls over financial statement reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Section 197(16) of the Act, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/ provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigation on its financial position in its financial statements – Refer Note 33 to the financial statements.

ii. The Company has made provision, as required under the applicable law or accounting standard, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv.

a) The Management has represented that, to the best of its knowledge and belief, as disclosed in the Note 48 to the financial statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the Note 48 to the financial statements, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The Company has not declared or paid any dividend during the year. Hence, the compliance with the provisions of Section 123 of the Act is not applicable to the Company for the financial year.

vi. Based on the confirmation provided by the management, the company has used accounting software applications for maintaining its books of account which has a feature of recording audit trail (edit log) facility. As per the management representation provided to us the same has operated throughout the year for all relevant transactions recorded in the software and has not been tampered with, and audit trail has been preserved as per statutory requirement for record retention. The above features in audit trail have been test checked by us at random and we did not come across any instances of deviations relating to above.

ANNEXURE A REFERRED TO IN PARAGRAPH 1 UNDER THE HEADING "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MUTHOOT MERCANTILE LIMITED FOR THE YEAR ENDED MARCH 31, 2025.

1.

a)

i) The Company is maintaining branch-wise records showing particulars of the Property, Plant and Equipment of the Company and other assets. In the absence of consolidated register, the details thereof could not be reconciled with financial accounts to ensure completeness thereof.

ii) The Company is maintaining certain records showing particulars of the Intangible assets of the Company the values of which is noted to be not material.

b) According to the information and explanation given to us the company has a program of conducting physical verification of Property, Plant and Equipment on a periodic basis. However, the records for conducting physical verification of Property, Plant and Equipment were not available for our review and hence we are not in a position to comment on the reporting requirements of clause 1(b) of paragraph 3 of the Order.

c) According to the information and explanations given to us and the records of the Company examined by us, title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the company.

d) According to the information and explanations given to us and the records of the Company examined by us, the Company has not revalued any of its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year and hence the reporting requirements under the Clause (i)(d) of Para 3 of the Order is not applicable at this stage.

e) According to the information and explanations given to us and the records of the Company examined by us, there are no proceedings initiated or pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

2.

a) The Company does not hold any inventory and hence, the reporting requirements under Clause (ii)(a) of Para 3 of the Order are not applicable to the Company at this stage.

b) The company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks and financial institutions during the year on the basis of security of current assets. In our opinion, based on a comparison, the quarterly statements of receivables filed by the company with such banks and financial institutions were seen to be in agreement with the books of account of the Company (which have not been audited as at the quarters ended June 30, 2024, September 30, 2024 and December 31, 2024)

3.

a) The company is a Non-Banking Financial Company (NBFC) whose principal business is to give loans. Therefore, the provisions of Clause (iii)(a) of Para 3 of the Order are not applicable to the company.

b) In our opinion, the investments made, guarantee provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans, during the year are, prima facie, not prejudicial to the Company's interest.

c) In respect of loans and advances in the nature of loans, the schedule of repayment of principal and payment of interest have been stipulated, where ever applicable. Being a Non-Banking Finance company engaged in the business of granting loans, there are instances where repayment of principal amounts and payment of interest is not received as per stipulated terms for which the company has provided impairment allowance for expected credit losses, to the extent considered required as per Ind AS. Having regard to the nature of business undertaken by the company, and volume, specific details of such loans and advances, which are not repaid by borrowers as per stipulations are not fully reported, however particulars of loans overdue for more than ninety days as per books of accounts as at Balance Sheet date have been reported in Para (d) below.

d) In respect of loans granted by the Company, the total amount overdue for more than ninety days as per books of account as at the balance sheet date is as under:

(Rs. In Lakhs)

No. of cases	Principal Amount Overdue	Interest Overdue*	Total Overdue
1203	780.24	265.39	1,045.63

*Interest accrued on the overdue for more than 90 days is not recognized in the books of accounts

In our opinion and according to the information and explanations given to us, reasonable steps have been taken by the Company for recovery of the principal and interest.

e) The company is a Non-Banking Financial Company (NBFC) whose principal business is to give loans. Therefore, the provisions of Clause (iii)(e) of Para 3 of the Order are not applicable to the company

f) In our opinion and according to the information and explanations made available to us, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year to Promoters, related parties as defined in clause (76) of section 2 of the Companies Act, 2013.

4. According to the information and explanations given to us and the records of the Company examined by us, the Company has not given any loans, or provided any guarantee or security as specified under section 185 of the Companies Act, 2013. The provisions of section 186 of the Act with respect to loans, guarantee and security are not applicable to the Company being a Non-Banking Financial Company and the investments made by the Company are in compliance with the provisions of section 186 of the Act.

5. The Company has not accepted any deposits or any amounts deemed to be deposits from the public during the year which attracts the directives issued by the Reserve Bank of India. Being a Non-Banking Finance Company, the provisions of Sections 73 to 76 or any other relevant provision of the Act and the rules framed thereunder are not applicable to the Company.

6. To the best of our knowledge and according to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for any of the services rendered by the Company at this stage.

7.

a) As per the information and explanations furnished to us and according to our examination of the records of the Company, the Company has been generally regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable to the Company, with the appropriate authorities during the year except for a minor delay in one instance for an amount of Rs 0.12 lakhs.

b) According to the information and explanations given to us and the records of the Company examined by us, there are no arrears of undisputed statutory dues outstanding as on the last day of the financial year for a period of more than six months from the date on which they become payable.

c) According to the information and explanations given to us and the records of the Company examined by us, there are no disputed amounts of goods and services tax, provident fund, employee's state insurance, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other statutory dues dues to be deposited as at March 31, 2025 except for the following disputed amounts of Income tax not been deposited with the authorities as at March 31, 2025.

Name of the statute	Nature of the dues	Amount (Rs. in lakhs)	Period to which the amount relates (financial year)	Forum where the dispute is pending
Income Tax Act,1961	Income Tax	61.92	2020-21 (AY 2021-22)	Application for rectification pending before assessing officer
Income Tax Act,1961	Income Tax	0.86	2019-20 (AY 2020-21)	Application for rectification pending before assessing officer
Income Tax Act,1961	Income Tax	49.08	2016-17 (AY 2017-18)	Application for rectification pending before assessing officer

8. According to the information and explanations given to us and the records of the Company examined by us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

9.

a) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the company, we report that the Company has not defaulted in repayment of loans or other borrowings or in payment of interest to any lender.

b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

c) In our opinion and according to the information and explanations given to us, the Company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained.

d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the company, we report that no funds raised on short-term basis have been used for long-term purposes by the company.

e) The company does not have any subsidiaries, associates or joint ventures, therefore clause (ix)(e) of Para 3 of the Order is not applicable to the company.

f) The company does not have any subsidiaries, associates or joint ventures, therefore clause (ix)(f) of Para 3 of the Order is not applicable to the company

10.

a) According to the information and explanations given to us and the records of the Company examined by us, the Company has not raised monies by way of initial public offer or further public offer other than for the public offer of debt instruments. According to the information and explanations given to us and the records of the Company examined by us monies raised by way of public offer of debt instruments during the year were applied for the purposes of which those were raised.

b) According to the information and explanations given to us and the records of the Company examined by us, the Company has not made any preferential allotment (private placement) of shares or fully or partly or optionally convertible debentures during the year and hence, the reporting requirements under clause (x)(b) of Para 3 of the Order is not applicable to the Company.

11.

a) To the best of our knowledge and according to the information and explanations given to us, there have been instances of fraud on the company by its employees/customers amounting to Rs.86.66 lakhs during the year as included in Note 44(9)(p) to the financial statement. No fraud by the company has been noticed or reported during the year, nor have we been informed of any such case by the management.

b) No report under Section 143(12) of the Act has been filed in Form ADT-4 regarding any frauds, as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.

c) According to the information and explanations given to us and the records of the Company examined by us, the Company has not received whistle-blower complaints during the year.

12. The Company is not a Nidhi Company. Accordingly, the reporting requirements under clause (xii) (a), (b) and (c) of Para 3 of the Order are not applicable.

13. According to the information and explanations given to us and the records of the Company examined by us, all transactions with the related parties are as confirmed by the management to be in compliance with Sections 177 and 188 of the Act, where applicable and the details of such transactions have been disclosed in Note 38 to the financial statements as required by the applicable accounting standards. In the absence of comparable benchmarking evidences, we have relied on management certificate in this regard.

14.

a) In our opinion and based on our review of the extent of internal audit coverage and examination of internal audit reports issued during the year, the existing internal audit system of the company in force offers scope for strengthening and improvement to commensurate with the size and nature of its business.

b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

15. According to the information and explanations given to us and the records of the Company examined by us, the Company has not entered into any non-cash transactions with directors or persons connected with the directors. Accordingly, the reporting requirement under clause (xv) of Para 3 of the Order is not applicable.

16.

a) The Company is required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and accordingly, the company has obtained the required registration.

ANNEXURE B REFERRED TO IN PARAGRAPH 2(f) UNDER THE HEADING "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MUTHOOT MERCANTILE LIMITED FOR THE YEAR ENDED MARCH 31, 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial control systems with reference to financial statements reporting of Muthoot Mercantile Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls systems with reference to financial statements reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls system with reference to financial statements reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements reporting and their operating effectiveness. Our audit of internal financial controls system with reference to financial statements reporting included obtaining an understanding of internal financial controls system with reference to financial statements reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements reporting.

Meaning of Internal Financial Controls with reference to Financial Statements reporting

A Company's internal financial controls system with reference to financial statements reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls system with reference to financial statements reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements reporting

Because of the inherent limitations of internal financial controls system with reference to financial statements reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls system with reference to financial statements reporting to future periods are subject to the risk that the internal financial controls system with reference to financial statements reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Varma & Varma

Chartered Accountants

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements reporting and such internal financial controls system with reference to financial statements reporting were operating effectively as at March 31, 2025, based on the internal control with reference to financial statements reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI. However, certain features in software in use for transactions offers scope for improvement.

MUTHOOT MERCANTILE LIMITED

Notes to the Financial Statements for the year ended 31st March 2025

(All amounts are in Lakhs unless otherwise stated)

1 Corporate Information

Muthoot Mercantile Limited(CIN:U65921KL1997PLC011260) was incorporated on 3rd March 1997,having registered office at 1st Floor, North Block, "Muthoot Floors",opposite W & C Hospital, Thycaud, Thiruvananthapuram, 695014, Kerala.

The Company obtained permission from the RBI under section 45-IA of the Reserve Bank of India Act, 1934, for carrying on the bnsiness of Non-Banking Financial Institutions on 12th December 2002 vide Certificate of Registration (CoR) No. N-16.00178 and is classified as a Base Layer Non-Deposit Taking Non Banking Financial Company(NBFC-BL).

The main object of the company is to originate, provide and service personal loans and loans against gold jewellery.

2 Basis of Preparation and Presentation of Financial Statements

2.1 Basis of preparation

The financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules , 2015 (as amended from time to time). The financial statements have been prepared on a historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values as at the end of each reporting period as explained in the accounting policies below:

Historical cost is generally based on the fair valne of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company considers the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and / or disclosure purposes in these financial statements is determined on this basis.

Fair valne measnrements are categorised into Level 1, 2, or 3 based on the degree to which the inpnts to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety.

- Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices;
- Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and place limited reliance on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2; and
- Level 3: If one or more of the significant inpnts is not based on observable market data, the instrument is included in level 3.

2.2 Presentation of Financial Statements

The Financial Statements are prepared and presented in the format prescribed in the Division III to Schedule III to the Companies Act, 2013 ("the Act") applicable for Non-Banking Financial Companies ("NBFC"). The Cash Flow Statement has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schednle III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and directions issued by Reserve Bank of India.

Financial assets and financial liabilities are generally reported on a gross basis except when, there is an unconditional legally enforceable right to offset the recognised amonnts withont being contingent on a futnre event and the parties intend to settle on a net basis in the following circumstances:

(i) The normal course of business
(ii) The event of default
(iii) The event of insolvency or bankruptcy of the Company and/or its counterparties.

Functional And Presentation Currency

The financial statements are presented in Indian Rupees (JNR) except when otherwise indicated.

All amounts included in the financial statements are reported in Lakhs of Indian rupees (Rupees in Lakhs) except share and per share data, nnless otherwise stated.

3 Use of Judgements,Estimates and Assumptions

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires management of the Company to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures including disclosures of contingent assets and contingent liabilities as at the date of financial statements and the reported amounts of revenues and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in futnre periods which are affected.

Key sources of estimation of uncertainty at the date of the financial statements, which may cause a material adjnstment to the carrying amounts of assets and liabilities within the next financial year, is in respect of: impairment of financial instruments, provisions and contingent liabilities.

In particular, information about material areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recogoized in the financial statements is included in the following notes:

A. Business Model Assessment

Classification and measurement of financial assets depends on the results of the SPPI and the business model test.The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortised cost or fair value through other comprehensive income that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

B. Defined Employee Benefit Liabilities

The the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed annually.

C. Fair Value Measurement

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments inclnde considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

D. Impairment of Loans Portfolio

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances.It has been the Company's policy to regularly review its models in the context of actual loss experience and adjust when necessary.The impairment loss on loans is disclosed in more detail in Note 42 Risk Management.In case, higher provisions are to be considered as per the prudential norms of the Reserve Bank of India, they are considered and routed through Impairment Reserves.

E. Contingent Liabilities and Provisions Other than Impairment on Loan Portfolio

The Company operates in a regulatory and legal environment that, by nature, has a heighteued elemeut of litigation risk inherent to its operations. As a result, it is involved in various litigation, arbitration in the ordinary course of the Company's business.When the Company can reliably measure the outflow of economic benefits in relation to a specific case and considers such outflows to be probable, the Company records a provision against the case. Where the probability of outflow is considered to be remote, or probable, but a reliable estimate cannot be made, a contingent liability is disclosed.Given the subjectivity and uncertainty of determining the probability and amount of losses, the Compauy takes into account a number of factors including legal advice, the stage of the matter and historical evidence from similar incidents.Significant judgement is required to conclude on these estimates.

F. Effective Interest Rate (EIR) Method

The Company's EIR methodology, recognises interest income /expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioural life of loans given / taken and recognises the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments and penaltyinterest and charges).
This estimation, by nature, requires au element of judgement regarding the expected behaviour and life-cycle of the instruments and other fee income/expense that are integral parts of the instrument.

G.Other Estimates

These include contingent liabilities, useful lives of tangible and intangible assets etc.

4 Material Accounting Policies

4.1 Property Plant and Equipment

Property, plaut and equipment (PPE) are measured at cost less accumulated depreciation and accumulated impairment, (if any). The total cost of assets comprises its purchase price, freight, duties, taxes and any other iucidental expenses directly atributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner indended by the managment.

Changes in the expected useful life are accounted for by changing the amortisation period or methodology, as appropriate, and treated as changes in accounting estimates.

Advances paid towards acquisition of property, plant and equipment, outstanding at each Balance Sheet date is classified as capital advances uuder other non-fiuancial assets and the cost of assets not put to use before such date are disclosed under Capital work-in-progress.

The estimated useful lives as follows:

Particulars	Useful life estimated by company (Years)
Strong Room	20 (acquired up to 31-03-15)
	10 (Others)
Furniture And Fixtures	20 (acquired up to 31-03-15)
	10 (Others)
Vehicles	8
Office Equipments	3 (End user devices)
	6 (Servers and networks)
Office & Electrical Equipments	20 (acquired up to 31-03-15)
	10 (Others)

Changes in the expected useful life are accounted for by changing the depreciation period or methodology, as appropriate and treated as changes in accounting estimates.The Management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.
An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Auy gain or loss arising on the disposal or retiremeut of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset aud is recognised in the Statement of Profit and Loss.

4.2 Intangible Assets

An intangible asset is recognised only when its cost can be measured reliably and it is probable that the expected future economic benefits that are attributable to it will flow to the Company.

Intangible assets acquired separately are measured on initial recognition at cost. The cost of an intangible asset comprises its purchase price and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and any accumulated impairment losses.

The useful lives of intangible assets are assessed to be either finite or indefinite. Intangible assets with finite lives are amortised over the useful economic life. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at each financial year-end. Changes in the expected useful life, or the expected pattern of consumption of future economic benefits embodied in the asset, are accounted for by changing the amortisation period or methodology, as appropriate, which are then treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is presented as a separate line item in the Statement of Profit and Loss. Amortisation on assets acquired/sold during the year is recognised on a pro-rata basis to the Statement of Profit and Loss from / upto the date of acquisition/sale.

Intangible assets not ready for the intended use on the date of the Balance Sheet are disclosed as "Intangible assets under development".

4.3 Impairment of Non-Financial Assets

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is the higher of an asset's net selling price and its value in use. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than it's carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation/amortisation if there were no impairment.

4.4 Revenue Recognition

(i) Interest Income:

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time proportionate basis, by reference to the principal outstanding and at the effective interest rate applicable. The effective interest rate is the rate that exactly discounts the estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

The Company recognises interest income using effective interest rate (EIR) method as per Ind AS 109 'Financial Instruments' on all financial assets subsequently measured under amortised cost or fair value through other comprehensive income (FVOCI). The Company recognises interest income by applying the EIR to the gross carrying amount of financial assets other than credit impaired assets.

(ii) Revenue from operations other than interest income:

Revenue (other than those items to which Ind AS 109 Financial Instruments is applicable) is measured based on the consideration specified in the contracts with the customers. Amounts disclosed as revenue are net of goods and services tax ('GST') and amounts collected on behalf of third parties.The Company recognizes revenue from contracts with customers based on a five-step model as set out in Ind AS 115.

(a) Fees and Commission Income:

The company recognises the fee and commission income in accordance with the terms of the relevant contracts / agreement and when it is probable that the company will collect the consideration.

(b) Rental Income:

Income from operating leases (leasing and subleasing) are recognised in the Statement of Profit and Loss as per the contractual rentals unless another systematic basis is more representative of the time pattern in which benefits are derived from the leased assets. Revenue from leases are recognised in accordance with IndAS 116 where the company is a lessor.

(c) Dividend Income:
Dividend Income is recognised once the unconditional right to receive the dividend is established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

(d) Net Gain or Loss on Fair Value Change:
Any differences between the fair values of the financial assets classified as fair value through the profit or loss, held by the Company on the Balance Sheet date is recognised as an unrealised gain/ loss in the Statement of Profit and Loss. In cases there is a net gain in aggregate, the same is recognised in "Net gains on fair value changes" under revenue from operations and if there is a net loss the same is disclosed under "Expenses", in the Statement of Profit and Loss.

(e) Other Income:
Other Income are recognised on the completion of service and it is highly probable that a significant reversal of revenue is not expected to occur. The Company recognises recoveries against written off financial assets on realisation

4.5 Finance Cost
Finance costs also represents Interest expense recognised by applying the Effective Interest Rate (EIR) to the gross carrying amount of financial liabilities other than financial liabilities classified as FVTPL. Interest expense includes issue costs that are initially recognized as part of the carrying value of the financial liability and amortized over the expected life using the effective interest method. These include fees and commissions payable to advisers, loan processing fees and other expenses such as external legal costs, rating fee etc, provided these are incremental costs that are directly related to the issue of a financial liability. Finance costs are charged to the Statement of Profit and Loss.

4.6 Financial Instruments
A. Financial Assets
Initial recognition and measurement
All financial assets are recognised initially at fair value when the parties become party to the contractual provisions of the financial asset. In case of financial assets which are not recorded at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial assets, are adjusted to the fair value on initial recognition.

Subsequent measurement
The Company classifies its financial assets into various measurement categories. The classification depends on the contractual terms of the financial assets' cash flows and the Company's business model for managing financial assets.

a.Financial assets measured at amortised cost
A financial asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b. Financial assets measured at fair value through other comprehensive income (FVOCI)
A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and contractual terms of financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c. Financial assets measured at fair value through profit or loss (FVTPL)
A financial asset which is not classified in any of the above categories are measured at FVTPL.

B. Financial Liabilities
Initial recognition and measurement
All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The company's financial liabilities include trade and other payables, non-convertible debentures loans and borrowings including bank overdrafts.

Subsequent Measurement
Financial liabilities are subsequently carried at amortized cost using the effective interest method.

C. Derecognition of financial assets and liabilities

Financial Asset

The Company derecognizes a financial asset when the contractual cash flows from the asset expire or it transfers its rights to receive contractual cash flows from the financial asset in a transaction in which substantially all the risks and rewards of ownership are transferred. Any interest in transferred financial assets that is created or retained by the Company is recognized as a separate asset or liability.

Financial Liability

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and the recognition of a new liability. The difference between the carrying value of the original financial liability and the consideration paid is recognised in Statement of Profit and Loss.

D. Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' model (ECL), for evaluating impairment of financial assets other than those measured at Fair value through profit and loss.

Overview of the Expected Credit Loss (ECL) model

Expected Credit Loss, at each reporting date, is measured through a loss allowance for a financial asset:

At an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition.

At an amount equal to 12-month expected credit losses, if the credit risk on a financial instrument has not increased significantly since initial recognition.

Lifetime expected credit losses means expected credit losses that result from all possible default events over the expected life of a financial asset.

12-month expected credit losses means the portion of Lifetime ECL that represent the ECLs that result from default events on financial assets that are possible within the 12 months after the reporting date.

The Company performs an assessment, at the end of each reporting period, of whether a financial assets credit risk has increased significantly since initial recognition. When making the assessment, the change in the risk of a default occurring over the expected life of the financial instrument is used instead of the change in the amount of expected credit losses.

Based on the above process, the Company categorises its loans into three stages as described below:

<u>For non-impaired financial assets</u>

Stage 1 is comprised of all non-impaired financial assets which have not experienced a significant increase in credit risk (SICR)since initial recognition. A 12-month ECL provision is made for stage 1 financial assets. In assessing whether credit risk has increased significantly,the Company compares the risk of a default occurring on the financial asset as at the reporting date with the risk of a default occurring on the financial asset as at the date of initial recognition.

Stage 2 is comprised of all non-impaired financial assets which have experienced a significant increase in credit risk since initial recognition. The Company recognises lifetime ECL for stage 2 financial assets. In subsequent reporting periods, if the credit risk of the financial instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then entities shall revert to recognizing 12 months ECL provision.

<u>For impaired financial assets:</u>

Financial assets are classified as stage 3 when there is objective evidence of impairment as a result of one or more loss events that have occurred after initial recognition with a negative impact on the estimated future cash flows of a loan or a portfolio of loans. The Company recognises lifetime ECL for impaired financial assets.

Estimation of Expected Credit Loss
The mechanics of the ECL calculations are outlined below and the key elements are, as follows:

Probability of Default (PD) - The Probability of Default is an estimate of the likelihood of default over a given time horizon.
The Company uses historical information where available to determine PD. Considering the different products and schemes, the Company has bifurcated its loan portfolio into various pools. For certain pools where historical information is available, the PD is calculated considering fresh slippage of past years. For those pools where historical information is not available, the PD/ default rates as stated by external reporting agencies is considered.

Exposure at Default (EAD) - The Exposure at Default is an estimate of the exposure at a future default date, considering expected changes in the exposure after the reporting date, including repayments of principal and interest, whether scheduled by contract or otherwise, expected drawdowns on committed facilities, and accrued interest from missed payments.

Loss Given Default (LGD) – The Loss Given Default is an estimate of the loss arising in the case where a default occurs at a given time. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, including from the realisation of any collateral.

Forward looking information
While estimating the expected credit losses, the Company reviews macro-economic developments occurring in the economy and market it operates in. On a periodic basis, the Company analyses if there is any relationship between key economic trends like GDP, unemployment rates, benchmark rates set by the Reserve Bank of India, inflation etc. with the estimate of PD, LGD determined by the Company based on its internal data. While the interual estimates of PD, LGD rates by the Company may not be always reflective of such relationships, temporary overlays, if any, are embedded in the methodology to reflect such macro economic trends reasonably.
To mitigate its credit risks on financial assets, the Company seeks to use collateral, where possible. The collateral comes in various forms, such as cash, securities, letters of credit/gnarantees, vehicles, etc.However, the fair value of collateral affects the calculation of ECL. The collateral is majorly the property for which the loan is given. The fair value of the same is based on data provided by third party or management judgements.

4.7 Leases
As a Lessee
The Company's lease asset classes primarily consist of leases for buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether : (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii)the Company has the right to direct the use of the asset.At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases). For these short-term leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term.ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and usefnl life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individnal asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or,if not readily determinable, using the incremental borrowing rates . Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option.
Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.
The Company has elected not to apply the requirements of Ind AS 116 to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

As a Lessor
Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

4.8 Taxation
Income tax expense represents the sum of the tax currently payable, deferred tax and any excess/ short provision of earlier years.

Current Tax
Current tax is determined at the amount of tax payable in respect of taxable profit for the year as per the Income tax Act, 1961. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rate that has been enacted by the end of the reporting period.
Deferred tax
Deferred tax assets and liabilities are recognised for temporary differences arising between the tax bases of assets and liabilities and their carrying amounts. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the reporting date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.
Deferred tax assets are only recognised for temporary differences, unused tax losses and unused tax credits if it is probable that future taxable amounts will arise to utilise those temporary differences and losses. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax assets and liabilities are offset where there is a legally enforceable right to offset current tax assets and liabilities and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities are realised simultaneously.

Current and deferred tax for the year
Current and deferred tax are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in Equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in Equity respectively.

4.9 Prior period adjustment
Prior period adjustments due to errors, having material impact on the financial affairs of the Company, are corrected retrospectively by restating the comparative amounts for prior periods presented in which the error occurred or if the error occurred before the earliest period presented, by restating the opening statement of financial position.

4.10 Accounting for Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date. Where the time value of money is material, provisions are measured on a discounted basis. The expense relating to any provision is presented in the Statement of Profit and Loss net of any reimbursement.

Constructive obligation is an obligation that derives from an entity's actions where:

(a) by an established pattern of past practice, published policies or a sufficiently specific current statement, the entity has indicated to other parties that it will accept certain responsibilities, and

(b) as a result, the entity has created a valid expectation on the part of those other parties that it will discharge those responsibilities

Contingent liabilities are not recognised in the financial statements. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

4.11 Earning Per Share

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. Basic EPS is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

4.12 Derivative financial instruments

The Company enters into derivative financial instruments such as foreign exchange forward contracts and cross currency swaps to manage its exposure to foreign exchange rate risk.

Derivatives are initially recognised at fair value on the date when a derivative contract is entered into and are subsequently remeasured to their fair value at each balance sheet date and carried as assets when their fair value is positive and as liabilities when their fair value is negative. The resulting gain/loss is recognised in the Statement of Profit and Loss immediately unless the derivative is designated and is effective as a hedging instrument, in which event the timing of the recognition in the Statement of Profit and Loss depends on the nature of the hedge relationship. The Company has designated the derivative financial instruments as cash flow hedges of recognised liabilities and unrecognised firm commitments.

Hedge accounting

In order to manage particular risks, the Company applies hedge accounting for transactions that meet specific criteria. At the inception of a hedge relationship, the Company formally designates and documents the hedge relationship and the risk management objective and strategy for undertaking the hedge. Such hedges are expected to be highly effective if the hedging instrument is offsetting changes in fair value or cash flows of the hedged item attributable to the hedged risk. The assessment of hedge effectiveness is carried out at inception and on an ongoing basis to determine that the hedging relationship has been effective throughout the financial reporting periods for which they were designated.

Cash Flow Hedges

A cash flow hedge is a hedge of the exposure to variability in cash flows that is attributable to a particular risk associated with a recognised asset or liability (such as all or some future interest payments on variable rate debt) or a highly probable forecast transaction and could affect profit and loss. For designated and qualifying cash flow hedges, the effective portion of the cumulative gain or loss on the hedging instrument is initially recognised directly in OCI within equity (cash flow hedge reserve). The ineffective portion of the gain or loss on the hedging instrument is recognised immediately in the Statement of Profit and Loss. When the hedged cash flow affects the Statement of Profit and Loss, the effective portion of the gain or loss on the hedging instrument is recorded in the corresponding income or expense line of the Statement of Profit and Loss. When a hedging instrument expires, is sold,terminated, exercised, or when a hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss that has been recognised in OCI at that time remains in OCI and is recognised when the hedged forecast transaction is ultimately recognised in the Statement of Profit and Loss. When a forecast transaction is no longer expected to occur, the cumulative gain or loss that was reported in OCI is immediately transferred to the Statement of Profit and Loss.

4.13 Employee Benefits

(i) Retirement benefit costs and termination benefits

Defined contribution plans

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.The Provident Fund Scheme and Employee State Insurance Scheme are defined contribution plans.

Defined benefit plans

For defined benefit plans in the form of gratuity, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in the Statement of Profit and Loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- re-measurement

The Company presents the first two components of defined benefit costs in the Statement of Profit and Loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

(ii) Other long-term employee benefits

The Company provides for liability of accumulated compensated absences for eligible employees on the basis of an independent actuarial valuation carried out at the end of the year, using the projected unit credit method. Actuarial gains and losses are recognised in the Statement of Profit and Loss for the period in which they occur.

4.14 Cash Flow Statement

The Cash Flow Statement shows the changes in cash and cash equivalents arising during the year from operating activities, investing activities and financing activities.

The cash flows from operating activities are determined by using the indirect method. Net income is therefore adjusted by non-cash items, such as measurement gains or losses, changes in provisions, impairment of property, plant and equipment and intangible assets, as well as changes from receivables and liabilities. In addition, all income and expenses from cash transactions that are attributable to investing or financing activities are eliminated.

Cash and cash equivalents (including bank balances) shown in the Cash Flow Statement exclude items which are not available for general use as on the date of the Balance Sheet.

4.15 Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

(i) Statutory Reserve:
Statutory Reserve represents the Reserve Fund created under Section 45 IC of the Reserve Bank of India Act, 1934. Accordingly an amount representing 20% of Profit for the year is transferred to the fund.

(ii) Capital Redemption Reserve:
This reserve created on account of buyback of equity shares during the financial year 2016-17.

(iii) Impairment Reserve:
As per Master Direction – Reserve Bank of India (Non-Banking Financial Company– Scale Based Regulation) Directions, 2023, Where impairment allowance under Ind AS 109 is lower than the provisioning required under Income Recognition, Asset Classification, and Provisioning (including standard asset provisioning), NBFCs shall appropriate the difference from their net profit or loss after tax to a separate 'Impairment Reserve'. The balance in the 'Impairment Reserve' shall not be reckoned for regulatory capital. Further, no withdrawals shall be permitted from this reserve without prior permission from the Department of Supervision of the Reserve Bank.

(iv) Retained Earnings:
This Reserve represents the cumulative profits of the Company. This Reserve can be utilized in accordance with the provisions of the Companies Act, 2013.

(v) Other comprehensive income:
Effective portion of Cash Flow Hedges and Cost of Hedging Reserve
Effective portion of cash flow hedges represents the cumulative gains/(losses) arising on changes in fair value of the derivative instruments designated as cash flow hedges through OCI. The amount recognized as effective portion of Cash flow hedge is reclassified to profit or loss when the hedged item affects profit or loss. The company designates the spot element of foreign currency forward contracts as hedging instruments. The changes in the fair value of forward element of the forward contract on reporting date is deferred and retained in the cost of hedging reserve.

Remeasurement of defined benefit plans
It represents the gain/(loss) on remeasurement of Defined Benefit Obligation

41 Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique. In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques.

Fair values hierarchy

The fair value of financial instruments has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities [Level 1 measurements] and lowest priority to unobservable inputs [Level 3 measurements].

The categories used are as follows:

Level 1: Quoted prices (unadjusted) for identical instruments in an active market;

Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data (unobservable inputs).

Valuation framework

The Company's fair value methodology and the governance over its models includes a number of controls and other procedures to ensure the quality and adequacy of the fair valuation. The objective of the valuation techniques is to arrive at a fair value that reflects the price that would be received to sell the asset or paid to transfer the liability in the market at any given measurement date. The methodologies followed have been detailed below.

The fair valuation of the financial instruments and its ongoing measurement for financial reporting purposes is ultimately the responsibility of the finance team which reports to the Chief Financial Officer. The team ensures that final reported fair value figures are in compliance with Ind AS and will propose adjustments wherever required. When relying on third-party sources, the team is also responsible for understanding the valuation methodologies and sources of inputs and verifying their suitability for Ind AS reporting requirements.

Valuation methodologies of financial instruments measured at fair value

Investments at fair value through profit or loss

For investments at fair value through profit and loss, valuation is done using quoted prices from active markets at the measurement date. The equity instruments which are actively traded on public stock exchanges with readily available active prices on a regular basis are classified as Level 1. Units held in mutual funds are measured based on their published net asset value (NAV), taking into account redemption and/or other restrictions are generally Level I.

There are no such investments outstanding as at As at 31st March 2025 and As at 31st March 2024

Valuation Techniques

Short-term financial assets and liabilities

For financial assets and financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include: cash and cash equivalents, balances other than cash and cash equivalents and trade payables without a specific maturity.

Loans and advances to customers

The fair values of loans and receivables are estimated by discounted cash flow models that incorporate assumptions for credit risks, probability of default and loss given default estimates. Since comparable data is not available, credit risk is derived using historical experience, management view and other information used in its collective impairment models.

Fair values of portfolios are calculated using a portfolio-based approach, grouping loans as far as possible into homogenous groups based on similar characteristics i.e., type of loan, underlying security risk, customer behaviour based on region etc. The Company then calculates and extrapolates the fair value to the entire portfolio using effective interest rate model that incorporate interest rate estimates considering all significant characteristics of the loans. The credit risk is applied as a top-side adjustment based on the collective impairment model incorporating probability of defaults and loss given defaults. Hence, the carrying amount of such financial assets at amortised cost net of impairment loss allowance is of reasonable approximation of their fair value.

Financial Liabilities at amortized cost

The fair values of the Company fixed rate interest-bearing debt securities, borrowings and subordinated liabilities are determined by applying discounted cash flows ('DCF') method, using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. For variable rate interest-bearing debt securities, borrowings and subordinated liabilities, carrying value represent best estimate of their fair value as these are subject to changes in underlying interest rate indices as and when the changes happen.

All other debt securities, borrowings and subordinated liabilities availed by the Company are variable rate facilities which are subject to changes in underlying interest rate indices. Further, the credit spread on these facilities are subject to change with changes in Company creditworthiness. The management believes that the current rate of interest on these loans are in close approximation from market rates applicable to the Company. Therefore, the management estimates that the fair value of these borrowings are approximate to their respective carrying values.

42 Risk Management

The Company has operations in various parts of India. As a financial lending institution, the Company is exposed to various risks, that are related to lending business and operating environment.. The primary aim of the Company's risk management framework is to evaluate and oversee these risks while implementing strategies, policies, and controls to mitigate their impact. The Company's main financial obligations include borrowings and trade and other payables, primarily utilized to fund and sustain its business activities. Its core financial assets consist of loans, cash and cash equivalents, and other receivables generated through its operations.

The Company has established robust policies and procedures to identify, assess, monitor, and manage risk across its operations. The risk management framework is subject to continuous evaluation and enhancement to ensure it remains effective and responsive to evolving risk scenarios. The adaptability of this process is regularly assessed to confirm its relevance in a dynamic risk environment. Risk assessment is also conducted in response to specific events that may impact the company's exposure.
The major type of risk Company faces in business are credit risk, liquidity risk, market risk and operational risk.

A Credit Risk

Credit risk stems from the potential financial loss the Company may incur if a customer fails to meet their obligations under a loan agreement. Such losses may result from customer defaults or insufficient collateral.

A1 Credit risk management

To manage this risk, the Company has established several measures:

a) Credit risk associated with gold loans is significantly minimized, as the collateral comprises gold ornaments, which are highly liquid assets. The likelihood of loss is low due to the retention of a substantial margin—typically 25% or more—at the time of loan disbursement. Additionally, a prompt yet thorough collateral assessment and approval process further mitigates the risk. As a result, the overall credit risk in this segment remains low.

b) The Company classifies gold loans into various categories based on ticket size, and an appropriate authorization matrix is applied accordingly. Approval authority varies depending on the loan amount, ranging from the Branch Manager to officials at the Head Office level

c) Auctions are carried out in accordance with the Company's Auction Policy and the guidelines prescribed by the Reserve Bank of India. Typically, auctions are initiated before the outstanding loan amount, including interest, exceeds the realizable value of the pledged gold. It is used as a last resort in unavoidable situations.

A2 Impairment Assessment

The Company's impairment assessment and measurement approach is set out in this note. It should be read in conjunction with the Summary of material accounting policies.

A.2.1 Definition of Default

The Company considers a financial instrument as defaulted and therefore Stage 3 (credit-impaired) for Expected Credit Loss (ECL) calculations in all cases when the borrower becomes 91 days past due including the due date on its contractual payments. As a part of a qualitative assessment of whether a customer is in default, the Company also considers a variety of instances that may indicate unlikeness to pay. When such events occur, the Company carefully considers whether the event should result in treating the customer as defaulted and therefore assessed as Stage 3 for ECL calculations.

MUTHOOT MERCANTILE LIMITED THYCAUD 695 014

A.2.2 Credit risk measurement - Expected credit loss measurement

Ind AS 109 outlines a "three stage" model for impairment based on changes in credit quality since initial recognition as summarised below:

- A financial instrument that is not credit impaired on initial recognition and whose credit risk has not increased significantly since initial recognition is classified as "Stage 1".
- If a significant increase in credit risk since initial recognition is identified, the financial instrument is moved to "Stage 2" but is not yet deemed to be credit impaired.
- If a financial instrument is credit impaired, it is moved to "Stage 3".

ECL for depending on the stage of financial instrument:

- Financial instrument in Stage 1 have their ECL measured at an amount equal to expected credit loss that results from default events possible within the next 12 months.
- Instruments in Stage 2 or Stage 3 criteria have their ECL measured on lifetime basis.

Criteria for significant increase in credit risk

The Company considers a financial instrument to have experienced a significant increase in credit risk when one or more of the following quantitative or qualitative criteria are met.

(i) Quantitative criteria

The remaining lifetime probability of default at the reporting date has increased, compared to the residual lifetime probability of default expected at the reporting date when the exposure was first recognized. The Company considers loan assets as Stage 2 when the default in repayment is within the range of 30 to 90 days.

(ii) Qualitative criteria

If other qualitative aspects indicate that there could be a delay/default in the repayment of the loans, the Company assumes that there is significant increase in risk and loan is moved to stage 2.

Criteria for default and credit-impaired assets

The Company defines a financial instrument as in default, which is fully aligned with the definition of credit-impaired, when it meets the following criteria:

(i) Quantitative criteria

The Company considers loan assets as Stage 3 when the default in repayment has moved beyond 90 days.

(ii) Qualitative criteria

The Company considers factors that indicate unlikeliness of the borrower to repay the loan which include instances like the significant financial difficulty of the borrower, borrower deceased or breach of any financial covenants by the borrower etc.

A.2.3 Measuring ECL - explanation of inputs, assumptions and estimation techniques

Expected credit losses are the product of the exposure at default (EAD), probability of default (PD) and loss given default (LGD)

Exposure at Default (EAD)

Exposure at Defaul (EAD) which defines the exposure that will be at risk in case a borrower defaults on its obligations.EAD includes the total balance of loans asset on the reporting date along with interest accrued on the same except in case of stage 3 assets.

The table below shows the credit quality and the maximum exposure to credit risk based on the Company's internal risk based categories and year end asset classification. The amounts represented are gross of impairment allowances.

	EAD as at 31st March 2025				
	Region				
Stage	East India	North India	South India	West India	Total
1	20,236.76	21,153.24	14,459.99	17,280.62	73,130.61
2	4,019.84	4,445.30	2,214.19	4,500.04	15,179.37
3	536.34	422.57	120.47	284.11	1,363.49

MUTHOOT MERCANTILE LIMITED THYCAUD 695 014

Probability of default (PD)

The Probability of Default is an estimate of the likelihood of default over a given time horizon. For Stage 1 financial assets, the Company assesses the possible default events within 12 months for the calculation of the 12 month ECL. For Stage 2 and Stage 3 financial assets, the exposure at default is considered for events over the lifetime of the instruments. The Company uses historical information wherever available to determine PD.The loans are grouped into different geographical regions North, South, East and West for arriving the PD percentage to consider Marco Economic factors.The PD percentage is computed as a percentage of defaulted loan to the total loan disbursed regionwise.

Probability of default (PD)	Stage 1	Stage 2	Stage 3
East India	7.74%	7.74%	100%
North India	8.42%	8.42%	100%
South India	4.20%	4.20%	100%
West India	5.23%	5.23%	100%

Loss given default (LGD)

Loss given default defines the amount that the Company will lose in case a borrower defaults on its obligations.The Company determines its recovery by analyzing the recovery trends,collateral Value and Expected proceeds from sale of collaterals. In case of Gold loan LGD percentage is computed at 6.73% for different stages such as stage 1,stage 2 & stage 3 portfolios, and in case of unsecured personal loans LGD percentage is considered as 100%.

A.2.4 Collateral and other credit enhancements

To mitigate its credit risks on financial assets, the Company seeks to use collateral, where possible.The amount and type of collateral required depends on an assessment of the credit risk of the counterparty. Company provides loans against security of gold ornaments. The gold ornaments are pledged with the company and based on the company policy of loan to value ratio, the loan is provided.The fair value of collateral affects the calculation of ECLs. The fair value of the same is based on data provided by third party or management judgements.

The following is the quantitative information about the collateral held as security for Gold Loans outstanding as on 31st March 2025:

Outstanding amount to security value as at 31st March 2025	Outstanding of Gold Loan As at 31st March 2025
0%-50%	8,231.10
50%-60%	14,591.21
60%-70%	34,918.71
70%-80%	31,512.41
Total	**89,253.43**

B. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

C. Market risk

Market Risk is the risk that the fair value or the future cash flows of a financial instrument will fluctuate because of changes in market factor. Such changes in the values of financial instruments may result from changes in the interest rates, credit, liquidity, and other market changes. The objective of market risk management is to avoid excessive exposure of our earnings and equity to loss and reduce our exposure to the volatility inherent in financial instruments. The Company is exposed to three types of market risk as follows:

C.1 Interest Rate Risk

Interest Rate Risk is the risk that the future cashflows of the financial instruments will fluctuate because of changes in market interest rates. The Company is exposed to this risk primarily because it extends fixed-rate loans to customers with maturities that are generally shorter than those of its funding sources. While most of the Company's borrowings are at fixed interest rates, any borrowings at floating rates introduce exposure to interest rate volatility.

Interest rates are influenced by numerous external factors beyond the Company's control, including the monetary policies of the Reserve Bank of India, domestic and global economic and political developments, inflation trends, and other market conditions. To manage this risk effectively, the Company aims to maintain an optimal mix of short-term and long-term borrowings in its funding strategy.

Below is the overall exposure of the Company to interest rate risk:

Particulars	As at 31st March 2025

Total	21,062.61
Subordinate Debts	
Variable rate	-
Fixed rate	20,629.49
Total	20,629.49

The following table demonstrates the sensitivity to a reasonably possible change in the interest rates on the portion of borrowings affected. With all other variables held constant, the profit before taxes affected through the impact on floating rate borrowings is as follows:

Particulars	As at 31st March 2025
On Borrowings	
-1% Increase	198.72
-1% Decrease	(198.72)

C.2 Price Risk

A sudden decline in gold prices, and consequently in the value of pledged gold ornaments, may lead to customer defaults if the outstanding loan amonnt along with accrued interest exceeds the market value of the collateral. This risk is partially mitigated by maintaining a minimum margin of 25% on the assessed value of the gold jewellery when detennining the loan amount.
Moreover, the appraisal of gold jewellery is based exclusively on the weight of its gold content, with no consideration given to the weight or value of any embedded stones. Additionally, the sentimental attachment customers often have to their gold jewellery may encourage them to repay and redeem their pledged items, even if the current market value of the collateral is less than the repayment obligation.

While occasional fluctuations in gold prices are nnlikely to significantly impact price risk due to the conservative collateral margins maintained, a prolonged and sustained decrease in gold prices could lead to a contraction in our loan portfolio and a corresponding reduction in interest income.

C.3 Foreign Currency Risk

Currency risk refers to the potential for fluctuations in the value of financial instruments due to changes in foreign exchange rates. For the Company, this risk primarily arises from foreign currency borrowings. As of 31st March 2025 the Company has mitigated its exposure to foreign currency risk by entering into forward contracts to hedge its foreign currency borrowings. These hedging transactions are conducted with reputable banks as counterparties.

The Company's exposure on account of Foreign Currency Borrowings at the end of the reporting period are as follows:

Particulars	Foreign currency	As at 31st March 2025
Foreign Currency Term Loan	USD	97.21

C.4 Prepayment Risk

Prepayment risk is the risk that the Company will incur a financial loss because its customers and counterparties repay or request repayment earlier than expected, such as fixed rate loans when interest rates fall.

43 Capital management

The primary objectives of the Company's capital management policy are to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value.

Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may return capital to shareholders, issue new shares, or sell assets to reduce debt.
No changes have been made to the objectives, policies and processes from the previous years except those incorporated on account of regulatory amendments. However, they are under constant review by the Board.

As an NBFC, the RBI requires us to maintain a minimum capital to risk weighted assets ratio ("CRAR") consisting of Tier I and Tier II capital of 15% of our aggregate risk weighted assets. Further, the total of our Tier II capital cannot exceed 100% of our Tier I capital at any point of time. The capital management process of the Company ensures to maintain a healthy CRAR at all the times. Refer Note 46 for the Company's Analytical ratios.

Our Ref.

Independent auditors review Report on unaudited standalone quarterly financial results of Muthoot Mercantile Limited pursuant to Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Review Report to

The Board of Directors
Muthoot Mercantile Limited

We have reviewed the accompanying statement of unaudited financial results of Muthoot Mercantile Limited ('the Company') for the quarter and nine months ended 31st December 2025 ('the statement') being submitted by the Company pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, as amended, ('the Listing Regulations') duly initialed by us for the purpose of identification.

This statement is the responsibility of the management of Muthoot Mercantile Limited and has been approved by the Board of Directors. The Statement has been prepared in accordance with the recognition measurement principles laid down in Indian Accounting Standard 34, ('Ind AS') "Interim Financial Reporting", prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder, the circulars, guidelines, and direction issued by the Reserve Bank of India ('the RBI') from time to time (RBI guidelines) and other accounting principles generally accepted in India and is in compliance with the Listing Regulations read with the relevant circulars issued by SEBI. Our responsibility is to express a conclusion on the statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 - "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the statement prepared in accordance with aforesaid Indian accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning, and other related matters.

The comparative financial information of the company for the quarter ended December 31, 2024, and for the year ended 31st March, 2025 included in the statement have been reviewed/audited by the auditors of the preceding year/period and have not been subjected to review/audit by us. The report of predecessor auditors on the comparative financial information for the quarter ended 31st December, 2024 dated 13th February, 2025, for the year ended 31st March, 2025 dated 30th May, 2025 expressed an unqualified opinion.

Our conclusion is not modified in respect of these matters.
